## INFORMATION TO BE INCLUDED IN THE REPORT

### Section 1 Registrant's Business and Operations

#### Item 1.01

##### Entry into a Material Definitive Agreement

The Company entered into a fifth amendment to its \$35 million 1999 note purchase agreement (the Note Purchase Agreement) effective as of September 17, 2010. Additional information regarding this amendment is included in Item 2.03 below.

### Section 2 Financial Information

#### Item 2.03

##### Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

The Company recently concluded the refinancing of its senior bank credit facilities effective June 23, 2010. The new senior bank credit facility includes a net worth covenant that contains terms and conditions regarding maintenance of net worth levels different from the net worth covenant contained in the Note Purchase Agreement. The Note Purchase Agreement contains a most favored lender covenant, which allows the holders of the 1999 notes to obtain the benefit of any new or more favorable covenant offered by the Company to certain other lenders, including those provided under any senior bank credit facility.

Under the amendment dated as of September 17, 2010, the Company and the holders of the notes issued under the Note Purchase Agreement agreed that (1) the Note Purchase Agreement will not be amended to include the net worth covenant contained in the new Senior Bank Credit facility; and (2) the Company will report net worth compliance for

the period ending June 30, 2010, and thereafter under the existing net worth covenant contained in the Note Purchase Agreement. The amendment also updated the Company's employee benefits compliance representations to reflect current applicable law and recent actions taken by the Company relative to its various benefit plans. Further, as part of the amendment process, the Company's subsidiaries who had guaranteed the Company's obligations under the Note Purchase Agreement reaffirmed their respective obligations under those guarantees.

### **Forward Looking Statements**

Statements concerning initiatives undertaken by the Company and described in this report constitute forward-looking information and are made pursuant to the safe-harbor provisions of the Private Securities Litigation Reform Act of 1995. While the Company believes that these forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance, and all such statements involve risk and uncertainties that could cause actual results to differ materially from those contemplated and expressed in this report and the exhibit. The assumptions, risks, and uncertainties relating to the forward-looking statements in this report and the exhibit include the strength of the economy and demand for paper products, increases in raw material and energy prices, manufacturing problems at Company facilities, and other risks and assumptions described under Information Concerning

Forward-Looking Statements in Item 7 and in Item 1A of the Company's Annual Report on Form 10-K for the year ended December 31, 2009, and from time to time in the Company's other filings with the Securities and Exchange Commission. The Company assumes no obligation to update or supplement forward-looking statements that become untrue because of subsequent events.
