SCHEDULE 2

REPRESENTATIONS, WARRANTIES AND UNDERTAKINGS

Part A - Vendor's Representations, Warranties, and Undertakings

1. The Vendor is the beneficial owner of and has good and valid title to the Sale Shares, and has the full right to sell, convey, transfer and deliver the Sale Shares. Except for the Share Mortgage, the Sale Shares are free and clear of all mortgages, liens, security interests, covenants, options, claims, restrictions or encumbrances of any kind, material defects as to title or restrictions against transfer or assignment thereof.
2. The Vendor will at Completion, upon release of the Share Mortgage, have full power and right to transfer the legal and beneficial title in the Sale Shares.
3. The Vendor, in entering into this Agreement and completing the transactions contemplated herein, does not do so in breach of any existing obligation, applicable legislation or other applicable law. To the best of the Vendor's knowledge, no consent, approval, license, permit, order or authorization (a "Consent") of, or registration, declaration or filing (other than the filing of Form 4 with the SEC) with any government or any court of competent jurisdiction (a "Governmental Entity") is required to be obtained or made by or with respect to the Vendor or the Company in connection with (i) the execution, delivery and performance of this Agreement or the consummation of the transactions contemplated herein or (ii) following the Closing, the conduct by the Company of its business substantially as conducted on the date hereof (the "Business"), other than (A) such filings as may be required pursuant to applicable US federal securities laws and (B) Consents, registrations, declarations and filings the absence of which, or the failure to make which, individually or in the aggregate, would not be reasonably likely to have a material adverse effect on the business or results of operations of the Company (a "Company Material Adverse Effect").
4. This Agreement when duly executed will constitute the legal, valid and binding obligation of the Vendor enforceable against the Vendor in accordance with its terms.
5. Neither the Vendor, its affiliates (as defined in Rule 501(b) of Regulation D promulgated under the Securities Act) nor any person acting on its behalf has, directly or indirectly:
 - (a) made offers or sales of any security, or solicited offers to buy, or otherwise negotiated in respect of, any security, under circumstances that would require the registration of the Sale Shares under the Securities Act; or
 - (b) engaged in any form of general solicitation or general advertising (within the meaning of Regulation D promulgated under the Securities Act) in connection with any offer of the Sale Shares in the U.S. or to a U.S. Person (within the meaning of Regulation S promulgated under the Securities Act).
6. Neither the Vendor, nor any of its affiliates (as defined in Rule 405 under the Securities Act), nor any person acting on their behalf has

Edgar Filing: EMERSON RADIO CORP - Form SC 13D

engaged in any "directed selling efforts" (as defined in Regulation S) with respect to the Sale Shares.

7. Neither the Vendor, nor any of its affiliates (as defined in Rule 501(b) of Regulation D), nor any person acting on its or their behalf will, directly or indirectly offer to sell, sell or solicit offers to buy, or otherwise seek to effect the transfer or pledge of any of any securities in any manner or by any means which would subject the sale of the Sale Shares to the registration requirements of the Securities Act or any state securities laws or which would be in violation of law and/or which could cause the sale of the Sale Shares under this Agreement, when viewed in the light of any such subsequent offer to sell, sale or solicitation of offers to buy or other transfer, to have been a violation of law.
8. The transfer of the Sale Shares from the Vendor to Purchaser is not part of a plan or scheme to evade the registration requirements of the Securities Act.
9. The Vendor will use his best endeavours to effect such filings, including Schedule 13D and Form 4, as may be required of him under applicable US federal securities laws, within the required statutory periods.
10. To the best of the Vendor's knowledge, there is no pending suit, action or proceeding ("Proceeding") or claim with respect to which the Company has been contacted in writing by counsel for the plaintiff or claimant or threatened Proceedings or claims arising out of the conduct of the Business (other than the Pending Litigation) that (a) relate to or involve more than US\$500,000, (b) seek any material injunctive relief or (c) may give rise to any legal restraint on or prohibition against the transactions contemplated by this Agreement. The Pending Litigation is being defended by or in consultation with the Company's insurance carriers, and, to the best of the Vendor's knowledge, the Company maintains adequate insurance to cover all damages which may be awarded to the plaintiffs (or to which they may agree by settlement) in, as well as any costs (including the fees and expenses of counsel) associated with, the Pending Litigation. To the best of the Vendor's knowledge, the Company is not a party or subject to or in default under any judgment, order or decree ("Judgment") other than for such Judgments that, individually and in the aggregate, could not reasonably be expected to have a Company Material Adverse Effect.
11. To the best of the Vendor's knowledge, the Business will not suffer any material disruption as a result of the announcement by the Vendor of his intention to sell the Sale Shares except that the information communicated by the Vendor to the Purchaser regarding the possible change in one of the primary bankers of the Company may or may not lead to any material disruption. In particular, but without limiting the generality of the foregoing, the Vendor has no knowledge that (i) any supplier or customer of the Business intends to cancel or otherwise substantially modify its relationship with the Company or to decrease materially or limit its services, supplies or materials to the Company, or its usage or purchase of the Company's services or products, or (ii) the consummation of the transactions contemplated hereby will adversely affect the relationship of the Company with any such supplier or customer. To the best of the Vendor's knowledge, no senior employee will leave the Business as a result of the announcement by the Vendor of sale of the Sale Shares so long as

Edgar Filing: EMERSON RADIO CORP - Form SC 13D

the Company continues to offer compensation and benefits to such employee that is substantially similar to the compensation and benefits enjoyed by such employee immediately prior to Completion. To the best of the Vendor's knowledge, since 1 January,

2

2005, the Company has caused the Business to be conducted in the ordinary course and in substantially the same manner as previously conducted.

12. To the best of the Vendor's knowledge, the execution of this Agreement and the consummation of the transactions contemplated hereby will not, by itself or in combination with any other event (regardless of whether that other event has or will occur), result in any payment (whether of severance pay or otherwise) becoming due from any benefit plan to any current or former director, officer, consultant or employee of the Company or result in the vesting, acceleration of payment or increases in the amount of any benefit payable to or in respect of any such current or former director, officer, consultant or employee.).
13. Without limiting the specificity of the foregoing representations and warranties, to the best of the Vendor's knowledge: (i) any factual information provided by or on behalf of the Company (under applicable statute or regulation or otherwise) (including company accounts, whether published or preliminary) was true and accurate in all material respects as at the date (if any) it was provided or as at the date (if any) at which it is stated and (ii) nothing has occurred or been omitted from the information so provided and no information has been given or withheld that results in the information provided by or on behalf of the Company being untrue or misleading in any material respect.
14. The Vendor shall use his best endeavours to procure that, after the date hereof and prior to the Completion Date, except as expressly provided in this Agreement or as may be agreed in writing by the Purchaser, the business of the Company shall be conducted in the same manner as heretofore conducted and only in the ordinary course, and the Vendor shall use his best endeavours to cause the Company to use its best endeavours to preserve the business organization of the Company intact, keep available the services of the current officers and employees of the Company and maintain the existing relations with franchisees, customers, suppliers, creditors, business partners and others having business dealings with the Company, to the end that the goodwill and ongoing business of the Company shall be unimpaired at the Completion Date. Without limiting the foregoing; the Vendor shall, in so far as not inconsistent with his role, obligations and duties as a director, Chairman and Chief Executive Officer of the Company, use his best endeavours to procure that the Company does not, between the date hereof and the Completion Date, take any of the actions set forth in Schedule 3 hereof.
15. The Vendor understands and agrees that upon his resignation as Chairman and Chief Executive Officer of the Company in accordance with Sub-Clause 1.1(e) of Schedule 1, his employment agreement with the Company will terminate, and he will have no claim against the Company for any amounts payable thereunder (other than amounts due for any period of employment ending on or prior to such termination date and not theretofore paid), including without limitation any claim based on premature termination or in respect of any "golden parachute."

16. To the best of the Vendor's knowledge, there has been no Material Adverse Change with respect to the Company since March 31, 2005.

3

17. Following Completion, and in the event the Transfer Documents are not adequate for this purpose, the Vendor will take such action as may be reasonably required by the Company's stock transfer agent to cause the Sale Shares to be registered, and a certificate representing such Sale Shares to be issued, in the name of the Purchaser or its designee.
18. As at the date of this Agreement, the Vendor beneficially owns options in respect of 200,000 common shares of the Company which were granted to the Vendor by the Company on 19 October 2004. To the best knowledge of the Vendor, no other option entitling the Vendor for additional common share in the Company is forthcoming.

2. This Agreement when duly executed will constitute legal, valid and binding obligation of the Purchaser enforceable against the Purchaser in accordance with its terms.

5. The Purchaser is acquiring the Sale Shares for investment for its own account, not as a nominee or agent, and not with a view to resale or distribution. It has no present intention of selling, transferring or distributing the Sale Shares or any of them (except for granting a lien therein to its lender at Completion). It has not entered into any contract, undertaking, agreement or arrangement with any third party to sell, transfer or distribute the Sale Shares or any of them (except for granting a lien therein to its lender at Completion).
6. 7. The Purchaser will advise any transferee of Sale Shares of the restrictions on transfer as described herein, and will procure that any such transferee delivers to the Purchaser a written undertaking to observe and be bound by such restrictions, and either (i) there is then in effect a registration statement under the Securities Act covering such transfer or (ii) such disposition will not require registration of the Sale Shares under the Securities Act.

10. The Purchaser will not engage in hedging transactions with regard to the Sale Shares unless in compliance with the Securities Act.
11. The Purchaser agrees that it will not offer to sell, sell or solicit offers to buy, or otherwise seek to effect the transfer of any of the Sale Shares in any manner or by any means which would subject the sale of the Sale Shares to the registration requirements of the Securities Act or any state securities laws or which would be in violation of law and/or which could cause the sale of the Sale Shares under this Agreement, when viewed in the light of any such subsequent offer to sell, sale or solicitation of offers to buy or other transfer, to have been a violation of law.
12. The Purchaser is duly incorporated and validly existing under the laws of the British Virgin Islands with power to conduct its business in the manner presently conducted.
13. A copy of the memorandum of association and articles of association of the Purchaser which has been supplied to the Vendor and, for the purposes of identification, signed by a director of the Purchaser is up-to-date, complete and accurate in all respects.

17. To the best of the Purchaser's knowledge, there is no pending Proceeding or claim with respect to which GHL has been contacted in writing by counsel for the plaintiff or claimant or threatened Proceedings or claims arising out of the conduct of the Purchaser's business as it is presently conducted that (a) relate to or involve more than US\$500,000, (b) seek any material injunctive relief or (c) may give rise to any legal restraint on or prohibition against the transactions contemplated by this Agreement. To the best of the Purchaser's knowledge, GHL is not a party or subject to or in default under any Judgment other than for such Judgments that, individually and in the aggregate, could not reasonably be expected to have

6

a material adverse effect on the business or results of operations of the business of GHL as it is presently conducted.

18. To the best of the Purchaser's knowledge, the business of the GHL as it is presently conducted will not suffer any material disruption as a result of the announcement by the Purchaser of its intention to purchase the Sale Shares. In particular, but without limiting the generality of the foregoing, the Purchaser has no knowledge that (i) any supplier or customer GHL's business as it is presently conducted intends to cancel or otherwise substantially modify its relationship with GHL or to decrease materially or limit its services, supplies or materials to GHL, or its usage or purchase of GHL's services or products, or (ii) the consummation of the transactions contemplated hereby will adversely affect the relationship of GHL with any such supplier or customer. 1. These representations, warranties and undertakings are true and correct as of the date hereof, and will be true and correct on the date and as of the

Edgar Filing: EMERSON RADIO CORP - Form SC 13D

3. The Vendor is the beneficial owner of and has good and valid title to the Sale Shares, and has the full right to sell, convey, transfer and deliver the Sale Shares. Except for the Share Mortgage, the Sale Shares are free and clear of all mortgages, liens, security interests,

covenants, options, claims, restrictions or encumbrances of any kind, material defects as to title or restrictions against transfer or assignment thereof.

4. The Vendor will at Completion, upon release of the Share Mortgage, have full power and right to transfer the legal and beneficial title in the Sale Shares.
5. The Vendor, in entering into the Agreement and completing the transactions contemplated herein, does not do so in breach of any existing obligation, applicable legislation or other applicable law. To the best of the Vendor's knowledge, no Consent of, or registration, declaration or filing (other than the filing of Form 4 with the SEC) with any Governmental Entity is required to be obtained or made by or with respect to the Vendor or the Company in connection with (i) the execution, delivery and performance of the Agreement or the consummation of the transactions contemplated herein or (ii) following the Closing, the conduct by the Company of its Business substantially as conducted on the date hereof, other than (A) such filings as may be required pursuant to applicable US federal securities laws and (B) Consents, registrations, declarations and filings the absence of which, or the failure to make which, individually or in the aggregate, would not be reasonably likely to have a Company Material Adverse Effect.

- 2
10. The transfer of the Sale Shares from the Vendor to Purchaser is not part of a plan or scheme to evade the registration requirements of the Securities Act.
 11. The Vendor will use his best endeavours to effect such filings, including Schedule 13D and Form 4, as may be required of him under applicable US federal securities laws, within the required statutory periods.
 12. To the best of the Vendor's knowledge, there is no pending Proceeding or claim with respect to which the Company has been contacted in writing by counsel for the plaintiff or claimant or threatened Proceedings or claims arising out of the conduct of the Business (other than the Pending Litigation) that (a) relate to or involve more than US\$500,000, (b) seek any material injunctive relief or (c) may give rise to any legal restraint on or prohibition against the transactions contemplated by the Agreement. foregoing, the Vendor has no knowledge that (i) any supplier or customer of the Business intends to cancel or otherwise substantially modify its relationship with the Company or to decrease materially or limit its services, supplies or materials to the Company, or its usage or purchase of the Company's services or products, or (ii) the consummation of the transactions contemplated hereby will adversely affect the relationship of the Company with any such supplier or customer. To the best of the Vendor's knowledge, no senior employee will leave the Business as a result of the announcement by the Vendor of sale of the Sale Shares so long as the Company continues to offer compensation and benefits to such employee that is substantially similar to the compensation and benefits enjoyed by such employee immediately prior to Completion. To the best of the Vendor's knowledge, since 1 January, 2005, the Company has caused the Business to be conducted in the ordinary course and in substantially the same manner as previously conducted.

14. To the best of the Vendor's knowledge, the execution of the Agreement and the consummation of the transactions contemplated hereby will not, by itself or in combination with any other event (regardless of whether that other event has or will occur), result in any payment (whether of severance pay or otherwise) becoming due from any benefit plan to any current or former director, officer, consultant or employee of the Company or result in the vesting, acceleration of payment or increases in the amount of any benefit payable to or in respect of any such current or former director, officer, consultant or employee.

15. 16. The Vendor shall use his best endeavours to procure that, after the date hereof and prior to the Completion Date, except as expressly provided in the Agreement or as may be agreed in writing by the Purchaser, the business of the Company shall be conducted in the same manner as heretofore conducted and only in the ordinary course, and the Vendor shall use his best endeavours to cause the Company to use its best endeavours to preserve the business organization of the Company intact, keep available the services of the current officers and employees of the Company and maintain the existing relations with franchisees, customers, suppliers, creditors, business partners and others having business dealings with the Company, to the end that the goodwill and ongoing business of the Company shall be unimpaired at the Completion Date. Without limiting the foregoing; the Vendor shall, in so far as not inconsistent with his role, obligations and duties as a director, Chairman and Chief Executive Officer of the Company, use his best endeavours to procure that the Company does not, between the date hereof and the Completion Date, take any of the actions set forth in Schedule 3 of the Agreement.

Edgar Filing: EMERSON RADIO CORP - Form SC 13D

17. The Vendor understands and agrees that upon his resignation as Chairman and Chief Executive Officer of the Company in accordance with Sub-Clause 1.1(e) of Schedule 1 to the Agreement, his employment agreement with the Company will terminate, and he will have no claim against the Company for any amounts payable thereunder (other than amounts due for any period of employment ending on or prior to such termination date and not theretofore paid), including without limitation any claim based on premature termination or in respect of any "golden parachute."
18. To the best of the Vendor's knowledge, there has been no Material Adverse Change with respect to the Company since March 31, 2005.
19. Following Completion, and in the event the Transfer Documents are not adequate for this purpose, the Vendor will take such action as may be reasonably required by the Company's stock transfer agent to cause the Sale Shares to be registered, and a certificate representing such Sale Shares to be issued, in the name of the Purchaser or its designee.
20. As at the date of the Agreement, the Vendor beneficially owns options in respect of 200,000 common shares of the Company which were granted to the Vendor by the Company on 19 October 2004. To the best knowledge of the Vendor, no other option entitling the Vendor for additional common share in the Company is forthcoming.

- 5.2 The Company shall have the right, at any time by a 30-day prior written notice to the Debentureholder, to redeem the whole or part of the outstanding principal amount of this Debenture.

6 CONVERSION

- 6.1 Subject to receipt by the Company of the documents referred to in Condition 8.1, the Debentureholder shall have the right to convert on any Business Day prior to five (5) Business Days prior to the Maturity Date (for the avoidance of doubt, such right to convert can be exercised even if the Debentureholder has received a written redemption notice issued by the Company in accordance with Condition 5.2 so long as such is exercised prior to the expiry of the 30-day notice period), the whole or any part(s) of the principal amount of the Debenture into Shares at any time and from time to time at the Conversion Price provided that such part of the principal amount of the Debenture to be converted shall not be less than the H.K. Dollar equivalent of US\$5 million (determined by applying the Exchange Rate) and shall be in a multiple of US\$1 million, so that the number of Shares which fall to be issued (subject to Condition 6.2) shall be calculated by applying the formula:

$$n = \frac{x}{y}$$

where n = number of Conversion Shares to be issued

Edgar Filing: EMERSON RADIO CORP - Form SC 13D

- x = the whole of the H.K. Dollar equivalent of the principal amount of the Debenture being converted (determined by applying the Exchange Rate); and
- y = the Conversion Price applicable on the relevant Exercise Date.

The Conversion Shares shall be allotted and issued in the name of the Debentureholder or its nominee and shall be delivered to the Debentureholder or its nominee within ten (10) Business Days after the date of presentation of the original certificate for the Debenture and the duly executed conversion notice.

- 6.2 No fraction of a Share shall be issued on conversion of the Debenture. Fractional entitlements shall be ignored and any sum paid in respect thereof shall be retained by the Company for its own benefit. Shares issued upon conversion pursuant to Condition 6.1 shall rank pari passu in all respects with all other existing Shares outstanding at the

14

Exercise Date and be entitled to all dividends and other distributions the record date of which falls on a date on or after the date of the conversion notice.

- 6.3 Unless otherwise requested by the Debentureholder, only one Share certificate will be issued upon conversion.
- 6.4 Under normal circumstances, no charge will be imposed for the issue of the Share certificate upon conversion of the Debenture. If the Debentureholder, who applies for conversion of the Conversion Shares, requests for the issue of a number of Share certificates each with a denomination unreasonably small, appropriate charges will be imposed on the Debentureholder as the Company may reasonably determine and it would take longer than five (5) Business Days to issue the Share certificates.

7 ADJUSTMENTS

- 7.1 Subject as hereinafter provided, the Conversion Price shall from time to time be adjusted in accordance with the following relevant provisions and so that if the event giving rise to any such adjustment shall be such as would be capable of falling within more than one of sub-paragraphs (a) to (g) inclusive of this Condition 7.1, it shall fall within the first of the applicable paragraphs to the exclusion of the remaining paragraphs.

- (a) If and whenever the Shares by reason of any consolidation or sub-division which will decrease or increase the number of Shares in issue, the Conversion Price in force immediately prior thereto shall be adjusted by multiplying it by the following fraction:

A
-
B

Edgar Filing: EMERSON RADIO CORP - Form SC 13D

where:

A = the number of the Shares in issue immediate before the Share consolidation or sub-division; and

B = the revised number of the Shares in issue as a result of the Share consolidation or sub-division.

Each such adjustment shall be effective from the close of business in Hong Kong on the day immediately preceding the date on which the consolidation or sub-division becomes effective.

- (b) If and whenever the Company shall issue (other than in lieu of a cash dividend) any Shares credited as fully paid by way of capitalisation of profits or reserves (including any share premium account or capital redemption reserve fund), the Conversion Price in force immediately prior to such issue shall be adjusted by multiplying it by the following fraction:

15

$$\frac{C}{C + D}$$

where:

C = the aggregate number of the issued Shares immediately before such issue; and

D = the aggregate number of the Shares issued in such capitalisation.

Each such adjustment shall be effective (if appropriate retroactively) from the commencement of the day next following the record date for such issue.

- (c) If and whenever the Company shall make any Capital Distribution (as defined in Condition 7.2) (except where, and to the extent that, the Conversion Price falls to be adjusted under sub-paragraph (b) above) to holders (in their capacity as such) of Shares (whether on a reduction of capital or otherwise), the Conversion Price in force immediately prior to such distribution shall be adjusted by multiplying it by the following fraction:

$$\frac{E - F}{E}$$

where:

E = the market price (as defined in Condition 7.2) on the date on which the Capital Distribution is publicly announced or (failing any such announcement) next preceding the date of the Capital Distribution; and

Edgar Filing: EMERSON RADIO CORP - Form SC 13D

F = the fair market value on the day of such announcement or (as the case may require) the next preceding day, as determined in good faith by the auditors of the Company for the time being or an approved merchant bank of the portion of the Capital Distribution which is attributable to one Share;

Provided that:

- (i) if in the opinion of the auditors of the Company for the time being or an approved merchant bank (as the case may be), the use of the fair market value as aforesaid produces a result which is significantly inequitable, it may instead determine, and in such event the above formula shall be construed as if F meant the amount of the said market price which should properly be attributed to the value of the Capital Distribution; and
- (ii) the provisions of this sub-paragraph (c) shall not apply in relation to the issue of Shares paid out of profits or reserves of the Company and/or its subsidiaries and issued in lieu of a cash dividend.

16

Each such adjustment shall be effective (if appropriate retroactively) from the commencement of the day next following the record date for the Capital Distribution or grant.

- (d) If and whenever the Company shall after the date hereof offer to holders of Shares new Shares for subscription by way of rights, or shall grant to holders of Shares any options, warrants or other rights to subscribe for or purchase any Shares and the total amount (if any) payable for the rights, options, warrants or other rights to subscribe for each new Share, plus the subscription price payable for each new Share is less than 90% of the market price (as defined in Condition 7.2), the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before the date of the announcement of such offer by the following fraction:

$$\frac{G + \frac{H \times I}{J}}{G + H}$$

where:

G = the number of Shares in issue immediately before the date of such announcement;

H = the aggregate number of Shares so offered for subscription;

I = the amount (if any) payable for the rights, options or

Edgar Filing: EMERSON RADIO CORP - Form SC 13D

warrants or other rights to subscribe for each new Share, plus the subscription price payable for each new Share; and

J = the greater of either the closing price per Share on the trading day immediately prior to such announcement or the Conversion Price in effect immediately prior to the trading day immediately prior to such announcement.

Such adjustment shall become effective (if appropriate retroactively) from the commencement of the next day following the record date for the offer or grant provided that the adjustment referred to in this sub-paragraph (d) shall not apply if the offer on substantially the same terms is extended to the Debentureholder.

- (e) (i) If and whenever the Company shall issue wholly for cash any securities which by their terms are convertible into or exchangeable for or carry rights of subscription for new Shares, and the Total Effective Consideration per Share (as defined below in this sub-paragraph (e)) initially receivable for such securities is less than 90% of the market price (as defined in Condition 7.2) as at the date of announcement of the terms of such securities (for the purpose of this section (i), the "Applicable Price"), the Conversion Price shall be adjusted by multiplying the

17

Conversion Price in force immediately prior to the issue by a fraction of which the numerator is the number of Shares in issue immediately before the date of the issue plus the number of Shares which the Total Effective Consideration receivable for the securities issued would purchase at the Applicable Price and the denominator is the number of Shares in issue immediately before the date of the issue plus the number of Shares to be issued upon conversion or exchange of, or the exercise of the subscription rights conferred by, such securities, at the initial conversion or exchange rate or subscription price. Such adjustment shall become effective (if appropriate retrospectively) from the close of business in Hong Kong on the Business Day next preceding whichever is the earlier of the date on which the issue is announced and the date on which the Company determines the conversion or exchange rate or subscription price.

- (ii) If and whenever the rights of conversion or exchange or subscription attached to any such securities as are mentioned in section (i) of this sub-paragraph (e) are modified so that the Total Effective Consideration (as defined below in this sub-paragraph (e)) per Share initially receivable for such securities shall be less than 90% of the market price (as defined in Condition 7.2) at the date of announcement of the proposal to modify such rights of conversion or exchange or subscription (for the purpose of this section (ii), the "Applicable Price"), the Conversion

Edgar Filing: EMERSON RADIO CORP - Form SC 13D

Price shall be adjusted by multiplying the Conversion Price in force immediately prior to such modification by a fraction of which the numerator is the number of Shares in issue immediately before the date of such modification plus the number of Shares which the Total Effective Consideration receivable for the securities issued at the modified conversion price would purchase at the Applicable Price and of which the denominator is the number of Shares in issue immediately before such date of modification plus the number of Shares to be issued upon conversion of or the exercise of the subscription rights conferred by such securities at the modified conversion or exchange rate or subscription price, such adjustment shall take effect as at the date upon which such modification takes effect. A right of conversion or subscription shall not be treated as modified for the foregoing purposes where it is adjusted to take account of rights or capitalisation issues and other events normally giving rise to adjustment of conversion or exchange terms.

For the purposes of this sub-paragraph (e), the "Total Effective Consideration" receivable for the securities issued shall be deemed to be the consideration receivable by the Company for any such securities plus the additional minimum consideration (if any) to be received by the Company upon (and assuming) the conversion or exchange thereof or the exercise of such subscription rights, and the Total Effective Consideration per Share initially receivable for such securities shall be such aggregate consideration divided by the number of Shares to be issued upon (and assuming) such conversion or exchange at the initial conversion or exchange rate or the exercise of such subscription rights at the initial subscription price, in

18

each case without any deduction for any commissions, discounts or expenses paid, allowed or incurred in connection with the issue.

- (f) If and whenever the Company shall issue wholly for cash any Shares at a price per Share which is less than 90% of the market price (as defined in Condition 7.2) at the date of the announcement of the terms of such issue (for the purpose of this sub-paragraph (f), the "Applicable Price"), the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before the date of such announcement by a fraction of which the numerator is the number of Shares in issue immediately before the date of such announcement plus the number of Shares which the aggregate amount payable for the issue would purchase at the Applicable Price and the denominator is the number of Shares in issue immediately before the date of such announcement plus the number of Shares so issued for cash. Such adjustment shall become effective on the date of the issue.
- (g) If and whenever the Company shall issue Shares for the acquisition of assets at a Total Effective Consideration (as defined below in this sub-paragraph (g)) per Share which is less than 90% of the market price (as defined in Condition 7.2) at the date of the announcement of the terms of such issue, the Conversion Price

Edgar Filing: EMERSON RADIO CORP - Form SC 13D

shall be adjusted in such manner as may be determined by an approved merchant bank or the auditors of the Company for the time being, such adjustment to become effective on the date of issue. For the purposes of this sub-paragraph (g), "Total Effective Consideration" shall be the aggregate consideration credited as being paid for such Shares by the Company on acquisition of the relevant asset without any deduction of any commissions, discounts or expenses paid, allowed or incurred in connection with the issue thereof, and the "Total Effective Consideration per Share" shall be the Total Effective Consideration divided by the number of Shares issued as aforesaid.

7.2 For the purposes of this Condition 7:

"Capital Distribution" shall (without prejudice to the generality of that phrase) include distributions in cash or specie. Any dividend charged or provided for in the accounts for any financial period shall (whenever paid and however described) be deemed to be a Capital Distribution provided that any such dividend shall not be deemed or regarded as Capital Distribution if it is paid out of (i) the aggregate of the net profits (less losses) attributable to the holders of Shares for all financial periods after December 31, 2004 as shown in the

19

audited consolidated profit and loss account of the Company and its subsidiaries for each financial period ended December 31, 2005 or other financial year end date from time to time adopted by the Company; (ii) and/or distributable reserves of the Company and its subsidiaries.

"issue" shall include allot;

"rights" includes rights in whatsoever form issued.

7.3 The provisions of Condition 7.1 shall not apply to:

Edgar Filing: EMERSON RADIO CORP - Form SC 13D

any conversion rights attached to securities convertible into Shares or upon exercise of any rights (including any conversion of the Debenture) to acquire Shares (except a rights issue) provided that an adjustment (if required) has been made under this Condition 7 in respect of the issue of such securities or granting of such rights (as the case may be);

- 7.6 Whenever the Conversion Price is adjusted as herein provided the Company shall as soon as possible but no later than ten (10) Business Days after the relevant adjustment has been determined give notice of the same to the Debentureholder (setting forth the event giving rise to the adjustment, the Conversion Price in effect prior to such adjustment, the adjusted Conversion Price and the effective date thereof).

20

0

- 7.7 Notwithstanding any other provision of this Condition 7, no adjustment shall be made which would (but for this Condition 7.7) result in the Conversion Price being reduced so that on conversion, Shares would fall to be issued at a discount to their nominal value, and in such case an adjustment shall be made to the effect that the Conversion Price shall be reduced to the nominal value of the Shares.
- 7.8 Any adjustment to the Conversion Price shall not involve an increase in the Conversion Price (except upon any consolidation of the Shares pursuant to Condition 7.1(a)).

6. Conversion

- 6.1 Subject to receipt by the Company of the documents referred to in Condition 8.1, the Debentureholder shall have the right to convert on any Business Day prior to five (5) Business Days prior to the Maturity Date (for the avoidance of doubt, such right to convert can be exercised even if the Debentureholder has received a written redemption notice

Edgar Filing: EMERSON RADIO CORP - Form SC 13D

issued by the Company in accordance with Condition 5.2 so long as such is exercised prior to the expiry of the 30-day notice period), the whole or any part(s) of the principal amount of the Debenture into Shares at any time and from time to time at the Conversion Price provided that such part of the principal amount of the Debenture to be converted shall not be less than the H.K. Dollar equivalent of US\$5 million (determined by applying the Exchange Rate) and shall be in a multiple of US\$1 million, so that the number of Shares which fall to be issued (subject to Condition 6.2) shall be calculated by applying the formula:

$$n = \frac{x}{y}$$

where

n = number of Conversion Shares to be issued

x = the whole of the H.K. Dollar equivalent of the principal amount of the Debenture being converted (determined by applying the Exchange Rate); and

y = the Conversion Price applicable on the relevant Exercise Date.

The Conversion Shares shall be allotted and issued in the name of the Debentureholder or its nominee and shall be delivered to the Debentureholder or its nominee within ten (10) Business Days after the date of presentation of the original certificate for the Debenture and the duly executed conversion notice.

- 6.2 No fraction of a Share shall be issued on conversion of the Debenture. If the Debentureholder, who applies for conversion of the Conversion Shares, requests for the issue of a number of Share certificates each with a denomination unreasonably small, appropriate charges will be imposed on the Debentureholder as the Company may reasonably determine and it would take longer than five (5) Business Days to issue the Share certificates.

7. Adjustments -----

- 7.1 Subject as hereinafter provided, the Conversion Price shall from time to

Edgar Filing: EMERSON RADIO CORP - Form SC 13D

time be adjusted in accordance with the following relevant provisions and so that if the event giving rise to any such adjustment shall be such as would be capable of falling within more than one of sub-paragraphs (a) to (g) inclusive of this Condition 7.1, it shall fall within the first of the applicable paragraphs to the exclusion of the remaining paragraphs.

- (a) If and whenever the Shares by reason of any consolidation or sub-division which will decrease or increase the number of Shares in issue, the Conversion Price in force immediately prior thereto shall be adjusted by multiplying it by the following fraction:

$$\frac{A}{B}$$

where:

A= the number of the Shares in issue immediate before the Share consolidation or sub-division; and

B= the revised number of the Shares in issue as a result of the Share consolidation or sub-division.

Each such adjustment shall be effective from the close of business in Hong Kong on the day immediately preceding the date on which the consolidation or sub-division becomes effective.

- (b) If and whenever the Company shall issue (other than in lieu of a cash dividend) any Shares credited as fully paid by way of capitalisation of profits or reserves (including any share premium account or capital redemption reserve fund), the Conversion Price in force immediately prior to such issue shall be adjusted by multiplying it by the following fraction:

$$\frac{C}{C + D}$$

10

where:

C = the aggregate number of the issued Shares immediately before such issue; and

D = the aggregate number of the Shares issued in such capitalisation.

Each such adjustment shall be effective (if appropriate retroactively) from the commencement of the day next following the record date for such issue.

- (c) If and whenever the Company shall make any Capital Distribution (as defined in Condition 7.2) (except where, and to the extent that, the Conversion Price falls to be adjusted under sub-paragraph (b) above) to holders (in their capacity as such) of Shares (whether on a reduction of capital or otherwise), the

Edgar Filing: EMERSON RADIO CORP - Form SC 13D

Conversion Price in force immediately prior to such distribution shall be adjusted by multiplying it by the following fraction:

$$\frac{E - F}{E}$$

where:

E = the market price (as defined in Condition 7.2) on the date on which the Capital Distribution is publicly announced or (failing any such announcement) next preceding the date of the Capital Distribution; and

F = the fair market value on the day of such announcement or (as the case may require) the next preceding day, as determined in good faith by the auditors of the Company for the time being or an approved merchant bank of the portion of the Capital Distribution which is attributable to one Share;

Provided that:

- (i) if in the opinion of the auditors of the Company for the time being or an approved merchant bank (as the case may be), the use of the fair market value as aforesaid produces a result which is significantly inequitable, it may instead determine, and in such event the above formula shall be construed as if F meant the amount of the said market price which should properly be attributed to the value of the Capital Distribution; and
- (ii) the provisions of this sub-paragraph (c) shall not apply in relation to the issue of Shares paid out of profits or reserves of the Company and/or its subsidiaries and issued in lieu of a cash dividend.

Each such adjustment shall be effective (if appropriate retroactively) from the commencement of the day next following the record date for the Capital Distribution or grant.

11

- (d) If and whenever the Company shall after the date hereof offer to holders of Shares new Shares for subscription by way of rights, or shall grant to holders of Shares any options, warrants or other rights to subscribe for or purchase any Shares and the total amount (if any) payable for the rights, options, warrants or other rights to subscribe for each new Share, plus the subscription price payable for each new Share is less than 90% of the market price (as defined in Condition 7.2), the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before the date of the announcement of such offer by the following fraction:

$$\frac{H \times I}{G + \text{-----}}$$

Edgar Filing: EMERSON RADIO CORP - Form SC 13D

J

G + H

where:

- G = the number of Shares in issue immediately before the date of such announcement;
- H = the aggregate number of Shares so offered for subscription;
- I = the amount (if any) payable for the rights, options or warrants or other rights to subscribe for each new Share, plus the subscription price payable for each new Share; and
- J = the greater of either the closing price per Share on the trading day immediately prior to such announcement or the Conversion Price in effect immediately prior to the trading day immediately prior to such announcement.

Such adjustment shall become effective (if appropriate retroactively) from the commencement of the next day following the record date for the offer or grant provided that the adjustment referred to in this sub-paragraph (d) shall not apply if the offer on substantially the same terms is extended to the Debentureholder.

- (e) (i) If and whenever the Company shall issue wholly for cash any securities which by their terms are convertible into or exchangeable for or carry rights of subscription for new Shares, and the Total Effective Consideration per Share (as defined below in this sub-paragraph (e)) initially receivable for such securities is less than 90% of the market price (as defined in Condition 7.2) as at the date of announcement of the terms of such securities (for the purpose of this section (i), the "Applicable Price"), the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the issue by a fraction of which the numerator is the number of Shares in issue immediately before the date of the issue plus the number of Shares which the Total Effective Consideration receivable for the securities issued would purchase at the

12

Applicable Price and the denominator is the number of Shares in issue immediately before the date of the issue plus the number of Shares to be issued upon conversion or exchange of, or the exercise of the subscription rights conferred by, such securities, at the initial conversion or exchange rate or subscription price. Such adjustment shall become effective (if appropriate retrospectively) from the close of business in Hong Kong on the Business Day next preceding whichever is the earlier of the date on which the issue is announced and the date on which the Company determines the conversion or exchange rate or subscription price.

Edgar Filing: EMERSON RADIO CORP - Form SC 13D

- (ii) If and whenever the rights of conversion or exchange or subscription attached to any such securities as are mentioned in section (i) of this sub-paragraph (e) are modified so that the Total Effective Consideration (as defined below in this sub-paragraph (e)) per Share initially receivable for such securities shall be less than 90% of the market price (as defined in Condition 7.2) at the date of announcement of the proposal to modify such rights of conversion or exchange or subscription (for the purpose of this section (ii), the "Applicable Price"), the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to such modification by a fraction of which the numerator is the number of Shares in issue immediately before the date of such modification plus the number of Shares which the Total Effective Consideration receivable for the securities issued at the modified conversion price would purchase at the Applicable Price and of which the denominator is the number of Shares in issue immediately before such date of modification plus the number of Shares to be issued upon conversion of or the exercise of the subscription rights conferred by such securities at the modified conversion or exchange rate or subscription price, such adjustment shall take effect as at the date upon which such modification takes effect. A right of conversion or subscription shall not be treated as modified for the foregoing purposes where it is adjusted to take account of rights or capitalisation issues and other events normally giving rise to adjustment of conversion or exchange terms.

For the purposes of this sub-paragraph (e), the "Total Effective Consideration" receivable for the securities issued shall be deemed to be the consideration receivable by the Company for any such securities plus the additional minimum consideration (if any) to be received by the Company upon (and assuming) the conversion or exchange thereof or the exercise of such subscription rights, and the Total Effective Consideration per Share initially receivable for such securities shall be such aggregate consideration divided by the number of Shares to be issued upon (and assuming) such conversion or exchange at the initial conversion or exchange rate or the exercise of such subscription rights at the initial subscription price, in each case without any deduction for any commissions, discounts or expenses paid, allowed or incurred in connection with the issue.

- (f) If and whenever the Company shall issue wholly for cash any Shares at a price

per Share which is less than 90% of the market price (as defined in Condition 7.2) at the date of the announcement of the terms of such issue (for the purpose of this sub-paragraph (f), the "Applicable Price"), the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before the date of such announcement by a fraction of which the numerator is the number of Shares in issue immediately before the date of such

Edgar Filing: EMERSON RADIO CORP - Form SC 13D

announcement plus the number of Shares which the aggregate amount payable for the issue would purchase at the Applicable Price and the denominator is the number of Shares in issue immediately before the date of such announcement plus the number of Shares so issued for cash. Such adjustment shall become effective on the date of the issue.

- (g) If and whenever the Company shall issue Shares for the acquisition of assets at a Total Effective Consideration (as defined below in this sub-paragraph (g)) per Share which is less than 90% of the market price (as defined in Condition 7.2) at the date of the announcement of the terms of such issue, the Conversion Price shall be adjusted in such manner as may be determined by an approved merchant bank or the auditors of the Company for the time being, such adjustment to become effective on the date of issue. For the purposes of this sub-paragraph (g), "Total Effective Consideration" shall be the aggregate consideration credited as being paid for such Shares by the Company on acquisition of the relevant asset without any deduction of any commissions, discounts or expenses paid, allowed or incurred in connection with the issue thereof, and the "Total Effective Consideration per Share" shall be the Total Effective Consideration divided by the number of Shares issued as aforesaid.

7.2 For the purposes of this Condition 7:

"rights" includes rights in whatsoever form issued.

7.3 The provisions of Condition 7.1 shall not apply to:

- (a) an issue of fully paid Shares upon the exercise of options granted under the share option scheme of the Company for the time being or any conversion rights attached to securities convertible into Shares or upon exercise of any rights (including any conversion of the Debenture) to acquire Shares (except a rights issue) provided that an adjustment (if required) has been made under this Condition 7 in respect of the issue of such securities or granting of such rights (as the case may be);

7.6 Whenever the Conversion Price is adjusted as herein provided the Company shall as soon as possible but no later than ten (10) Business Days after the relevant adjustment has been determined give notice of the same to the Debentureholder (setting forth the event giving rise to the adjustment, the Conversion Price in effect prior to such adjustment, the adjusted Conversion Price and the effective date thereof).

7.7 Notwithstanding any other provision of this Condition 7, no adjustment shall be made which would (but for this Condition 7.7) result in the Conversion Price being reduced so that on conversion, Shares would fall to be issued at a discount to their nominal value, and in such case an adjustment shall be made to the effect that the Conversion Price shall

15

be reduced to the nominal value of the Shares.

Conversion Rights and ensure the continued compliance thereof (provided in each case that the Debentureholder complies with and satisfies all such conditions).

- 9.4 The Company shall not make any reduction or redemption of share capital, share premium account or capital redemption reserve involving the repayment of money to shareholders of the Company (other than to shareholders of the Company having the right on a winding-up to a return of capital in priority to the holders of Shares) or reduce any uncalled liability in respect thereof unless, in any such case, the same gives rise (or would, but for the provisions of Condition 7(e) give rise) to an adjustment of the Conversion Price in accordance with Condition 7.
- 9.5 The Company shall not issue or pay up any securities by way of capitalisation of profits or reserves other than (i) by the issue of fully paid Shares to holders of its Shares; or (ii) as mentioned in Condition 7.3(b); or (iii) by the issue of Shares in lieu of a cash dividend in the manner referred to in Condition 7.3(c).

8.2 Payment of interest

The Borrower shall pay accrued interest on the Loan on each Interest Payment Date.

8.3 Default interest

- (a) If an Obligor fails to pay any amount payable by it under a Finance Document on its due date, interest shall accrue on the Unpaid Sum from the due date up to the date of actual payment (both before and after judgment) at a rate which, subject to paragraph (b) below, is the sum of two per cent. and the rate which would have been payable if the Unpaid Sum had, during the period of non-payment, constituted a Loan in the currency of the Unpaid Sum for successive Interest Periods, each of a duration selected by the Lender (acting reasonably). Any interest accruing under this Clause 8.3 shall be immediately payable by the Obligor on demand by the Lender.
- (b) If any Unpaid Sum consists of all or part of the Loan which became due on a day which was not the last day of an Interest Period relating to that Loan:

- (d) Each Interest Period for the Loan shall start on the Utilisation Date or (if already made) on the last day of its preceding Interest Period.

9.3 Division of Loan

The Loan shall not be divided.

10. CHANGES TO THE CALCULATION OF INTEREST

- (i) the Margin; and
- (ii) the rate notified to the Borrower by the Lender as soon as practicable and in any event before interest is due to be paid in respect of that Interest Period, to be that which expresses as a percentage rate per annum the cost to the Lender of funding that Loan from whatever source it may reasonably select.

Edgar Filing: EMERSON RADIO CORP - Form SC 13D

- (b) In this Agreement "Market Disruption Event" means:
- (i) at or about noon on the Quotation Day for the relevant Interest Period the Screen Rate is not available and the Lender is unable to provide a quotation to determine LIBOR for the relevant currency and Interest Period; or

10.2 Alternative basis of interest or funding

- (a) If a Market Disruption Event occurs and the Lender or the Borrower so requires, the Lender and the Borrower shall enter into negotiations (for a period of not more than thirty days) with a view to agreeing a substitute basis for determining the rate of interest.
- (b) Any alternative basis agreed pursuant to paragraph (a) above shall, with the prior consent of the Lender and the Borrower, be binding on all Parties.

12. TAX GROSS UP AND INDEMNITIES

12.1 Definitions

(a) In this Agreement:

"Tax Credit" means a credit against, relief or remission for, or repayment of any Tax.

"Tax Deduction" means a deduction or withholding for or on account of Tax from a payment under a Finance Document.

"Tax Payment" means either the increase in a payment made by an Obligor to the Lender under Clause 12.2 (Tax gross-up) or a payment under Clause 12.3 (Tax indemnity).

(b) Unless a contrary indication appears, in this Clause 12 a reference to "determines" or "determined" means a determination made in the absolute discretion of the person making the determination.

12.2 Tax gross-up

(a) All payments to be made by an Obligor to the Lender under or in connection with a Finance Document shall be made free and clear of and without any Tax Deduction, unless such Obligor is required to make a Tax Deduction, in which case the sum payable by such Obligor shall be increased to the extent necessary to ensure that the Lender receives a sum net of any Tax Deduction, equal to the sum which it would have received if no Tax Deduction had been required.

(b) The Borrower shall promptly upon becoming aware that an Obligor must make a Tax Deduction (or that there is any change in the rate or the basis of a Tax Deduction) notify the Lender accordingly. Similarly, the Lender shall notify the Borrower on becoming so aware in respect of a payment payable to the Lender.

(c) If an Obligor is required to make a Tax Deduction, that Obligor shall make that Tax Deduction and any payment required in connection with that Tax Deduction within the time allowed and in the minimum amount required by law.

(d) Within thirty days of making either a Tax Deduction or any payment required in connection with that Tax Deduction, the Obligor making that Tax Deduction shall deliver to the Lender evidence reasonably satisfactory to the Lender that the Tax Deduction has been made or (as applicable) any appropriate payment has been paid to the relevant taxing authority.

12.3 Tax indemnity

(a) Without prejudice to Clause 12.2 (Tax gross-up), if the Lender is required to make any payment of or on account of Tax on or in relation to any sum received or receivable under or in connection with the Finance Documents (including any sum deemed for purposes of Tax to be received or receivable by the Lender whether or not actually received or receivable) or if any liability in respect of any such payment is asserted, imposed, levied or assessed against the Lender, the Borrower shall (within three Business Days of demand by the Lender) promptly indemnify the

Lender an amount equal to the loss or liability which the Lender determines will be or has been (directly or indirectly) suffered for or on account of Tax by it in respect of a Finance Document, together with any interest, penalties, costs and expenses payable or incurred in connection therewith.

(b) Paragraph (a) above shall not apply:

(i) with respect to any Tax imposed:

(A) by the jurisdiction in which the Lender is incorporated; or

(B) by the jurisdiction in which its Facility Office is located,

which is calculated by reference to the net income actually received or receivable (but, for the avoidance of doubt, not including any sum deemed for purposes of Tax to be received or receivable by the Lender but not actually received or receivable) by the Lender; or

(ii) to the extent a loss, liability or cost is compensated for by an increased payment under Clause 12.2 (Tax gross-up).

(c) The Lender making, or intending to make, a claim under paragraph (a) above shall promptly notify the Borrower of the event which will give, or has given, rise to the claim.

12.4 Tax Credit

If an Obligor makes a Tax Payment and the Lender determines that:

(a) a Tax Credit is attributable either to an increased payment of which that Tax Payment forms part or to that Tax Payment; and

(b) the Lender has obtained, utilised and fully retained that Tax Credit on an affiliated group basis,

the Lender shall pay an amount to the Obligor which the Lender determines will leave it (after that payment) in the same after-Tax position as it would have been in had the Tax Payment not been required to be made by the Obligor.

12.5 Stamp taxes

The Borrower shall pay and, within three Business Days of demand, indemnify the Lender against any cost, loss or liability the Lender incurs in relation to all stamp duty, registration and other similar Taxes payable in respect of any Finance Document.

12.6 Indirect Tax

(a) All consideration expressed to be payable under a Finance Document by

Edgar Filing: EMERSON RADIO CORP - Form SC 13D

any Party to the Lender shall be deemed to be exclusive of any Indirect Tax. If any Indirect Tax is chargeable on any supply made by the Lender to any Party in connection with a Finance Document, that Party shall pay to the Lender (in addition to and at the same time as paying the consideration) an amount equal to the amount of the Indirect Tax.

- (b) Where a Finance Document requires any Party to reimburse the Lender for any costs or expenses, that Party shall also at the same time pay and indemnify the Lender against all

(C) Mallesons Stephen Jaques Facility Agreement 19

Indirect Tax incurred by the Lender in respect of the costs or expenses except to the extent that the Lender determines that it is entitled to credit or repayment in respect of the Indirect Tax.

13. INCREASED COSTS

13.1 Increased costs

- (a) Subject to Clause 13.3 (Exceptions) the Borrower shall, within three Business Days of a demand by the Lender, pay for the account of the Lender the amount of any Increased Costs incurred by the Lender or any of its Affiliates as a result of (i) the introduction of or any change in (or in the interpretation, administration or application of) any law or regulation or (ii) compliance with any law or regulation made after the date of this Agreement. The terms "law" and "regulation" in this paragraph (a) shall include, without limitation, any law or regulation concerning capital adequacy, prudential limits, liquidity, reserve assets or Tax.

- (b) In this Agreement "Increased Costs" means:

- (i) a reduction in the rate of return from the Facility or on the Lender's (or its Affiliate's) overall capital (including, without limitation, as a result of any reduction in the rate of return on capital brought about by more capital being required to be allocated by the Lender or one of its Affiliates);
- (ii) an additional or increased cost; or
- (iii) a reduction of any amount due and payable under any Finance Document,

which is incurred or suffered by the Lender or any of its Affiliates to the extent that it is attributable to the Lender having entered into its Commitment or funding or performing its obligations under any Finance Document.

13.2 Increased cost claims

- (a) If the Lender intends to make a claim pursuant to Clause 13.1 (Increased costs) shall notify the Borrower of the event giving rise to the claim.
- (b) The Lender shall, as soon as practicable after a demand by the Borrower, provide a certificate confirming the amount of its Increased Costs.

Edgar Filing: EMERSON RADIO CORP - Form SC 13D

13.3 Exceptions

- (a) Clause 13.1 (Increased costs) does not apply to the extent any Increased Cost is:
- (i) attributable to a Tax Deduction required by law to be made by an Obligor;
 - (ii) compensated for by Clause 12.3 (Tax indemnity) (or would have been compensated for under Clause 12.3 (Tax indemnity) but was not so compensated solely because any of the exclusions in paragraph (b) of Clause 12.3 (Tax indemnity) applied); or
 - (iii) attributable to the wilful breach by the Lender or its Affiliates of any law or regulation.
- (b) In this Clause 13.3, a reference to a "Tax Deduction" has the same meaning given to the term in Clause 12.1 (Definitions).

EXECUTION COPY

PLEDGE AGREEMENT

PLEDGE AGREEMENT dated as of August 22, 2005 (this "Agreement"), made between the Borrower referred to below (the "Pledgor"), and ABN AMRO Bank N.V., Hong Kong Branch (the "Pledgee").

W I T N E S S E T H :
- - - - -

WHEREAS, S&T International Distribution Limited, a British Virgin Islands company with limited liability (the "Borrower"), and the Pledgee are parties to the Facility Agreement, dated as of the date hereof (such agreement, as amended, restated, supplemented or otherwise modified from time to time, being hereinafter referred to as the "Facility Agreement"), pursuant to which the Pledgee has agreed to make certain loans (collectively, the "Loans") to the Borrower;

WHEREAS, it is a condition precedent to the making of any Loan by the Pledgee pursuant to the Facility Agreement that the Pledgor shall have executed and delivered to the Pledgee a pledge and security agreement providing for the pledge to the Pledgee, and the grant to the Pledgee of a security interest in and Lien on the Acquisition Shares (as defined in the Facility Agreement) referred to in the Acquisition Agreement between the Borrower and Gottfried Ludwig Prentice Jurick, of even date herewith, owned or to be owned by the Pledgor; and

WHEREAS, the Pledgor has determined that the execution, delivery and performance of this Agreement directly benefit and are in the best interest of the Pledgor;

NOW, THEREFORE, in consideration of the premises and the agreements herein and in order to induce the Pledgee to make and maintain the Loans pursuant to the Facility Agreement, the Pledgor hereby agrees with the Pledgee as follows:

SECTION 1. Definitions. Reference is hereby made to the Facility Agreement for a statement of the terms thereof. All terms used in this Agreement which are defined in the Facility Agreement or in Article 8 or Article 9 of the Uniform Commercial Code (the "Code") in effect from time to time in the State of New York and which are not otherwise defined herein shall have the same meanings herein as set forth therein; provided, that terms used herein which are defined in the Code as in effect in the State of New York on the date hereof shall continue to have the same meaning notwithstanding any replacement or amendment of such statute except as the Pledgee may otherwise determine.

SECTION 2. Pledge and Grant of Security Interest. As collateral security for all of the Obligations (as defined in Section 3 hereof), the Pledgor hereby pledges and collaterally assigns to the Pledgee a continuing security interest in and Lien on the Pledgor's right, title and interest in and to the following (the "Pledged Collateral"):

the shares of stock, partnership interests, membership interests and other equity interests described in Schedule I hereto (the "Pledged Shares"), whether or not evidenced or represented by any stock certificate, certificated security or other instrument, issued by the Persons described in

Edgar Filing: EMERSON RADIO CORP - Form SC 13D

such Schedule I (the "Pledged Issuer"), the certificates representing the Pledged Shares, all options and other rights, contractual or otherwise, in respect thereof and all

dividends, distributions, cash, instruments, investment property and other property (including, but not limited to, any stock dividend and any distribution in connection with a stock split) from time to time received, receivable or otherwise distributed in respect of or in exchange for any or all of the Pledged Shares;

SECTION 3. Security for Obligations. The security interest created hereby in the Pledged Collateral constitutes continuing collateral security for all of the following obligations, whether now existing or hereafter incurred (collectively, the "Obligations"):

(a) the prompt payment by the Pledgor, as and when due and payable (by scheduled maturity, required prepayment, acceleration, demand or otherwise), of all amounts from time to time owing by the Pledgor to the Pledgee in respect of the Facility Agreement and all other Finance Documents, including, without limitation (i) principal of and interest on the Loans (including, without limitation, all interest that accrues after the commencement of any Insolvency Proceeding of the Pledgor whether or not the payment of such interest is unenforceable or is not allowable due to the existence of such Insolvency Proceeding), and (ii) all fees, commissions, expense reimbursements, indemnifications and all other amounts due or to become due to the Pledgee under the Facility Agreement and any other Finance Document; and

(b) the due performance and observance by the Pledgor of all of its other obligations from time to time existing in respect of the Facility Agreement and all other Financing Documents.

SECTION 4. Delivery of the Pledged Collateral.

(a) (i) All certificates representing the Pledged Shares shall be delivered to the Pledgee promptly following issuance thereof in the name of the Pledgor by the Pledged Issuer's stock transfer agent. All other certificates and instruments constituting Pledged Collateral from time to time required to be pledged to the Pledgee pursuant to the terms hereof (the "Additional Collateral") shall be delivered to the Pledgee promptly upon receipt thereof by or on behalf of the Pledgor. All such certificates and instruments shall be held by or on behalf of the Pledgee pursuant hereto and shall be accompanied by duly executed instruments of transfer or assignment or undated stock powers executed in blank, all in form and substance reasonably satisfactory to the Pledgee. If any Pledged Collateral consists of uncertificated securities, unless the immediately following sentence is applicable thereto, the Pledgor shall cause the Pledgee (or its custodian, nominee or other designee) to become the registered holder thereof, or cause each issuer of such securities to agree that it will comply with instructions originated by the Pledgee with respect to such securities without further consent by the Pledgor. If any Pledged Collateral consists of security entitlements, the Pledgor shall transfer such security entitlements to the Pledgee (or its custodian, nominee or other designee) or cause the applicable securities intermediary to agree that it will comply with entitlement orders by the Pledgee without further consent by the Pledgor.

(ii) Within 5 Business Days of the receipt by the Pledgor of any Additional Collateral, a Pledge Amendment, duly executed by the Pledgor,

Edgar Filing: EMERSON RADIO CORP - Form SC 13D

in substantially the form of Annex I hereto (a "Pledge Amendment"), shall be delivered to the Pledgee in respect

2

of the Additional Collateral to be pledged pursuant to this Agreement and the Facility Agreement. The Pledge Amendment shall from and after delivery thereof constitute part of Schedule I hereto. The Pledgor hereby authorizes the Pledgee to attach each Pledge Amendment to this Agreement and agrees that all certificates or instruments listed on any Pledge Amendment delivered to the Pledgee shall, for all purposes hereunder, constitute Pledged Collateral and the Pledgor shall be deemed upon delivery thereof to have made the representations and warranties set forth in Section 5 with respect to such Additional Collateral.

(b) If the Pledgor shall receive, by virtue of the Pledgor's being or having been an owner of any Pledged Collateral, any (i) stock certificate (including, without limitation, any certificate representing a stock dividend or distribution in connection with any increase or reduction of capital, reclassification, merger, consolidation, sale of assets, combination of shares, stock split, spin-off or split-off), promissory note or other instrument, (ii) option or right, whether as an addition to, substitution for, or in exchange for, any Pledged Collateral, or otherwise, (iii) dividends payable in cash (except such dividends permitted to be retained by the Pledgor pursuant to Section 7 hereof) or in securities or other property, or (iv) dividends or other distributions in connection with a partial or total liquidation or dissolution, the Pledgor shall receive such stock certificate, promissory note, instrument, option, right, payment or distribution in trust for the benefit of the Pledgee, shall segregate it from the Pledgor's other property and shall deliver it forthwith to the Pledgee, in the exact form received, with any necessary endorsement and/or appropriate stock powers duly executed in blank, to be held by the Pledgee as Pledged Collateral and as further collateral security for the Obligations.

SECTION 5. Representations and Warranties. The Pledgor represents and warrants as follows:

(a) The Pledgor (i) is a company with limited liability duly organized, validly existing and in good standing under the laws of the state or jurisdiction of its organization, and (ii) has all requisite power and authority to execute, deliver and perform this Agreement.

(b) The execution, delivery and performance by the Pledgor of this Agreement (i) have been duly authorized by all necessary company action, (ii) do not and will not contravene its constitutional documents or any applicable law or any material contractual restriction binding on or affecting it or any of its properties, and (iii) do not and will not result in or require the creation of any Lien upon or with respect to any of its properties other than pursuant to this Agreement.

(c) The Pledged Shares have been duly authorized and validly issued and are fully paid and nonassessable and the holders thereof are not entitled to any preemptive, first refusal or other similar rights. Except as noted in Schedule I hereto, the Pledged Shares represent approximately thirty-seven percent (37%) of the entire issued share capital of the Pledged Issuer on a fully diluted basis as of the date hereof. All shares constituting Pledged Collateral will be duly authorized and validly issued, and fully paid and nonassessable.

(d) The Pledgor is and will be at all times the legal and beneficial owner of its Pledged Collateral free and clear of all Liens, except for the Lien created by this Agreement.

(e) The exercise by the Pledgee of any of its rights or remedies in accordance with the terms of this Agreement will not contravene any law or any material contractual restriction binding on or affecting the Pledgor or any of the properties of the Pledgor and will not result in or require the creation of any Lien upon or with respect to any of the properties of the Pledgor other than pursuant to this Agreement or the other Finance Documents.

(f) No authorization or approval or other action by, and no notice to or filing with, any Governmental Authority is required to be obtained or made by the Pledgor for (i) the due execution, delivery and performance by the Pledgor of this Agreement, (ii) the grant by the Pledgor or the perfection of the Lien created hereby in the Pledged Collateral, or (iii) the exercise by the Pledgee of any of its rights and remedies hereunder, except (A) as may be required in connection with any sale of any Pledged Collateral by laws affecting the offering and sale of securities generally and (B) for the filing under the Code as in effect in the applicable jurisdiction of the applicable financing statements, all of which financing statements have been duly filed and are in full force and effect.

(g) This Agreement creates a valid Lien in favor of the Pledgee in the Pledged Collateral as security for the Obligations. The filing of financing statements and the Pledgee's possession of any certificates representing the Pledged Shares and all other certificates, instruments and cash constituting Pledged Collateral from time to time results in the perfection of such Lien. Such Lien is, or in the case of Pledged Collateral in which the Pledgor obtains rights after the date hereof, will be, a perfected, first-priority Lien. All action necessary or desirable to perfect and protect such Lien has been duly taken, except for the filing of the financing statements and the Pledgee's acquisition of possession of certificates, instruments and cash constituting Pledged Collateral to take place after the date hereof.

SECTION 6. Covenants as to the Pledged Collateral. So long as any Obligation shall remain outstanding, the Pledgor will, unless the Pledgee shall otherwise consent in writing:

(a) keep adequate records concerning the Pledged Collateral and permit the Pledgee or any designee or representative thereof at any time or from time to time to examine and make copies of and abstracts from such records pursuant to the terms of the Facility Agreement;

(b) at the Pledgor's sole expense, promptly deliver to the Pledgee a copy of each material notice or other material communication received by it in respect of the Pledged Collateral;

(c) at the Pledgor's sole expense, defend the Pledgee's right, title and security interest in and to the Pledged Collateral against the claims of any Person;

(d) subject to Section 9(b), at the Pledgor's sole expense, at any time and from time to time, promptly execute and deliver all further instruments and documents and take all further action that may be necessary or that the Pledgee may reasonably request in order

to (i) perfect and protect, or maintain the perfection of, the security interest and Lien created hereby, (ii) enable the Pledgee to exercise and enforce its rights and remedies hereunder in respect of the Pledged Collateral, and (iii) otherwise effect the purposes of this Agreement, including, without limitation, delivering to the Pledgee, after the occurrence and during the continuance of an Event of Default, irrevocable proxies in respect of the Pledged Collateral;

(e) not sell, assign (by operation of law or otherwise), exchange or otherwise dispose of any Pledged Collateral or any interest therein except as expressly permitted by the Facility Agreement;

(f) not create or suffer to exist any Lien upon or with respect to any Pledged Collateral, except for the Lien created hereby;

(g) not make or consent to any amendment or other modification or waiver with respect to any Pledged Collateral or enter into any agreement or permit to exist any restriction with respect to any Pledged Collateral other than to the extent permitted pursuant to any of the Finance Documents; and

(h) not take or fail to take any action which would in any manner materially impair the value or enforceability of the Pledgee's security interest in and Lien on any Pledged Collateral, except as permitted under the Finance Documents.

SECTION 7. Voting Rights, Dividends, Etc. in Respect of the Pledged Collateral.

(a) So long as no Event of Default shall have occurred and be continuing:

(i) the Pledgor may exercise any and all voting and other consensual rights pertaining to any Pledged Collateral for any purpose not inconsistent with the terms of this Agreement or the Facility Agreement or the other Finance Documents; provided, however, that (A) the Pledgor will not exercise or refrain from exercising any such right, as the case may be, if the Pledgee gives it notice that, in the Pledgee's reasonable business judgment, such action (or inaction) could reasonably be expected to have a Material Adverse Effect, and (B) the Pledgor will give the Pledgee at least three (3) Business Days' notice of the manner in which it intends to exercise, or the reasons for refraining from exercising, any such right which could reasonably be expected to have a Material Adverse Effect;

(ii) the Pledgor may receive and retain any and all dividends, interest payments or other distributions paid in respect of the Pledged Collateral to the extent permitted by the Facility Agreement; provided, however, that any and all (A) dividends and interest paid or payable other than in cash in respect of, and any instruments and other property received, receivable or otherwise distributed in respect of or in exchange for, any Pledged Collateral, (B) dividends and other distributions paid or payable in cash in respect of any Pledged Collateral in connection with a partial or total liquidation or dissolution, and (C) cash paid, payable or otherwise distributed in redemption of, or in exchange for, any Pledged Collateral to the extent not permitted to be retained by the Pledgor under the Facility Agreement, together with any dividend, interest payment or other distribution, in each case, which at the time of such

dividend, interest payment or other distribution was not permitted by the Facility Agreement, shall be, and shall forthwith be delivered to the Pledgee to hold as, Pledged Collateral and shall, if received by the Pledgor, be received in trust for the benefit of the Pledgee, shall be segregated from the other property or funds of the Pledgor, and shall be forthwith delivered to the Pledgee in the exact form received with any necessary endorsement and/or appropriate stock powers duly executed in blank, to be held by the Pledgee as Pledged Collateral and as further collateral security for the Obligations; and

(iii) the Pledgee will execute and deliver (or cause to be executed and delivered) to the Pledgor all such proxies and other instruments as the Pledgor may reasonably request for the purpose of enabling the Pledgor to exercise the voting and other rights which it is entitled to exercise pursuant to Section 7(a)(i) hereof and to receive the dividends, interest and/or other distributions which it is authorized to receive and retain pursuant to Section 7(a)(ii) hereof.

(b) Upon the occurrence and during the continuance of an Event of Default:

(i) all rights of the Pledgor to exercise the voting and other consensual rights which it would otherwise be entitled to exercise pursuant to Section 7(a)(i) hereof, and to receive the dividends, distributions, interest and other payments which it would otherwise be authorized to receive and retain pursuant to Section 7(a)(ii) hereof, shall cease, and all such rights shall thereupon become vested in the Pledgee, which shall thereupon have the sole right to exercise such voting and other consensual rights and to receive and hold as Pledged Collateral such dividends and interest payments;

(ii) without limiting the generality of the foregoing, the Pledgee may, at its option, exercise any and all rights of conversion, exchange, subscription or any other rights, privileges or options pertaining to any of the Pledged Collateral as if it were the absolute owner thereof, including, without limitation, the right to exchange, in its discretion, any and all of the Pledged Collateral upon the merger, consolidation, reorganization, recapitalization or other adjustment of the Pledged Issuer, or upon the exercise by the Pledged Issuer of any right, privilege or option pertaining to any Pledged Collateral, and, in connection therewith, to deposit and deliver any and all of the Pledged Collateral with any committee, depository, transfer agent, registrar or other designated agent upon such terms and conditions as it may determine; and

(iii) all dividends, distributions, interest and other payments which are received by the Pledgor pursuant to the provisions of Section 7(a)(ii) hereof and, pursuant to Section 7(b)(i) hereof, shall be received in trust for the benefit of the Pledgee, shall be segregated from other funds of the Pledgor, and shall be forthwith paid over to the Pledgee as Pledged Collateral in the exact form received with any necessary endorsement and/or appropriate stock powers duly executed in blank, to be held by the Pledgee as Pledged Collateral and as further collateral security for the Obligations.

SECTION 8. Additional Provisions Concerning the Pledged Collateral.

(a) To the maximum extent permitted by applicable law, the Pledgor (i) authorizes the Pledgee to execute any such agreements, instruments

Edgar Filing: EMERSON RADIO CORP - Form SC 13D

or other documents in the Pledgor's name as are necessary, required or advisable to facilitate and preserve the Pledgee's rights in and to the Pledged Collateral as set forth in this Agreement and to file such agreements, instruments or other documents in the Pledgor's name in any appropriate filing office, (ii) authorizes the Pledgee to file any financing statements required hereunder or under any other Finance Document, and any continuation statements or amendments with respect thereto, in any appropriate filing office without the signature of the Pledgor, and (iii) ratifies the filing of any financing statement, and any continuation statement or amendment with respect thereto, filed without the signature of the Pledgor prior to the date hereof. A photocopy or other reproduction of this Agreement or any financing statement covering the Pledged Collateral or any part thereof shall be sufficient to constitute a financing statement where permitted by law.

(b) The Pledgor, after the occurrence and during the continuance of an Event of Default, hereby irrevocably appoints the Pledgee as the Pledgor's attorney-in-fact and proxy, with full authority in the place and stead of the Pledgor and in the name of the Pledgor or otherwise, from time to time in the Pledgee's discretion, to take any action and to execute any agreement, instrument or other document which the Pledgee may deem necessary or advisable to accomplish the purposes of this Agreement (subject to the rights of the Pledgor under Section 7(a) hereof), including, without limitation, to receive, endorse and collect all instruments made payable to the Pledgor representing any dividend, distribution, interest or other payment in respect of any Pledged Collateral and to give full discharge for the same. This power is coupled with an interest and is irrevocable until all of the Obligations (other than contingent indemnity obligations for which no claim has been made) are paid in full after the termination of all of the Commitments.

(c) Upon the occurrence and during the continuance of an Event of Default, if the Pledgor fails to perform any agreement or obligation contained herein, the Pledgee itself may perform, or cause performance of, such agreement or obligation, and the expenses of the Pledgee incurred in connection therewith shall be payable by the Pledgor pursuant to Section 10 hereof and shall be secured by the Pledged Collateral.

(d) The powers conferred on the Pledgee hereunder are solely to protect its interest in the Pledged Collateral and shall not impose any duty upon it to exercise any such powers. Except for the safe custody of any Pledged Collateral in its possession and the accounting for monies actually received by it hereunder, the Pledgee shall have no duty as to any Pledged Collateral or as to the taking of any necessary steps to preserve rights against prior parties or any other rights pertaining to any Pledged Collateral and shall be relieved of all responsibility for the Pledged Collateral upon surrendering it or tendering surrender of it to the Pledgor. The Pledgee shall be deemed to have exercised reasonable care in the custody and preservation of the Pledged Collateral in its possession if the Pledged Collateral is accorded treatment substantially equal to that which the Pledgee accords its own property, it being understood that the Pledgee shall not have responsibility for (i) ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relating to any Pledged Collateral, whether or not the Pledgee has or is deemed to have knowledge of such matters or (ii) taking any necessary steps to preserve rights against any parties with respect to any Pledged Collateral.

(e) The Pledgee may, in its discretion, at any time after the occurrence and during the continuation of an Event of Default (i) without

Edgar Filing: EMERSON RADIO CORP - Form SC 13D

notice to the Pledgor, transfer or register in the name of the Pledgee or any of its nominees any or all of the Pledged Collateral, subject only to the revocable rights of the Pledgor under Section 7(a) hereof, and (ii) exchange certificates or instruments constituting Pledged Collateral for certificates or instruments of smaller or larger denominations.

SECTION 9. Remedies Upon Default. Subject to the terms hereof, if any Event of Default shall have occurred and be continuing:

(a) The Pledgee may exercise in respect of the Pledged Collateral, in addition to any other rights and remedies provided for herein or otherwise available to it, all of the rights and remedies of a secured party on default under the Code then in effect in the State of New York; and without limiting the generality of the foregoing and without notice except as specified below, may sell the Pledged Collateral or any part thereof in one or more parcels at public or private sale, at any exchange or broker's board or elsewhere, at such price or prices and on such other terms as the Pledgee may deem commercially reasonable, in accordance with applicable law. The Pledgor agrees that, to the extent notice of sale shall be required by law, at least 10 days' notice to the Pledgor of the time and place of any public sale of Pledged Collateral owned by the Pledgor or the time after which any private sale is to be made shall constitute reasonable notification. The Pledgee shall not be obligated to make any sale of Pledged Collateral regardless of whether or not notice of sale has been given. The Pledgee may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned.

(b) In the event that the Pledgee determines to exercise its right to sell all or any part of the Pledged Collateral pursuant to Section 9(a) hereof, each of the Pledgee and the Pledgor agrees that the Pledgor shall have all of the following obligations: (i) to execute and deliver, and cause each issuer of such Pledged Collateral and the directors and officers thereof to execute and deliver, all such instruments and documents, and do or cause to be done all such other acts and things, as may be necessary or, in the opinion of the Pledgee, advisable to register such Pledged Collateral under the provisions of the Securities Act of 1933, as amended (the "Securities Act"), and to cause the registration statement relating thereto to become effective and to remain effective for such period as prospectuses are required by law to be furnished, and to make all amendments and supplements thereto and to the related prospectus which, in the opinion of the Pledgee, are necessary or advisable, all in conformity with the requirements of the Securities Act and the rules and regulations of the Securities and Exchange Commission applicable thereto, (ii) to cause each issuer of such Pledged Collateral to qualify such Pledged Collateral under the state securities or "Blue Sky" laws of each jurisdiction, and to obtain all necessary governmental approvals for the sale of the Pledged Collateral, as requested by the Pledgee, (iii) to cause the Pledged Issuer to make available to its securityholders, as soon as practicable, an earnings statement which will satisfy the provisions of Section 11(a) of the Securities Act, and (iv) to do or cause to be done all such other acts and things as may be necessary to make such sale of such Pledged Collateral valid and binding and in compliance with applicable law.

(c) The Pledgor recognizes that the Pledgee may deem it impracticable to effect a public sale of all or any part of the Pledged Shares or any other securities constituting Pledged Collateral and that the Pledgee may, therefore, determine to make one or more private sales of any such

securities to a restricted group of purchasers who will be obligated to agree, among other things, to acquire such securities for their own account, for investment and not with a view to the distribution or resale thereof. The Pledgor acknowledges that any such private sale may be at prices and on terms less favorable to the seller than the prices and other terms which might have been obtained at a public sale and, notwithstanding the foregoing, agrees that such private sales shall be deemed to have been made in a commercially reasonable manner and that the Pledgee shall have no obligation to delay the sale of the Pledged Shares or any other Pledged Collateral for the period of time necessary to permit the Pledgor or the Pledged Issuer to register such securities for public sale under the Securities Act. The Pledgor further acknowledges and agrees that any offer to sell such securities which has been (i) publicly advertised on a bona fide basis in a newspaper or other publication of general circulation in the financial community of New York, New York (to the extent that such an offer may be so advertised without prior registration under the Securities Act) or (ii) made privately in the manner described above to not less than fifteen (15) bona fide offerees shall be deemed a "public disposition" for the purposes of Section 9-610(c) of the Code (or any successor or similar applicable statutory provision) as then in effect in the State of New York, notwithstanding that such sale may not constitute a "public offering" under the Securities Act, and that the Pledgee may, in such event, bid for the purchase of such securities.

(d) Any cash held by the Pledgee as Pledged Collateral and all cash proceeds received by the Pledgee in respect of any sale of, collection from, or other realization upon, all or any part of the Pledged Collateral may, in the discretion of the Pledgee, be held by the Pledgee as collateral for and/or then or at any time thereafter applied (after payment of any amounts payable to the Pledgee pursuant to Section 10 hereof) in whole or in part by the Pledgee against all or any part of the Obligations in such order as the Pledgee shall elect so long as such election is consistent with the provisions of the Facility Agreement and any other Finance Document. Any surplus of such cash or cash proceeds held by the Pledgee and remaining after payment in full of all of the Obligations after all Commitments have been terminated shall be paid over to the Pledgor or to such other Person as may be lawfully entitled to receive such surplus.

(e) In the event that the proceeds of any such sale, collection or realization are insufficient to pay all amounts to which the Pledgee is legally entitled, the Pledgor shall be liable for the deficiency, together with interest thereon at the highest rate specified in the Facility Agreement for interest on overdue principal thereof or such other rate as shall be fixed by applicable law, together with the costs of collection and the reasonable fees, costs and expenses of any attorneys employed by the Pledgee to collect such deficiency.

SECTION 10. Indemnity and Expenses.

(a) The Pledgor agrees to defend, protect, indemnify and hold harmless the Pledgee and the Pledgee's officers, directors, employees, attorneys, consultants and agents, subject to and in accordance with Section 6 of the Facility Agreement.

9

(b) The Pledgor agrees to pay to the Pledgee, upon demand, the amount of any and all reasonable costs and expenses, including the fees, costs, expenses and disbursements of the Pledgee's counsel and of any experts and agents, which the Pledgee may incur in connection with the preparation and

enforcement of this Agreement, subject to and in accordance with Section 6 of the Facility Agreement.

SECTION 11. Notices, Etc. All notices and other communications provided for hereunder shall be in writing and shall be mailed (by certified mail, postage prepaid and return receipt requested), telecopied or delivered by hand, Federal Express or other reputable overnight courier, if to the Pledgor, to it at its address specified in the Facility Agreement and if to the Pledgee to it at its address specified in the Facility Agreement; or as to any other Person, at such other address as shall be designated by such Person in a written notice complying as to delivery with the terms of this Section 11. All such notices and other communications shall be effective (a) if mailed (certified mail, postage prepaid and return receipt requested), when received or three (3) days after being deposited into the mails, whichever occurs first, (b) if telecopied, when transmitted, at the time confirmation is received, or (c) if delivered by hand, Federal Express or other reputable overnight courier, upon delivery.

SECTION 12. Security Interest Absolute. All rights of the Pledgee and all Liens and all obligations of the Pledgor hereunder shall be absolute and unconditional irrespective of: (i) any lack of validity or enforceability of the Facility Agreement or any other agreement or instrument relating thereto, (ii) any change in the time, manner or place of payment of, or in any other term in respect of, all or any of the Obligations, or any other amendment or waiver of or consent to any departure from the Facility Agreement or any other Finance Document, (iii) any exchange or release of, or non-perfection of, any Lien on any Collateral, or any release or amendment or waiver of, or consent to departure from, any guaranty for all or any of the Obligations, or (iv) any other circumstance which might otherwise constitute a defense available to, or a discharge of, the Pledgor in respect of the Obligations. All authorizations and agencies contained herein with respect to any of the Pledged Collateral are irrevocable and constitute powers coupled with an interest.

SECTION 13. Miscellaneous.

(a) No amendment of any provision of this Agreement shall be effective unless it is in writing and signed by the Pledgor and the Pledgee, and no waiver of any provision of this Agreement, and no consent to any departure by the Pledgor therefrom, shall be effective unless it is in writing and signed by the Pledgee, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

(b) No failure on the part of the Pledgee to exercise, and no delay in exercising, any right hereunder or under the Facility Agreement or any other Finance Document shall operate as a waiver thereof; nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right. The rights and remedies of the Pledgee provided herein and in the Facility Agreement and the other Finance Documents are cumulative and are in addition to, and not exclusive of, any other rights or remedies provided by law. The rights of the Pledgee under the applicable Finance Document against any party thereto are not conditional or contingent on any attempt by the Pledgee to

exercise any of its rights under any other document against such party or against any other Person.

(c) Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining portions hereof or thereof or affecting the validity or enforceability of such provision in any other jurisdiction.

(d) This Agreement shall create a continuing security interest in and Lien upon the Pledged Collateral and shall (i) remain in full force and effect until the payment in full or other termination of the Obligations (other than contingent indemnity obligations for which no claim has been made) after the termination of all of the Commitments and (ii) be binding on the Pledgor and, by its acceptance hereof, the Pledgee, and their respective successors and assigns, and shall inure, together with all rights and remedies of the Pledgee hereunder, to the benefit of the Pledgee and its respective successors, transferees and assigns. Subject to the terms of the Facility Agreement, without limiting the generality of clause (ii) of the immediately preceding sentence, the Pledgee may assign or otherwise transfer its rights and obligations under this Agreement and any other Finance Document to any other Person in accordance with the terms of the Facility Agreement, and such other Person shall thereupon become vested with all of the benefits in respect thereof granted to the Pledgee herein or otherwise. Upon any such assignment or transfer, all references in this Agreement to the Pledgee shall also mean the assignee of the Pledgee. None of the rights or obligations of the Pledgor hereunder may be assigned or otherwise transferred without the prior written consent of the Pledgee, and any such attempted assignment or transfer without such consent shall be null and void.

(e) Upon the satisfaction in full of the Obligations (other than contingent indemnity obligations for which no claim has been made) after the termination of all of the Commitments (i) this Agreement and the security interest and Lien created hereby shall terminate and all rights to the Pledged Collateral shall revert to the Pledgor and (ii) the Pledgee will, at the Pledgor's expense (A) promptly return to the Pledgor such of the Pledged Collateral as shall not have been sold or otherwise disposed of or applied pursuant to the terms hereof and (B) execute and deliver to the Pledgor, without recourse, representation or warranty of any kind, whether express or implied, such documents as the Pledgor shall reasonably request to evidence such termination, including, if necessary, a written notice to the stock transfer agent for the Pledged Issuer advising that the Pledgee's security interest in and Lien upon the Pledged Collateral has been released by the Pledgee.

(f) This Agreement shall be governed by and construed in accordance with the laws of the State of New York, except as required by mandatory provisions of law and except to the extent that the validity and perfection or the perfection and the effect of perfection or non-perfection of the security interest and Lien created hereby, or remedies hereunder, in respect of any particular Pledged Collateral, are governed by the laws of a jurisdiction other than the State of New York.
