FOR IMMEDIATE RELEASE

THE LEATHER FACTORY, INC. REPORTS 2003 FINANCIAL RESULTS -
REVENUE OF \$41.7 MILLION AND EPS OF \$0.27

FORT WORTH, TEXAS - The Leather Factory, Inc. (AMEX: TLF), the world's largest specialty retailer and wholesale distributor of leather and leathercraft products, today reported results for the year ended December 31, 2003. Consolidated net sales for the year were up 5.0% to \$41.7 million over 2002 sales of \$39.7 million. Net income for 2003 was \$2.7 million compared to a net loss of \$1.4 million for 2002, or basic earnings per share for 2003 of \$0.27 versus \$(0.14) for 2002. Diluted earnings per share was \$0.25 for 2003 and \$(0.13) for 2002. The 2002 results included a \$4.0 million charge, net of tax, for the cumulative effect of a previously reported accounting change. Net income for 2002 before the cumulative effect of the accounting change was \$2.6 million or \$0.26 per share (basic) and \$0.24 per share (diluted).

2003 Accomplishments:

- Addition of 12 new Tandy Leather retail stores
- Tandy Leather retail store sales up 144% over 2002, a result of both new store openings and increasing store sales
- Improved gross profit margin to 54.4% in 2003 from 53.7% as a result of increased retail sales and efficient purchasing
- Improved net income to \$2.7 million in 2003 from a loss of \$1.4 million in 2002 (after accounting charge of \$4.0 million)
- Bank debt reduced from \$4.2 million to \$1.8 million
- Increased operating cash flow by 133% to \$3.3 million in 2003 from \$1.4 million in 2002
- Secured a \$5 million, two-year line of credit with Wells Fargo Bank Texas, N.A. with reduced fees and interest rates (below prime) from the previous credit arrangement
- Addition of an experienced institutional investor to Board of Directors

Divisional analysis:

The Tandy Leather division reported sales for the year were up \$1.8 million, or 24.8%, to \$9.2 million in 2003 from \$7.4 million in 2002. The Company opened 12 new Tandy Leather retail stores in 2003, increasing the total number of retail stores from 14 at year-end 2002 to 26 at December 31, 2003. The 2002 sales consisted of \$3.6 million from Tandy's central mail order facility, which closed on September 1, 2002, combined with the retail stores contributing sales of \$3.8 million. The resulting sales increase at the stores from 2002 to 2003 was \$5.4 million.

The Leather Factory warehouse distribution center sales were up \$371,000, or

Edgar Filing: LEATHER FACTORY INC - Form 8-K

1.2%, from \$30.3 million in 2002 to \$30.7 million in 2003, as a result of an increase in retail sales for the year. This increase was partially offset by a decrease in sales to national accounts. The Company believes that this decrease arose from planned and expected periodic adjustments to purchasing programs and therefore assumes the decline is temporary.

Robert, Cushman's sales for 2003 decreased \$216,000, or 10.6%, due to the continued slowdown in the overall hat industry during the last half of the year.

Consolidated gross profit margins for the year increased from 53.7% in 2002 to 54.4% in 2003. Operating expenses for 2003 were \$18.6 million, or 44.6% of sales, compared to \$17.2 million, or 43.3% of sales, in 2002. The increase in operating expenses in 2003 is predominantly associated with an increase in advertising efforts and investor relations activities.

Wray Thompson, Chairman and Chief Executive Officer, commented, "We are pleased with the continued sales growth, particularly in the Tandy Leather retail operation. The Leather Factory warehouse distribution centers and Tandy Leather stores are performing well and our Tandy store openings are on schedule. We were able to improve our gross margins slightly for the year and held our fourth quarter operating expenses to match the same percentage of sales in last year's fourth quarter. In 2004, we plan to continue to create shareholder value by focusing on three goals - increasing sales and earnings from existing locations, opening 10-15 new Tandy Leather stores and improving our operating margins."
