INVESCO Announces \$500 Million Stock Repurchase Program

London, June 14, 2007 - INVESCO (NYSE: IVZ) announced today that its Board of Directors has authorized the repurchase of up to \$500,000,000 of the company's outstanding ordinary shares.

"The Board's approval of a stock repurchase plan reaffirms its confidence in the company's strategic direction and its commitment to building long-term value for INVESCO's shareholders," noted INVESCO President and CEO Martin L. Flanagan. "Today's announcement follows our stated capital policy of implementing advantageous stock repurchases as a complementary approach to returning capital to our shareholders through a progressive dividend policy."

The stock repurchase authorization has an expiration date of June 30, 2008. The timing of stock repurchases and the number of shares of common stock to be repurchased will be at management's discretion after consideration of factors such as market conditions, available cash flow from operations, established and special trading blackout periods, and other general economic and corporate factors. Repurchases under the program generally will be made from the company's available working capital.

Any repurchases will be made in accordance with INVESCO's general authority to repurchase shares approved at the annual general meeting held on May 23, 2007 and in accordance with Chapter 12 of the UK Listing Rules. Consequently the maximum price paid will be limited to no more than 105 per cent of the average middle market closing price of INVESCO PLC shares for the 5 dealing days preceding the date of purchase. The shares repurchased will be held as Treasury shares.
