On December 13, 2010, Titan Tire Corporation, a subsidiary of Titan International, Inc., announced that it has entered into agreements with the Goodyear Tire & Rubber Company to buy their European and Latin American farm tire businesses, including a licensing agreement that will allow Titan to manufacture and sell Goodyear-brand farm tires in Europe, Africa, Eastern Europe, Russia, Latin America and North America, for approximately \$130 million U.S. dollars, subject to post-closing adjustments. The Latin American portion of the transaction includes Goodyear's Sao Paulo, Brazil manufacturing plant, property, equipment and inventories. Subject to customary closing conditions and regulatory approvals, it is expected to close in the first half of 2011. The European portion of the transaction is subject to the exercise of a put option by Goodyear following completion of a social plan related to the previously announced discontinuation of consumer tire production at it Amiens North, France manufacturing plant and required consultation with the local Works Council. Upon completion of this action, as well as customary closing conditions and regulatory approvals, the transaction will include the Amiens North plant, property, equipment and inventories.
