Edgar Filing: ONEOK INC /NEW/ - Form 8-K

ONEOK, Inc. today announced it will take a non-recurring charge of 18 cents per share of common stock in the fourth-quarter as the result of an order from the Oklahoma Corporation Commission (OCC) that unfairly denied Oklahoma Natural Gas Company (ONG), a division of ONEOK, the right to collect outstanding gas costs incurred while serving customers last winter. ONG has appealed the order to the Oklahoma Supreme Court.

ONG's recovery of last winter's gas costs through its billing process has been delayed by the OCC. The order halts that recovery process effective December 1, 2001, leaving ONG with an estimated \$34.6 million in gas costs yet to be recovered. The company has requested and expects to receive a stay of the order that will permit the company to collect the money subject to refund. However, if the appeal is not successful, the company would have to refund the money to its customers with interest. The exact amount to be charged to earnings will be based on collections through the end of November.
