**Item 1.01. Entry into a Material Definitive Agreement**

On June 29, 2009, RAM Energy Resources, Inc. (“RAM”) and the lenders under the Loan Agreement dated November 29, 2007, by and among RAM, as Borrower, Guggenheim Corporate Funding, LLC, as the Arranger and Administrative Agent, and the financial institutions named therein as the Lenders (as amended, the “Loan Agreement”), entered into a Second Amendment to the Loan Agreement, effective June 26, 2009 (the “Amendment”). Under the terms of the Amendment, the varying rates of interest in the interest rate grid applicable to revolving advances under the Loan Agreement is increased by 1% across the board and the cash interest rate on term loan borrowings also is increased by 1%. The Amendment also increases the current interest rate for LIBOR-based borrowings under the Loan Agreement by adding a LIBOR “floor” of 1.5%, and adds a new 2.75% per annum non-cash interest component, or PIK interest, on term loan borrowings. Accrued PIK interest will be added to the principal balance of the term loan on a monthly basis and paid at maturity. As a result of these changes, the current cash interest rates for borrowings under the Loan Agreement are LIBOR plus 2.75% (or a total of 4.25%) on revolver advances and LIBOR plus 8.50% (or a total of 10.0%) on amounts outstanding under the term loan.

Under the terms of the Amendment, through the second quarter of 2011, the maximum allowable leverage ratio (total debt to trailing twelve months EBITDA, a non-GAAP term defined in the Loan Agreement) is increased from 4.00:1.00 to 4.75:1.00, and the minimum allowable asset coverage ratio (reserve value to total debt) is decreased from 1.75:1.00 to 1.50:1.00. In addition, the definition of EBITDA is changed to exclude the effect of RAM’s \$16 million class action settlement finalized earlier this spring, and the definition of interest expense is amended to exclude capitalized PIK interest and the amortization of transaction fees from the interest coverage ratio. The Amendment also increases RAM’s authority under the Loan Agreement to make asset sales without lender approval from \$5.0 million to \$10 million in any calendar year.
