**Proxy Statement for Annual Meeting of Stockholders
To Be Held November 19, 2002 and Adjournments**

SOLICITATION AND REVOCABILITY OF PROXIES

The enclosed proxy, for use only at the annual meeting of Stockholders to be held at the corporate office of Cannon Express, Inc. (the "Company"), 1383 East Robinson Avenue, Springdale, Arkansas, on Tuesday, November 19, 2002, at 10:00 A.M., local time, and any adjournment thereof, is solicited on behalf of the Board of Directors of Cannon Express, Inc. Such solicitation is being made primarily by mail, but may also be made in person or by telephone or telegraph by officers, directors and regular employees of the Company. All expenses incurred in the solicitation will be borne by the Company.

Any stockholder executing a proxy retains the right to revoke it at any time prior to exercise at the Annual Meeting. A proxy may be revoked by giving written notice to Duane Wormington, Secretary of the Company. A proxy may also be revoked by the execution of a later proxy or by voting the shares in person at the Annual Meeting. If not revoked, all shares represented by properly executed proxies will be voted. Where a stockholder has specified a choice with respect to any matter to be acted upon at the meeting, such shares will be voted in accordance with the stockholder's wishes.

The approximate date this Proxy Statement is first being mailed to stockholders is October 31, 2002.

OUTSTANDING STOCK AND VOTING RIGHTS

At the Annual Meeting, each stockholder will be entitled to one vote for each share of Common Stock, \$.01 par value ("Common Stock"), owned of record at the close of business on October 25, 2002. The outstanding stock of the Company as of the record date totaled 3,205,276 shares of Common Stock. Votes may be cast in person or by proxy. The stock transfer books of the Company will not be closed.

The enclosed form of proxy provides a method for stockholders to withhold authority to vote for any one or more of the director nominees while still granting authority to the proxy to vote for the remaining nominees. The names of all nominees are listed on the proxy card. If you wish to grant the proxy authority to vote for all nominees, check the box marked "FOR." If you wish to withhold authority to vote for all nominees, check the box marked "WITHHOLD." If you wish your shares to be voted for some nominees and not for one or more of the others, indicate the name(s) of the nominee(s) for whom you are withholding the authority to vote by writing the name(s) of such nominee(s) in the space provided on the form of proxy. If you checked the box marked "WITHHOLD" your vote will be treated as an abstention and accordingly your shares will neither be voted for nor against a director but will be counted for quorum purposes.

Although shares represented by proxies containing abstentions or indicating broker non-votes will be considered as present at the meeting for purposes of determining the presence of a quorum, abstentions and broker non-votes will not otherwise be counted on any matters submitted to a vote at the meeting.

EXECUTIVE COMPENSATION

General

The Company's executive compensation program is administered by the Compensation Committee of the Board of Directors. The members of the compensation Committee are Sam F. Fiser and Glenn E. Kelley, both non-employee directors of the Company. All decisions by the Compensation Committee relating to compensation of the Company's executive officers are reviewed by the full board, except for decisions regarding awards under the Company's Incentive Stock Option Plan (the "Plan"), which must be made solely by the Committee in order for the grants to satisfy Exchange Act Rule 16b-3.

4

REPORT OF THE COMPENSATION COMMITTEE

Compensation Policy

The overall compensation policy of the Company is to maximize shareholder return by combining annual and long-term compensation to executives. The Committee seeks to provide annual compensation which motivates executives by recognizing and rewarding individual initiative and achievement. Long-term compensation to executives is based on stock ownership by management.

Compensation Elements

The following alternatives were available to the Committee as compensation elements during fiscal 2002: base salary, annual cash bonuses for fiscal 2002, and stock options granted under the Company's Plan. Compensation paid during fiscal 2002 reflected the Committee's emphasis on determining pay on an individualized basis.

Base Salary. Executive's base salaries are initially determined with reference to comparable base salaries of others in the Company's industry. Subjective measures of performance include a review of each executive's past and anticipated level of performance. The Committee does not attempt to relate executive salaries to objective performance-related criteria.

Cash Bonuses. The Compensation Committee determines on an annual basis whether to award cash bonuses to executives. While no general bonus program existed during fiscal 2002, the Compensation Committee may elect to award bonuses to reward individual contributions. Bonuses are awarded by the Compensation Committee based on subjective criteria, such as a review of the executive's past and anticipated performance. The Committee does not attempt to relate bonuses to objective performance-related criteria.

Stock Options. The Company's long-term incentive program is based on the Company's Plan, which was approved by shareholders in 2001. Upon selection by the Compensation Committee, the company's key employees are eligible to participate in the Plan. In determining whether to grant options, the Committee reviews the options previously granted and exercised under the Plan, the Company's performance as determined in the market price of its stock, individual performance and potential contribution to the Company and the perceived need of providing additional long-term incentive to key executives. Based on these criteria, no options to acquire shares of the Company's Common Stock were granted to executive officers during fiscal 2002.

CEO Compensation

Edgar Filing: CANNON EXPRESS INC - Form DEF 14A

The compensation Committee's general approach in setting Mr. Cannon's target annual compensation is to seek to be competitive with other companies of a similar size in the Company's industry, to recognize and reward initiative, overall corporate performance and managerial ability, and to provide long-term incentive to increase shareholder value. In setting Mr. Cannon's cash compensation, the Committee reviewed the compensation of chief executive officers of other companies in the industry. The Committee targeted Mr. Cannon's cash compensation to fall within the range of such amounts.

Conclusion

The Company believes that linking executive compensation to corporate performance results in a better alignment of compensation with corporate goals and stockholders' interest. The Compensation

5

Committee believes that compensation levels during fiscal 2002 adequately reflect the Company's compensation goals and policies.

Compensation of Directors

The Company pays each of its outside directors \$200 per meeting attended for both Board and committee meetings. The Company does not pay annual fees to the directors. Members of the Board who also serve as officers of the Company are not compensated for their services as directors.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Company's Board of Directors is composed of two independent directors. The Audit Committee operates under a written charter adopted by the Board of Directors. The Board of Directors and the Audit Committee believe that the Audit Committee's current member composition satisfies the rules of the National Association of Securities Dealers, Inc. (the "NASD") that governs audit committee composition, including the requirement that audit committee members all be "independent directors" as that term is defined by NASD Rule 4200(a)(14).

The role of the Audit Committee is to assist the Board of Directors in its oversight of the Company's financial reporting process. Management has the primary duty for the financial statements and the reporting process, including the systems of internal controls. The independent auditors are responsible for auditing the Company's financial statements and expressing an opinion as to their conformity to accounting principles generally accepted in the United States.

6

In the performance of its oversight function, the Audit Committee has reviewed and discussed with management and the independent auditors the Company's audited financial statements. The Audit Committee also has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 relating to communication with audit committees. In addition, the Audit Committee has received from the independent auditors the written disclosures and letter required by Independence Standards Board Standard No. 1 relating to independence discussions with audit committees, has discussed with the independent auditors their independence from the Company and its management, and has considered whether the independent auditor's provision of non-audit services to the Company is compatible with maintaining the auditor's independence.

The Audit Committee discussed with the Company's internal and independent auditors the overall scope and plans for their respective audits. The Audit Committee meets with the internal and independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls and the overall quality of the Company's financial reporting. These meetings without management present will be held at least once each year, but generally more frequently.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board has approved, that the Company's audited financial statements be included in the Company's 2002 Annual Report to Shareholders and Annual Report on Form 10-K for the year ended June 30, 2002 for filing with the Securities and Exchange Commission.

INDEPENDENT AUDITORS

Tullius, Taylor, Sartain & Sartain LLP, certified public accountants, served as independent auditors for the Company for the year ended June 30, 2002. The Board of Directors has selected Tullius, Taylor, Sartain & Sartain LLP to serve as the independent auditors of the Company for the current fiscal year. A representative of Tullius, Taylor, Sartain & Sartain is expected to be in attendance at the Annual Meeting and will be afforded the opportunity to make a statement. During fiscal year 2002, the Company retained its principal auditor, Tullius, Taylor, Sartain & Sartain LLP, to provide services in the following categories and amounts:

| | | |
|---|----|--------|
| Audit fees and quarterly reviews | \$ | 33,000 |

The following graph sets forth the cumulative total shareholder return to the Company's shareholders during the six-year period ended June 30, 2002 as well as an overall stock market index (AMEX Market Index) and a published industry index (NASDAQ Transportation Index).

CERTAIN TRANSACTIONS

The Company leases its offices from Dean G. Cannon and Rose Marie Cannon pursuant to a written lease entered into and effective as of September 1, 1986. Mr. and Mrs. Cannon also have the use of a Company-owned Chevrolet Suburban.

All future transactions between the Company and its officers, directors, principal stockholders and affiliates will be reviewed and approved by a majority of the disinterested directors of the Company's Board, or a committee thereof, and will be on terms and conditions no less favorable to the Company than could be obtained from unaffiliated third parties.
