NOTE 1 - GENERAL

The accompanying unaudited balance sheet has been prepared in accordance with generally accepted accounting principles for interim financial information. Accordingly, it does not include all of the information and footnotes required by generally accepted accounting principles for complete financial statements. In the opinion of management, all adjustments (consisting of normal recurring accruals) considered necessary for a fair presentation have been included. Although the Company believes that the disclosure presented herein is adequate to make the information presented not misleading, it is suggested that this balance sheet be read in conjunction with the 2001 annual financial statements and footnotes.

On June 30, 2002 the Company concluded a private placement of its ordinary shares under the following terms:
