State below in reasonable detail the reasons why Form 10-K, 11-K, 20-F, 10-Q, N-SAR or the transition report portion thereof could not be filed within the prescribed time period. (Attach extra sheets if needed).

The Company is engaged in active negotiations to amend and/or extend the terms of its credit facility. The final terms and conditions of the amendment or extension have not been completed as of the filing of this notification. In light of those negotiations, the Company is not able to file its Quarterly Report on Form 10-Q for fiscal quarter ended October 1, 2005, by November 15, 2005, without unreasonable effort and expense. In order to timely file its Form 10-Q, the Company would have to redirect its executive officers away from negotiations with the lender, which would delay these negotiations. Additionally, the Company believes that until the negotiations are complete, the Company's disclosures required by the Form 10-Q would be incomplete or misleading.

The Company intends to file the subject Quarterly Report on Form 10-Q no later than November 21, 2005, the first business day after the fifth calendar day after the due date of this report.
