**INFORMATION TO BE INCLUDED IN THE REPORT**

**Item 1.01 Entry into a Material Definitive Agreement**

On November 30, 2004, Valley National Bank and Valley National Bancorp, entered into revised change in control agreements with certain executive officers listed herein. The primary purpose of the revisions was to refine the definition of change in control and to eliminate an age requirement for Mr. Lipkin.

**Amended and Restated Change in Control Agreements with Gerald H. Lipkin, Alan D. Eskow, Albert L. Engel, Robert Meyer, James G. Lawrence and Peter Crocitto.**

## Edgar Filing: VALLEY NATIONAL BANCORP - Form 8-K

The initial term of each Agreement extends for three years with an automatic one-year extension at the end of each year. Except for Mr. Lipkin, the initial term for each executive shall cease at age 65. Pursuant to each Agreement, should Valley undergo a change-in-control while the executive's Agreement remains in effect, the executive is provided with a three year employment agreement in the same position, at the same base salary, with a bonus at least equal to the average annual bonus paid to him over the most recent three years, and participation in fringe benefit plans.

If, during such three year period, the executive resigns for good reason as defined in the Agreement, or is terminated without cause, he is entitled to an immediate lump-sum payment equal to three times his base salary and (except for Mr. Lawrence) bonus amount, continuation of medical, dental and life insurance benefit coverage for up to a three-year period and (except for Mr. Lawrence) three years of credited service under the Benefit Equalization Plan. Generally, if the executive dies, or is disabled, the executive will be entitled to benefits under the Agreement. If the executive is terminated for cause or resigns without good reason, the executive will not be entitled to benefits under the Agreement. Mr. Lawrence's existing employment agreement and employment continuation and non-competition agreement remain unchanged.

**Change in Control Agreements with Richard P. Garber, Robert J. Mulligan, Kermit R. Dyke, Walter M. Horsting, Eric W. Gould, Garret G. Nieuwenhuis, Robert E. Farrell, Stephen P. Davey and Elizabeth E. DeLaney.**

The initial term of each Agreement extends for three years with an automatic one-year extension at the end of each year. The initial term for each executive shall cease at age 65. Pursuant to each Agreement, should Valley undergo a change-in-control while the executive's Agreement remains in effect, the executive is provided with a one year employment agreement in the same position, at the same base salary, with a bonus at least equal to the average annual bonus paid to the executive over the most recent three years, and participation in fringe benefit plans.

If, during such one year period, the executive resigns for good reason as defined in the Agreement, or is terminated without cause, the executive is entitled to an immediate lump-sum payment equal to between one-half and two times the executive's base salary (usually depending on years of service), a pro-rata bonus amount and continuation of medical, dental and life insurance benefit coverage for between a one-half and two-year period (usually depending on years of service). If the executive dies, is disabled, is terminated for cause, or resigns without good reason, the executive will not be entitled to benefits under the Agreement.

In addition, filed herewith is a letter agreement dated November 18, 2003 between Valley National Bancorp and Mr. Lipkin that, as disclosed in the proxy statement for the 2004 annual meeting, reflects Mr. Lipkin's minimum \$300,000 benefit under the Benefit Equalization Plan.
