**PROXY STATEMENT
FOR
THE ANNUAL GENERAL MEETING OF HOLDERS OF COMMON SHARES
TO BE HELD ON MAY 4, 2007**

The accompanying proxy is solicited by the Board of Directors of Security Capital Assurance Ltd (the "Company" or "SCA") to be voted at the Annual General Meeting of holders (the "Shareholders") of the Company's Common Shares (the "Shares") to be held on May 4, 2007 and any adjournments thereof.

When such proxy is properly executed and returned, the Shares of the Company it represents will be voted at the meeting on the following: (1) the election of the three nominees for Class I Directors identified herein, (2) the ratification of the appointment of PricewaterhouseCoopers LLP, New York, New York (the "Independent Auditor"), to act as the independent registered public accounting firm of the Company for the year ending December 31, 2007, (3) the approval of the Company's Amended and Restated 2006 Long Term Incentive and Share Award Plan, and (4) the approval of the Company's Amended and Restated Annual Incentive Compensation Plan.

Any Shareholder giving a proxy has the power to revoke it prior to its exercise by giving notice of such revocation to the Secretary of the Company in writing at Security Capital Assurance Ltd, XL House, One Bermudiana Road, Hamilton, HM 11, Bermuda, by attending and voting in person at the Annual General Meeting or by executing a subsequent proxy, provided that such action is taken in sufficient time to permit the necessary examination and tabulation of the subsequent proxy or revocation before the votes are taken.

Shareholders of record as of the close of business on March 22, 2007 will be entitled to vote at the Annual General Meeting. As of March 22, 2007, there were 64,136,364 outstanding Shares entitled to vote at the Annual General Meeting, with each Share entitling the holder of record thereof to one vote at the Annual General Meeting (subject to certain limitations set forth in the Company's Amended and Restated Bye-laws [See footnote 1 to the Beneficial Ownership table]).

This Proxy Statement, the attached Notice of Annual General Meeting and the accompanying proxy card are first being mailed to Shareholders on or about April 2, 2007. The Company knows of no specific matter to be brought before the Annual General Meeting that is not referred to in the Notice of Meeting. If any such matter comes before the Annual General Meeting, including any Shareholder proposal properly made, the proxy holders will vote proxies in accordance with their judgment.

The election of each nominee for Director referred to in Item 1 above, the ratification of the appointment of the Independent Auditor referred to in Item 2 above, the approval of the Amended and Restated 2006 Long Term Incentive and Share Award Plan referred to in Item 3 above and the approval of the Amended and Restated Annual Incentive Compensation Plan referred to in Item 4 above each require the affirmative vote of a majority of the votes cast on such proposal at the Annual General Meeting, provided there is a quorum (consisting of two or more Shareholders present in person or by proxy holding at least fifty percent (50%) of the issued and outstanding Shares entitled to vote at the Annual General Meeting). Shares owned by Shareholders electing to abstain from voting with respect to any proposal and "broker non-votes" will be counted towards the presence of a quorum but will not be considered present and voting with respect to the elections of nominees for Director or other matters to be voted upon at the Annual General Meeting. Therefore, abstentions and "broker non-votes" will have no effect on the outcome of the matters to be voted upon at the Annual General Meeting.

BENEFICIAL OWNERSHIP

The following table sets forth certain information with respect to each person or group that, as of March 22, 2007, was, to the Company's knowledge, the beneficial owner of more than 5% of the Company's outstanding Shares. There were 64,136,364 Shares outstanding as of March 22, 2007. The table is based upon information contained in filings with the Securities and Exchange Commission (the "SEC").

Name and Address of Beneficial Owner	Amount and Nature of Beneficial Ownership (1)	Percent of Class
XL Insurance (Bermuda) Ltd (2) XL House One Bermudiana Road Hamilton HM 11 Bermuda	40,696,471	63.45%

(1) Each Share has one vote, except that pursuant to the Amended and Restated Bye-laws of the Company (the "Amended and Restated Bye-laws"):

- (I) if and for so long as (and whenever) the votes of a Shareholder, including any votes conferred by Controlled Shares (as hereinafter defined), would otherwise represent more than 9.5% of the aggregate voting power of all Shares entitled to vote on a matter, including an election of Directors, the votes conferred by such Shares are reduced by whatever amount is necessary such that after giving effect to any such reduction (and any other reductions in voting power required by the Company's Amended and Restated Bye-laws), the votes conferred by such Shares shall represent 9.5% of the aggregate voting power of all Shares of the Company entitled to vote on such matter; provided, however, that, except as provided in paragraph (II) below, no such reduction in votes shall occur with respect to (i) Shares held by any member of the XL Group (as defined below) or (ii) Shares transferred by the XL Group to any person that is not a member of the XL Group in a transaction not registered under the Securities Act of 1933, as amended (the "Securities Act") (or exempt from registration pursuant to Rule 144 of the Securities Act or any successor provision thereof) and, upon the consummation of such transfer, any Shares previously held or subsequently acquired by such person (or an affiliate thereof), but, in each case, only for so long as such person (or an affiliate thereof) continues to hold such Shares (it being understood that this clause (ii) shall not apply to Shares transferred by such person (or an affiliate thereof) to any non-affiliate thereof). "Controlled Shares" in reference to any person, means all Shares directly, indirectly or constructively owned by (i) such person as determined pursuant to Section 958 of the Internal Revenue Code of 1986, as amended (the "Code") and Treasury Regulations promulgated thereunder and under Section 957 of the Code (or the relevant successor provisions thereof) or (ii) a "group" of persons within the meaning of Section 13(d)(3) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). "XL Group" means XL Capital Ltd and its consolidated subsidiaries;
- (II) if and for so long as the votes conferred by Shares held by the XL Group would otherwise represent more than 50.1% of the aggregate voting power of all Shares entitled to vote generally at an election of Directors, the votes conferred by such Shares are reduced by whatever amount is necessary such that, after giving effect to any such reduction, the votes conferred by such Shares shall represent no more than 50.1% of the aggregate voting power of all Shares entitled to vote generally at any election of Directors. If and so long as the votes conferred by Shares held by the XL Group would otherwise represent more than 47.5% of the aggregate voting power of all Shares entitled to vote on a matter (other than the election of Directors), the votes conferred by such Shares held by the XL Group, with respect to voting on such matters, shall represent no more than 47.5% of the aggregate voting power of all Shares entitled to vote on such matter. Either or both of such limitations shall cease to apply, or may be adjusted upwards, upon receipt by the Company of written confirmation from each nationally recognized rating agency then providing a financial strength rating for the Company and/or its subsidiaries that such financial strength rating is or will be determined without reference to the ratings of any member of the XL Group or that the then financial strength rating issued by it will not at the time of such confirmation be adversely affected by the elimination or adjustment

of such limitation, and, in the case of any adjustment (as opposed to elimination), the applicable percentages set forth in the first sentence of this paragraph (II) shall automatically be adjusted to those percentages as so determined by the foregoing; provided, however, that, in the event that any such written confirmation shall later be rescinded, such limitation shall be reinstated at a percentage equal to the lesser of (i) such percentage as is required by the rescinding rating agency and (ii) the percentage set forth in the first sentence of this paragraph (II) originally applicable to such limitation;

(III)

After having applied the provisions described in paragraphs (I) and (II) above as best as they consider reasonably practicable, the Board of Directors may make such final adjustments to the aggregate number of votes conferred, directly or indirectly or by attribution, by the Controlled Shares of any person that they consider fair and reasonable under the circumstances to ensure that such votes represent 9.5%. Such adjustments intended to implement the 9.5% limitation described in paragraph (I) shall be subject to the proviso contained in paragraph (I).

(2) A wholly-owned subsidiary of XL Capital Ltd (NYSE:XL).

BOARD OF DIRECTORS

The Company's Amended and Restated Bye-Laws provide that the Board of Directors (sometimes referred to herein as the "Board") shall be divided into three classes, designated "Class I", "Class II" and "Class III", with each class consisting as nearly as possible of one-third of the total number of Directors constituting the entire Board of Directors.

The term of office for each Director in Class I expires at the 2007 Annual General Meeting; the term of office for each Director in Class II expires at the 2008 Annual General Meeting; and the term of office for each Director in Class III expires at the 2009 Annual General Meeting of the Company. At each Annual General Meeting, the

successors of the class of Directors whose term expires at that meeting shall be elected to hold office for a term expiring at the Annual General Meeting to be held in the third year following the year of their election. In 2006, there were four meetings of the Board (including an initial due diligence session in July 2006) and all incumbent Directors attended at least 75% of such meetings. In addition, during 2006 all incumbent Directors attended at least 75% of the committee meetings for Board committees for which they were a member. Formal meetings of the Board and Board committees are supplemented periodically by informational meetings. In 2006, one such informational meeting of the Board was held. The Company expects the Directors to attend the Annual General Meeting. In connection with each regularly scheduled meeting of the Board, the non-management Directors meet in executive session without any member of management in attendance. The Board considers annually the selection of a non-management Director to serve as presiding Director at executive sessions of non-management Directors. Michael P. Esposito, Jr. is the non-management Director that the Board has selected to preside over these sessions. In addition, in 2007 and going forward, the independent Directors will meet as a group at least annually.

Independence Standards

The Board has adopted categorical standards to assist it in making determinations as to whether Directors have any material relationships with the Company for purposes of determining independence under the listing standards of the New York Stock Exchange (the "NYSE") and Rule 10A-3 promulgated under the Exchange Act. The categorical standards are attached as Appendix A to this Proxy Statement. In 2006, the Board of Directors determined that each of Messrs. Gibbons, Hannon, Lichten, Ross and Senter and Ms. Hennessy is independent in accordance with such categorical standards.

Code of Conduct

The Company has adopted a Code of Business Conduct and Ethics, which applies to all of the Company's Directors, officers and employees. The Company has also adopted a Code of Ethics for SCA Senior Financial Officers applicable to the Company's chief financial officer, controller and other persons performing similar functions. The Company will post on its website at www.scafg.com any amendment to or waiver under the Code of Business Conduct and Ethics or the Code of Ethics for SCA Senior Financial Officers granted to any of its Directors or executive officers.

Website Access to Governance Documents

The Company's Director Independence Standards, Corporate Governance Guidelines and Code of Business Conduct and Ethics, the Code of Ethics for SCA Senior Financial Officers, the charters for the Audit Committee, Compensation Committee, Finance and Risk Oversight Committee and Nominating & Governance Committee, and other Company ethics and governance materials are available free of charge on the Company's website at www.scafg.com or by writing to Investor Relations, Security Capital Assurance Ltd, XL House, One Bermudiana Road, Hamilton HM 11, Bermuda.

Committees

The Board has established an Audit Committee, a Compensation Committee, a Nominating & Governance Committee, and a Finance and Risk Oversight Committee. Each member of the Audit Committee, the Compensation Committee (other than Brian O'Hara) and the Nominating & Governance Committee is independent as independence for members of a company's audit committee, compensation committee or nominating and governance committee, as the case may be, is defined in the NYSE listing standards and Rule 10A-3 promulgated under the Exchange Act, as applicable. The one non-independent Director on the Compensation Committee is Mr. O'Hara who is Chief Executive Officer of XL Capital Ltd, our majority shareholder. In connection with Mr. O'Hara's membership on the Compensation Committee, the Company relies on an exemption afforded to it as a "controlled company" (meaning, a company of which more than 50% of the voting power is held by another company) under the rules of the NYSE, which exempts it from the requirement that all Directors comprising the Compensation Committee be independent within the meaning of the rules of the NYSE. More than 50% of the voting power of the Company is held by XL Insurance (Bermuda) Ltd (See Beneficial Ownership table and footnote 1 thereto).

Audit Committee

Edgar Filing: Security Capital Assurance Ltd - Form DEF 14A

The Audit Committee's primary purpose is to assist in the Board's oversight of the integrity of the Company's financial statements, including its system of internal controls, the Independent Auditor's qualifications, independence

and performance, the performance of the Company's internal audit function and the Company's compliance with legal and regulatory requirements. The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the work of the Independent Auditor in preparing or issuing an audit report or performing other audit, review or attestation services for the Company. Messrs. Senter (Chairman), Gibbons and Ross and Ms. Hennessy (all independent Directors within the meaning of the rules of the NYSE) comprise the Audit Committee. The Audit Committee met two times during 2006 and held three informational meetings in 2006. In February 2007, the Board determined that Messrs. Senter and Ross are "audit committee financial experts" (as that term is defined in Item 401(h) of Regulation S-K).

Compensation Committee

The Compensation Committee reviews the performance and compensation of the Chief Executive Officer and other senior executives and has overall responsibility for approving and evaluating compensation and benefit plans of the Company. Messrs. O'Hara (Chairman), Lichten and Hannon comprise the Compensation Committee. The Compensation Committee met two times during 2006 and held two informational meetings in 2006.

Nominating & Governance Committee

The Nominating & Governance Committee makes recommendations to the Board as to nominations for the Board and Board committee memberships and compensation for Board and Board committee members, as well as structural, governance and procedural matters. The Nominating & Governance Committee also reviews the performance of the Board and the Company's succession planning. Messrs. Lichten (Chairman), Gibbons and Ross and Ms. Hennessy comprise the Nominating & Governance Committee. The Nominating & Governance Committee met two times during 2006.

Identifying and Evaluating Nominees

The Nominating & Governance Committee is responsible for reviewing with the Board, on an annual basis, the requisite skills and characteristics of new Board members as well as the composition of the Board as a whole. When the Board determines to seek a new member, whether to fill a vacancy or otherwise, the Nominating & Governance Committee will utilize third-party search firms and consider recommendations from Board members, management and others, including Shareholders. In general, the Nominating & Governance Committee will look for new members possessing superior business judgment and integrity who have distinguished themselves in their chosen fields of endeavor and who have knowledge or experience in the areas of insurance, reinsurance, financial services or other aspects of the Company's business, operations or activities.

Nominees Recommended by Shareholders

The Nominating & Governance Committee will consider, for Director nominees, persons recommended by Shareholders, who may submit recommendations to the Nominating & Governance Committee in care of the Company's Secretary at Security Capital Assurance Ltd, XL House, One Bermudiana Road, Hamilton HM 11, Bermuda. To be considered by the Nominating & Governance Committee, such recommendations must be accompanied by a description of the qualifications of the proposed candidate and a written statement from the proposed candidate that he or she is willing to be nominated and desires to serve if elected. Nominees for Director who are recommended by Shareholders to the Nominating & Governance Committee will be evaluated in the same manner as any other nominee for Director. Nominations by Shareholders may also be made at an Annual General Meeting in the manner set forth under "Shareholder Proposals for 2008 Annual General Meeting."

Finance and Risk Oversight Committee

The Finance and Risk Oversight Committee establishes and recommends the financial policies of the Company and reviews the Company's capital structure, issuances of securities, dividend policy, mergers, acquisitions and divestitures, significant strategic investments, overall investment policy and performance, and annual business plan and budget. In addition, the Finance and Risk Oversight Committee oversees the Board's responsibility in establishing the Company's risk tolerance and overseeing the proposals for establishment and implementation of standards, controls, limits, guidelines and policies relating to risk assessment and risk management. Messrs. Esposito (Chairman),

Giordano, Hannon, Lichten, O'Hara and Senter comprise the Finance and Risk Oversight Committee. The Finance and Risk Oversight Committee met two times during 2006.

Communications with Members of the Board of Directors and its Committees

Shareholders and other interested persons may communicate directly with one or more Directors (including the presiding Director or all non-management Directors as a group) by writing to them in care of the presiding Director, Michael P. Esposito, Jr., at Security Capital Assurance Ltd, XL House, One Bermudiana Road, Hamilton HM 11, Bermuda and specifying the intended recipient(s). All such communications will be forwarded to the appropriate Director(s) for review, other than communications that are advertisements or other commercial solicitations or communications.

Edgar Filing: Security Capital Assurance Ltd - Form DEF 14A

Committee and the Nominating & Governance Committee received a portion of an annual fee of \$4,000. All members of Committees received a \$1,000 attendance fee for each meeting and for most informational meetings. Mr. Esposito and Mr. O'Hara are directors and/or employees of XL Capital Ltd and fees earned by them during 2006 were waived by them and paid to XL Capital Ltd. During 2006, Mr. Esposito did not receive any additional fees for acting as Chairman of the Board or Chairman of the Finance and Risk Oversight Committee. Mr. O'Hara and Mr. Esposito waived their rights to these options. Accordingly, the options that would have been granted to Mr. Esposito and Mr. O'Hara for their service as SCA Directors were granted to XL Insurance (Bermuda) Ltd. The options vest and become exercisable in three equal annual installments, beginning on the first anniversary of the date of grant and continuing on each of the following two anniversaries of the date of grant; provided, however, that the options shall be immediately vested and exercisable in full upon a Change in Control (as defined in the 2006 Long Term Incentive and Share Award Plan). The expiration date of the options is the tenth anniversary of the date of grant.

Director Share Ownership Guidelines

The Company does not have stock ownership guidelines for Directors.

PROCEDURES FOR APPROVAL OF RELATED PERSON TRANSACTIONS

In February 2007, the Board adopted written policies and procedures relating to the approval or ratification of transactions with "Related Persons." Under these policies and procedures, Company management shall present to the Nominating & Governance Committee any Related Person Transactions (as defined below) (other than Ordinary Course Related Person Transactions (as defined below)) proposed to be entered into by the Company, including the aggregate value of such transactions, if applicable. In reviewing proposed Related Person Transactions, the Nominating & Governance Committee shall consider, among other things, if such transactions are on terms comparable to those that could be obtained in arm's-length dealings with an unrelated third party and shall review such transactions to ensure that the terms are arm's-length or otherwise fair to the Company. After review, the Nominating & Governance Committee shall approve or disapprove such transactions and at each subsequent Nominating & Governance Committee meeting, Company management shall update the Nominating & Governance Committee as to any material change to those transactions that have been previously approved by the Nominating & Governance Committee. Any Ordinary Course Related Person Transaction may be approved by Company management and such transactions will not be presented to the Nominating & Governance Committee for prior approval. At each meeting of the Nominating & Governance Committee, Company management shall submit a list of all Ordinary Course Related Person Transactions it has approved since the last Nominating & Governance Committee meeting and the Nominating & Governance Committee shall ratify such transactions. No Director may participate in any discussion or approval of a Related Person Transaction for which he or she is a Related Person (as defined below).

Under these policies and procedures, a "Related Person Transaction" is any transaction, including proposed charitable contributions or pledges of charitable contributions, in which the Company was or is a participant, and the amount involved exceeds \$120,000 and in which a Related Person had or will have a direct or indirect material interest. A "Related Person" is an executive officer, Director or nominee for Director of the Company, a greater than 5% beneficial owner of the Company's outstanding Shares, any immediate family member (as that term is defined by Item 404 of Regulation S-K) of any of the foregoing or an entity in which a person listed in the foregoing has a substantial interest in, or control of, such entity or which employs a person listed in the foregoing. An "Ordinary Course Related Person Transaction" is any Related Person Transaction that is entered into under an existing reinsurance agreement, master services agreement, general services agreement or other similar agreement that has previously been approved by the Board.

RELATED PERSON TRANSACTIONS

In connection with the initial public offering of the Company's Shares, the Company has entered into a number of transactions with affiliates of XL Capital Ltd ("XL Capital"). The Company also has reinsurance agreements in place with affiliates of XL Capital. XL Capital is a Related Person (as defined above under "Procedures for Approval of Related Person Transactions") with respect to the Company. The Related Person Transactions the Company has entered into with XL Capital are detailed in Note 7, "Related Party Transactions," to the consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2006, and Note 7 is reproduced and attached as Appendix B hereto. Mr. Esposito and Mr. O'Hara, Directors of the Company, are Chairman of the Board and President and Chief Executive Officer of XL Capital, respectively.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's Directors and executive officers and persons who own more than 10% of a registered class of the Company's equity securities to file with the SEC and the NYSE reports on Forms 3, 4 and 5 concerning their ownership of the Shares and other equity securities of the Company.

The Company believes that all of its officers and Directors and those greater-than-10% Shareholders that filed any reports, filed all of such reports on a timely basis during the year ended December 31, 2006 with the exception of reports relating to grants of restricted Shares in connection with the IPO for Paul S. Giordano, Edward B. Hubbard, David P. Shea, Thomas W. Currie, Michael E. Rego and Richard P. Heberton, which were filed after the respective due dates therefore.

COMPENSATION DISCUSSION AND ANALYSIS

1. Introduction

The Company was created in connection with an initial public offering of XL Capital Ltd's financial guarantee business on August 4, 2006 ("IPO"). Immediately prior to the IPO, the Company's two business segments — financial guarantee insurance and reinsurance — were wholly-owned operating divisions of XL Capital and part of XL Capital's Financial Products & Services segment. Subsequent to the IPO, XL Capital retained a majority ownership stake in the Company subject to restrictions on its Shareholder voting rights, including for the election of Directors to the Board (See footnote 1 to the Beneficial Ownership table).

Up to the IPO Closing Date, our executives' compensation was determined by XL Capital's executive compensation programs, including the setting of base salaries, target bonuses and long-term incentive ("LTI") awards.

In connection with the IPO, SCA established its own executive compensation program. The objectives of SCA's executive compensation program are to:

- Pay for performance based on the Company achieving its strategic, operational and financial goals and individual executives meeting or exceeding performance expectations.
- Attract and retain talented executives to develop and execute our business strategy effectively. Due to the highly competitive nature of hiring quality executives within the financial guarantee industry, our goal is to provide incentives to executives that reflect market practice and motivate them to grow our business and improve profitability consistent with the Company's overall risk appetite.
- Incentivize executives to maximize the creation of shareholder value by designing LTI plans that align their interests with those of Shareholders. Long-term incentive awards will focus, over time, on achieving significant levels of equity ownership for executives. This should encourage management and staff to take appropriate risks with our capital to generate returns for our Shareholders but also to share in the downside risk incumbent with poor performance or losses.
- Align our business actions and executives' behavior with our core values and our pay for performance philosophy. While it is essential that we attain our stated business goals, we believe it is also important for every executive and employee to adhere to our core values of ethics, teamwork, excellence, development and respect.
- Our Company's business principles also help to guide our decisions in assessing executives' contributions to the Company's success. These principles are:

Merit and Opportunity
Openness
Execution
Innovation
Growth
Risk Selection and Management

2. Executive Compensation Program Review and Oversight

The objectives of our executive compensation programs have been established by the Compensation Committee of the Board of Directors. This committee consists of three directors: Brian M. O'Hara (Chairman), Bruce G. Hannon and Robert M. Lichten. A majority of the members of the Compensation Committee are independent Directors. The one non-independent Director on the Compensation Committee is Mr. O'Hara who is President and Chief Executive Officer of XL Capital, our majority Shareholder. In connection with Mr. O'Hara's membership on the Compensation Committee, the Company relies on an exemption afforded to it under the rules of the NYSE, which exempts it as a "controlled company" (meaning a company of which more than 50% of the voting power is held by another company) from the requirement that all of the Directors comprising our Compensation Committee be independent within the meaning of the rules of the NYSE. More than 50% of the voting power of the Company is held by XL Insurance (Bermuda) Ltd (See the Beneficial Ownership table and

footnote 1 thereto). The Compensation Committee

oversees, evaluates and approves all senior executive compensation actions, as well as the Company's overall compensation and benefits policies, plans and programs for all employees.

Our Chief Executive Officer, Paul S. Giordano, is responsible for providing recommendations to the Compensation Committee with respect to all compensation actions for the named executive officers, other than himself, as well as the cash incentive pools and the long-term incentive pools for all non-executive employees. We refer to the named executive officers, Messrs. Giordano, Shea, Hubbard, Morriss and Heberton, as the "NEOs." The Compensation Committee expects Mr. Giordano to justify his recommendations based on actual performance against agreed upon goals and metrics, relative performance versus the Company's peers and its business plan, and relative contributions to the overall Company results. Mr. Giordano meets with the Compensation Committee throughout the year to review: (i) the Company's operating results each year, (ii) how these results compare to the fiscal year's business plan, and (iii) how the compensation recommendations relate to such performance.

The Compensation Committee has the authority to retain an outside independent executive compensation consultant to assist in the evaluation of executive officer compensation and in order to ensure the objectivity and reasonableness of the actions of the Compensation Committee. The Compensation Committee has the sole authority to retain and terminate any such consultant, including sole authority to approve such consultant's fees and other retention terms. The Compensation Committee has selected Frederic W. Cook & Co. Inc. (the "Cook firm") as its compensation consultant. The Cook firm assists in the development of compensation programs for our executive officers and our non-employee Directors by providing relevant market trend data, regulatory oversight and corporate governance guidance. As part of the Cook firm's engagement, our management also has access to its services in developing information to assist the Compensation Committee in fulfilling its responsibilities.

At the direction of the Compensation Committee, our management has worked with the Cook firm to develop information about the compensation of our executive officers for the Compensation Committee to use in making decisions about executive compensation. Members of management and a representative of the Cook firm have attended most of the meetings of the Compensation Committee following our IPO. On an annual basis, the Compensation Committee reviews and approves the compensation of the Chief Executive Officer and other NEOs provided that the Chief Executive Officer's compensation is approved by the independent Directors and the compensation of the other NEOs is approved by the Board. Executive sessions of the Compensation Committee were not attended by any members of management but were attended, in part, by representatives of the Cook firm.

3. Executive Compensation Philosophy and Core Principles

We are a long-term, results-oriented company and we seek to pay for performance. This is achieved through the fixed elements (salary and benefits) of compensation that do not relate to the performance of the Company, line of business or function, and the executive's contributions, while leveraging the variable elements (cash bonus and long-term incentives) that relate to, and are paid out, based on performance. Since much of our business requires several years to determine whether we have been successful in our risk assessments, we design our senior executive compensation packages to have a majority of their value in long-term vehicles that align the executive's interests with our Shareholders in terms of their compensation being directly tied to the performance of the Company. The Compensation Committee believes it is essential that the Company's compensation strategy be results-oriented, linked to long term Shareholder value and designed to reward top performers in an intensely competitive market for executive talent. Accordingly, total compensation levels are designed to be competitive within the financial guarantee industry, primarily in the New York and Bermuda markets.

The variable compensation components of our executives' target pay represents the majority of their total compensation package. For the 2006 cash bonus awards, the Compensation Committee reviewed performance measures, compared them to the business plan, made relevant comparisons to competitors, and assessed the performance of management for the fiscal year. Beginning in 2007, we expect annual cash bonuses will be based on the following set of performance metrics: (a) actual results compared to the business plan, (b) operating and core returns on equity, (c) adjusted gross premiums written, (d) loss and expense ratios, (e) growth in adjusted book value and (f) other strategic and operational goals agreed by Company management and the Compensation Committee.

In the 2007 compensation cycle, the Compensation Committee's recommendations for executive LTI awards consist of options, restricted Shares and performance Shares. Recommendations for these awards were guided by:

- Conscious intent to increase management's and employees' equity ownership of the Company.

- Awards geared towards weighting incentives based on performance and to align interests of executives with those of Shareholders.

The Compensation Committee determines the mix of compensation vehicles to provide to each of our executives, using their judgment and market practice, by assessing the nature of the executive's role as it relates to its effect on stock price, its contribution to enhancing production levels and ability to impact the Company's expenses. When we applied these criteria to the compensation vehicles, the Compensation Committee deemed it appropriate that the CEO, CFO and certain other senior executives responsible for managing business units or broad areas of operations, should have all of their long-term incentives at risk via stock options and performance Shares with earnout tied to the achievement of long-term financial performance objectives. One NEO, who is primarily responsible for risk management, is eligible for performance Shares and restricted Shares, rather than stock options. In the future, the Compensation Committee may adjust the mix of compensation instruments, consistent with our philosophy, as may be appropriate to reach competitive levels of total compensation for executives, relative to the market, for their functional role, responsibility and experience levels. Specifically, the market for our executives consists of those companies that operate in the global financial guarantee industry. Generally, the Compensation Committee does not assess, or take into account, executives' historical LTI awards in the granting of future LTI awards.

4. Executive Compensation Program Elements

The Company aims to reward performance based on the executive's level of responsibility in the Company, achievement of performance goals, and relative contribution to Shareholder value by using two "fixed" elements (base salaries and benefits/perquisites) and two "variable" elements (annual cash bonuses and long-term incentives) in our executive compensation program. For our NEOs, we review competitor information disclosed in public filings and gathered via independent market surveys to benchmark our compensation levels with those companies we view as direct competitors. The Compensation Committee performs this review to understand better the trends in the use of compensation vehicles. Our competitor group used to date consists of the following companies in the financial guarantee business: Ambac Financial Group, Inc., Assured Guaranty, Financial Security Assurance Inc., MBIA Inc., and the Radian Group. The Compensation Committee has also reviewed data from major credit rating agencies and other small to mid-capitalized companies in the broader financial services industry that recently became publicly traded entities.

Fixed Elements

Base Salaries. Base salaries are established based on the responsibilities and functional role of an executive's position as well as the experience level, skills and knowledge of the executive as is relevant to our Company. There is some consideration of the salary level relative to salary levels in the geographic location of the executive. Base salaries are intended to compensate executives for executing the basic responsibilities of their jobs. The salaries of the NEOs are reviewed on an annual basis, as well as at the time of promotion or changes in responsibilities. The Compensation Committee reviews the recommendations made by Mr. Giordano with respect to all senior executives other than himself, makes any desired adjustments, and presents the whole package to the Board for their ratification. In 2006 the Compensation Committee adjusted Mr. Giordano's base salary recommendations for certain NEOs. The Compensation Committee also reviews the base salary of Mr. Giordano, in executive session, and makes a recommendation to the Board with respect to his salary. In this process, the NEOs do not have any input into the setting of their own base salary levels. Since base salaries are paid for executing the basic responsibilities of the job, salaries change infrequently and are adjusted when there has been a change to the salary level being paid for a particular job in the market or when the executive assumes a larger role. Base salaries form the basis for other compensation awards. Specifically, the target cash bonus is expressed as a percentage of salary and the total cash compensation, salary plus cash bonus, is the basis for the target percentage of LTI granted to the Company's executives.

The following NEOs received a salary increase in August 2006 due to their expanded responsibilities associated with the IPO and inherent with public company requirements:

- Paul S. Giordano □ Chief Executive Officer
- David P. Shea □ Chief Financial Officer

- Edward B. Hubbard □ President and Chief Operating Officer of XLCA

11

In addition, the Compensation Committee recommended a base salary increase for T. Wynne Morriss, Jr. to better reflect his increased responsibilities as Head of Origination for the primary insurance segment. This increase will take effect on April 1, 2007.

- **Perquisites and Benefits.** Pursuant to our pay for performance philosophy, executives receive modest perquisites and supplemental benefits, most notably a non-qualified supplemental deferred compensation plan which allows executives subject to U.S. income tax to defer receipt of up to 50% of their base salary and 100% of their annual bonus with notional earnings credited based on the return on a series of mutual funds that are managed by our retirement plan vendor. This type of benefit is provided to executives by many of our competitors. We do not have any defined benefit plans for our NEOs. Health and welfare benefits are provided to all employees based on norms in the local markets in which we operate, and our executives' health and welfare premiums are subsidized at the same percentage as all other employees. As provided in his employment agreement, which is further described under "Potential Payments Upon Termination or Change in Control" Paul S. Giordano Employment Agreement, Mr. Giordano receives a housing allowance that will cease on July 1, 2008. In addition, Mr. Giordano receives certain additional benefits upon his termination or a change in control of the Company, as discussed in greater detail under "Potential Payments Upon Termination or Change in Control" Paul S. Giordano Employment Agreement.

Variable Elements

- **Annual Cash Bonuses.** Annual cash bonuses to NEOs, which vary from year to year, are approved by the Compensation Committee. In addition, the Compensation Committee approves the size of the annual bonus pool for all employees, including NEOs. Executives have a target bonus percentage that varies based on the executive's role, with no guarantee of a maximum or minimum payout. When determining actual cash bonus amounts, the Compensation Committee's objectives are to reward attainment of (a) individual goals and (b) strategic, operational and financial goals of (i) the Company and (ii) the executive's business unit. Executives' cash bonuses are awarded on a discretionary basis, unless a newly hired executive receives a guaranteed minimum bonus, and are paid in cash within the first quarter of the following year. For 2006, our NEOs' target bonus percentages of salary were as follows: Mr. Giordano, 200%; Mr. Shea, 150%; Mr. Hubbard, 150%; Mr. Morriss, 125%; and Mr. Heberton, 125%.

To determine the 2006 cash bonus element of the variable compensation pool, the Compensation Committee reviewed several performance measures including operating return on common equity ("Operating ROE," which is annualized operating income divided by average common shareholders equity net of accumulated other comprehensive income, as measured on an annual basis), core ROE, adjusted gross premium, net premium earned, operating income, loss and loss expense ratio, expense ratio, adjusted book value and operating income per share. For the 2006 awards, the Compensation Committee did not use a formula, or any other specified target, regarding these metrics to determine the variable compensation awards. For the 2006 awards, the Compensation Committee reviewed these indices, compared them to the business plan, and those of competitors for Operating ROE, and assessed the performance of Company management for the fiscal year. The Compensation Committee may also take into account market events and other economic trends in the global financial guarantee industry that may have an impact on the business results.

The Compensation Committee reviews the cash bonus recommendations made by Mr. Giordano for each NEO, other than himself, and subsequently approves or adjusts those recommendations. The Compensation Committee, in executive session, then recommends a cash bonus for Mr. Giordano and submits the entire program of compensation recommendations to the Board of Directors for ratification, or approval in the case of Mr. Giordano's cash bonus.

- **Long-Term Incentives.** To motivate sustained performance and the creation of long-term value for our Shareholders, as well as to provide retention mechanisms for our executives, both stock-based vehicles (restricted Shares, stock options, performance Shares) and non-equity incentives (long-term, cash-based awards) are used to reward senior executives. Executives are assigned a target LTI amount, expressed as a percentage of targeted total cash compensation, for their annual awards. For 2007, our NEOs' target LTI percentages of targeted total cash compensation are as follows: Mr. Giordano, 200%; Mr. Shea, 150%; Mr. Hubbard, 150%; Mr. Morriss, 100%; and Mr. Heberton, 75%. For our NEOs, other than himself, Mr. Giordano recommends an LTI award value, and appropriate long-term vehicles to deliver that value, for each

executive. The Compensation Committee reviews Mr. Giordano's recommendations and may adjust them. The Compensation Committee, in executive session, then develops an LTI award proposal for Mr. Giordano and recommends the entire program of LTI awards for the NEOs to the full Board for ratification, or approval in the case of recommendations with respect to Mr. Giordano.

IPO Awards

In 2006, the Compensation Committee recommended a grant of the Company's restricted Shares in connection with the IPO (the "IPO Awards"), totaling \$8 million in value, to all eligible Company employees to align the interests of employees with those of Shareholders, as is customary for companies going public. The Board approved such awards commensurate with, and contingent upon, the IPO. These IPO Awards were subsequently granted to employees, including NEOs, on August 4, 2006 (See the Summary Compensation Table and the Outstanding Equity Awards at Fiscal Year End table). The IPO Awards were made in the form of performance accelerated restricted Share awards and the Board determined Operating ROE as the sole performance metric used to determine the vesting schedule for the awards.

IPO Awards granted to employees will vest on the fifth anniversary of the date of grant (August 4, 2011) with the following acceleration features:

- one third of the restricted Shares will vest on the third anniversary of the date of grant if, and only if, the consolidated Operating ROE of the Company, as determined by the Board, for the immediately preceding calendar year equals or exceeds 10%.
- one third of the restricted Shares will vest on the fourth anniversary of the date of grant if, and only if, the consolidated Operating ROE for the immediately preceding calendar year equals or exceeds 10%.
- All IPO Awards will also vest on a Change in Control (as defined in the Company's Amended and Restated 2006 Long-Term Incentive and Share Award Plan), or the termination of service of the employee due to his or her death, disability or Retirement (as defined in the related Restricted Share Agreement).

Stock Options

When awarded, stock options granted as part of the annual LTI program are granted at the closing market price of the stock on the date of grant. The Compensation Committee anticipates that stock options will generally be granted at its first meeting following the release of full year earnings, although the Compensation Committee is not precluded from granting stock options at other times during the year. To enhance the retention aspect associated with stock options, they will vest ratably over three years. The Compensation Committee uses a Black-Scholes model to determine the value of the stock options to be awarded. Stock options are exercisable for up to 10 years from the date of grant to allow executives to focus on the creation of long-term Shareholder value. In general, stock options are only awarded to senior executives who have the greatest ability to influence stock price appreciation, and then, only on a limited basis. Other than Mr. Giordano's converted awards, no stock options were granted to NEOs in 2006. For the 2007 compensation cycle, the following NEOs received stock options: Messrs. Giordano, Hubbard, Shea, and Morriss.

Restricted Shares

Beginning with the IPO Awards granted in August 2006, the value and vesting criteria of much of our executive restricted stock awards program will be directly tied to the attainment of specified levels of Operating ROE. Any restricted Share award made to an executive as part of the annual program is expected to be granted in the first quarter of the year, immediately following approval by the Board of Directors. In 2007, the Compensation Committee granted restricted Share awards in two forms with different vesting periods and performance conditions:

Time vested restricted Shares

Awards to select executives that will vest over four years at 25% per year. For one of our NEOs who has risk management responsibilities, these awards are expected to constitute no more than 50% of the value of his LTI awards. However, he is the only one of our NEOs that has equity awards that vest in this manner other than the time-vested awards previously issued to Mr. Giordano under XL Capital's executive compensation program (See the Outstanding Equity Awards at Fiscal Year End table) which have been converted to the Company's restricted

Shares. Mr. Giordano's time-vested, restricted Shares vest according to the schedule summarized in footnote 4 to the Outstanding Equity Awards at Fiscal Year End table.

Performance Shares

These equity grants are made to all NEOs and most middle to senior level managers, with the number of Shares granted to each executive determined by the Compensation Committee. The actual amount of performance Shares varies according to the role of the individual executive. There were no performance Shares granted in 2006. For 2007, performance Shares will comprise a significant portion of an eligible NEO's total compensation.

Performance Shares vest on the fourth anniversary of their grant date provided that performance goals tied to the Company's average Operating ROE over the four year measuring period are met. For the initial grant of performance Shares in March 2007, the Compensation Committee selected a measuring period of 2007-2010. Based on what the average Operating ROE is over the four year measuring period, executives will receive a payout of between 50% and 150% of their performance Share grant. The Company feels it is likely that over the four year measuring period the Company will achieve the required average Operating ROE to entitle executives to a 100% payout of their performance Share grant. Vesting for performance Shares may accelerate upon the occurrence of certain events resulting in a change in control of the Company or the termination of the executive. In addition, the Compensation Committee does not intend to adjust the performance metrics other than for significant changes in accounting principles (e.g. FASB rules), rating agency capital requirements, a major merger/acquisition occurrence, or other specified events. In any event, the metrics may be adjusted downwards but in no case increased.

Long-Term Incentive Plan (LTIP)

The Long-Term Incentive Plan, or LTIP, is a non-equity incentive cash program that allows the Company to motivate executives and middle to senior managers, with a multi-year, cliff-vesting award that leverages the payout based on the achievement of performance metrics determined by the Compensation Committee. The initial LTIP awards, made in December 2006, were made to employees who had historically been awarded XL Capital equity in the form of restricted shares and stock options. In order to further align their interests with that of Shareholders, these employees were allowed to surrender all of their XL Capital unvested restricted stock and unexercised options into a cash-based LTIP vehicle that vests in December 2008. The conversion was on a voluntary basis for all eligible employees. The tender offer relating to these initial LTIP awards was concluded on December 12, 2006. The LTIP cash valuation amount for each employee was determined using a Black-Scholes model for options and the XL Capital stock price used, for converting both options and restricted shares, was the closing price on November 1, 2006. The Compensation Committee approved a three-year measuring period, fiscal years 2006-2008, based on two, equally-weighted metrics of cumulative operating income and growth in adjusted book value over the measuring period. The payout, to be made no later than March 15, 2009, will be determined by the Company's performance against these metrics. For details on the exchange offer, see Schedule TO-I filed by XL Capital Ltd and the Company with the SEC on November 13, 2006, as amended.

The SCA Ltd Performance Restricted Share Agreements for all executives, which govern the IPO Awards and Mr. Giordano's converted equity awards, have a vesting provision that allows all restricted Shares to vest once an employee retires from the Company and has a combined age plus years of service (including years of service at XL Capital) that equals at least 65. All awards subject to this treatment are fully expensed at the time the award meets these accelerated vesting criteria irrespective of whether the award has actually vested.

5. CEO's Converted Equity

In August 2006, to align Mr. Giordano's interests with the results of the Company and its Shareholders, Mr. Giordano's historical XL Capital equity awards, solely those awards that remained as unvested restricted shares and unexercised options, were surrendered and cancelled by XL Capital and Mr. Giordano received: (i) 447,963 options to purchase Shares at \$20.50 per share, (ii) 110,184 restricted Shares, and (iii) a cash-based long-term incentive award from SCA, each as reflected in the Outstanding Equity Awards at Fiscal Year-End table and the Summary Compensation Table.

- (1) These amounts represent the converted value of LTIP awards granted to NEOs, other than Mr. Giordano, relating to the exchange offer that was completed in December 2006 as well as historical XL Capital LTIP Award program with respect to Messrs. Shea, Hubbard and Morriss. The amount for Mr. Giordano represents the historical XL Capital LTIP awards that were involuntarily converted in August 2006. As described in [Compensation Discussion and Analysis] Executive Compensation Program Elements-Long-Term Incentive Plan - LTIP, for other than Mr. Giordano, the value of the award was determined using the closing price of XL Capital stock on November 1, 2006, and the latter price was applied in a Black-Scholes valuation for unexercised options and the same price was used for valuing unvested restricted shares. All such awards will vest December 31, 2008 and payout based on the criteria detailed in Schedule TO-I filed by XL Capital Ltd and the Company with the SEC on November 13, 2006, as amended.
- (2) To align Mr. Giordano's interests with the results of the Company and its Shareholders, Mr. Giordano's historical XL Capital equity awards, solely those awards that remained as unvested restricted shares and unexercised options, were surrendered and cancelled by XL Capital, and Mr. Giordano received options to purchase Shares, restricted Shares and a cash-based long-term incentive award from SCA (the [Exchange]). See [Compensation Discussion and Analysis - CEO's Converted Equity].
- (3) This amount represents for all NEOs (other than Mr. Giordano) a grant of the IPO Awards in the form of restricted Shares with a five year vesting period, subject to acceleration upon achievement of certain metrics. See [Compensation Discussion and Analysis - Executive Compensation Program Elements - IPO Awards]. In addition, for Mr. Giordano, this amount includes restricted Shares received by Mr. Giordano in connection with the Exchange. Mr. Giordano's restricted

Mr. Giordano's employment agreement also provides for the payment to Mr. Giordano of a monthly housing allowance through July 1, 2008.

- (1) See footnote 6 to the Summary Compensation Table regarding the extent to which the amounts appearing in this column are reported in that table.
- (2) Other than with respect to Mr. Giordano, the majority of the amounts appearing in this column represent deferred cash awards which were granted in March 2006. These deferred cash awards vest in 4 equal annual installments (at 25% per year) from the date of grant (March 2006) and have no performance factor. The remainder of the amounts appearing in this column represent Company contributions to the Deferred Compensation Program (as defined below). (See Other Annual Compensation from Summary Compensation Table table for more detail with respect to the amounts in this column.)
- (3) No amounts appearing in this column are reflected in the Summary Compensation Table, as no investments have preferential performance or interest rates applicable to them.

Compensation plans are based on Company prescribed contribution rates that are established for all participating employees. Aggregate earnings are based on the performance of the underlying mutual funds chosen by the executive from a prescribed list of choices sponsored by the Company through a third-party vendor. No preferential performance or interest rates are accorded any of the investments that executives have in the SCA Holdings US Inc. Deferred Compensation Program (the "Deferred Compensation Program") therefore no earnings on these plans are reported in the Summary Compensation Table.

Participants are allowed to defer both salary and bonus into the Deferred Compensation Program, up to the limits established by the Internal Revenue Service. All participants in the Deferred Compensation Program are required to have on file with the Company a payout election form indicating the terms chosen by the participant for payout at the time of termination or retirement. No executive is allowed to take a loan from the Company or against their outstanding plan balance and any other distribution that does not adhere to the executive's payout election form must first be approved by the Compensation Committee. No NEOs have taken any withdrawals from their outstanding plan balances in 2006.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

The Company has entered into an employment agreement with one of its named executive officers, Paul S. Giordano, to serve as President and Chief Executive Officer of the Company.

Based upon the closing price of the restricted Shares on December 29, 2006, the value of these Shares would have been \$4,695,505. Additionally, pursuant to the terms of the Company's LTIP, upon the occurrence of a Change in Control (as defined in the Company's 2006 Long Term Incentive and Share Award Plan) Mr. Giordano's awards under the LTIP will vest at a percentage based on the performance of the Company versus the relevant performance metric at the time of termination. If Mr. Giordano had been terminated for any of these reasons on December 29, 2006, the last day of the Company's fiscal year, Mr. Giordano would have been entitled to a lump sum payment of \$120,000. In the event Mr. Giordano's employment terminates due to his death, his spouse or estate will continue to receive monthly housing allowance payments through the remainder of the housing payment period or until his principal residence is sold, whichever is earlier.

III. PROPOSAL TO APPROVE THE AMENDED AND RESTATED 2006 LONG TERM INCENTIVE AND SHARE AWARD PLAN

The Board of Directors has adopted the 2006 Long Term Incentive and Share Award Plan prior to the IPO, and an amendment thereto, dated December 29, 2006, was adopted relating to the deferral of Director compensation (the "Original Plan"). We now ask the Shareholders to approve the Amended and Restated 2006 Long Term Incentive and Share Award Plan (the "Plan"). The Plan amends and restates the Original Plan and includes the following amendments: (a) an increase of 2,750,000 Shares in the number of Shares reserved for issuance under the Plan and (b) the addition of "adjusted book value" as a business criterion that may be used by the Company in the grant of certain awards intended to qualify under the performance-based compensation exception under Section 162(m) of the Code. The following summary of the Plan is qualified in its entirety by reference to the Plan, which is attached as Appendix C to this Proxy Statement. Attached hereto as Appendix D is a table that sets forth equity compensation plan information for the Company as of the fiscal year end as required by Item 201(d) of Regulation S-K. This table appeared under Item 12 "Security Ownership of Certain Beneficial Owners and Management and Related Stockholder Matters" in the Company's Annual Report on Form 10-K for the year ended December 31, 2006.

General. The Plan is intended to provide incentives to attract, retain and motivate employees, consultants and directors and to provide for competitive compensation opportunities, to encourage long term service, to recognize individual contributions and reward achievement of performance goals, and to promote the creation of long term value for Shareholders by aligning the interests of such persons with those of Shareholders. The Plan will provide for the grant to eligible employees, consultants and Directors of stock options, share appreciation rights ("SARs"), restricted shares, restricted share units, performance shares, performance units, dividend equivalents, and other share-based awards (the "Awards"). An aggregate of 3,848,182 Shares have been reserved for issuance under the Plan. Of this number of Shares, 2,060,591 Shares have been granted under the Plan to date. The Board of Directors is requesting approval of an increase of 2,750,000 Shares in the number of Shares available for issuance under the Plan. If this increase is approved, we do not anticipate a need to request further increases in the number of Shares available for issuance under the Plan prior to the Annual General Meeting in 2011. During each calendar year (i) the maximum number of shares with respect to which options and SARs may be granted to a participant under the Plan will be 500,000 Shares, and (ii) the maximum number of Shares which

may be granted to a participant under the Plan with

respect to Awards intended to qualify as performance-based compensation under the Internal Revenue Code of 1986, as amended (the "Code") (other than options and SARs) will be 500,000 Shares. These Share amounts are subject to anti-dilution adjustments in the event of certain changes in the Company's capital structure, as described below. Shares issued pursuant to the Plan may consist, in whole or in part, of authorized but unissued Shares or treasury shares including Shares acquired by purchase in the open market or in private transactions.

Eligibility and Administration. Officers and other employees of, and consultants to, the Company and its subsidiaries and affiliates and Directors of the Company will be eligible to be granted Awards under the Plan. Approximately 178 persons are currently eligible to participate in the Plan. The Plan will be administered by the Compensation Committee or such other Board committee (or the entire Board) as may be designated by the Board. Unless otherwise determined by the Board, the Compensation Committee will consist of two or more members of the Board who are nonemployee directors within the meaning of Rule 16b-3 of the Exchange Act and "outside directors" within the meaning of Section 162(m) of the Code. The Compensation Committee will determine which eligible employees, consultants and Directors receive Awards, the types of Awards to be received and the terms and conditions thereof. The Compensation Committee will have authority to waive conditions relating to an Award or accelerate vesting of Awards.

The Compensation Committee may delegate to other members of the Board or officers or managers of the Company or any subsidiary or affiliate the authority, subject to such terms as the Compensation Committee shall determine, to perform administrative functions and, with respect to Awards granted to persons not subject to Section 16 of the Exchange Act, to perform such other functions as the Compensation Committee may determine to the extent permitted under Rule 16b-3 and applicable law.

Except for certain antidilution adjustments, unless the approval of shareholders of the Company is obtained, options and SARs issued under the Plan will not be amended to lower their exercise price and options and SARs issued under the Plan will not be exchanged for other Options or SARs with lower exercise prices, and no other action will be taken with respect to Options or SARs that would be treated as a repricing under the rules of the principal stock exchange on which the Shares are listed.

Awards. Incentive stock options ("ISOs") intended to qualify for special tax treatment in accordance with the Code and nonqualified stock options not intended to qualify for special tax treatment under the Code may be granted for such number of Shares as the Compensation Committee determines. The Compensation Committee will be authorized to set the terms relating to an option, including exercise price and the time and method of exercise. However, the exercise price of options will not be less than the fair market value of the Shares on the date of grant, and the term will not be longer than ten years from the date of grant of the options.

An SAR will entitle the holder thereof to receive with respect to each share subject thereto, an amount equal to the excess of the fair market value of one Share on the date of exercise over the exercise price of the SAR set by the Compensation Committee as of the date of grant. However, the exercise price of the SARs will not be less than the fair market value of the Shares on the date of grant, and the term will not be longer than ten years from the date of grant of the SARs. Payment with respect to SARs may be made in cash or Shares as determined by the Compensation Committee.

Awards of restricted shares will be subject to such restrictions on transferability and other restrictions, if any, as the Compensation Committee may impose. Such restrictions will lapse under circumstances as the Compensation Committee may determine, including based upon a specified period of continued employment or upon the achievement of performance criteria referred to below. Except as otherwise determined by the Compensation Committee, eligible employees granted restricted shares will have all of the rights of a stockholder, including the right to vote restricted shares and receive dividends thereon, and unvested restricted shares will be forfeited upon termination of employment during the applicable restriction period.

A restricted share unit will entitle the holder thereof to receive Shares or cash at the end of a specified deferral period. Restricted share units will also be subject to such restrictions as the Compensation Committee may impose. Such restrictions will lapse under circumstances as the Compensation Committee may determine, including based upon a specified period of continued employment or upon the achievement of performance criteria referred to below. Except as otherwise determined by the Compensation Committee, restricted share units subject to restriction will be forfeited upon termination of employment during any applicable restriction period.

Performance shares and performance units will provide for future issuance of Shares or payment of cash, respectively, to the recipient upon the attainment of performance objectives over specified performance periods. Except as otherwise determined by the Compensation Committee, performance shares and performance units will be forfeited upon termination of employment during any applicable performance period. Performance objectives may vary from person to person and will be based upon such performance criteria as the Compensation Committee may deem appropriate. The Compensation Committee may revise performance objectives if significant events occur during the performance period which the Compensation Committee expects to have a substantial effect on such objectives.

The Compensation Committee may also grant dividend equivalent rights and it is authorized, subject to limitations under applicable law, to grant such other Awards that may be denominated in, valued in, or otherwise based on, Shares, as deemed by the Compensation Committee to be consistent with the purposes of the Plan.

If the Compensation Committee determines that an Award of restricted shares, restricted share units, performance shares, performance units or other share-based awards should qualify under the performance-based compensation exception to the \$1 million cap on deductibility under Section 162(m) of the Code, the grant, vesting, exercise and/or settlement of such awards shall be contingent upon achievement of preestablished performance goals based on one or more of the following business criteria for the Company and/or for specified subsidiaries or affiliates or other business units or lines of business of the Company: (1) earnings per share (basic or fully diluted); (2) revenues; (3) earnings, before or after taxes, from operations (generally or specified operations), or before or after interest expense, depreciation, amortization, incentives, or extraordinary or special items; (4) cash flow, free cash flow, cash flow return on investment (discounted or otherwise), net cash provided by operations, or cash flow in excess of cost of capital; (5) return on net assets, return on assets, return on investment, return on capital, return on equity; (6) economic value added; (7) operating margin or operating expense; (8) net income; (9) Share price or total stockholder return; (10) book value or adjusted book value; (11) expense ratio; (12) operating income; and (13) strategic business criteria, consisting of one or more objectives based on meeting specified market penetration, geographic business expansion goals, cost targets, customer satisfaction, supervision of litigation and information technology, and goals relating to acquisitions or divestitures of subsidiaries, affiliates or joint ventures. The targeted level or levels of performance with respect to such business criteria may be established at such levels and in such terms as the Compensation Committee may determine, in its discretion, including in absolute terms, as a goal relative to performance in prior periods, or as a goal compared to the performance of one or more comparable companies or an index covering multiple companies. The maximum amount payable upon settlement of a cash-settled performance unit (or any other cash-settled award) granted under the Plan for any calendar year to any participant that is intended to satisfy the requirements for performance-based compensation under Section 162(m) of the Code will not exceed \$3,000,000.

Directors' Deferral. Each Director may elect to defer payment of all or 50% of the cash compensation otherwise payable as his or her annual retainer fees, with such deferral elections remaining in effect for all future calendar years until changed in writing by the Director (with such change applying prospectively beginning in the next calendar year). All deferred compensation shall be credited in the form of share units in the name of the Director, each share unit representing the right to receive one Share, and such share units shall be considered Other Share-Based Awards under the Plan. All share units will be vested in full at all times. Each Director will also receive additional share units when cash dividends are paid on Shares. Shares subject to share units are distributed at the time of the Director's termination of service or at the time of a change in control of the Company.

Nontransferability. Unless otherwise set forth by the Compensation Committee in an award agreement, Awards (except for vested shares) will generally not be transferable by the participant other than by will or the laws of descent and distribution and will be exercisable during the lifetime of the participant only by such participant or his or her guardian or legal representative.

Change in Control. In the event of a change in control (as defined in the Plan), all Awards granted under the Plan then outstanding but not then exercisable (or subject to restrictions) shall become immediately exercisable, all restrictions shall lapse, and any performance criteria shall be deemed satisfied, unless otherwise provided in the applicable Award agreement.

Capital Structure Changes. If the Compensation Committee determines that any dividend in shares, recapitalization, share split, reverse split, reorganization, merger, consolidation, spin-off, combination, repurchase, share exchange, extraordinary distribution or other similar corporate transaction or event affects the

shares such that an adjustment is appropriate in order to prevent dilution or enlargement of the rights of eligible participants under the Plan, then the Compensation Committee shall make such equitable changes or adjustments as it deems appropriate, including

adjustments to (i) the number and kind of shares which may thereafter be issued under the Plan, (ii) the number and kind of shares, other securities or other consideration issued or issuable in respect of outstanding Awards, and (iii) the exercise price, grant price or purchase price relating to any Award. Under such circumstances, the Compensation Committee also has the authority to provide for a distribution of cash or property in respect of any Award.

Amendment and Termination. The Plan may be amended, altered, suspended or terminated by the Board of Directors at any time, in whole or in part, without the consent of Shareholders or plan participants. However, any amendment for which stockholder approval is required under the rules of any stock exchange or automated quotation system on which the Shares may then be listed or quoted will not be effective until such stockholder approval has been obtained. In addition, no amendment, suspension, or termination of the Plan may materially and adversely affect the rights of a participant under any Award theretofore granted to him or her without the consent of the affected participant. The Compensation Committee may waive any conditions or rights, amend any terms, or amend, suspend or terminate, any Award granted, provided that, without participant consent, such amendment, suspension or termination may not materially and adversely affect the rights of such participant under any Award previously granted to him or her.

Effective Date and Term. The Original Plan became effective as of August 4, 2006. Unless earlier terminated, the Plan will expire on the date which is ten years after the Effective Date (unless sooner terminated by the Board) and no further awards may be granted thereunder after such date.

Market Value. The per share closing price of the Company's common stock on March 22, 2007 was \$28.50.

Federal Income Tax Consequences. The following is a summary of the federal income tax consequences of the Plan, based upon current provisions of the Code, the Treasury regulations promulgated thereunder and administrative and judicial interpretations thereof, and does not address the consequences under any state, local or foreign tax laws.

Stock Options

In general, the grant of an option will not be a taxable event to the recipient and it will not result in a deduction to the Company. The tax consequences associated with the exercise of an option and the subsequent disposition of Shares acquired on the exercise of such option depend on whether the option is a nonqualified stock option or an ISO.

Upon the exercise of a nonqualified stock option, the participant will recognize ordinary taxable income equal to the excess of the fair market value of the Shares received upon exercise over the exercise price. The Company or a subsidiary that employs the participant will generally be able to claim a deduction in an equivalent amount. Any gain or loss upon a subsequent sale or exchange of the Shares will be capital gain or loss, long-term or short-term, depending on the holding period for the Shares.

Generally, a participant will not recognize ordinary taxable income at the time of exercise of an ISO and no deduction will be available to the Company or a subsidiary that employs the participant, provided the option is exercised while the participant is an employee or within three months following termination of employment (longer, in the case of disability or death). If an ISO granted under the Plan is exercised after these periods, the exercise will be treated for federal income tax purposes as the exercise of a nonqualified stock option. Also, an ISO granted under the Plan will be treated as a nonqualified stock option to the extent it (together with other ISOs granted to the participant by the Company) first becomes exercisable in any calendar year for Shares having a fair market value, determined as of the date of grant, in excess of \$100,000.

If Shares acquired upon exercise of an ISO are sold or exchanged more than one year after the date of exercise and more than two years after the date of grant of the option, any gain or loss will be long-term capital gain or loss. If Shares acquired upon exercise of an ISO are disposed of prior to the expiration of these one-year or two-year holding periods (a "Disqualifying Disposition"), the participant will recognize ordinary income at the time of disposition, and the Company or a subsidiary that employs the participant will generally be entitled to a deduction, in an amount equal to the excess of the fair market value of the Shares at the date of exercise over the exercise price. Any additional gain will be treated as capital gain, long-term or short-term, depending on how long the Shares have been held. Where Shares are sold or exchanged in a Disqualifying Disposition (other than

certain related party transactions) for an amount less than their fair market value at the date of exercise, any ordinary income recognized in connection with the Disqualifying Disposition will be limited to the amount of gain, if any, recognized in the sale or exchange, and any loss will be a long-term or short-term capital loss, depending on how long the Shares have been held.

Edgar Filing: Security Capital Assurance Ltd - Form DEF 14A

If an option is exercised through the use of Shares previously owned by the participant, such exercise generally will not be considered a taxable disposition of the previously owned Shares and, thus, no gain or loss will be recognized with respect to such previously owned Shares upon such exercise. The amount of any built-in gain on the previously owned Shares generally will not be recognized until the new Shares acquired on the option exercise are disposed of in a sale or other taxable transaction.

Although the exercise of an ISO as described above would not produce ordinary taxable income to the participant, it would result in an increase in the participant's alternative minimum taxable income and may result in an alternative minimum tax liability.

Restricted Shares

A participant who receives restricted Shares will generally recognize ordinary income at the time that they vest, when they are not subject to a substantial risk of forfeiture. The amount of ordinary income so recognized will generally be the fair market value of the Shares at the time the Shares vest, less the amount, if any, paid for the Shares. This amount is generally deductible for federal income tax purposes by the Company or a subsidiary that employs the participant. Dividends paid with respect to common stock that is nonvested will be ordinary compensation income to the participant (and generally deductible by the Company or a subsidiary that employs the participant). Any gain or loss upon a subsequent sale or exchange of the Shares, measured by the difference between the sale price and the fair market value on the date the Shares vest, will be capital gain or loss, long-term or short-term, depending on the holding period for the Shares. The holding period for this purpose will begin on the date following the date the Shares vest.

In lieu of the treatment described above, a participant may elect immediate recognition of income under Section 83(b) of the Code. In such event, the participant will recognize as income the fair market value of the restricted shares at the time of grant (determined without regard to any restrictions other than restrictions which by their terms will never lapse), and the Company or a subsidiary that employs the participant will generally be entitled to a corresponding deduction. Dividends paid with respect to Shares as to which a proper Section 83(b) election has been made will not be deductible to the Company or a subsidiary that employs the participant. If a Section 83(b) election is made and the restricted shares are subsequently forfeited, the participant will not be entitled to any offsetting tax deduction.

SARs and Other Awards

With respect to SARs, restricted share units, performance shares, performance units, dividend equivalents and other Awards under the Plan not described above, generally, when a participant receives payment with respect to any such Award granted to him or her under the Plan, the amount of cash and the fair market value of any other property received will be ordinary income to such participant and will be allowed as a deduction for federal income tax purposes to the Company or a subsidiary that employs the participant.

Payment of Withholding Taxes

The Company may withhold, or require a participant to remit to it, an amount sufficient to satisfy any federal, state, local or foreign withholding tax requirements associated with Awards under the Plan.

Deductibility Limit on Compensation in Excess of \$1 Million

Section 162(m) of the Code generally limits the deductible amount of annual compensation paid (including, unless an exception applies, compensation otherwise deductible in connection with Awards granted under the Plan) by a public company to each "covered employee" (i.e., the chief executive officer and four other most highly compensated executive officers of the Company) to no more than \$1 million. The Company currently intends to structure stock options granted under the Plan to comply with an exception to nondeductibility under Section 162(m) of the Code.

New Plan Benefits. The amount of benefits payable in the future under the Plan is not currently determinable.

The Board of Directors recommends a vote FOR the proposal to approve the Plan. The persons designated as proxies will vote FOR the approval of the Plan, unless otherwise directed.

IV. PROPOSAL TO APPROVE THE AMENDED AND RESTATED ANNUAL INCENTIVE COMPENSATION PLAN

The Board of Directors adopted the Annual Incentive Compensation Plan (the "Original Annual Incentive Compensation Plan") prior to the IPO pursuant to which executive officers and other key executives of the Company and its subsidiaries may be entitled to receive annual bonus compensation contingent upon the attainment of certain performance goals. The Company intends that compensation payable under the plan will constitute "qualified performance-based compensation" under Section 162(m) of the Code.

In order to constitute "qualified performance-based compensation" under Section 162(m) of the Code, and thereby avoid potential nondeductibility of compensation paid to certain executive officers, the material terms of the plan (including the class of eligible participants, the performance criteria contemplated by the plan and the maximum amount payable under the plan) must be approved by stockholders periodically. Accordingly, we now ask the Shareholders to approve the Amended and Restated Annual Incentive Compensation Plan (the "Amended Plan"). The Amended Plan amends and restates the Original Annual Incentive Compensation Plan and includes the following amendment: the addition of "adjusted book value" as a criterion that may be used by the Company in the grant of awards under the Amended Plan.

A copy of the Amended Plan is attached as Appendix E hereto. The material features of the Amended Plan are described below, but this description is only a summary and is qualified in its entirety by reference to the actual text of the Amended Plan.

Purpose. The purpose of the Amended Plan is to provide executive officers and other key executives of the Company with an opportunity to earn annual incentive compensation, contingent on the achievement of certain performance goals, as an incentive and reward for their contributions to the growth, profitability and success of the Company.

Eligibility. Executive officers and other key executives of the Company and its subsidiaries are eligible to participate in the Amended Plan.

Administration. The Amended Plan will be administered by the Compensation Committee of the Board of Directors of the Company which shall be comprised solely of at least two persons who, to the extent required to satisfy the exception for "qualified performance-based compensation" under Section 162(m) of the Code, will be "outside directors" within the meaning of such section.

Subject to the express provisions of the Amended Plan, the Compensation Committee has the authority to (i) establish performance goals for the granting of awards for each plan year, (ii) determine the executive officers or other key executives to whom awards are to be made for each plan year, (iii) determine whether the performance goals for any plan year have been achieved, (iv) authorize payment of awards under the plan, (v) make adjustments to the terms and conditions of awards under certain circumstances, as set forth in the plan, (vii) adopt, alter and repeal such administrative rules, guidelines and practices governing the plan as it deems advisable, and (viii) interpret the terms and provisions of the plan. All determinations made by the Compensation Committee with respect to the plan and awards thereunder shall be final and binding on all persons.

Determination of Awards. The amount of any award paid to a participant for any plan year will be an amount not greater than \$3 million, which amount will be determined based on the achievement of one or more performance goals established by the Compensation Committee with respect to such participant. Performance goals may vary from participant to participant and shall be based upon one or more of the following criteria, as the Compensation Committee may deem appropriate: appreciation in value of the Company's stock; total shareholder return; earnings per share; operating income; net income; pretax earnings; pretax earnings before interest, depreciation and amortization; pro forma net income; return on equity; return on designated assets; return on capital; economic value created or economic profit; earnings per share and/or growth thereof; book value; adjusted book value; revenues; expenses (including expense ratio); loss ratio; new business production; capital markets and/or acquisition transactions; investment programs initiated; operating profit margin; operating cash flow; free cash flow; cash flow return on investment; operating margin; and net profit margin. The performance goals may be expressed as absolute goals, goals compared to past performance, goals compared to the performance of an index or benchmark or otherwise as determined by the Compensation Committee, and they may be determined by reference to the performance of the Company, or of a subsidiary or affiliate, or of a

division or unit of any of the foregoing. Not later than the day immediately preceding the first day of the plan year (or a later date as may be permitted pursuant to Section 162(m) of the Code),

Edgar Filing: Security Capital Assurance Ltd - Form DEF 14A

the Compensation Committee will establish (i) the executive officers or other key executives who will be eligible for an award for such plan year, (ii) the performance goals for such plan year, and (iii) the corresponding annual incentive compensation amounts payable under the plan upon achievement of the performance goals and satisfaction of any other conditions specified by the Compensation Committee.

Payment of Award. Annual incentive compensation (if any) payable to any participant for a plan year will be paid after the end of the plan year, provided the Compensation Committee shall have first certified in writing (i) that the applicable performance goal or goals with respect to the participant for such plan year was satisfied and the level of attainment of the goal, and (ii) the amount of each participant's award. The Compensation Committee, unless it determines otherwise, may exercise negative discretion to reduce the amount that would otherwise be payable under an award by reason of the applicable performance goals having been achieved. Payments under the plan will be in cash, except that, to the extent shares are available under a separate equity compensation plan of the Company and permitted to be granted in connection with an incentive award, the Compensation Committee may also provide that an award will be paid in whole or in part in shares of the Company's common stock or other Company common stock-based awards, in any case with a fair market value at the time of payment not greater than \$3 million. If a participant dies after the end of a plan year but before receiving payment of any award, the amount will be paid to a designated beneficiary or, if no beneficiary has been designated, to the participant's estate as soon as practicable after the award has been determined and certified. Notwithstanding the foregoing, the Compensation Committee may determine, by separate agreement with any participant or otherwise, that all or a portion of an award for a plan year will be payable to the participant upon his or her death, disability, or termination of employment, or upon a change of control of the Company.

Non-Transferability. No award or rights under the plan may be transferred or assigned other than by will or by the laws of descent and distribution.

Amendments and Termination. The Board of Directors may terminate the plan and may amend it from time to time, except that no termination or amendment of the plan will materially and adversely affect the rights of a participant or a beneficiary with respect to previously certified annual incentive compensation award. Amendments to the plan may be made without stockholder approval except as required to satisfy Section 162(m) of the Code.

Federal Income Tax Consequences. The following is a summary of certain Federal income tax aspects with respect to the Amended Plan based upon the laws in effect on the date hereof.

Upon payment of annual incentive compensation to a participant for any plan year pursuant to the Amended Plan, the participant will recognize ordinary income in the amount of such compensation on the date the compensation is paid.

The Company or a subsidiary that employs the participant will generally be entitled to a deduction equal to the amount taxable as ordinary income to the participant, subject to the limitation imposed by Section 162(m) of the Code. The Company intends that compensation paid to participants pursuant to the plan will generally constitute "qualified performance-based compensation" under Section 162(m) of the Code and, consequently, should generally not be subject to the \$1 million deduction limit thereunder.

The foregoing is based upon Federal income tax laws and regulations as presently in effect and does not purport to be a complete description of the Federal income tax aspects of the Amended Plan. Also, the specific state and local tax consequences to a participant and the Company may vary, depending upon the laws of the various states and localities and the individual circumstances of the participant.

New Plan Benefits. The amount of benefits payable in the future under the Amended Plan is not currently determinable.

The Board of Directors recommends a vote FOR the proposal to approve the Amended Plan. The persons designated as proxies will vote FOR the approval of the Amended Plan, unless otherwise directed.

Your Board of Directors recommends a vote FOR the proposal for approval of the Amended and Restated Annual Incentive Compensation Plan.

Upon request, the Company will also reimburse brokers and others holding Shares in their names, or in the names of nominees, for forwarding proxy materials to their customers.

Other Relationships

For relationships not specifically mentioned above, the determination of whether a director has a material relationship with the Company (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company), and therefore would not be independent, will be made by the Board of Directors after taking into account all relevant facts and circumstances. For purposes of these standards, a director who is solely a director and/or a non-controlling shareholder of another company that has a relationship with the Company and/or is, directly or indirectly, a security holder of the Company will not be considered to have a material relationship based solely on such relationship that would impair such director's independence.

For purposes of the standards set forth above, "executive officer" means the Company's president, principal financial officer, principal accounting officer (or, if there is no such accounting officer, the controller), any vice-president of the Company in charge of a principal business unit, division or function (such as sales, administration or finance), any other officer who performs a policy-making function, or any other person who performs similar policy-making functions for the Company. Officers of the Company's subsidiaries shall be deemed officers of the Company if they perform such policy-making functions for the Company.

These standards shall be interpreted in a manner consistent with the New York Stock Exchange Corporate Governance Rules.

Related Party Transactions

Concurrent with the IPO, the Company entered into arrangements with affiliates of XL Capital: (i) to provide it protection with respect to adverse development on certain transactions, (ii) have exposures transferred to it or reassume exposures under certain financial guarantee policies that were originally reinsured to, or written on behalf of, the Company by XL Insurance (Bermuda) Ltd (["XLI"]), due principally to single risk constraints and rating agency capital adequacy requirements applicable to the Company at the time that business was first written, (iii) cancel the Company's reinsurance of certain non-financial guarantee business ceded to it by XLI, and (iv) to govern certain aspects of Company's relationship with XL Capital after the IPO, including a series of service agreements under which subsidiaries of XL Capital will provide certain services to the Company or receive certain services from the Company for a period of time after the IPO. The aforementioned arrangements are discussed in detail below. In addition, in connection with the IPO, XL Capital agreed to:

- (i) contribute to SCA the proceeds from the redemption of an investment related to its financial guarantee reinsurance business which aggregated \$15.0 million. This contribution was made on the effective date of the IPO.
- (ii) to fund a portion of long-term compensation awarded by XL Capital to employees of SCA prior to the IPO. In this regard, in December 2006 XL Capital contributed \$6.2 million to SCA to fund the aforementioned long-term compensation awards of SCA employees which were voluntarily or involuntarily converted from XL Capital long-term incentive plans to SCA long-term incentive plans and will make periodic contributions in the future for such awards that were not so converted. Such future contributions are not expected to exceed \$1.6 million in the aggregate.

Services Agreements with Affiliates

Prior to the IPO, the Company purchased various services from affiliates of XL Capital under various agreements and continues to purchase such services under new agreements that became effective at the date of the IPO. Such services principally include: (i) information technology support, (ii) reinsurance and retrocessional consulting and management services, (iii) actuarial, finance, internal audit services and certain investment management services. For the years ended December 31, 2006, 2005, and 2004, the Company incurred costs under the aforementioned agreements aggregating \$58.7 million, \$63.7 million, and \$70.1 million, respectively, which are reflected in [operating expenses] in the accompanying consolidated statements of operations.

Employee Benefit Plans

Prior to the IPO, XL America, Inc (["XLA"]) maintained a qualified defined contribution pension plan for the benefit of all eligible employees and a non-qualified deferred compensation plan for the benefit of certain employees (collectively, the ["Plans"]). Discretionary contributions to both Plans were based on a fixed percentage of employee contributions and compensation as defined by the Plans. Such plans were converted to the Company's plans on the effective date of the IPO. The terms and provisions of the Company's plans are substantially the same as the aforementioned plans of XLA. For the years ended December 31, 2006, 2005, and 2004, the Company incurred costs under the aforementioned plans aggregating \$2.7 million, \$2.2 million, and \$2.1 million, respectively, which are reflected in [operating expenses] in the accompanying consolidated statements of operations.

Reinsurance Agreements With Affiliates and Other Guarantees

The Company has the following reinsurance agreements with affiliates. Certain of the agreements discussed below may be terminated under certain conditions, as defined in the agreements.

- Effective August 4, 2006, certain subsidiaries of XL Capital indemnified the Company for all losses and loss adjustment expenses incurred in excess of its retained reserves at the effective date of the agreement relating to an insured project financing described in Note 13 (a). In consideration for the aforementioned indemnifications the Company is obligated to pay such affiliates approximately \$9.8 million on an installment basis over the life of the aforementioned project financing. As this premium is due irrespective of any early termination of the underlying insurance transaction, the Company recorded a liability of

approximately \$7.0 million at the effective date of the indemnifications (representing the present value of the obligation discounted at 5.0%, which reflects the rate on treasury obligations with a term to maturity commensurate with that of the liability) and a corresponding deferred cost, which are reflected in the accompanying consolidated balance sheet in [reinsurance premiums payable] and [prepaid reinsurance premiums], respectively. For the year ended December 31, 2006, the Company incurred costs under the aforementioned agreements aggregating approximately \$0.4 million.

- Effective August 4, 2006, XLA has undertaken to indemnify the Company for any diminution in value below their carrying value at June 30, 2006 of the notes and preferred shares described in Note 13 (b), which notes and preferred shares were acquired in connection with the satisfaction of a claim under a financial guarantee insurance policy issued by XLCA. In addition, pursuant to the aforementioned indemnity, XLA agreed to indemnify the Company for any costs arising out of any litigation or future claim in connection with the aforementioned insurance policy. See Note 13 (b) for further information regarding amounts recovered or recoverable by SCA under the indemnity.
- On August 4, 2006, XL Financial Assurance Ltd. ([XLFA]) terminated a facultative quota share reinsurance treaty with XLI that had been effective since 2001. As a result of the termination, XLI returned \$26.5 million of premiums to XLFA, XLFA returned ceding commissions of \$7.8 million to XLI, and XLI paid XLFA \$18.7 million.
- On August 4, 2006, XLFA and XLI agreed to cancel from inception the reinsurance of certain business ceded under a facultative quota share reinsurance treaty that was effective since 1999. As a result of this cancellation, XLFA paid XLI \$0.2 million, XLI assumed XLFA's obligation for \$1.2 million of reserves for losses and loss adjustment expenses, and XLFA recorded a capital contribution of \$1.0 million. In addition, on such date, XLFA assumed certain business from XLI pursuant to the aforementioned reinsurance treaty. As a result thereof, XLFA recorded assumed premiums of approximately \$8.0 million, ceding commissions of approximately \$1.0 million and received cash from XLI of approximately \$7.0 million.
- Effective October 1, 2001, XLFA entered into an excess of loss reinsurance agreement with XLI. This agreement covers a portion of XLFA's liability arising as a result of losses on policies written by XLFA that are in excess of certain limits and are not covered by other reinsurance agreements. This agreement provides indemnification only for the portion of any loss covered by this agreement in excess of 10% of XLFA's surplus, up to an aggregate amount of \$500 million, and excludes coverage for liabilities arising other than pursuant to the terms of an underlying policy. The Company incurred expense under this agreement of approximately \$0.5 million for each of the years ended December 31, 2006, 2005 and 2004.
- Effective November 1, 2002, XLCA entered into a facultative reinsurance arrangement (the [XL Re Treaty]) with XL Reinsurance America Inc. ([XL RE AM]). Under the terms of the XL Re Treaty, XL RE AM agrees to automatically reinsure risks insured by XLCA under financial guarantee insurance policies up to the amount necessary for XLCA to comply with single risk limitations set forth in Section 6904(d) of the New York Insurance Laws. Such reinsurance was on an automatic basis prior to the effective date of the IPO and is on a facultative basis on and after the effective date of the IPO. The reinsurance provided by XL RE AM may be on an excess of loss or quota share basis. The Company is allowed up to a 30% ceding commission (or such other percentage on an arm's-length basis) on ceded premiums written under the terms of this agreement.
- Effective January 1, 2004, XLCA commuted all the reinsurance ceded under the XL RE Treaty through December 31, 2003. As a result of the commutation, XL RE AM returned \$5.9 million of premiums to XLCA, XLCA returned ceding commissions of \$1.8 million to XL RE AM, and XL RE AM paid XLCA \$4.2 million.
- Since it commenced operations, XLFA has entered into several reinsurance arrangements with subsidiaries and affiliates of Financial Security Assurance Holdings Ltd. (hereafter referred to as [FSA]) to reinsure certain policies issued by FSA which guarantee the timely payment of the principal of and interest on various types of debt obligations. XLFA's obligations under certain of these arrangements are guaranteed by XLI. Effective upon the IPO, the guarantee was terminated with respect to all new business assumed by XLFA under such arrangement, but the guarantee remains in effect with respect to cessions under the agreement prior to the IPO. Premiums assumed by XLFA under its reinsurance arrangements with FSA represented 70%, 66%, and 73% of the Company's total reinsurance premiums assumed for the years ended December 31, 2006, 2005, and 2004, respectively.

- XLFA has guaranteed certain of XLI's obligations in connection with certain transactions where XLI's customer required such credit enhancement. Each of these transactions has a "double trigger" structure, meaning that XLFA does not have to pay a claim unless both the underlying transaction and XLI default. For each of these transactions, XLFA has entered into a reimbursement agreement with XLI, pursuant to which XLI pays XLFA a fee for providing its guarantee and XLI grants XLFA a security interest in a portion of the payments received by it from its client. As of December 31, 2006 and 2005, XLFA's aggregate net par outstanding relating to such guarantees was \$522.8 million and \$526.8 million, respectively.
- Effective May 1, 2004, XLI entered into an agreement with XLCA which unconditionally and irrevocably guarantees to XLCA the full and complete payment when due of all of XLFA's obligations under its facultative quota share reinsurance agreement with XLCA, under which agreement XLFA has assumed business from XLCA since December 19, 2000. The par value of business guaranteed by XLI under this agreement was approximately \$83.1 billion and \$73.9 billion as of December 31, 2006 and 2005, respectively. The XLI guarantee agreement terminated with respect to any new business produced by XLCA and ceded to XLFA pursuant to the facultative quota share reinsurance agreement after the effective date of the IPO, but the guarantee remains in effect with respect to cessions under the such agreement prior to the IPO.
- The Company provides financial guarantee insurance policies insuring timely payment of investment agreements issued by XL Asset Funding Company I LLC ("XLAF"), an affiliate of the Company. As of December 31, 2006 and 2005, the aggregate face amount of such investment agreements insured by the Company was \$3.9 billion (\$554.8 million net of reinsurance) and \$3.7 billion (\$366.7 million net of reinsurance), respectively. In addition, the Company insures XLAF's obligations under certain derivative contracts issued and purchased by XLAF. As of December 31, 2006 and 2005, the total notional value of such contracts insured was \$179.1 million and \$167.8 million, respectively. For the years ended December 31, 2006, 2005, and 2004, the Company recorded earned premiums of \$3.8 million, \$3.0 million and \$2.0 million, respectively, relating to the aforementioned contracts.

3. Administration.

- (a) *Authority of the Committee.* The Plan shall be administered by the Committee, and the Committee shall have full and final authority to take the following actions, in each case subject to and consistent with the provisions of the Plan:
- (i) to select Eligible Persons to whom Awards may be granted;
 - (ii) to designate Affiliates;
 - (iii) to determine the type or types of Awards to be granted to each Eligible Person;
 - (iv) to determine the type and number of Awards to be granted, the number of Shares to which an Award may relate, the terms and conditions of any Award granted under the Plan (including, but not limited to, any exercise price, grant price, or purchase price, any restriction or condition, any schedule for lapse of restrictions or conditions relating to transferability or forfeiture, exercisability, or settlement of an Award, and waiver or accelerations thereof, and waivers of performance conditions relating to an Award, based in each case on such considerations as the Committee shall determine), and all other matters to be determined in connection with an Award;
 - (v) to determine whether, to what extent, and under what circumstances an Award may be settled, or the exercise price of an Award may be paid, in cash, Shares, other Awards, or other property, or an Award may be canceled, forfeited, exchanged, or surrendered;
 - (vi) to determine whether, to what extent, and under what circumstances cash, Shares, other Awards, or other property payable with respect to an Award will be deferred either automatically, at the election of the Committee, or at the election of the Eligible Person;
 - (vii) to prescribe the form of each Award Agreement, which need not be identical for each Eligible Person;
 - (viii) to adopt, amend, suspend, waive, and rescind such rules and regulations and appoint such agents as the Committee may deem necessary or advisable to administer the Plan;
 - (ix) to correct any defect or supply any omission or reconcile any inconsistency in the Plan and to construe and interpret the Plan and any Award, rules and regulations, Award Agreement, or other instrument hereunder;
 - (x) to accelerate the exercisability or vesting of all or any portion of any Award or to extend the period during which an Award is exercisable;
 - (xi) to determine whether uncertificated Shares may be used in satisfying Awards and otherwise in connection with the Plan; and
 - (xii) to make all other decisions and determinations as may be required under the terms of the Plan or as the Committee may deem necessary or advisable for the administration of the Plan.
- (b) *Manner of Exercise of Committee Authority.* The Committee shall have sole discretion in exercising its authority under the Plan. Any action of the Committee with respect to the Plan shall be final,

conclusive, and binding on all persons, including the Company, Subsidiaries, Affiliates, Eligible Persons, any person claiming any rights under the Plan from or through any Eligible Person, and shareholders. The express grant of any specific power to the Committee, and the taking of any action by the Committee, shall not be construed as limiting any power or authority of the Committee. The Committee may delegate to other members of the Board or officers or managers of the Company or any Subsidiary or Affiliate the authority, subject to such terms as the Committee shall determine, to perform administrative functions and, with respect to Awards granted to persons not subject to Section 16 of the Exchange Act, to perform such other functions as the Committee may determine, to the extent permitted under Rule 16b-3 (if applicable) and applicable law.

- (c) *Limitation of Liability.* Each member of the Committee shall be entitled to, in good faith, rely or act upon any report or other information furnished to him or her by any officer or other employee of the Company or any Subsidiary or Affiliate, the Company's independent certified public accountants, or other professional retained by the Company to assist in the administration of the Plan. No member of the Committee, and no officer or employee of the Company acting on behalf of the Committee, shall be personally liable for any

action, determination, or interpretation taken or made in good faith with respect to the Plan, and all members of the Committee and any officer or employee of the Company acting on their behalf shall, to the extent permitted by law, be fully indemnified and protected by the Company with respect to any such action, determination, or interpretation.

- (d) *Limitation on Committee's Discretion.* Anything in this Plan to the contrary notwithstanding, in the case of any Award which is intended to qualify as "performance-based compensation" within the meaning of Section 162(m)(4)(C) of the Code, if the Award Agreement so provides, the Committee shall have no discretion to increase the amount of compensation payable under the Award to the extent such an increase would cause the Award to lose its qualification as such performance-based compensation.
- (e) *No Option or SAR Repricing Without Shareholder Approval.* Except as provided in the first sentence of Section 4(c) hereof relating to certain antidilution adjustments, unless the approval of shareholders of the Company is obtained, Options and SARs issued under the Plan shall not be amended to lower their exercise price, Options and SARs issued under the Plan will not be exchanged for other Options or SARs with lower exercise prices, and no other action shall be taken with respect to Options or SARs that would be treated as a repricing under the rules of the principal stock exchange on which the Shares are listed.
- (f) *Limitation on Committee's Authority under 409A.* Anything in this Plan to the contrary notwithstanding, the Committee's authority to modify outstanding Awards shall be limited to the extent necessary so that the existence of such authority does not (i) cause an Award that is not otherwise deferred compensation subject to Section 409A of the Code to become deferred compensation subject to Section 409A of the Code or (ii) cause an Award that is otherwise deferred compensation subject to Section 409A of the Code to fail to meet the requirements prescribed by Section 409A of the Code.

4. Shares Subject to the Plan.

- (a) Subject to adjustment as provided in Section 4(c) hereof, the total number of Shares reserved for issuance in connection with Awards under the Plan shall be 7,048,182. No Award may be granted if the number of Shares to which such Award relates, when added to the number of Shares previously issued under the Plan, exceeds the number of Shares reserved under the applicable provisions of the preceding sentence. If any Awards are forfeited, canceled, terminated, exchanged or surrendered or such Award is settled in cash or otherwise terminates without a distribution of Shares to the Participant, any Shares counted against the number of Shares reserved and available under the Plan with respect to such Award shall, to the extent of any such forfeiture, settlement, termination, cancellation, exchange or surrender, again be available for Awards under the Plan. Upon the exercise of any Award granted in tandem with any other Awards, such related Awards shall be canceled to the extent of the number of Shares as to which the Award is exercised.
- (b) Subject to adjustment as provided in Section 4(c) hereof, the maximum number of Shares (i) with respect to which Options or SARs may be granted during a calendar year to any Eligible Person under this Plan shall be 500,000 Shares, and (ii) with respect to which Performance Shares, Performance Units, Restricted Shares or Restricted Share Units intended to qualify as performance-based compensation within the meaning of Section 162(m)(4)(C) of the Code may be granted during a calendar year to any Eligible Person under this Plan shall be 500,000 Shares.
- (c) In the event that the Committee shall determine that any dividend in Shares, recapitalization, Share split, reverse split, reorganization, merger, consolidation, spin-off, combination, repurchase, share exchange, extraordinary distribution or other similar corporate transaction or event, affects the Shares such that an adjustment is appropriate in order to prevent dilution or enlargement of the rights of Eligible Persons under the Plan, then the Committee shall make such equitable changes or adjustments as it deems appropriate and, in such manner as it may deem equitable, (i) adjust any or all of (x) the number and kind of shares which may thereafter be issued under the Plan, (y) the number and kind of shares, other securities or other consideration issued or issuable in respect of outstanding Awards, and (z) the exercise price, grant price, or purchase price relating to any Award, or (ii) provide for a distribution of cash or property in respect of any Award; *provided, however*, in each case that, with respect to ISOs, such adjustment shall be made in accordance with Section 424(a) of the Code, unless the Committee determines otherwise; *provided further, however*, that no adjustment shall be made pursuant to this Section 4(c) that causes any Award that is not otherwise deferred compensation subject to Section 409A of the Code to be treated as deferred compensation

C-4

pursuant to Section 409A of the Code. In addition, the Committee is authorized to make adjustments in the terms and conditions of, and the criteria and performance objectives, if any, included in, Awards in recognition of unusual or non-recurring events (including, without limitation, events described in the preceding sentence) affecting the Company or any Subsidiary or Affiliate or the financial statements of the Company or any Subsidiary or Affiliate, or in response to changes in applicable laws, regulations, or accounting principles; *provided, however*, that, if an Award Agreement specifically so provides, the Committee shall not have discretion to increase the amount of compensation payable under the Award to the extent such an increase would cause the Award to lose its qualification as performance-based compensation for purposes of Section 162(m)(4)(C) of the Code and the regulations thereunder.

- (d) Any Shares distributed pursuant to an Award may consist, in whole or in part, of authorized and unissued Shares or treasury Shares including Shares acquired by purchase in the open market or in private transactions.

5. Specific Terms of Awards.

- (a) *General.* Awards may be granted on the terms and conditions set forth in this Section 5. In addition, the Committee may impose on any Award or the exercise thereof, at the date of grant or thereafter (subject to Section 9(d)), such additional terms and conditions, not inconsistent with the provisions of the Plan, as the Committee shall determine, including terms regarding forfeiture of Awards or continued exercisability of Awards in the event of Termination of Service by the Eligible Person.

- (b) *Options.* The Committee is authorized to grant Options, which may be NQSOs or ISOs, to Eligible Persons on the following terms and conditions:

- (i) *Exercise Price.* The exercise price per Share purchasable under an Option shall be determined by the Committee; *provided, however*, that the exercise price per Share of an Option shall not be less than the Fair Market Value of a Share on the date of grant of the Option. The Committee may, without limitation, set an exercise price that is based upon achievement of performance criteria if deemed appropriate by the Committee.

- (ii) *Option Term.* The term of each Option shall be determined by the Committee; *provided, however*, that such term shall not be longer than ten years from the date of grant of the Option.

- (iii) *Time and Method of Exercise.* The Committee shall determine at the date of grant or thereafter the time or times at which an Option may be exercised in whole or in part (including, without limitation, upon achievement of performance criteria if deemed appropriate by the Committee), the methods by which such exercise price may be paid or deemed to be paid (including, without limitation, broker-assisted exercise arrangements), the form of such payment (including, without limitation, cash, Shares or other property), and the methods by which Shares will be delivered or deemed to be delivered to Eligible Persons.

- (iv) *Early Exercise.* The Committee may provide at the time of grant or any time thereafter, in its sole discretion, that any Option shall be exercisable with respect to Shares that otherwise would not then be exercisable, provided that, in connection with such exercise, the Participant enters into a form of Restricted Share agreement approved by the Committee with respect to Shares received on exercise.

- (v) *ISOs.* The terms of any ISO granted under the Plan shall comply in all respects with the provisions of Section 422 of the Code, including but not limited to the requirement that the ISO shall be granted within

ten years from the earlier of the date of adoption or shareholder approval of the Plan. ISOs may only be granted to employees of the Company or a Subsidiary.

- (c) SARs. The Committee is authorized to grant SARs (Share Appreciation Rights) to Eligible Persons on the following terms and conditions:

- (i) *Right to Payment.* A SAR shall confer on the Eligible Person to whom it is granted a right to receive with respect to each Share subject thereto, upon exercise thereof, the excess of (1) the Fair Market Value of one Share on the date of exercise over (2) the exercise price per Share of the SAR, as determined by the Committee as of the date of grant of the SAR (which shall not be less than the Fair Market Value per Share on the date of grant of the SAR and, in the case of a SAR granted in tandem with an Option, shall be equal to the exercise price of the underlying Option).

C-5

- (ii) *Other Terms.* The Committee shall determine, at the time of grant, the time or times at which a SAR may be exercised in whole or in part (which shall not be more than ten years after the date of grant of the SAR), the method of exercise, method of settlement, form of consideration payable in settlement, method by which Shares will be delivered or deemed to be delivered to Eligible Persons, whether or not a SAR shall be in tandem with any other Award, and any other terms and conditions of any SAR. Unless the Committee determines otherwise, a SAR (1) granted in tandem with an NQSO may be granted at the time of grant of the related NQSO or at any time thereafter and (2) granted in tandem with an ISO may only be granted at the time of grant of the related ISO.

- (d) *Restricted Shares.* The Committee is authorized to grant Restricted Shares to Eligible Persons on the following terms and conditions:
 - (i) *Issuance and Restrictions.* Restricted Shares shall be subject to such restrictions on transferability and other restrictions, if any, as the Committee may impose at the date of grant or thereafter, which restrictions may lapse separately or in combination at such times, under such circumstances (including, without limitation, upon achievement of performance criteria if deemed appropriate by the Committee), in such installments, or otherwise, as the Committee may determine. Except to the extent restricted under the Award Agreement relating to the Restricted Shares, an Eligible Person granted Restricted Shares shall have all of the rights of a shareholder including, without limitation, the right to vote Restricted Shares and the right to receive dividends thereon.

 - (ii) *Forfeiture.* Except as otherwise determined by the Committee, at the date of grant or thereafter, upon Termination of Service during the applicable restriction period, Restricted Shares and any accrued but unpaid dividends or Dividend Equivalents that are at that time subject to restrictions shall be forfeited; *provided, however,* that the Committee may provide, by rule or regulation or in any Award Agreement, or may determine in any individual case, that restrictions or forfeiture conditions relating to Restricted Shares will be waived in whole or in part in the event of Termination of Service resulting from specified causes, and the Committee may in other cases waive in whole or in part the forfeiture of Restricted Shares.

 - (iii) *Certificates for Shares.* Restricted Shares granted under the Plan may be evidenced in such manner as the Committee shall determine. If certificates representing Restricted Shares are registered in the name of the Eligible Person, such certificates shall bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Restricted Shares, and, unless otherwise determined by the Committee, the Company shall retain physical possession of the certificate and the Participant shall deliver a stock power to the Company, endorsed in blank, relating to the Restricted Shares.

 - (iv) *Dividends.* Dividends paid on Restricted Shares shall be either paid at the dividend payment date, or deferred for payment to such date, and subject to such conditions, as determined by the Committee, in cash or in restricted or unrestricted Shares having a Fair Market Value equal to the amount of such dividends. Unless otherwise determined by the Committee, Shares distributed in connection with a Share split or dividend in Shares, and other property distributed as a dividend, shall be subject to restrictions and a risk of forfeiture to

the same extent as the Restricted Shares with respect to which such Shares or other property has been distributed.

(v) *Early Exercise Options.* The Committee shall award Restricted Shares to a Participant upon the Participant's early exercise of an Option under Section 5(b)(iv) hereof. Unless otherwise determined by the Committee, the lapse of restrictions with respect to such Restricted Shares shall occur on the same schedule as the exercisability of the Option for which the Restricted Shares were exercised.

(e) *Restricted Share Units.* The Committee is authorized to grant Restricted Share Units to Eligible Persons, subject to the following terms and conditions:

(i) *Award and Restrictions.* Delivery of Shares or cash, as the case may be, will occur upon expiration of the deferral period specified for Restricted Share Units by the Committee (or, if permitted by the Committee, as elected by the Eligible Person). In addition, Restricted Share Units shall be subject to such restrictions as the Committee may impose, if any (including, without limitation, the achievement of performance criteria if deemed appropriate by the Committee), at the date of grant or thereafter, which restrictions may lapse at the expiration of the deferral period or at earlier or later specified times, separately or in combination, in installments or otherwise, as the Committee may determine.

- (ii) *Forfeiture.* Except as otherwise determined by the Committee at the date of grant or thereafter, upon Termination of Service during the applicable deferral period or portion thereof to which forfeiture conditions apply (as provided in the Award Agreement evidencing the Restricted Share Units), or upon failure to satisfy any other conditions precedent to the delivery of Shares or cash to which such Restricted Share Units relate, all Restricted Share Units that are at that time subject to deferral or restriction shall be forfeited; *provided, however,* that the Committee may provide, by rule or regulation or in any Award Agreement, or may determine in any individual case, that restrictions or forfeiture conditions relating to Restricted Share Units will be waived in whole or in part in the event of Termination of Service resulting from specified causes, and the Committee may in other cases waive in whole or in part the forfeiture of Restricted Share Units.
- (iii) *Dividend Equivalents.* Unless otherwise determined by the Committee at the date of grant, Dividend Equivalents on the specified number of Shares covered by a Restricted Share Unit shall be either (A) paid with respect to such Restricted Share Unit at the dividend payment date in cash or in restricted or unrestricted Shares having a Fair Market Value equal to the amount of such dividends, or (B) deferred with respect to such Restricted Share Unit and the amount or value thereof automatically deemed reinvested in additional Restricted Share Units or other Awards, as the Committee shall determine or permit the Participant to elect.
- (f) *Performance Shares and Performance Units.* The Committee is authorized to grant Performance Shares or Performance Units or both to Eligible Persons on the following terms and conditions:

 - (i) *Performance Period.* The Committee shall determine a performance period (the []Performance Period[]) of one or more years or other periods and shall determine the performance objectives for grants of Performance Shares and Performance Units. Performance objectives may vary from Eligible Person to Eligible Person and shall be based upon the performance criteria as the Committee may deem appropriate. The performance objectives may be determined by reference to the performance of the Company, or of a Subsidiary or Affiliate, or of a division or unit of any of the foregoing. Performance Periods may overlap and Eligible Persons may participate simultaneously with respect to Performance Shares and Performance Units for which different Performance Periods are prescribed.
 - (ii) *Award Value.* At the beginning of a Performance Period, the Committee shall determine for each Eligible Person or group of Eligible Persons with respect to that Performance Period the range of number of Shares, if any, in the case of Performance Shares, and the range of dollar values, if any, in the case of Performance Units, which may be fixed or may vary in accordance with such performance or other criteria specified by the Committee, which shall be paid to an Eligible Person as an Award if the relevant measure of Company performance for the Performance Period is met.
 - (iii) *Significant Events.* If during the course of a Performance Period there shall occur significant events as determined by the Committee which the Committee expects to have a substantial effect on a performance objective during such period, the Committee may revise such objective; *provided, however,* that, if an Award Agreement so provides, the Committee shall not have any discretion to increase the

amount of compensation payable under the Award to the extent such an increase would cause the Award to lose its qualification as performance-based compensation for purposes of Section 162(m)(4)(C) of the Code and the regulations thereunder.

(iv)

Forfeiture. Except as otherwise determined by the Committee, at the date of grant or thereafter, upon Termination of Service during the applicable Performance Period, Performance Shares and Performance Units for which the Performance Period was prescribed shall be forfeited; provided, however, that the Committee may provide, by rule or regulation or in any Award Agreement, or may determine in an individual case, that restrictions or forfeiture conditions relating to Performance Shares and Performance Units will be waived in whole or in part in the event of Terminations of Service resulting from specified causes, and the Committee may in other cases waive in whole or in part the forfeiture of Performance Shares and Performance Units.

(v)

Payment. Each Performance Share or Performance Unit may be paid in whole Shares, or cash, or a combination of Shares and cash either as a lump sum payment or in installments, all as the Committee shall determine, at the time of grant of the Performance Share or Performance Unit or otherwise, commencing as soon as practicable after the end of the relevant Performance Period.

- (g) *Dividend Equivalents.* The Committee is authorized to grant Dividend Equivalents to Eligible Persons. The Committee may provide, at the date of grant or thereafter, that Dividend Equivalents shall be paid or distributed when accrued or shall be deemed to have been reinvested in additional Shares, or other investment vehicles as the Committee may specify; *provided, however*, that, unless otherwise determined by the Committee, Dividend Equivalents (other than freestanding Dividend Equivalents) shall be subject to all conditions and restrictions of any underlying Awards to which they relate.
- (h) *Other Share-Based Awards.* The Committee is authorized, subject to limitations under applicable law, to grant to Eligible Persons such other Awards that may be denominated or payable in, valued in whole or in part by reference to, or otherwise based on, or related to, Shares, as deemed by the Committee to be consistent with the purposes of the Plan, including, without limitation, unrestricted shares awarded purely as a "bonus" and not subject to any restrictions or conditions, other rights convertible or exchangeable into Shares, purchase rights for Shares, Awards with value and payment contingent upon performance of the Company or any other factors designated by the Committee, and Awards valued by reference to the performance of specified Subsidiaries or Affiliates. The Committee shall determine the terms and conditions of such Awards at date of grant or thereafter. Shares delivered pursuant to an Award in the nature of a purchase right granted under this Section 5(h) shall be purchased for such consideration, paid for at such times, by such methods, and in such forms, including, without limitation, cash, Shares, notes or other property, as the Committee shall determine. Cash awards, as an element of or supplement to any other Award under the Plan, shall also be authorized pursuant to this Section 5(h).
- (i) *Directors' Deferral.*
- (i) Each Director may make a written irrevocable election before the beginning of a calendar year to defer payment of all or fifty percent (50%) of the cash compensation otherwise payable as his or her annual retainer fees for service as a Director for the calendar year. Notwithstanding the foregoing, a Director who is first elected or appointed to the Board may make a written irrevocable deferral election under this Section 5(i) within thirty (30) days after the date of such election or appointment to the Board in respect of annual retainer fees for services to be performed by the Director subsequent to the election. Deferral elections made hereunder shall remain in effect for all future calendar years until changed in writing, which change shall apply prospectively to the calendar year beginning after the date of the written change of election. Elections shall be made hereunder when delivered in writing to the person designated from time to time by the Company to receive the elections.
- (ii) All compensation which a Director elects to defer pursuant to this Section 5(i) shall be credited in the form of Share units in the name of the Director, and such Share units shall be considered Other Share-Based Awards under this Plan. Each such Share unit shall represent the right to receive one Share at the time set forth in Section 5(i)(D) below. The number of Share units so credited will be equal to the number of Shares having an aggregate Fair Market Value on the date the compensation would otherwise have been paid equal to the amount by which the Director's cash compensation was reduced pursuant to the deferral election. All Share units credited under this Section 5(i) will be vested in full at all times.
- (iii) As of each date on which a cash dividend is paid on Shares, there shall be granted to each Director a number of additional Share units (including fractional Share units) determined by (i) multiplying the amount of such dividend per Share by the number of Share units, if any, held by the Director, and (ii) dividing the total so determined by the Fair Market Value of a Share on the date of payment of such cash dividend.

- (iv) Shares subject to each Share unit shall be distributed (in the form of one Share for each Share unit) in a single lump sum at the time of the Director's Termination of Service. In the event of a Change in Control prior to a Director's Termination of Service, Shares subject to each Share unit shall be distributed (in the form of one Share for each Share unit) in a single lump sum at the time of the Change in Control.

6. Certain Provisions Applicable to Awards.

- (a) *Stand-Alone, Additional, Tandem and Substitute Awards.* Awards granted under the Plan may, in the discretion of the Committee, be granted to Eligible Persons either alone or in addition to, in tandem with,

or in exchange or substitution for, any other Award granted under the Plan or any award granted under any other plan or agreement of the Company, any Subsidiary or Affiliate, or any business entity to be acquired by the Company or a Subsidiary or Affiliate, or any other right of an Eligible Person to receive payment from the Company or any Subsidiary or Affiliate. Awards may be granted in addition to or in tandem with such other Awards or awards, and may be granted either as of the same time as, or a different time from, the grant of such other Awards or awards. Subject to the provisions of Section 3(e) hereof prohibiting Option and SAR repricing without shareholder approval, the per Share exercise price of any Option, or grant price of any SAR, which is granted in connection with the substitution of awards granted under any other plan or agreement of the Company or any Subsidiary or Affiliate, or any business entity to be acquired by the Company or any Subsidiary or Affiliate, shall be determined by the Committee, in its discretion.

- (b) *Term of Awards.* The term of each Award granted to an Eligible Person shall be for such period as may be determined by the Committee; *provided, however*, that in no event shall the term of any Option or SAR exceed a period of ten years from the date of its grant (or, in the case of ISOs, such shorter period as may be applicable under Section 422 of the Code).
- (c) *Form of Payment Under Awards.* Subject to the terms of the Plan and any applicable Award Agreement, payments to be made by the Company or a Subsidiary or Affiliate upon the grant, maturation, or exercise of an Award may be made in such forms as the Committee shall determine at the date of grant or thereafter, including, without limitation, cash, Shares, notes or other property, and may be made in a single payment or transfer, in installments, or on a deferred basis. The Committee may make rules relating to installment or deferred payments with respect to Awards, including the rate of interest to be credited with respect to such payments, and the Committee may require deferral of payment under an Award if, in the sole judgment of the Committee, it may be necessary in order to avoid nondeductibility of the payment under Section 162(m) of the Code.
- (d) *Nontransferability.* Unless otherwise set forth by the Committee in an Award Agreement, Awards shall not be transferable by an Eligible Person except by will or the laws of descent and distribution (except pursuant to a Beneficiary designation) and shall be exercisable during the lifetime of an Eligible Person only by such Eligible Person or his guardian or legal representative. An Eligible Person's rights under the Plan may not be pledged, mortgaged, hypothecated, or otherwise encumbered, and shall not be subject to claims of the Eligible Person's creditors.
- (e) *Noncompetition.* The Committee may, by way of the Award Agreements or otherwise, establish such other terms, conditions, restrictions and/or limitations, if any, of any Award, provided they are not inconsistent with the Plan, including, without limitation, the requirement that the Participant not engage in competition with, solicit customers or employees of, or disclose or use confidential information of the Company or its Affiliates.

7. Performance Awards.

- (a) *Performance Awards Granted to Covered Employees.* If the Committee determines that an Award (other than an Option or SAR) to be granted to an Eligible Person should qualify as "performance-based compensation" for purposes of Section 162(m) of the Code, the grant, vesting, exercise and/or settlement of such Award (each, a "Performance Award") shall be contingent upon achievement of preestablished performance goals and other terms set forth in this Section 7(a).
 - (i) *Performance Goals Generally.* The performance goals for such Performance Awards shall consist of one or more business criteria and a targeted level or levels of performance with respect to each of such criteria, as specified by the Committee consistent with this Section 7(a). The performance goals shall be objective and shall otherwise meet the requirements of Section 162(m) of the Code and regulations thereunder (including Treasury Regulation 1.162-27 and successor regulations thereto), including the requirement that the level or levels of performance targeted by the Committee result in the achievement of performance goals being "substantially uncertain." The Committee may determine that such Performance Awards shall be granted, vested, exercised and/or settled upon achievement of any one performance goal or that two or more of the performance goals

must be achieved as a condition to grant, vesting, exercise and/or settlement of such Performance Awards. Performance goals may differ for Performance Awards granted to any one Participant or to different Participants.

C-9

- (ii) *Business Criteria.* One or more of the following business criteria for the Company, on a consolidated basis, and/or for specified Subsidiaries or Affiliates or other business units or lines of business of the Company shall be used by the Committee in establishing performance goals for such Performance Awards: (1) earnings per share (basic or fully diluted); (2) revenues; (3) earnings, before or after taxes, from operations (generally or specified operations), or before or after interest expense, depreciation, amortization, incentives, or extraordinary or special items; (4) cash flow, free cash flow, cash flow return on investment (discounted or otherwise), net cash provided by operations, or cash flow in excess of cost of capital; (5) return on net assets, return on assets, return on investment, return on capital, return on equity; (6) economic value added; (7) operating margin or operating expense; (8) net income; (9) Share price or total stockholder return; (10) book value or adjusted book value; (11) expense ratio; (12) operating income; and (13) strategic business criteria, consisting of one or more objectives based on meeting specified market penetration, geographic business expansion goals, cost targets, customer satisfaction, supervision of litigation and information technology, and goals relating to acquisitions or divestitures of Subsidiaries, Affiliates or joint ventures. The targeted level or levels of performance with respect to such business criteria may be established at such levels and in such terms as the Committee may determine, in its discretion, including in absolute terms, as a goal relative to performance in prior periods, or as a goal compared to the performance of one or more comparable companies or an index covering multiple companies.
- (iii) *Performance Period; Timing for Establishing Performance Goals; Per-Person Limit.* Achievement of performance goals in respect of such Performance Awards shall be measured over a performance period, as specified by the Committee. A performance goal shall be established not later than the earlier of (A) 90 days after the beginning of any performance period applicable to such Performance Award or (B) the time 25% of such performance period has elapsed. In all cases, the maximum Performance Award of any Participant shall be subject to the limitation set forth in Section 4(b) or 7(a)(v), as applicable.
- (iv) *Settlement of Performance Awards; Other Terms.* Settlement of such Performance Awards shall be in cash, Shares, other Awards or other property, in the discretion of the Committee. The Committee may, in its discretion, reduce the amount of a settlement otherwise to be made in connection with such Performance Awards, but may not exercise discretion to increase any such amount payable to the Participant in respect of a Performance Award subject to this Section 7(a). Any settlement which changes the form of payment from that originally specified shall be implemented in a manner such that the Performance Award and other related Awards do not, solely for that reason, fail to qualify as performance-based compensation for purposes of Section 162(m) of the Code. The Committee shall specify the circumstances in which such Performance Awards shall be paid or forfeited in the event of Termination of Service of the Participant or other event (including a Change in Control) prior to the end of a performance period or settlement of such Performance Awards.
- (v) *Maximum Annual Cash Award.* The maximum amount payable upon settlement of a cash-settled Performance Unit (or other cash-settled Award) granted under this Plan for any calendar year to any Eligible Person that is intended to satisfy the requirements for performance-based compensation under Section 162(m) of the Code

shall not exceed \$3,000,000.

- (b) *Written Determinations.* Determinations by the Committee as to the establishment of performance goals, the amount potentially payable in respect of Performance Awards, the level of actual achievement of the specified performance goals relating to Performance Awards and the amount of any final Performance Award shall be recorded in writing in the case of Performance Awards intended to qualify under Section 162(m) of the Code. Specifically, the Committee shall certify in writing, in a manner conforming to applicable regulations under Section 162(m), prior to settlement of each such Award, that the performance objective relating to the Performance Award and other material terms of the Award upon which settlement of the Award was conditioned have been satisfied.

8. Change in Control Provisions.

- (a) *Acceleration of Exercisability and Lapse of Restrictions.* Unless otherwise provided by the Committee at the time of the Award grant, in the event of a Change in Control, (i) all outstanding Awards pursuant to which the Participant may have rights the exercise of which is restricted or limited, shall become fully exercisable at the time of the Change in Control, and (ii) unless the right to lapse of restrictions or limitations is waived

C-10

Edgar Filing: Security Capital Assurance Ltd - Form DEF 14A

or deferred by a Participant prior to such lapse, all restrictions or limitations (including risks of forfeiture and deferrals) on outstanding Awards subject to restrictions or limitations under the Plan shall lapse, and all performance criteria and other conditions to payment of Awards under which payments of cash, Shares or other property are subject to conditions shall be deemed to be achieved or fulfilled and shall be waived by the Company at the time of the Change in Control.

- (b) *Definition of Change in Control.* For purposes of this Plan, "Change in Control" shall mean:
- (i) the acquisition by any individual, entity or group (within the meaning of Section 13(d)(3) or 14(d)(2) of the Exchange Act (a "Person"), of beneficial ownership (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of 35% or more of either (1) the then outstanding shares of common stock of the Company (the "Outstanding Company Common Stock") or (2) the combined voting power of the then outstanding voting securities of the Company entitled to vote generally in the election of directors (the "Outstanding Company Voting Securities") *provided, however*, that the following acquisitions shall not constitute a Change in Control: (i) any acquisition directly from the Company (other than by exercise of a conversion privilege); (ii) any acquisition by the Company or any of its Subsidiaries; (iii) any acquisition by any employee benefit plan (or related trust) sponsored or maintained by the Company or any of its Subsidiaries; (iv) any acquisition by any corporation with respect to which, following such acquisition, more than 60% of, respectively, the then outstanding shares of common stock of such corporation and the combined voting power of the then outstanding voting securities of such corporation entitled to vote generally in the election of directors is then beneficially owned, directly or indirectly, by all or substantially all of the individuals and entities who were the beneficial owners, respectively, of the outstanding Company Common Stock and Outstanding Company Voting Securities immediately prior to such acquisition in substantially the same proportions as their ownership, immediately prior to such acquisition, of the Outstanding Company Common Stock and Outstanding Company Voting Securities, as the case may be (unless a Person's ownership of the acquiring corporation results in that Person indirectly owning 35% or more of the Outstanding Company Common Stock or Outstanding Company Voting Securities); or (v) any acquisition by XL Capital Ltd or its wholly-owned subsidiaries unless, at any time after the Effective Date and prior to such acquisition, XL Capital Ltd and its subsidiaries own less than 35% of the Outstanding Company Voting Securities;
 - (ii) during any period of two consecutive years, individuals who, as of the beginning of such period, constitute the Board (the "Incumbent Board") cease for any reason to constitute at least a majority of the Board; *provided, however*, that any individual becoming a director subsequent to the beginning of such period whose election, or nomination for election by the Company's shareholders, was approved by a vote of at least a majority of the directors then comprising the Incumbent Board shall be considered as though such individual were a member of the Incumbent Board, but excluding, for this purpose, any such individual whose initial assumption of office occurs as a result of either an actual or threatened election contest (as such terms are used in Rule 14a-11 of Regulation 14A promulgated under the Exchange Act);
 - (iii) consummation of a reorganization, scheme of arrangement, merger, consolidation or similar transaction (collectively, a "Transaction"), in each case, with respect to which all or substantially all of the individuals and entities who were the beneficial owners, respectively,

of the Outstanding Company Common Stock and outstanding Company Voting Securities immediately prior to such Transaction, do not, following such Transaction, beneficially own, directly or indirectly, more than 60% of, respectively, the then outstanding shares of common stock and the combined voting power of the then outstanding voting securities entitled to vote generally in the election of directors, as the case may be, of the corporation resulting from such Transaction in substantially the same proportions as their ownership, immediately prior to such Transaction, of the Outstanding Company Common Stock and Outstanding Company Voting Securities, as the case may be;

(iv)

consummation of a sale or other disposition of all or substantially all of the assets of the Company, other than to a corporation with respect to which following such sale or other disposition, more than 60% of, respectively, the then outstanding shares of common stock of such corporation and the combined voting power of the then outstanding voting securities of such corporation entitled to vote

generally in the election of directors is then beneficially owned, directly or indirectly, by all or substantially all of the individuals and entities who were the beneficial owners, respectively, of the Outstanding Company Common Stock and Outstanding Company Voting Securities immediately prior to such sale or other disposition in substantially the same proportions as their ownership, immediately prior to such sale or other disposition, of the Outstanding Company Common Stock and Outstanding Company Voting Securities, as the case may be; or

- (v) approval by the shareholders of the Company of a complete liquidation or dissolution (or similar transaction) of the Company.

Notwithstanding the foregoing, in the case of an Award that constitutes deferred compensation subject to Section 409A of the Code, the definition of "Change in Control" set forth above shall not apply, and the term "Change in Control" shall instead mean a "change in the ownership or effective control" of the Company or "in the ownership of a substantial portion of the assets" of the Company within the meaning of Section 409A(a)(2)(A)(v) of the Code and the regulations and guidance issued thereunder, but only to the extent this substitute definition is necessary in order for the Award to comply with the requirements prescribed by Section 409A of the Code.

9. General Provisions.

- (a) *Compliance with Legal and Trading Requirements.* The Plan, the granting and exercising of Awards thereunder, and the other obligations of the Company under the Plan and any Award Agreement, shall be subject to all applicable federal, state and foreign laws, rules and regulations, and to such approvals by any stock exchange, regulatory or governmental agency as may be required. The Company, in its discretion, may postpone the issuance or delivery of Shares under any Award until completion of such stock exchange or market system listing or registration or qualification of such Shares or any required action under any state, federal or foreign law, rule or regulation as the Company may consider appropriate, and may require any Participant to make such representations and furnish such information as it may consider appropriate in connection with the issuance or delivery of Shares in compliance with applicable laws, rules and regulations. No provisions of the Plan shall be interpreted or construed to obligate the Company to register any Shares under federal, state or foreign law. The Shares issued under the Plan may be subject to such other restrictions on transfer as determined by the Committee.
- (b) *No Right to Continued Employment or Service.* Neither the Plan nor any action taken thereunder shall be construed as giving any employee, consultant or director the right to be retained in the employ or service of the Company or any of its Subsidiaries or Affiliates, nor shall it interfere in any way with the right of the Company or any of its Subsidiaries or Affiliates to terminate any employee's, consultant's or director's employment or service at any time.
- (c) *Taxes.* The Company or any Subsidiary or Affiliate is authorized to withhold from any Award granted, any payment relating to an Award under the Plan, including from a distribution of Shares, or any payroll or other payment to an Eligible Person, amounts of withholding and other taxes due in connection with any transaction involving an Award, and to take such other action as the Committee may deem advisable to enable the Company and Eligible Persons to satisfy obligations for the payment of withholding taxes and other tax obligations relating to any Award. This authority shall include authority to withhold or receive Shares or other property and to make cash payments in respect thereof in satisfaction of an Eligible Person's tax obligations *provided, however*, that the amount of tax withholding to be satisfied by withholding Shares shall be limited to the minimum amount of taxes, including employment taxes, required to be withheld under applicable Federal, state and local law.
- (d) *Changes to the Plan and Awards.* The Board may amend, alter, suspend, discontinue, or terminate the Plan or the Committee's authority to grant Awards under the Plan without the consent of shareholders of the Company or Participants, except that any such amendment or alteration shall be subject to the approval of the Company's shareholders (i) to the extent such shareholder approval is required under the rules of any stock exchange or automated quotation system on which the Shares may then be listed or quoted, or (ii) as it applies to ISOs, to the extent such shareholder approval is required under Section 422 of the Code; *provided, however*, that, without the consent of an affected Participant, no amendment, alteration, suspension, discontinuation, or termination of the Plan may materially and adversely affect the rights of such Participant

under any Award theretofore granted to him or her. The Committee may waive any conditions or rights under, amend any terms of, or amend, alter, suspend, discontinue or terminate, any Award theretofore granted, prospectively or retrospectively; *provided, however*, that, without the consent of a Participant, no amendment, alteration, suspension, discontinuation or termination of any Award may materially and adversely affect the rights of such Participant under any Award theretofore granted to him or her.

- (e) *No Rights to Awards; No Shareholder Rights.* No Eligible Person or employee shall have any claim to be granted any Award under the Plan, and there is no obligation for uniformity of treatment of Eligible Persons and employees. No Award shall confer on any Eligible Person any of the rights of a shareholder of the Company unless and until Shares are duly issued or transferred to the Eligible Person in accordance with the terms of the Award.
- (f) *Unfunded Status of Awards.* The Plan is intended to constitute an [unfunded] plan for incentive compensation. With respect to any payments not yet made to a Participant pursuant to an Award, nothing contained in the Plan or any Award shall give any such Participant any rights that are greater than those of a general creditor of the Company; *provided, however*, that the Committee may authorize the creation of trusts or make other arrangements to meet the Company's obligations under the Plan to deliver cash, Shares, other Awards, or other property pursuant to any Award, which trusts or other arrangements shall be consistent with the [unfunded] status of the Plan unless the Committee otherwise determines with the consent of each affected Participant.
- (g) *Nonexclusivity of the Plan.* Neither the adoption of the Plan by the Board nor its submission to the shareholders of the Company for approval shall be construed as creating any limitations on the power of the Board to adopt such other incentive arrangements as it may deem desirable, including, without limitation, the granting of options and other awards otherwise than under the Plan, and such arrangements may be either applicable generally or only in specific cases.
- (h) *Not Compensation for Benefit Plans.* No Award payable under this Plan shall be deemed salary or compensation for the purpose of computing benefits under any benefit plan or other arrangement of the Company for the benefit of its employees, consultants or directors unless the Company shall determine otherwise.
- (i) *No Fractional Shares.* No fractional Shares shall be issued or delivered pursuant to the Plan or any Award. The Committee shall determine whether cash, other Awards, or other property shall be issued or paid in lieu of such fractional Shares or whether such fractional Shares or any rights thereto shall be forfeited or otherwise eliminated.
- (j) *Governing Law.* The validity, construction, and effect of the Plan, any rules and regulations relating to the Plan, and any Award Agreement shall be determined in accordance with the laws of New York without giving effect to principles of conflict of laws thereof.
- (k) *Effective Date; Plan Termination.* The Plan became effective as of August 1, 2006, (the [Effective Date]). The Plan shall terminate as to future awards on the date which is ten (10) years after the Effective Date.
- (l) *Section 409A.* It is intended that the Plan and Awards issued thereunder will comply with Section 409A of the Code (and any regulations and guidelines issued thereunder) to the extent the Awards are subject thereto, and the Plan and such Awards shall be interpreted on a basis consistent with such intent. The Plan and any Award Agreements issued thereunder may be amended in any respect deemed by the Board or the Committee to be necessary in order to preserve compliance with Section 409A of the Code.
- (m) *Titles and Headings.* The titles and headings of the sections in the Plan are for convenience of reference only. In the event of any conflict, the text of the Plan, rather than such titles or headings, shall control.

**AMENDED AND RESTATED SECURITY CAPITAL ASSURANCE LTD
ANNUAL INCENTIVE COMPENSATION PLAN**

Section 1 Purpose.

Security Capital Assurance Ltd (the "Company") has established this Annual Incentive Compensation Plan (the "Plan") in order to provide the Company with an additional means to attract and retain executive officers by providing them with an opportunity to earn annual incentive compensation, contingent on the achievement of certain performance goals, as an incentive and reward for their contributions to the growth, profitability and success of the Company from year to year.

The Company intends that compensation payable under the Plan will constitute "qualified performance-based compensation" under Section 162(m) of the Code (as hereinafter defined). The Plan shall be interpreted and construed in a manner consistent with such intent.

Section 2 Definitions.

- 2.1 "Award" means the amount of incentive compensation to which a Participant is entitled for each Plan Year as determined by the Committee pursuant to Sections 4 and 5 of the Plan.
- 2.2 "Board" means the Company's Board of Directors.
- 2.3 "Code" means the Internal Revenue Code of 1986, as amended, including applicable regulations thereunder.
- 2.4 "Committee" means the Compensation Committee of the Board, which shall be comprised solely of at least two persons who, to the extent required to satisfy the exception for performance-based compensation under Section 162(m) of the Code, are "outside directors" within the meaning of such section. However, no act of the Committee shall be void or deemed to be without authority due to the failure of a member to meet any qualification requirement at the time the action is taken.
- 2.5 "Determination Date" means the day not later than the 90th day of a Plan Year or such other date by which the Committee may establish performance goals for a Plan Year without causing an Award to be treated as other than performance-based compensation under Section 162(m) of the Code.
- 2.6 "Eligible Employee" means any executive officer (as that term is defined in Rule 3b-7 under the Securities Exchange Act of 1934, as amended) or other key executive of the Company or its subsidiaries.
- 2.7 "Participant" means an Eligible Employee who has been selected by the Committee to potentially receive an Award for a given Plan Year, subject to achievement of one or more performance goals and satisfaction of other conditions under the Plan or specified by the Committee.
- 2.8 "Plan Year" means the fiscal year of the Company or such other period established by the Committee.

Section 3 Administration.

The Plan shall be administered by the Committee. The Committee shall have the authority to establish performance goals for the awarding of Awards for each Plan Year; to determine the Participants for each Plan Year; to determine whether performance goals for each Plan Year have been achieved; to authorize payment of Awards under the Plan, including determining the form and timing of payment and any conditions (such as further service requirements) that will apply to such payment; to adopt, alter and repeal such administrative rules, guidelines and practices governing the Plan as it shall deem advisable; and to interpret the terms and provisions of the Plan. All determinations made by the Committee with respect to the Plan and Awards thereunder shall be final and binding on all persons, including the Company and all Eligible Employees.

Section 4 Determination of Awards.

The amount of a Participant's Award for any Plan Year shall be an amount not greater than \$3,000,000, which amount shall be determined based on the achievement of one or more performance goals established by the Committee with respect to a Participant. Performance goals may vary as among Participants and shall be based upon one or more of the following criteria, as the Committee may deem appropriate: appreciation in value of the

E-1

Company's common stock; total shareholder return; earnings per share; operating income; net income; pretax earnings; pretax earnings before interest, depreciation and amortization; pro forma net income; return on equity; return on designated assets; return on capital; economic value created or economic profit; earnings per share and/or growth thereof; book value; adjusted book value; revenues; expenses (including expense ratio); loss ratio; new business production; capital markets and/or acquisition transactions; investment programs initiated; operating profit margin; operating cash flow; free cash flow; cash flow return on investment; operating margin; and net profit margin. Performance goals may be expressed as absolute goals, goals compared to past performance, goals compared to the performance of a published or special index or benchmark deemed applicable by the Committee, or otherwise as determined by the Committee. The performance goals may be determined by reference to the performance of the Company and/or a subsidiary or affiliate of the Company, or of a division or unit of any of the foregoing. No later than the Determination Date for a Plan Year, the Committee shall designate (i) the Participants for such Plan Year, (ii) the performance goals for such Plan Year and (iii) the corresponding Award amounts payable to each Participant under the Plan upon achievement of such performance goals and satisfaction of other conditions under the Plan or specified by the Committee. So long as an Award is fully contingent upon a measure of performance as specified in this Section 4, the Committee may consider other measures of performance or other circumstances in its exercise of discretion (negative discretion) to reduce the final Award. The Committee may specify at the time an Award opportunity is authorized or at any other time such other performance measures or other terms upon which it will exercise negative discretion.

Section 5 Payment of Award.

An Award (if any) to a Participant for a Plan Year shall be paid following the end of the Plan Year; *provided, however*, that the Committee shall have first certified in writing (i) that the applicable performance goal or goals with respect to such Participant for such Plan Year were satisfied and the level of the attainment of such goal or goals, (ii) that all other material terms upon which payment of the Award is conditioned were satisfied and (iii) the amount of each Participant's Award. The Committee, unless it determines otherwise, may exercise negative discretion to reduce the amount that would otherwise be payable under an Award by reason of the applicable performance goal's having been achieved. Payments will be in cash, subject to any conditions the Committee may impose; *provided, however*, that the Committee may also provide that an Award will be paid in whole or in part in shares of the Company's common shares or other Company common share-based awards, including restricted shares, restricted share units or other share awards, if and to the extent that shares are available under a separate equity compensation plan of the Company and permitted to be granted in connection with such incentive awards, in any case with an aggregate fair market value at the time of payment not to exceed \$3,000,000. If a Participant dies after the end of a Plan Year but before receiving payment of any Award, the amount of such Award shall be paid to a designated beneficiary or, if no beneficiary has been designated, to the Participant's estate, in the form of a lump sum payment in cash as soon as practicable after the Award for the Plan Year has been determined and certified in accordance with this Section 5. Notwithstanding the foregoing, the Committee may determine, by separate agreement with any Participant or otherwise, that all or a portion of an Award for a Plan Year shall be payable to the Participant upon the Participant's death, disability or termination of employment with the Company or its subsidiaries, or upon a change of control of the Company, during the Plan Year.

Section 6 Non-transferability.

No Award or rights under this Plan may be transferred or assigned other than by will or by the laws of descent and distribution.

Section 7 Amendments and Termination.

The Board may terminate the Plan at any time and may amend it from time to time, provided, however, that no termination or amendment of the Plan shall materially and adversely affect the rights of a Participant or a beneficiary with respect to a previously certified Award except with the written consent of such Participant or beneficiary. Amendments to the Plan may be made without shareholder approval except as required to satisfy Section 162(m) of the Code.

Section 8 General Provisions.

Nothing set forth in this Plan shall prevent the Board or the Committee from adopting other or additional compensation arrangements. Neither the adoption of the Plan or any Award hereunder shall confer upon any person any right to continued employment.

E-2

- 8.2 No member of the Board or the Committee, nor any officer or employee of the Company acting on behalf of the Board or the Committee, shall be personally liable for any action, determination or interpretation taken or made with respect to the Plan, and all members of the Board or the Committee and all officers or employees of the Company acting on their behalf shall, to the extent permitted by law, be fully indemnified and protected by the Company in respect of any such action, determination or interpretation.
- 8.3 The Committee is authorized to make adjustments in the terms and conditions of, and the criteria included in, the authorization of Awards and performance goals in recognition of unusual or nonrecurring events, including stock splits, stock dividends, reorganizations, mergers, consolidations, large, special and non-recurring dividends, and acquisitions and dispositions of businesses and assets, affecting the Company and its subsidiaries or any business unit thereof, or the financial statements of the Company or any subsidiary, or in response to changes in applicable laws, regulations, accounting principles, tax rates and regulations or business conditions or in view of the Committee's assessment of the business strategy of the Company, any subsidiary or affiliate or business unit thereof, performance of comparable organizations, economic and business conditions, and any other circumstances deemed relevant; *provided, however*, that no such adjustment shall be authorized or made if and to the extent that the existence or exercise of such authority would cause an Award potentially grantable hereunder to fail to qualify as performance-based compensation under Section 162(m) of the Code.
- 8.4 The Company shall deduct from any payment in settlement of a Participant's Award or other payment to the Participant any Federal, state, or local withholding or other tax or charge which the Company is then required to deduct under applicable law with respect to the Award.
- 8.5 The validity, construction, and effect of the Plan and any rules and regulations or document hereunder shall be determined in accordance with the laws (including those governing contracts) of New York, without giving effect to principles of conflicts of laws.
