PROPOSAL TWO

APPROVAL OF APPOINTMENT OF
INDEPENDENT AUDITORS

The Board is submitting for approval at the Meeting the appointment of Deloitte AS as the Company's independent auditors for the ensuing year until the close of the next Annual General Meeting of Shareholders. The Board will also lay before the Meeting the Company's audited financial statements for the year ended December 31, 2011. These financial statements are included in the Company's 2011 Annual Report which is available on the Company's website at www.nat.bm. Any shareholder may receive a hard copy of the Company's 2011 Annual Report free of charge upon request.

Deloitte AS has advised the Company that the firm does not have any direct or indirect financial interest in the Company, nor has such firm had any such interest in connection with the Company during the past three fiscal years other than in its capacity as the Company's independent auditors.

All services rendered by the independent auditors are subject to review by the Audit Committee.

Required Vote. Approval of Proposal Two will require the affirmative vote of the majority of the votes cast by shareholders entitled to vote thereon.

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR APPROVAL OF THE APPOINTMENT OF DELOITTE AS AS INDEPENDENT AUDITORS OF THE COMPANY FOR THE ENSUING YEAR UNTIL THE CLOSE OF THE NEXT ANNUAL GENERAL MEETING. UNLESS REVOKED AS PROVIDED ABOVE, PROXIES RECEIVED BY MANAGEMENT WILL BE VOTED IN FAVOR OF SUCH APPROVAL UNLESS A CONTRARY VOTE IS SPECIFIED.

PROPOSAL THREE

REDUCTION OF SHARE PREMIUM

The Board is submitting for approval at the Meeting the reduction of the Company's share premium account by approximately \$75.5 million, which is the amount of paid in share capital which exceeds the aggregate par value of the outstanding common shares, par value \$0.01 per share, of the Company, which we refer to as share premium to zero. The reason for the reduction is primarily to increase the ability of the Company to declare and distribute dividends and distributions to the Company's shareholders. The reduction in share premium will not result in a distribution to shareholders at this time but rather the surplus resulting from such reduction will be credited to the Company's contributed surplus account.

Currently, the Company's aggregate share capital represented by the Company's outstanding common shares is \$529,156 based on the aggregate par value of the Company's 52,915,639 common shares having a par value of \$0.01 each. The share premium of the Company is currently approximately \$75.5 million based on the excess of the price paid by shareholders for the Company's common shares over their aggregate par value.

Our dividend policy is to declare quarterly dividends to shareholders, as the Board of Directors may from time to time determine, taking into account contingent liabilities, the terms of our credit facility, our other cash needs and the requirements of Bermuda law. However, if we declare a dividend in respect of a quarter in which an equity issuance has taken place, we calculate the dividend per share as our net operating cash flow for the quarter (after taking into account the factors described above) divided by the weighted average number of shares over that quarter. Net operating cash flow represents net income plus depreciation and non-cash administrative charges. The dividend paid is the calculated dividend per share multiplied by the number of shares outstanding at the end of the quarter.

Under Bermuda law, we may not declare or pay dividends or make distributions if there are reasonable grounds for believing that (1) we are, or would after the payment be, unable to pay our liabilities as they become due or (2) the realizable value of our assets would thereby be less than the sum of our liabilities.

Since our inception, we have issued shares at various times in excess of such shares' par value. This excess constitutes our share premium. Share premium is not available for payment of dividends under Bermuda law.

The reduction in share premium will give our Board of Directors greater flexibility to declare dividends and distributions to our shareholders. Specifically, the reduction in share capital will enable the Board of Directors to declare a dividend or distribution, when the Company is solvent, and would not be rendered insolvent upon payment of the dividend, and has available cash to distribute, so long as the realizable value of the Company's assets exceeds its liabilities.

The Company is required, in order to effectuate such reduction to cause a notice to be published in an appointed newspaper stating the amount of the share capital as last previously determined by the Company, the amount to which the share capital is to be reduced, and the date as from which the reduction is to have effect. The notice is required to be published not more than thirty days and not less than fifteen days prior to the date on which the reduction is to have effect and is intended to be published on or about June 1, 2012. The Company may only effect such reduction if there are reasonable grounds for believing that the Company is, or after the reduction would be, able to pay its liabilities as they become due.

Within 30 days after the date such reduction of the paid in share capital is effective the Company, as required by Bermuda law, will file a memorandum, with a copy of the notice, in the office of the Bermuda Registrar of Companies ("Registrar") notifying the Registrar of compliance with the Companies Act.

Required Vote. Approval of Proposal Three will require the affirmative vote of the majority of the votes cast by shareholders entitled to vote thereon.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR APPROVAL OF THE REDUCTION OF SHARE PREMIUM. UNLESS REVOKED AS PROVIDED ABOVE, PROXIES RECEIVED BY MANAGEMENT WILL BE VOTED IN FAVOR OF SUCH APPROVAL UNLESS A CONTRARY VOTE IS SPECIFIED.

SOLICITATION

The cost of preparing and soliciting proxies will be borne by the Company. Solicitation will be made primarily by mail, but shareholders may be solicited by telephone, e-mail, or personal contact.
