PROXY STATEMENT
for
ANNUAL MEETING OF SHAREHOLDERS
ETHYL CORPORATION

To be held May 30, 2001
Approximate date of mailing--April 24, 2001

Proxies in the form enclosed are solicited by the Board of Directors for the Annual Meeting of Shareholders to be held on Wednesday, May 30, 2001. Any person giving a proxy may revoke it at any time before it is voted by delivering another proxy, or written notice of revocation, to the Secretary of the Corporation at the Corporation's address listed below. A proxy, if executed and not revoked, will be voted, and, if it contains any specific instructions, will be voted in accordance with such instructions.

On March 27, 2001, the date for determining shareholders entitled to vote at the meeting, there were outstanding 83,454,650 shares of Ethyl Common Stock. Each share of Ethyl Common Stock is entitled to one vote. The holders of a majority of the shares of Ethyl Common Stock issued and outstanding as of the close of business on March 27, 2001 will constitute a quorum at the meeting.

The election of each nominee for director requires the affirmative vote of the holders of a plurality of the shares of Ethyl Common Stock voted in the election of directors. Votes that are withheld and shares held in street name that are not voted in the election of directors will not be included in determining the number of votes cast. Unless otherwise specified in the accompanying form of proxy, it is intended that votes will be cast for the election of all of the nominees as directors.

The cost of the solicitation of proxies will be borne by the Corporation. In addition to the use of the mails, proxies may be solicited personally or by telephone by regular employees of the Corporation. Corporate Investor Communications, Inc. has been engaged to assist in the solicitation of proxies. The Corporation will pay that firm \$7,000 for its services and reimburse its out-of-pocket expenses.

The Corporation's street address is 330 South Fourth Street, Richmond, Virginia 23219.

Such shareholder's notice shall include (i) the name and address of the shareholder and of each person to be nominated, (ii) a representation that the shareholder is a holder of record of stock of the Corporation entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to nominate each person specified, (iii) a description of all understandings between the shareholder and each nominee and any other person (naming such person) pursuant to which the nomination is to be made by the shareholder, (iv) such other information regarding each nominee as would be required to be included in a proxy statement filed pursuant to the proxy rules of the Securities and Exchange Commission had the nominee been nominated by the Board of Directors and (v) the consent of each nominee to serve as a director of the Corporation if so elected.

Messrs. Berry, Grosvenor and Scott and Ms. Cothran currently serve as the Corporation's bonus, salary and stock option committee. During 2000, the bonus, salary and stock option committee met on five occasions. This committee approves the salaries of management-level employees. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Thomas E. Gottwald, President and director of the Corporation, is a son of Bruce C. Gottwald. The members of the family of Bruce C. Gottwald may be deemed to be control persons of the Corporation.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Based solely on its review of the forms required by Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), that have been received by the Corporation, the Corporation believes that there has been compliance with all filing requirements applicable to its officers, directors and beneficial owners of greater than 10% of Ethyl Common Stock, except that Mr. Scott inadvertently did not report in a timely manner the sale of shares owned by his wife, which he subsequently reported on a Form 5.

STOCK OWNERSHIP

The following table lists any person (including any "group" as that term is used in Section 13(d)(3) of the Exchange Act) who, to the knowledge of the Corporation, was the beneficial owner as of December 31, 2000, of more than 5% of the outstanding voting shares of the Corporation.

Edgar Filing: ETHYL CORP - Form DEF 14A

Title of Class	Name and Address of Beneficial Owners	Number of Shares	Percent of Class
Common Stock	Floyd D. Gottwald, Jr., and Bruce C. Gottwald (a) 330 South Fourth Street P.O. Box 2189 Richmond, Virginia 23219	21,002,330 (b) (c)	25.17%

- (a) Floyd D. Gottwald, Jr. and Bruce C. Gottwald, who are brothers, may be deemed to be a "group" for purposes of Section 13(d)(3) of the Exchange Act, although there is no agreement between them with respect to the acquisition, retention, disposition or voting of Ethyl Common Stock.
- (b) As of December 31, 2000, Floyd D. Gottwald, Jr. and Bruce C. Gottwald had sole voting and investment power over all of the shares disclosed except 11,260,472 shares held by their wives, adult sons and in certain trust relationships as to which they disclaim beneficial ownership. This amount includes an aggregate of 4,272,607 shares of Ethyl Common Stock beneficially owned by the adult sons of Floyd D. Gottwald, Jr. and an aggregate of 4,647,269 shares of Ethyl Common stock beneficially owned by the adult sons of Bruce C. Gottwald. Floyd D. Gottwald, Jr., Bruce C. Gottwald and their adult sons have no agreement with respect to the acquisition, retention, disposition or voting of Ethyl Common Stock.
- (c) This amount includes any shares owned of record by Merrill Lynch, Pierce, Fenner & Smith Incorporated as Trustee under the Corporation's savings plan for the benefit of Bruce C. Gottwald and Thomas E. Gottwald. This amount does not include shares held by the Trustee of such plan for the benefit of employees of the Corporation other than Bruce C. Gottwald and Thomas E. Gottwald. Shares held under the Corporation's savings plan are voted by the Trustee in accordance with instructions solicited from employees participating in the plan. If a participating employee does not give the Trustee voting instructions, his or her shares generally are voted by the Trustee in accordance with the Board's recommendations to the shareholders. Because members of the family of Bruce C. Gottwald are executive officers and directors of the Corporation and are the largest shareholders of the Corporation, they may be deemed to be control persons of the Corporation and to have the capacity to control any such recommendation of the Board of Directors.

3

The following table sets forth as of January 31, 2001, the beneficial ownership of Ethyl Common Stock by all directors of the Corporation, the Chief Executive Officer and the four next most highly compensated executive officers (the "Named Executive Officers") and all directors and officers of the Corporation as a group. Compensation of \$35,100.

The benefit formula under the pension plans is based on the participant's final-average earnings, which are defined as the average of the highest three consecutive calendar years' earnings (base pay plus 50% of incentive bonuses paid in any fiscal year) during the 10 consecutive calendar years immediately preceding the date of determination. The years of pension benefit service for each of the executive officers named in the above compensation table as of December 31, 2000, are: Bruce C. Gottwald, 45; Thomas E. Gottwald, 9; Henry C. Page, Jr., 18; Newton A. Perry, 32; and Alexander McLean, 12. Benefits under the pension plans are computed on the basis of a life annuity with 60 months guaranteed payments. The benefits listed in the above compensation table are not subject to deduction for Social Security or other offset payments.

Mr. McLean, who was previously employed by Ethyl Petroleum Additives Limited, a subsidiary of the Corporation located in the United Kingdom, also participated in the Ethyl Petroleum Additives Limited Pension Plan (the "Additives Plan"). The formula under the Additives Plan is equal to 1.6667% times pensionable salary times years of service. Mr. McLean has 7.833 years of service under that plan. This accrued benefit as of April 30, 1997, is \$47,028 per year, payable at age 65. This amount has been converted from British pounds to U.S. dollars at the conversion rate of 1(Pounds):\$1.4897 as of December 29, 2000. The amount payable under the Additives Plan is offset from the amount payable under the pension plan described above.

EXCESS BENEFIT PLANS

The Corporation maintains excess benefit plans (the "Excess Plans") in the form of nonqualified pension plans that provide eligible individuals the difference between the benefits they actually accrue under the qualified employee pension and savings plans of the Corporation and the benefits they would have accrued under such plans but for the maximum benefit and annual addition limitations and the limitation on compensation that may be recognized thereunder under the Code. All benefits under the Excess Plans vest upon a Change in Control of the Corporation, as defined in the Excess Plans. Participants in the Excess Plans receive their benefits in the form elected under the qualified employee pension plans of the Corporation or under certain circumstances in a lump sum payment.

Mr. Walker, who retired as an officer and employee of the Corporation on January 31, 1998, will receive a series of payments that are equivalent to the present value of his accrued benefits under the Excess Plans plus any earnings on the funds designed for such payments. This arrangement is in lieu of any benefits under the Excess Plans.

COMPENSATION OF DIRECTORS

Each non-employee director is paid (i) \$1,000 for attendance at each Board meeting and (ii) \$600 for attendance at each meeting of a committee of the Board of which he or she is a member. In addition, each such director has been paid a quarterly fee of \$5,000. Effective April 1, 2001, the quarterly fee will be \$3,000. Employee members of the Board of Directors are not paid separately for their service on the Board or its committees.

Any director retiring from the Board after age 60 with at least five years' service on the Board will receive \$12,000 per year for life, payable in

Edgar Filing: ETHYL CORP - Form DEF 14A

quarterly installments. The service requirement for this benefit may be waived under certain circumstances. Any director retiring under other circumstances will receive \$12,000 per year, payable in quarterly installments, commencing no earlier than age 60, for a period not to exceed his years of service on the Board. The payment period limitation on this benefit may be waived in certain circumstances. Such retirement payments to former directors may be discontinued under certain circumstances.

Under the Directors' Stock Plan, on each July 1, each non-employee director is awarded that number of whole shares of Ethyl Common Stock that, when multiplied by the closing price of Ethyl Common Stock on the immediately preceding business day, as reported in The Wall Street Journal, shall as nearly as possible equal but not exceed \$2,000. The shares of Ethyl Common Stock awarded under the Directors' Stock Plan are nonforfeitable and the recipient directors immediately and fully vest in Ethyl Common Stock issued under the Director's Stock Plan. Subject only to such limitations on transfer as may be specified by applicable securities laws, directors may sell their shares under the Directors' Stock Plan at any time. The Directors' Stock Plan provides that no awards may be made after July 1, 2001.

Non-employee directors may defer, in ten percent increments, all or part of their retainer fee and meeting fees into either a deferred cash account or a deferred stock account (the "Deferred Compensation Plan"), or a percentage of the fees into each of the accounts, both of which are unfunded and maintained for recordkeeping purposes only. Distributions under the Deferred Compensation Plan, paid in a single sum or in up to ten annual installments, cannot begin within two years of the beginning of the deferral year. The maximum aggregate number of shares of Ethyl Common Stock that may be issued under the Deferred Compensation Plan is 100,000 shares.

BONUS, SALARY AND STOCK OPTION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Bonus, Salary and Stock Option Committee of the Board of Directors (the "Committee"), which performs the function of a compensation committee, consists of Messrs. Berry (Chairman), Grosvenor and Scott and Ms. Cothran. The Committee is delegated the power to administer the compensation program of the Corporation applicable to its executive officers, including the Chief Executive Officer. Accordingly, the Committee submits this report on executive compensation to the shareholders.

Overall Objectives

The objectives of the Corporation's executive compensation program are to:

- . Provide balanced, competitive total compensation that will enable the Corporation to attract, motivate and retain highly qualified executives;
- . Provide incentives for enhancing the profitability of the Corporation by rewarding executives for meeting individual and corporate goals; and
- . Align the financial interests of the executives closely to those of the shareholders by encouraging executive ownership of Ethyl Common Stock.

Elements of the Program

Edgar Filing: ETHYL CORP - Form DEF 14A

The Committee believes the interests of the shareholders will be best served if the compensation program consists of cash compensation and equity ownership, with a significant portion of compensation depending upon performance. The program includes: base salary, annual bonuses in cash or cash and stock, and stock options with performance vesting and SARs. The Committee considers all elements of the program when setting appropriate compensation.

The Corporation seeks to maintain its executive compensation packages around the mid-range of those offered generally in the job markets in which the Corporation competes for talent and experience.

Because of the extremely difficult market conditions that the Corporation has experienced in the last several years and the low trading pricing of Ethyl Common Stock, the Committee has not been awarding any stock options. More recently the Corporation has been concentrating on streamlining operations with the focus of employment and compensation decisions directed at reducing costs.

Competitive Market

The Corporation has used compensation surveys provided by compensation consultants in determining the market for executive pay. The surveys include companies that are larger and smaller than the Corporation. Some of the surveys are limited to companies in the petroleum or chemical businesses, including, but not limited to, companies shown on the Performance Graph. Other surveys include companies in other industries. References to the "market" in this report refer to the survey data.

Base Salaries

Base salaries have been based on evaluations of past and current Corporation operating profits and individual contribution to the Corporation's success, market data for comparable positions and salary levels of the Corporation's peer group companies and alignment of salary and organization within the Corporation. The Committee considers each of the individual factors but does not assign a specific value to each factor, and a subjective element is acknowledged in evaluating each executive's contribution. Salary survey data from the Corporation's peer group companies indicated the Corporation's executive level compensation to be within the ranges of compensation offered by peer group companies.

9

Annual Bonuses

The annual bonus program has been designed to motivate and reward performance measured against individual, division, department and corporate objectives. Annual bonus awards are determined by the Committee in conjunction with senior management, and are based on evaluation of the performance, level of responsibility and leadership of the individual executive in relation to overall corporate results. For 2000, no bonuses were paid to any of the executive officers.

Stock Options

Under the Incentive Stock Option Plan approved by the shareholders, the Committee, in its discretion, may grant options to purchase shares of Ethyl Common Stock (with or without related SARs) to any executive of the Corporation or any subsidiary who has contributed or can be expected to contribute to the Corporation's profits and growth. The Committee determines the amount of the grant, the term of the options and the requisite conditions

Edgar Filing: ETHYL CORP - Form DEF 14A

for exercise. The Committee did not grant any options under the Incentive Stock Option Plan during 2000.

CEO Compensation

In keeping with the objective of improving long-term performance and shareholder value, the Chief Executive Officer, as a major shareholder, strongly advocates pay for performance. The CEO asked not to be considered for a salary increase and the Committee concurred with his recommendation. Compensation survey data places the CEO's total compensation for 2000 within the range of the size-adjusted median of companies surveyed by the Corporation's compensation consultants.

The Committee believes that the CEO continues to take necessary strategic steps to position the Corporation for the future in an extremely difficult competitive environment. As with the other executive officers, he did not receive a bonus for 2000.

Section 162(m)

Section 162(m) of the Code provides certain criteria for the tax deductibility of compensation in excess of \$1 million paid to the Corporation's executive officers. To meet the criteria applicable to performance-based compensation (as defined in Section 162(m) of the Code), certain of the Corporation's benefit plans would have to be amended to limit the Committee's discretion to determine individual awards based on individual performance factors and other factors as the Committee may determine, from time to time, to be relevant.

The Committee believes that the flexibility on awards is an important feature of the plans and one that serves the best interests of the Corporation by allowing the Committee to recognize and motivate individual executive officers as circumstances warrant. Further, the Committee currently does not anticipate that there will be any compensation subject to the loss of tax deductibility. Consequently, the Committee does not propose at the present time to amend any plan to comply with the performance-based criteria.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors (the "Audit Committee") is composed of four independent directors and operates under a written charter adopted by the Board of Directors, a copy of which is attached to this proxy statement as Appendix A. The Audit Committee reviews audit fees and recommends to the Board of Directors, subject to shareholder ratification, the selection of the Corporation's independent accountants. Management is responsible for the Corporation's internal controls and the financial reporting process. The independent accountants are responsible for performing an independent audit of the Corporation's consolidated financial statements in accordance with generally accepted auditing standards and for issuing a report thereon. The

Edgar Filing: ETHYL CORP - Form DEF 14A

Audit Committee's responsibility is to monitor and oversee these processes and to report thereon to the Board of Directors. In this context, the Audit Committee has met and held discussions with management and PricewaterhouseCoopers LLP, the Corporation's independent accountants.

Management represented to the Audit Committee that the Corporation's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and PricewaterhouseCoopers.

The Audit Committee has discussed with PricewaterhouseCoopers the matters required to be discussed by Statement on Auditing Standards No. 61 (Codification of Statements on Accounting Standards), including the scope of the auditor's responsibilities, significant accounting adjustments and any disagreements with management.

The Audit Committee also has received the written disclosures and the letter from PricewaterhouseCoopers relating to the independence of that firm as required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and has discussed with PricewaterhouseCoopers that firm's independence from the Corporation.

Based upon the Audit Committee's discussions with management and PricewaterhouseCoopers and the Audit Committee's review of the representation of management and the report of PricewaterhouseCoopers to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Corporation's Annual Report on Form 10-K for the year ended December 31, 2000 filed with the Securities and Exchange Commission.

During the fiscal year ended December 31, 2000, PricewaterhouseCoopers billed the Corporation the fees set forth below in connection with services rendered by that firm to the Corporation.

Audit Fees. For professional services rendered by PricewaterhouseCoopers for the audit of the Corporation's annual financial statements for the fiscal year ended December 31, 2000, and the reviews of the financial statements included in the Corporation's Quarterly Reports on Form 10-Q for the fiscal year ended December 31, 2000, PricewaterhouseCoopers billed the Corporation fees in the aggregate amount of \$608,000.

Financial Information Systems Design and Implementation Fees. For the fiscal year ended December 31, 2000, PricewaterhouseCoopers rendered professional services to the Corporation in connection with (i) directly or indirectly operating, or supervising the operation of the Corporation's information system or managing the Corporation's local area network, (ii) designing or implementing a hardware or software system that aggregates source data underlying the Corporation's financial statements or generates information that is significant to the Corporation's financial statements taken as a whole and (iii) assessing, designing and implementing internal accounting controls and risk management controls. PricewaterhouseCoopers billed the Corporation fees in the aggregate amount of \$133,600 for the services described above.

All Other Fees. For professional services other than those described above for the fiscal year ended December 31, 2000, PricewaterhouseCoopers billed the Corporation fees in the aggregate amount of \$333,800. This amount includes an aggregate amount of \$117,000 that PricewaterhouseCoopers billed for services rendered

Edgar Filing: ETHYL CORP - Form DEF 14A

in connection with the performance of internal audit procedures for the Corporation. In addition to performing an independent audit of the Corporation's consolidated financial statements, PricewaterhouseCoopers has been engaged by the Corporation to conduct internal audit projects under the direction of the Corporation.

The Audit Committee has considered whether the provision of services described above under "Financial Information Systems Design and Implementation Fees" and "All Other Fees" is compatible with maintaining the independence of PricewaterhouseCoopers.

DESIGNATION OF AUDITORS

The Board of Directors has designated PricewaterhouseCoopers LLP, certified public accountants, as the Corporation's independent auditors for the year 2001, subject to shareholder approval. Coopers & Lybrand, L.L.P., which was the predecessor of PricewaterhouseCoopers, has audited the Corporation's financial statements since 1962 and those of the former Ethyl Corporation (Delaware) from 1947 to 1962. A representative of PricewaterhouseCoopers is expected to be present at the annual meeting with an opportunity to make a statement and to be available to respond to appropriate questions.

PricewaterhouseCoopers' principal function is to audit the consolidated financial statements of the Corporation and its subsidiaries and, in connection with that audit, to review certain related filings with the

Edgar Filing: ETHYL CORP - Form DEF 14A

Securities and Exchange Commission and to conduct limited reviews of the financial statements included in the Corporation's quarterly reports.

PROPOSALS FOR 2002 ANNUAL MEETING

Under the regulations of the Securities and Exchange Commission, any shareholder desiring to make a proposal to be acted upon at the 2002 annual meeting of shareholders must present such proposal to the Corporation at its principal office in Richmond, Virginia, not later than December 26, 2001, in order for the proposal to be considered for inclusion in the Corporation's proxy statement. The Corporation anticipates holding the 2002 annual meeting on Thursday, April 25, 2002.

The Corporation's bylaws provide that, in addition to any other applicable requirements, for business to be properly brought before the annual meeting by a shareholder, the shareholder must give timely notice in writing to the Secretary of the Corporation not later than 60 days prior to the meeting. As to each matter, the notice should contain (i) a brief description of the matter and the reasons for addressing it at the annual meeting, (ii) the name, record address of and number of shares beneficially owned by the shareholder proposing such business and (iii) any material interest of the shareholder in such business.

OTHER MATTERS

The Board of Directors is not aware of any matters to be presented for action at the meeting other than as set forth herein. However, if any other matters properly come before the meeting, or any adjournment thereof, the person or persons voting the proxies will vote them in accordance with their best judgment.
