FORM T-3

GENERAL

## ITEM 1. GENERAL INFORMATION.

(a) The Applicant is a corporation.

(b) The Applicant was organized under the laws of the Commonwealth of Pennsylvania.

## ITEM 2. SECURITIES ACT EXEMPTION APPLICABLE.

The Applicant intends to commence a solicitation (the "Solicitation") of acceptances of a proposed Fourth Amended Plan of Reorganization of Armstrong World Industries, Inc. (the "Plan") of the Applicant and certain of its subsidiaries as set forth in the Plan, pursuant to which the Applicant intends to issue \_\_\_% Senior Notes due 2013 (the "New Fixed-Rate 10-Year Notes"), \_\_\_% Senior Notes due 2010 (the "New Fixed-Rate Seven-Year Notes") and Floating-Rate Notes due 2008 (the "New Floating-Rate Notes" and, together with the New Fixed-Rate 10-Year Notes and New Fixed-Rate Seven-Year Notes, the "New Notes"). The Chapter 11 cases of the Applicant and certain of its subsidiaries are presently pending before the United States Bankruptcy Court for the District of Delaware (the "Bankruptcy Court"). The New Floating-Rate Notes will be issued pursuant to the indenture to be qualified under this Form T-3 (the "Indenture"). The New Fixed-Rate Seven-Year Notes and New Fixed-Rate 10-Year Notes will be issued pursuant to separate indentures to be qualified under separate Form T-3's. A copy of the Disclosure Statement relating to the Plan (which includes the Plan as Exhibit A thereto), which was approved by an order of the Bankruptcy Court dated June 2, 2003, is attached hereto as Exhibit T3E.

Under the Plan, on the date on which the Applicant consummates the Plan (the "Effective Date"), or as soon as practicable thereafter, the holders of Allowed Unsecured Claims other than Convenience Claims and Allowed Asbestos Personal Injury Claims (each as defined in the Plan) will receive New Notes in partial satisfaction of such claims. The New Fixed-Rate 10-Year Notes will be due 10 years after the Effective Date; the New Fixed-Rate Seven-Year Notes will be due seven years after the Effective Date; and the New Floating-Rate Notes will be due five years after the Effective Date. The Applicant anticipates initially issuing up to approximately \$250,000,000 of New Fixed-Rate 10-Year Notes, up to approximately \$250,000,000 of New Fixed-Rate Seven-Year Notes and up to approximately \$275,000,000 of New Floating-Rate Notes.

The Applicant believes that the issuance of the Notes is exempt from the registration requirements of the Securities Act of 1933, as amended (the "Securities Act"), and state securities and "blue sky" laws pursuant to Section 1145(a)(1) of Title 11 of the United States Code (the "Bankruptcy Code"). Generally, Section 1145(a)(1) of the Bankruptcy Code exempts the offer and sale of securities under a bankruptcy plan of reorganization from registration under the Securities Act and under equivalent state securities and "blue sky" laws if the following requirements are satisfied: (1) the securities are issued by the debtor (or an affiliate participating in a joint plan with the debtor or the debtor's successor) under a plan of reorganization; (2) the recipients of the securities hold a pre-petition or administrative claim against the debtor or an interest in the debtor; and (3) the securities are issued entirely in exchange for the recipient's claim against or interest in the debtor or are issued "principally" in such exchange and "partly" for cash or property. The Applicant believes that the offer of the Notes under the Solicitation and the exchange of Notes under the Plan will satisfy the requirements of Section 1145(a)(1) of the Bankruptcy Code and, therefore, such offer is exempt from the registration
