(1) See Item 5.

(2) This percentage is calculated using a fraction, the numerator of which is the number of shares of Common Stock into which the applicable affiliate(s) of Thomas H. Lee Partners, L.P. could convert, and the denominator of 389,598,034 (which is calculated by adding the current number of outstanding shares of Common Stock, 82,598,034, plus the total number of shares of Common Stock into which all shares of Series B Stock and Series B-1 Stock (each as defined herein) could convert within 60 days from the date hereof, which as of March 25, 2008 was 307,000,000).

(3) Holders of Series B Stock (as defined herein) will vote as a class with the

Edgar Filing: MONEYGRAM INTERNATIONAL INC - Form SC 13D

Common Stock and will have a number of votes equal to the number of shares of Common Stock issuable if all the outstanding shares of Series B Stock were converted plus the number of shares of Common Stock issuable if all outstanding shares of Series B-1 Stock were converted into Series B Stock and subsequently converted into Common Stock. Thus, the voting power of Great-West Investors L.P. would be 110,090,393.6 votes or 28.3% of the combined voting power of the Series B Stock and Common Stock voting together as a single class. In calculating these percentages, this Schedule 13D assumes that all regulatory approvals are obtained and the shares of Series B Stock and Series B-1 Stock are entitled to full voting rights within 60 days of the date hereof. (2) This percentage is calculated using a fraction, the numerator of which is the number of shares of Common Stock into which the applicable affiliate(s) of Thomas H. Thus, the voting power of Putnam Investments Employees' Securities Company III LLC would be 109,545,090.8 votes or 28.1% of the combined voting power of the Series B Stock and Common Stock voting together as a single class. In calculating these percentages, this Schedule 13D assumes that all regulatory approvals are obtained and the shares of Series B Stock and Series B-1 Stock are entitled to full voting rights within 60 days of the date hereof. See Item 4.

ITEM 1. SECURITY AND ISSUER.

This Statement on Schedule 13D ("Schedule 13D") is being filed jointly on behalf of the Reporting Persons (as defined below in Item 2) with respect to the shares of common stock ("Common Stock"), par value \$0.01 per share, of MoneyGram International, Inc., a Delaware corporation (the "Issuer" or the "Company"). The Issuer's principal executive offices are located at 1500 Utica Avenue South, Suite 100, Minneapolis, Minnesota 55416.

The Reporting Persons currently hold Series B Participating Convertible Preferred Stock, par value \$0.01 per share (the "Series B Stock"). Each of Silver Point Capital, L.P. ("Silver Point Capital") and Silver Point Capital Offshore Fund, Ltd. ("Silver Point Offshore," together with Silver Point Capital, "Silver Point") holds Series B Stock. Each share of Series B Stock is convertible at any time after the Voting Date (as defined below in Item 4), and with certain restrictions before the Voting Date, into a certain number of shares of Common Stock, with the precise number determined by a formula in the Series B Stock Certificate of Designations Preferences and Rights, attached hereto at Exhibit 7.12 (the "Series B Certificate"), so the Reporting Persons may be deemed to beneficially own the shares of Common Stock into which the shares of Series B Stock are convertible. Each Series B-1 Stock is convertible at any time into a certain number of shares of Series D Participating Convertible Preferred Stock, par value \$0.01 per share (the "Series D Stock"), a Common Stock equivalent non-voting stock, with the precise number determined by a formula in the Series B-1 Stock Certificate of Designations Preferences and Rights, attached hereto at Exhibit 7.13 (the "Series B-1 Certificate"). The Series D Stock is convertible, subject to certain limitations set forth in the Certificate of Designations Preferences and Rights, attached hereto at Exhibit 7.14 (the "Series D Certificate"), into Common Stock. Each share of Series B-1 Stock is convertible into one share of Series B Stock by any holder other than Goldman Sachs and its affiliates. The holders of Series B Stock are entitled to the number of votes equal to the number of shares of Common Stock into which the Series B Stock and the Series B-1 Stock can be converted, as described above.

Edgar Filing: MONEYGRAM INTERNATIONAL INC - Form SC 13D

Consequently, if the Reporting Persons are determined to be members of a "group" with Goldman Sachs or Silver Point as discussed in Item 2 below, the Reporting Persons may be deemed to beneficially own the shares of Common Stock deemed to be owned by Goldman Sachs or Silver Point.

ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION.

As more fully described herein, on March 25, 2008 (the "Closing Date"), the Funds, together with the GS Investors, paid an aggregate purchase price of \$760,000,000 to acquire the Series B Stock set forth on the cover pages of this Schedule 13D and the Series B-1 acquired by the GS Investors (the "Transaction"), in each case, pursuant to that certain Amended and Restated Purchase Agreement, dated as of March 17, 2008, among the Issuer and the several investors party thereto (the "Purchase Agreement") attached hereto as Exhibit 7.01 and incorporated by reference. On March 28, 2008 Silver Point purchased 10,000 shares of Series B Stock from the Funds for a purchase price of \$1,000 per share, as described in the Letter Agreement between Silver Point and the Funds ("Silver Point Letter Agreement"), dated as of March 28, 2008, and attached hereto as Exhibit 7.04 and incorporated by reference. On March 31, 2008, the THL Coinvest Entities purchased, in the aggregate, 5,428.962 shares of Series B Stock from Parallel Fund and DT Fund. Each of Silver Point and the THL Coinvest Entities executed joinders to the Shareholders Agreement and

Registration Rights Agreement (each as defined and described below in Item 6) which jointers are attached hereto at Exhibits 7.05 through 7.08, as applicable. The THL Coinvest Entities also executed an Assignment and Joinder Agreement to the Purchase Agreement (as defined and described below in Item 6), attached hereto at Exhibit 7.09. Hereinafter, THL, the GS Investors, and Silver Point may be referred to as the "Investors."

The funds used by the Reporting Persons to pay such purchase price amounts were obtained from the respective Reporting Persons' equity partners (or as applicable, members) pursuant to commitments made by such partners (or members) to the Reporting Persons for the purpose of making investments in securities.

ITEM 4. PURPOSE OF TRANSACTION.

The Investors acquired the Series B Stock and Series B-1 Stock for investment purposes, which purposes include acquiring control of the Company.

On March 25, 2008, the Company issued a press release stating that the transaction (the "Transaction") contemplated by the Purchase Agreement had closed. The purpose of the Transaction was to support the long-term needs of the Company and to provide necessary capital due to investment portfolio losses. The Purchase Agreement and the Transaction did or may result in one or more of the actions specified in clauses (a)-(j) of Item 4 of Schedule 13D, including the acquisition or disposition of additional securities of the Company, a change to the present Board of Directors (the "Board") of the Company or a change to the present capitalization or dividend policy of the Company, as briefly described below.

The Transaction consisted of the sale to the Funds and the GS Investors in a private placement of 495,000 shares of Series B Stock and 265,000 shares of Series B-1 Stock for an aggregate purchase price of \$760,000,000, which shares in aggregate are convertible into approximately 78.0% of the common equity of the Company at an initial conversion price of \$2.50 per share as described below. In connection with the Transaction, the Company issued the GS Group, as directed by Goldman, Sachs & Co., on behalf of the Funds and certain of the GS Investors, an investment banking advisory fee equal to \$7,500,000 in the form of 7,500 shares of Series B-1 Stock, which fee was payable by the Funds and certain of the GS Investors pursuant to an engagement letter, dated as of March 25, 2008, between such parties and GS Group. The engagement letter was effective upon the closing of the Transaction, and the Company agreed to assume the obligations of the Funds and such GS Investors arising from the engagement letter pursuant to an assumption agreement dated as of March 25, 2008.

The Series B Stock held by THL and Silver Point is convertible at any time after the Voting Date, and with certain restrictions before the Voting Date (as described in Section 7(a)(iii) of the Series B Certificate) into shares of Common Stock at an initial conversion price of \$2.50 (subject to anti-dilution rights), and the Series B-1 Stock held by Goldman Sachs is convertible into shares of Series D Stock (a common equivalent stock which is, subject to certain

limitations, convertible into Common Stock), giving the Investors and GS Group an initial equity interest convertible into approximately 78.8% of the common

Edgar Filing: MONEYGRAM INTERNATIONAL INC - Form SC 13D

equity of the Company. Dividends payable on Series B Stock and Series B-1 Stock are expected to be accrued and not be paid in cash for at least five years. Because the conversion ratio for the shares in the Series B Certificate and Series B-1 Certificate provides for a formula which incorporates the amount of unpaid dividends, the accrual of such unpaid dividends will increase the ownership interest of the Investors and GS Group and dilute the interests of the common stockholders. Over a five year period, assuming outstanding Common Stock remains 82,598,034, it is expected the ownership interest of the Investors and GS Group will increase to approximately 87%.

The Series B Stock will initially have voting rights equivalent to 9.9% of the outstanding Common Stock on a fully converted basis. Upon receipt of all regulatory approvals, or upon receipt of notification from THL on or after June 15, 2008, the holders of the Series B Stock would attain full voting rights. As stated in the Series B Certificate and Series B-1 Certificate attached hereto at Exhibits 7.11 and 7.12, respectively, until the Voting Date (which date is the earlier of (i) the day when all regulatory approvals necessary for the Reporting Persons to have voting rights with respect to all of the Series B Stock, and (ii) on or after June 15, 2008, upon the request of the Reporting Persons, provided, however, that if a vote (or action by written consent) of the stockholders of the Company on any matter is required by law to occur prior to the earlier of such dates, then the Voting Date shall occur no later than immediately prior to such record date) and also at such time the Company fails to pay the redemption price for the Series B Stock or Series B-1 Stock that the holders have requested be redeemed pursuant to the terms of the Series B Certificate and Series B-1 Certificate, the Company is prohibited from taking certain actions without approval. The restrictions in the Series B Certificate pertain to decisions by the Company regarding bankruptcy, liquidation or dissolution, the Board, executive officers, dividends on or buy-backs of junior shares or the Common Stock, taking on debt or making loans, investments, acquisitions or dispositions, and the annual budget.

The Series B-1 Stock held by Goldman Sachs or its affiliates is non-voting except for the right of Goldman Sachs to vote on specific actions described in the Series B-1 Certificate. The holders of the Series B Stock will vote as a class with the Common Stock and will have a number of votes equal to the number of shares of Common Stock issuable if all the outstanding shares of Series B Stock were converted plus the number of shares of Common Stock issuable if all outstanding shares of Series B-1 Stock were converted into Series B Stock and subsequently converted into Common Stock (such number of votes, the "Series B Voting Power"). While held by Goldman Sachs, the Series B-1 Stock is convertible at the option of the holder into a certain number of shares of Series D Stock, a non-voting Common Stock-equivalent. The shares of Series B-1 Preferred Stock are convertible into an equal number of shares of Series B Preferred Stock by any holder other than Goldman Sachs and its affiliates.

As of the Closing Date, the Investors appointed two members and two non-voting observers to the Company's Board and the size of the Board was reduced to six members, of which three members are independent. Upon the earlier of (x) written

notification by the Funds, in each of the Funds' sole discretion, to the Company and (y) the Voting Date, the Investors shall lose their right to have the Board observers attend meetings of the Board (except that in certain circumstances, the GS Investors will have the right to appoint at least one non-voting Board observer) and instead shall be entitled to nominate and cause the Company to appoint such additional Board representatives to the Board as shall provide the

Edgar Filing: MONEYGRAM INTERNATIONAL INC - Form SC 13D

Investors with that number of directors as is proportionate to Investors' Common Stock ownership, calculated on a fully as-converted basis (assuming all shares of Series B-1 Stock were converted into Series B Stock and all Series B Stock was converted into Common Stock).

The Purchase Agreement provides that as promptly as practicable following the Closing Date, the Company will hold a meeting of its stockholders to seek approval of an amendment to the certificate of incorporation of the Company (the "Charter"), which will provide that as long as the Investors shall have a right to designate Board Representatives following the Voting Date, the GS Investors shall have the right to designate one Board Representative (who shall have one vote), and THL (or its permitted successors or assigns) shall have the right to designate two to four Board Representatives, which Board Representatives shall be authorized to vote (with each such THL Board Representative having equal votes) on all matters occasioning action by the Board such number of votes equal to the number of directors that the Investors would be entitled to designate on the as-converted basis mentioned above, minus the one vote of the Board Representative designated by the GS Investors. The amended Charter must also provide that each member of the Board shall be elected annually for a one year term, and shall increase the number of authorized shares of Common Stock to 1,300,000,000 shares. The Purchase Agreement provides that following the Closing Date, for so long as shareholders who are unaffiliated with the Investors beneficially own at least 5% of the outstanding Common Stock, on a fully diluted basis, there shall be at least three independent directors serving on the Board.

The Series B Stock and the Series B-1 Stock will pay a cash dividend of 10% or, at the Company's option, it may accrue dividends at a rate of 12.5% in lieu of paying a cash dividend. Dividends may be accrued for up to five years from the date of the Transaction. After five years, if the Company is unable to pay the dividends in cash, dividends will accrue at a rate of 15%. At this time, the Company expects that dividends will be accrued and not paid in cash for at least five years. The Series B Stock participates in dividends with the Common Stock on an as-converted basis. The Series B Stock may be redeemed at the option of the Company if, after five years from the date of the Transaction, the Common Stock trades above \$15.00 per share, subject to adjustment, for a period of thirty consecutive trading days. The Series B Stock will be redeemable at the option of the Investors after ten years and upon a change in control.

The investment strategy of the Company may change due to the Transaction. The Company commenced a plan in January 2008 to realign its investment portfolio away from asset-backed securities and into highly liquid assets through the sale of a substantial portion of the investment portfolio. It is expected that the

realigned portfolio will consist primarily of cash equivalents, government and government agency securities.

In addition, on March 17, 2008, in connection with entering into the Purchase Agreement, the Company and Wells Fargo Bank, N.A., as Rights Agent, entered into the Second Amendment to the Rights Agreement (the "Rights Agreement Amendment"). The Rights Agreement Amendment modifies the Company's Rights Agreement, dated as of June 30, 2004 (the "Rights Agreement"), to provide, among other things, that the issuance of rights under the Rights Agreement will not be triggered solely by virtue of the approval, execution or delivery of the Purchase Agreement or the Transaction.

The description of the Purchase Agreement in this Schedule 13D does not purport

Edgar Filing: MONEYGRAM INTERNATIONAL INC - Form SC 13D

to be complete, and is qualified in its entirety by reference to such agreement, which is included as Exhibit 7.01 hereto and incorporated by reference herein.

Each of the Reporting Persons reserves the right, in light of its ongoing evaluation of the Issuer's financial condition, business, operations and prospects, the market price of the Common Stock, conditions in the securities markets generally, general economic and industry conditions, its business objectives and other relevant factors, to change its plans and intentions at any time, as it deems appropriate. In particular, any one or more of the Reporting Persons (and their respective affiliates) reserves the right, in each case subject to the terms and conditions of the Purchase Agreement, the Series B Certificate and any applicable law, to (i) purchase additional shares of Common Stock or other securities of the Issuer, (ii) sell or transfer shares of the Series B Stock or Common Stock or other securities beneficially owned by them from time to time in public or private transactions, (iii) cause any of the Reporting Persons to distribute in kind to their respective partners or members, as the case may be, shares of Series B Stock or Common Stock or other securities owned by such entities, (iv) enter into privately negotiated derivative transactions with institutional counterparties to hedge the market risk of some or all of their positions in the shares of Common Stock, Series B Stock, Series B-1 Stock, Series D Stock or other securities and (v) consider participating in a business combination transaction that would result in an acquisition of all of the Issuer's outstanding Common Stock.

ITEM 5. INTEREST IN SECURITIES OF THE COMPANY.

(a)-(b)

The response to Item 4 is incorporated herein by reference. The Company represented and warranted to the parties to the Purchase Agreement that, as of March 17, 2008, there were 82,598,034 shares of Common Stock outstanding. As of the date hereof, the Reporting Persons collectively own 485,000 shares (98%) of Series B Stock, which as of March 25, 2008, subject to certain limitations, are convertible into 194,000,000 shares of Common Stock. The other 10,000 shares of Series B Stock are held by Silver Point. The holders of Series B Stock are entitled to the Series B Voting Power. As described above, as dividends on the Series B Stock and Series B-1 Stock accrue, the Series B Voting Power will increase.

19

The voting rights of the Reporting Persons with respect to the Common Stock are limited to 9.9% as of March 25, 2008, due to regulatory restrictions, and will increase, consistent with regulatory approvals, until the Voting Date at which time the voting interests of the Reporting Persons will increase to the Series B Voting Power, which, as of March 25, 2008, was 78.8%.

By virtue of the relationships among the Reporting Persons described herein, the Reporting Persons may be deemed to share beneficial ownership with respect to the shares reported herein. The agreement specifies that, after the Voting Date, one of the directors that the Investors are entitled to elect will be designated by the GS Investors, so long as the GS Investors own a minimum number of securities, and the number of votes the Board is entitled to cast is at least eleven, and such director shall be entitled to one vote. The agreement limits the transfer of shares, such that in the first five years, the shares may only be transferred to specific parties or pursuant to specific agreements entered into in connection with the Transaction. This provision is effective for two years after the effective date of the agreement. The Equity Participation Agreement also grants Wal-Mart the right to receive a percentage of the profits realized on the equity securities purchased by each of the Funds and the GS Investors, which payments may be made in either cash or, in certain circumstances, in equity securities of the Company owned by the Funds and the GS Investors, as applicable.
