INDENTURE SECURITIES

8. ANALYSIS OF INDENTURE PROVISIONS

The New Debentures will be issued under the Indenture to be dated as of the consummation of the Exchange Offer and entered into between the Company and HSBC Bank USA, N.A., as trustee (the "Trustee"). The following analysis is not a complete description of the Indenture provisions discussed and is qualified in its entirety by reference to the terms of the Indenture, a form of which is attached as Exhibit T3C hereto and incorporated by reference herein. Capitalized terms used below but not defined herein have the meanings assigned to them in the Indenture.

(a) Events of Default; Withholding of Notice

The following will be Events of Default under the Indenture:

- (i) the Company's failure to pay principal of or premium, if any, on any New Debenture when due, whether or not the subordination provisions of the Indenture prohibit such payment;
- (ii) the Company's failure to pay any interest on any New Debenture when due, continuing for 30 days, whether or not the subordination provisions of the Indenture prohibit such payment;
- (iii) the Company's default in its obligation to provide notice of a Change of Control;
- (iv) the Company's failure to perform any of its other material covenants or warranties in the Indenture, continuing for 60 days after the Trustee or the Holders of at least 25% in aggregate principal amount of New Debentures then outstanding give the Company written notice;
- (v) the Company's failure to pay when due the principal of, or acceleration of, any indebtedness for money borrowed by the Company in excess of \$10 million if the Company has not discharged such indebtedness, or such acceleration is not annulled, within 30 days after the Trustee or the Holders of at least 25% in aggregate principal amount of New Debentures then outstanding give the Company written notice; and

Edgar Filing: STANDARD MOTOR PRODUCTS INC - Form T-3

(vi) certain events of the Company's bankruptcy, insolvency or reorganization.

The Indenture will provide that the trustee will, within 90 days of the occurrence of a Default or Event of Default, give to Holders of New Debentures a notice of the Default or Event of Default. The Trustee may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of the Holders of the New Debentures, except in the case of a Default or Event of Default in payment of principal of, premium, if any, or interest on any New Debenture.

Subject to the provisions of the Indenture relating to the duties of the Trustee in case an Event of Default shall occur and be continuing, the Trustee will be under no obligation to exercise any of its rights or powers under the Indenture at the request or direction of any of the Holders, unless such Holders shall have offered the Trustee reasonable indemnity. Subject to such provisions for the indemnification of the Trustee, the Holders of a majority in aggregate principal amount of the New Debentures then outstanding will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee.

If an Event of Default (other than an Event of Default specified in clause (vi) above) occurs and is continuing, either the Trustee or the Holders of not less than 25% in aggregate principal amount of the New Debentures then outstanding may accelerate the maturity of all New Debentures. If an Event of Default specified in clause (vi) occurs and is continuing, the principal of and any accrued interest on all of the New Debentures then outstanding shall ipso facto become due and payable immediately without any declaration or other act on the part of the Trustee or any Holder.

At any time after a declaration of acceleration has been made but before a judgment or decree based on acceleration has been issued, the Holders of a majority in aggregate principal amount of New Debentures then outstanding may, under certain circumstances as set forth in the Indenture, rescind and annul such acceleration if all Events of Default, other than the nonpayment of accelerated principal and interest, have been cured or waived as provided in the Indenture.

No Holder of any New Debenture will have any right to institute any proceeding with respect to the Indenture or for any remedy thereunder, unless such Holder shall have previously given to the Trustee written notice of a continuing Event of Default and unless also the Holders of at least 25% in aggregate principal amount of the New Debentures then outstanding shall have made written request, and offered reasonable indemnity, to the Trustee to institute such proceeding as trustee, and the Trustee shall not have received from the Holders of a majority in aggregate principal amount of the New Debentures then outstanding a direction inconsistent with such request and shall have failed to institute such proceeding within 60 days. However, such limitations do not apply to a suit instituted by a Holder of a New Debenture for the enforcement of payment of the principal of or premium, if any, or interest on such New Debenture on or after the respective due dates expressed in such New Debenture or of the right to convert such New Debenture in accordance with the Indenture.

The Company will be required to furnish to the Trustee annually a statement as to its performance of certain of the Company's obligations under the Indenture and as to any default in such performance.

Edgar Filing: STANDARD MOTOR PRODUCTS INC - Form T-3

(b) Authentication and Delivery of New Debentures; Use of Proceeds

The New Debentures to be issued under the Indenture may be executed by manual or facsimile signature on behalf of the Company by the Chairman of the Board, the Chief Executive Officer, the President, the Chief Operating Officer, the Chief Financial Officer, the Treasurer, any Assistant Treasurer, the Controller, the Secretary or any Vice President of the Company (individually, an "Officer"), and delivered to the Trustee.

The Trustee shall, upon a written order of the Company signed by two Officers, authenticate New Debentures for original issue up to the aggregate principal amount stated in paragraph 4 of the New Debentures. The aggregate principal amount of New Debentures outstanding at any time may not exceed such amount except as provided in Section 2.07 of the Indenture.

There will be no proceeds from the issuance of the New Debentures because the New Debentures are being issued in exchange for the Old Debentures.

(c) Release and Substitution of Property Subject to the Lien of the Indenture

The New Debentures are unsecured obligations of the Company. As such, the New Debentures are not secured by any lien on any property.

(d) Satisfaction and Discharge of the Indenture

The obligations under the New Debentures and the Indenture may be satisfied by (i) payment on the stated maturity date, or any applicable change of control purchase date, as the case may be, or (ii) conversion.

(1) REDEMPTION AT THE OPTION OF THE COMPANY.

The New Debentures are not redeemable by the Company, in whole or in part, at any time.

(2) PURCHASE BY THE COMPANY AT THE OPTION OF THE HOLDER.

If a Change of Control occurs, each Holder of New Debentures shall have the right, at the Holder's option, to require the Company to repurchase all of such Holder's New Debentures, or any portion of the principal amount thereof that is equal to \$1,000 or an integral multiple of \$1,000 in excess thereof, on the date (the "Repurchase Date") that is 45 days after the date of the Company Notice (as defined below), at a price in cash equal to 101% of the principal amount of the New Debentures to be repurchased, together with interest accrued to the Repurchase Date (the "Repurchase Price").

The Company may, at its option, in lieu of paying the Repurchase Price in cash, pay the Repurchase Price by issuing shares of common stock. The number of shares of common stock tendered in payment shall be determined by dividing the Repurchase Price by the value of the common stock, which for this purpose shall be equal to 95% of the average of the closing sale prices of the common stock for the five consecutive Trading Days ending on and including the third Trading Day preceding the Repurchase Date. Such payment may not be made in common stock unless the Company satisfies certain conditions with respect thereto prior to the Repurchase Date as provided in the Indenture.

On or before the 30th day after the occurrence of a Change of Control, the Company is obligated to give to all Holders of the New Debentures notice, as provided in the Indenture (the "Company Notice"), of the occurrence of such Change of Control and of the repurchase right arising as a result thereof. To exercise the repurchase right, a Holder of New Debentures must deliver on or before the fifth day prior to the Repurchase Date irrevocable written notice to

Edgar Filing: STANDARD MOTOR PRODUCTS INC - Form T-3

the Trustee of the Holder's exercise of such right, together with the New Debentures with respect to which the right is being exercised.

(3) CONVERSION.

Subject to and in compliance with the provisions of the Indenture, a holder of the New Debentures is entitled, at such holder's option, to convert any portion of the principal amount of a New Debenture that is an integral multiple of \$100,000 (or the entire principal amount of New Debentures held by such Holder if not an integral multiple of \$100,000), into shares of common stock, unless previously repurchased, at the conversion rate in effect at the time of conversion. The initial conversion rate is equal to the number of shares per \$1,000 principal amount of Debentures shown on the front cover of the Offer to Exchange, subject to adjustment in certain events described in the Indenture.

To surrender a New Debenture for conversion, a holder must (1) deliver the New Debenture at the Company's office or the office of a conversion agent appointed by the Company, together with a duly signed and completed notice of conversion, (2) furnish appropriate endorsements and transfer documents and (3) pay any transfer or similar tax, if required by the Indenture. No fractional shares of common stock shall be issued upon conversion of any New Debentures. Instead of any fractional share of common stock that would otherwise be issued upon conversion of such New Debentures, the Company shall pay a cash adjustment as provided in the Indenture, or at the Company's option, round up to the next whole number of shares.

5

(e) Evidence Required to be Furnished by the Company to the Trustee as to Compliance with the Conditions and Covenants Provided for in the Indenture

The Company shall deliver to the Trustee within 90 days after the end of each fiscal year of the Company, an officers' certificate, stating whether or not to the knowledge of the signers thereof, the Company is in default in the performance and observance of any of the terms, provisions and conditions of the Indenture and if the Company shall be in default, specifying all such defaults and the nature and status thereof of which they may have knowledge.

9. OTHER OBLIGORS

None.
