#### GAMCO Asks For Vote to Help E.W. Scripps

RYE, N.Y., April 19, 2018 – GAMCO Asset Management Inc. (“GAMCO”), an affiliate of GAMCO Investors, Inc. (NYSE: GBL), has made a definitive filing with the Securities and Exchange Commission of a proxy statement and an accompanying BLUE proxy card to be used to solicit votes for the election of Ms. Colleen Birdnow Brown, Mr. Raymond H. Cole and Mr. Vincent L. Sadusky, to the Board of Directors (the “Board”) of The E.W. Scripps Company, (the “Company” or “Scripps”) (NYSE: SSP), at the Company’s 2018 annual meeting of shareholders. The annual meeting is scheduled to be held on May 10, 2018, in Cincinnati, Ohio.

#### Why?

GAMCO is trying to help management increase intrinsic value. We believe Scripps should engage three proven individuals with hands on knowledge of operations in the broadcast ecosystem. The total cost for adding these three

individuals to the Board is less than 1/6<sup>th</sup> of the outlays that management is spending to preclude this help and we estimate a fraction of engaging outside consultants. The Company disclosed in its 2018 proxy statement that the total compensation earned (cash & stock awards) in 2017 by the three non-employee directors elected by Scripps' Class A shareholders at last year's annual meeting was \$485,642. In addition, the Company disclosed in its 2018 proxy statement that it expects aggregate expenses related to the proxy contest to be approximately \$3,000,000 (of which \$1,700,000 was spent as of March 20<sup>th</sup>).

GAMCO believes that if Scripps improved its Broadcast Cash Flow (BCF) margins by 600 basis points, bringing it closer to public peers, it could create about \$0.5 billion of value at 7x BCF. The improvement could boost the price of SSP shares, accelerate deleveraging and enhance the Company's currency for potential TV station M&A that could expand the scale of Scripps' broadcast operations.

In addition, the Signatories to the Scripps Family Agreement control the Board.

Why not add three proven individuals to the Board to bring more focus to all shareholder concerns?
