PROXY STATEMENT
FOR
ANNUAL MEETING OF STOCKHOLDERS

To Be Held May 7, 2003

SOLICITATION AND REVOCABILITY OF PROXIES

The Board of Directors of the Corporation is soliciting proxies to be voted at the Annual Meeting of Stockholders to be held in Irving, Texas on May 7, 2003 and at any adjournment of the meeting. The Proxy Statement and the enclosed proxy are first being mailed to stockholders on or about April 7, 2003.

This proxy solicitation is intended to give stockholders the opportunity to vote on the matters set forth in the accompanying Notice of Annual Meeting. The proxy permits stockholders to withhold voting for any or all nominees for election to the Corporation's Board of Directors and to abstain from voting on any other specified proposal if the stockholder chooses.

All holders of record of shares of the Corporation's common stock at the close of business on March 14, 2003 (the Record Date) are entitled to notice of and to vote at the meeting. On the Record Date, the Corporation had outstanding 15,354,890 shares of common stock. Each share of common stock is entitled to one vote on each matter to come before the meeting. The presence, in person or by proxy, of holders of a majority of the outstanding shares of common stock entitled to vote as of the Record Date is necessary to constitute a quorum at the meeting. A plurality of the votes of the shares present in person or represented by proxy at the Annual Meeting, so long as there is a quorum, is required for the election of directors. Approval of any other proposal described in this Proxy Statement requires the affirmative vote of a majority of the votes cast by the stockholders represented at the Annual Meeting, assuming a quorum is present.

Edgar Filing: IMCO RECYCLING INC - Form DEF 14A

With regards to the election of directors, votes may be cast in favor or withheld. Votes that are withheld will be excluded entirely from the vote and will have no effect. Abstentions may be specified on all other proposals and will be counted as present for purposes of the item on which the abstention is noted. Under current rules of the New York Stock Exchange (NYSE), brokers who hold shares in street names for customers have the authority to vote on certain items when they have not received instructions from beneficial owners. Brokers who do not receive instructions are entitled to vote on the election of directors and the proposal to ratify the appointment of the auditors. Under Delaware law, a broker non-vote will have no effect on the outcome of the election of directors or the proposal to ratify the appointment of the independent auditors.

A stockholder has the unconditional right to revoke his or her proxy at any time before it is voted. Any proxy given may be revoked either by a written notice signed and delivered to the Secretary of the Corporation before the proxy is exercised, by signing another proxy or by voting in person at the meeting (although simply attending the Annual Meeting without either signing a ballot or signing another proxy at the meeting will not revoke a proxy). Where a stockholder's signed proxy specifies a choice with respect to a voting matter, the shares will be voted accordingly. If no specification is made, the shares will be voted (i) **FOR** the nominees for director identified below; and (ii) **FOR** the ratification of the appointment of Ernst & Young LLP as the Corporation's independent auditors for 2003.

2004 ANNUAL MEETING

The Board intends to hold the Corporation's next Annual Meeting of Stockholders on or about May 12, 2004. A Proxy Statement and Notice of this meeting will be mailed to all stockholders approximately one month prior to that date. In order to be eligible for inclusion in the Corporation's proxy statement for the 2004 Annual Meeting of Stockholders, a proposal of a stockholder must be received by the Corporation at its principal executive offices in Irving, Texas, by December 8, 2003. All stockholder proposals of this nature must comply with Securities and Exchange Commission (SEC) Rule 14a-8 under the Securities Exchange Act of 1934 (the Exchange Act).

In addition, in order for a stockholder proposal to be raised from the floor during next year's annual meeting, written notice about that proposal must be received by the Corporation by no later than December 8, 2003 and must contain the necessary information required by the Corporation's bylaws. In order for a stockholder to make a nomination for director at next year's annual meeting, the stockholder must notify the Corporation not less than 120 days in advance of the date specified in the Proxy Statement for this year's Annual Meeting. Thus, since April 7, 2003 is specified as the mailing date in this year's Proxy Statement, in order for any notice concerning nomination to be timely for next year's annual meeting, it must be received by the Corporation not later than December 8, 2003 (that is, 120 days prior to April 7, 2004). Also, the notice must meet all the other requirements contained in the Corporation's bylaws for nominating directors. If you would like a copy of the relevant bylaw provisions containing the requirements for making stockholder proposals and nominating candidates for director, please contact the Corporation's corporate secretary at the executive headquarters of the Corporation. Also, under Meetings of Directors and Committees Committee on Directors you can find information about suggestions for nominations to the Board of Directors.

The Board has established four standing committees to assist it in the discharge of its responsibilities.

Audit Committee. The Audit Committee's function is to assist the Board in its role in overseeing the accounting and financial reporting processes of the Company. The Audit Committee is responsible for the oversight of the integrity of the Corporation's financial statements, reviewing and approving the scope of the annual external audit, monitoring compliance with the Corporation's standards of business conduct and related policies, the qualifications and independence of its independent accountants, and the performance of its internal audit function. AUDIT COMMITTEE REPORT TO STOCKHOLDERS

This Audit Committee Report to Stockholders is not soliciting material and is not considered filed with the SEC. It is not to be incorporated by reference in any filing made by the Corporation under the Securities Act of 1933 (the Securities Act) or the Exchange Act, whether made before or after the date hereof, and irrespective of any general incorporation language in any such filing.

The Audit Committee is composed of three directors appointed by the Board of Directors and operates under a written charter adopted by the Board. This charter was amended by the Board in March 2003, and a copy of the current charter in effect is attached as Appendix A to this Proxy Statement. The members of the Audit Committee as of the date of this report are Dale V. Kesler (Chairman of the Committee), James C. Cooksey and John E. Grimes. Each member of the Audit Committee is independent, as that term is defined under the current rules of the NYSE for its listed companies.

Management is responsible for the Corporation's financial reporting process, including its internal accounting and financial controls, its disclosure controls and procedures, the internal audit function, and compliance with the Corporation's legal and ethics programs, as well as the preparation of consolidated financial statements in conformity with generally accepted accounting principles. The Corporation's independent auditors are responsible for performing an independent audit of the Corporation's consolidated financial statements in accordance with generally accepted auditing standards and for the issuance of a report on those financial statements. The Audit Committee has relied on management's representation that the financial statements have been prepared with objectivity and in conformity with accounting principles generally accepted in the U.S., and on the representations of the independent auditors included in their report on the Corporation's financial statements. It is not the duty or responsibility of the Audit Committee to conduct auditing or accounting reviews or procedures. The Audit Committee's responsibility is to monitor these processes and report our findings to the full Board.

In this context, the Audit Committee has met and held discussions, both separately and jointly, with management, the Corporation's internal auditors and Ernst & Young. Management represented to the Audit Committee that the Corporation's consolidated financial statements were prepared in accordance with generally accepted accounting principles. The Committee has reviewed and discussed the consolidated financial statements with management and Ernst & Young. Ernst & Young has discussed with the Audit Committee and provided written disclosures to the Committee members on (1) that firm's independence as required by the Independence Standards Board and (2) the matters required to be communicated by Statement on Auditing Standards No. 61 (Communication with Audit Committees). The Audit Committee reviewed the fees paid to Ernst & Young for audit services compared with the fees paid for other services and concurred with management that the fees paid for other services would not affect the independence of the auditors in performing their audit function.

Based on the Audit Committee's discussions with management and the independent accountants and the Audit Committee's review of the representations of management and the report of Ernst & Young to the Audit Committee, the Audit Committee recommended to the Board of Directors, and the Board of Directors approved, that the audited consolidated financial statements be included in the Corporation's Annual Report on Form 10-K for the year ended December 31, 2002, for filing with the SEC.

Respectfully submitted by the members of the Audit Committee of the Board of Directors

COMPENSATION COMMITTEE REPORT TO STOCKHOLDERS

The Compensation Committee of the Board of Directors (the Committee) is comprised of three outside directors who are not current or former employees of the Corporation. The Committee has furnished the following report on executive compensation. The Committee report documents the components of the Corporation's executive officer compensation programs and describes the compensation philosophy on which 2002 committee compensation determinations were made for the executive officers of the Corporation, including the Chief Executive Officer and the four other executive officers that are named in the Summary Compensation Table in this Proxy Statement (the Named Executive Officers).

Compensation Philosophy and Overall Objectives of Executive Compensation Programs

It is the philosophy of the Corporation that executive compensation should be directly linked to improvements in corporate performance and the creation of long-term stockholder value. The Committee has adopted the following objectives as guidelines for compensation decisions:

- Provide a competitive total executive compensation package that enables the Corporation to attract and retain key executives,
- Ensure that all pay programs are aligned with the Corporation's annual and long-term business objectives and strategy, and
- Provide variable compensation opportunities that are directly linked with the performance of the Corporation.

In 2002 the Committee engaged an independent consultant to assist the Committee's deliberations in determining 2002 compensation awards. For 2002, the Corporation's executive compensation program consisted of three components: (1) base salary, (2) an annual incentive award based on overall company performance, business unit performance and individual performance, and (3) a long-term incentive award that is intended to support the achievement of superior results over time and to align executive officer and stockholder interests. The Committee has the discretion to adjust or modify the final awards of the second and third components of the executive compensation program.

Cash Compensation

Cash compensation components included base salary and the Corporation's annual incentive compensation plan (the Incentive Plan) cash awards. The base salary of each of the executive officers is determined by an evaluation of the responsibilities of that position and by comparison to the 50th percentile of salaries paid in the competitive market in which the Corporation competes for comparable executive ability and experience. Annually, the performance of each Named Executive Officer is reviewed by the Committee and, in the case of the other executive officers, by the Chief Executive Officer, taking into account the Corporation's operating and financial results for that year, the contribution of each executive officer to these results, the achievement of goals established for each executive officer at the beginning of each year and competitive salary levels for persons in those positions in the markets in which the Corporation competes. To assist in its deliberations, the Committee is advised by independent compensation consultants in compiling comparable salary and incentive compensation information for a number of representative peer companies in the industry. Following its review of the performance of the Named Executive Officers, the Committee reports their recommendations for salaries and incentive awards to the Board of Directors.

Edgar Filing: IMCO RECYCLING INC - Form DEF 14A

The Corporation implemented the Incentive Plan in 1999. The Committee believes the Incentive Plan should be the principal short-term incentive plan for providing cash bonus opportunities for the Corporation's executives contingent upon profitability of operating results. The Incentive Plan's corporate financial targets for 2002 were (i) return on net assets (RONA) compared to the Corporation's peer group, and (ii) budgeted earnings before interest, taxes, depreciation and amortization (EBITDA).

Table of Contents

The Corporation met and exceeded certain Incentive Plan target goals for 2002, and Incentive Plan compensation awards were made to the Named Executive Officers. In December 2002, the Committee approved 2003 EBITDA and RONA target goals. The Committee will continue to review and modify the performance goals for the Incentive Plan as necessary in order to make overall Corporation objectives and expectations compatible with the plan's objectives of reasonableness, achievability and consistency.

Long Term Incentives

The Committee believes that it is important to align the interests of the Corporation's executive officers and other key management personnel responsible for the growth of the Corporation with the interests of the Corporation's stockholders. The Committee believes that this is best accomplished through the provision of stock-based and cash-based long-term incentives that align themselves to enhancing the Corporation's value. In 2002 the Committee awarded stock options for 375,000 shares of common stock under the Incentive Plan to the Named Executive Officers.

In 2000 the Board adopted, and the stockholders approved, the IMCO Recycling Inc. Performance Share Unit Plan. A total of 155,000 performance share units were awarded to the Named Executive Officers in 2002 for the three-year performance period ending December 31, 2004.

The Committee will continue to review long-term incentives and make recommendations, where it deems appropriate, to the Board of Directors from time to time, to assure that the Named Executive Officers and other key employees are appropriately motivated and rewarded based on the long-term financial success of the Corporation.

Chief Executive Officer Compensation

In determining the compensation of Don V. Ingram, the Chairman and Chief Executive Officer, the Committee considered the Corporation's operating and financial results for 2002, evaluated Mr. Ingram's individual performance and contribution to those results and considered the compensation range for other chief executive officers of companies in the industry. Based on that review and assessment, Mr. Ingram's annual base salary was increased by \$35,000, from \$525,000 to \$560,000, and Mr. Ingram received \$217,525 in cash bonus awards under the Incentive Plan.

Mr. Ingram was awarded 75,000 performance share units under the Performance Share Unit Plan. The value of this award, if any, will be based on the achievement of performance goals established for the three-year period ending December 31, 2004. During 2002, the Committee also recommended, and the Board approved, a grant of contractual restricted stock to Mr. Ingram of 200,000 shares. Mr. Ingram also was awarded stock options for 200,000 shares of common stock under the Incentive Plan during 2002.

Section 162(m) of the Internal Revenue Code

Edgar Filing: IMCO RECYCLING INC - Form DEF 14A

Section 162(m) of the Internal Revenue Code disallows a corporation's tax deduction for compensation paid to its chief executive officer and its named executive officers in excess of \$1,000,000 per person. Performance-based compensation and certain other compensation are not subject to this deduction limitation. Neither the Chief Executive Officer nor any of its Named Executive Officers received compensation in excess of this limitation in 2002. The Corporation reviews its compensation plans to minimize potential adverse effects of this legislation. The Committee will consider recommending such steps as may be required to qualify either annual or long-term incentive compensation as performance-based. However, the Committee reserves the authority to award non-deductible compensation under circumstances they consider appropriate and has not adopted a policy that all compensation must be deductible.

Summary

As a result of the concepts incorporated into the Corporation's compensation program, the Committee believes that the total compensation program for executive officers is competitive with the compensation programs provided by other companies with which the Corporation competes, and is well-designed to provide opportunities to participants that are consistent with the expectations of the Board of Directors and will serve the interests of the stockholders of the Corporation.

Respectfully submitted by the members of the Compensation Committee of the Board of Directors

The following performance graph compares the yearly percentage change in the cumulative total stockholder return on the Corporation's common stock (as measured by dividing: (i) the sum of (A) the cumulative dividends for the measurement period and (B) the difference between the common stock share price at the end and the beginning of the measurement period by (ii) the common stock share price at the beginning of the measurement period) with the cumulative total return assuming reinvestment of dividends of (1) The Standard and Poor's 500 Index, (2) The Standard and Poor's Small Cap 600 Index (which includes the Corporation) and (3) an index of peer companies selected by the Corporation consisting of: Wolverine Tube, Inc., Commonwealth Industries, Inc., Mueller Industries, Inc., Century Aluminum Company, Brush Engineered Materials Inc., Titanium Metals Corporation, Commercial Metals Company and Lone Star Technologies Inc. Special Metals Corporation, a former member of the Corporation's index of peer companies, is no longer publicly traded and is therefore not included in the index for 2002. The companies included in this index of peer companies were selected based on the following factors: (a) their participation in the metals industry, and (b) an asset base of between \$400 million and \$1.1 billion.

- (1) Value realized would be calculated based on the difference between the option exercise price and the closing market price of the common stock on the date of exercise, multiplied by the number of shares to which the exercise relates.
- (2) The last reported sale price of the Corporation's common stock on the NYSE composite tape on December 31, 2002 was \$8.13 per share.

Loan Program. During 1998, the Corporation extended loans to certain management employees under the Corporation's Executive Option Exercise Loan Program. This Exercise Loan Program was designed to facilitate these employees' ability to exercise their outstanding options and to pay their federal and state taxes realized upon exercise. All loans under the Exercise Loan Program bore interest at the applicable federal rate (determined under U.S. federal income tax regulations), and all loans were secured by the shares purchased from the proceeds of the loans. Interest on each Tax Loan was due and payable annually and at maturity. Interest on each Exercise Loan was due and payable at maturity. However, on each anniversary date of an Exercise Loan, if the employee had remained employed with the Corporation at that date, 50% of the interest accrued during the most recent year would be forgiven and the portion of the interest not forgiven from the prior year would also be forgiven.

During 2002, the maximum amount of these loans outstanding to two of the Named Executive Officers were as follows: (i) Mr. Kerr, \$454,390 (Exercise Loan) and \$131,784 (Tax Loan), and (ii) Mr. Dufour, \$540,000 (Exercise Loan) and \$305,822 (Tax Loan). In addition, during 2002 the Corporation had (i) \$105,110 in Exercise Loans outstanding and (ii) \$108,817 in Tax Loans outstanding, to one other executive officer who is not a Named Executive Officer.

During 2002, these loans were repaid in accordance with their terms. Under the Exercise Loan Program, participants could repay their loans either in cash or by delivery of shares of common stock having a market value equal to the outstanding indebtedness repaid. On May 9, 2002, Mr. Dufour delivered 79,528 shares of common stock owned by him having a market value of \$898,666 to repay his entire outstanding indebtedness of \$898,661. Mr. Kerr on May 9, 2002 delivered 48,800 shares of common stock owned by him having a market value of \$551,440

Edgar Filing: IMCO RECYCLING INC - Form DEF 14A

to repay a portion of his outstanding indebtedness in the amount of \$616,323. On December 12, 2002, Mr. Kerr delivered 9,001 shares of common stock owned by him having a market value of \$74,798 to repay the remaining outstanding balance of the indebtedness of \$74,798. All loans outstanding to the other executive officer were repaid in a similar manner on May 9, 2002.

Table of Contents**Long-Term Incentive Plans Awards in 2002**

The following table shows the performance share unit awards granted to the Named Executive Officers in 2002 under the IMCO Recycling Inc. Performance Share Unit Plan.

Name	Number of Shares, Units or Other Rights (#)	Performance or Other Period Until Maturation or Payout	Estimated Future Payouts under Non-Stock Price Plan		
			Threshold (\$ or #)	Target (\$ or #)	Maximum (\$ or #)
D.V. Ingram	75,000	01/01/02-12/31/04	\$ 450,000	\$ 2,250,000	\$ 6,750,000
R.L. Kerr	30,000	01/01/02-12/31/04	\$ 180,000	\$ 900,000	\$ 2,700,000
P.V. Dufour	30,000	01/01/02-12/31/04	\$ 180,000	\$ 900,000	\$ 2,700,000
W.L. Pennington	10,000	01/01/02-12/31/04	\$ 60,000	\$ 300,000	\$ 900,000
B.K. Hamilton	10,000	01/01/02-12/31/04	\$ 60,000	\$ 300,000	\$ 900,000

The amounts shown above under the Estimated Future Payouts columns are based upon levels of achievement of performance goals designated by the Compensation Committee for fiscal 2002 grants under the Performance Share Unit Plan. Performance goals for these grants are based in part upon the Corporation's return on net assets compared to a peer group of companies over the three-year period following date of grant and aggregate earnings before interest, taxes, depreciation and amortization (EBITDA) of the Corporation over this period. The target amount will be earned if the Corporation achieves 100% of the targeted EBITDA performance goals and is in the 60th percentile of the return on net assets achieved by its peer group. The threshold amount will be earned if the Corporation achieves 90% of the targeted EBITDA performance goals and is in the 40th percentile of the return on net assets achieved by its peer group. The maximum award amount will be earned if the Corporation achieves 130% of the targeted EBITDA performance goals and is in the 90th percentile of the return on net assets achieved by its peer group. Based on the Corporation's results of operations for 2000, 2001 and 2002, no accruals for financial accounting purposes have been made for any payout of any awards made under the Performance Share Unit Plan.

Employment Agreements

The Corporation entered into an employment agreement with Mr. Ingram effective September 1, 2000. The term of the agreement, extended in 2002, expires on September 1, 2003 unless extended. This agreement provides for an annual base salary to Mr. Ingram to be approved by the Board of Directors and provides for Mr. Ingram's participation in the Corporation's Incentive Plan, Performance Share Unit Plan, stock option plans and other benefit plans made available to senior executives.

If the employment agreement is terminated by the Corporation without cause (as defined in the agreement) prior to a change in control (as defined in the agreement), the Corporation will pay Mr. Ingram in a lump sum no later than the termination date an amount equal to two times Mr. Ingram's base amount (his average annual compensation includible in his income for the five years preceding his termination, determined by reference to Section 280G of the Internal Revenue Code). If Mr. Ingram resigns for good reason (as defined in the agreement) before a change in control, the Corporation will pay to Mr. Ingram an amount equal to two and one-half (2.5) times his base amount, payable in installments over a 23-month period following the termination date.

If Mr. Ingram is terminated without cause in connection with a change in control, or he resigns for good reason in connection with a change in control, or if he resigns or is terminated within a 30-day period beginning on the first anniversary date of the change in control, the Corporation will pay Mr. Ingram an amount equal to 2.99 times his base amount, calculated as of the termination date. This amount will be payable to him in a lump sum no later than the date of termination, or in the case of a termination without cause, in installments over a 23-month period following the termination date. In other instances, upon resignation Mr. Ingram will be entitled to receive in installments over a 23-month period severance pay in an amount equal to one times his highest annual base salary in effect over the term of the agreement in certain instances. If he is terminated for cause, he

Table of Contents

will be entitled to severance pay in an amount up to his annual base salary amount in effect as of the termination date, payable in installments over a 23-month period following termination. The Corporation will be obligated to pay cash tax gross-up amounts to Mr. Ingram in the event that he becomes subject to the excise tax imposed by Section 4999 of the Internal Revenue Code as the result of a change in control under Section 280G of the Code.

Under the agreement, Mr. Ingram agreed to certain confidentiality and non-competition obligations and was granted 400,000 shares of restricted stock under a restricted stock award agreement.

The Corporation entered into similar employment agreements with Messrs. Dufour, Kerr and Pennington. The date of Mr. Dufour's agreement is September 1, 2000, Mr. Kerr's is February 1, 2001 and Mr. Pennington's is November 1, 2001. Each agreement is for a two-year term, but is automatically renewable for additional one year terms, unless either party provides prior written notice of termination. These agreements provide for annual base salaries to Mr. Dufour of \$292,000 and Mr. Kerr of \$300,000. Mr. Pennington's agreement provides for a base salary as approved by the Corporation. Each agreement provides for participation in the Corporation's Incentive Plan, Performance Share Unit Plan, stock option plans and other benefit plans made available to senior executives.

The overall terms of Messrs. Dufour's, Kerr's and Pennington's employment agreements are similar to Mr. Ingram's, except that the amounts paid to Messrs. Dufour, Kerr and Pennington upon termination of employment on the same conditions contained in Mr. Ingram's agreement are either the same or less. The Corporation is also obligated to pay cash tax gross-up amounts to Mr. Dufour or Mr. Kerr in the event that either of them becomes subject to the excise tax imposed by Section 4999 of the Internal Revenue Code as the result of a change in control under Section 280G of the Code. The agreements contain certain confidentiality and non-competition obligations on the part of Messrs. Dufour, Kerr and Pennington. In addition, the agreements provided that Messrs. Dufour and Kerr were granted 160,000 and 90,000 shares, respectively, of restricted stock under restricted stock award agreements. See Summary of Cash and Certain Other Compensation.

Directors Compensation

Retainers. The 1996 Annual Incentive Program provides that an annual retainer in dollars will be set by the Board for each year. For 2002, the annual retainer amount was \$24,000. The retainer will be paid in four quarterly installments following the annual meeting of stockholders of the Corporation each year. One-half of the retainer will be paid in shares of common stock, and the remaining one-half will be paid, at the election of the director, in either cash or shares of common stock. The directors make their election on the date of the annual meeting of stockholders of the Corporation. The number of shares to be issued each quarter will be calculated by dividing the amount of the retainer to be paid in stock for that installment by the closing price per share of the common stock as of the close of business on the last trading day of that quarter.

In addition, each director is entitled to receive \$1,250 per Board or committee meeting attended and \$500 for telephonic meetings. The Chairmen of the Audit and Compensation Committees are to receive an annual cash retainer of \$6,000 and \$4,000, respectively. The Chairmen of the Committee on Directors and the Environmental Committee are each to receive an annual cash retainer of \$2,000. Each director receives an attendance fee of \$625 for attending committee meetings occurring on the same date as a Board meeting.

Stock Options. The Corporation's 1992 Stock Option Plan provided that each incumbent non-employee director will receive a grant of stock options for 4,000 shares of common stock on the date of the annual meeting of stockholders of the Corporation for that particular year. The exercise price per share would be equal to the closing price per share on the NYSE on the day the annual meeting is held. For a newly-elected or newly-appointed director, the Corporation will grant him or her a stock option for 8,000 shares effective on the date he or she is elected or appointed. The exercise price will be equal to the closing price per share on the NYSE on the date of grant. All options granted will fully vest six

months after the date of grant.

Table of Contents

In December 2002, the 1992 Stock Option Plan expired. For non-employee director grants in 2003, the Board anticipates granting options under the same terms as described above under the Board's authority to grant discretionary options under the Corporation's 1996 Annual Incentive Plan.

Compliance with Section 16(a)

Section 16(a) of the Exchange Act requires the Corporation's officers, directors and persons who own more than 10% of the Corporation's common stock to file initial reports of ownership and reports of changes in ownership with the SEC. These persons are required by SEC regulations to furnish the Corporation with copies of all Section 16(a) forms filed by them. Based solely upon the Corporation's review of those forms furnished to it, the Corporation believes that all filing requirements applicable to the Corporation's executive officers, directors and 10% stockholders were complied with during 2002, except that

- Grants of stock options made on December 15, 2002 to Messrs. Ingram, Kerr, Dufour and Hamilton, and to executive officers James B. Walburg, Robert R. Holian and J. Tomas Barrett, were reported five days late; and
- Mr. Cooksey failed to timely report his open market purchase of 3,000 shares of common stock in March 2002.

PROPOSAL TO RATIFY APPOINTMENT OF INDEPENDENT AUDITORS

The Board, on the recommendation of its Audit Committee, has selected Ernst & Young LLP as its independent auditors to examine the consolidated financial statements of the Corporation for 2003. Stockholders are being asked to ratify this appointment. The Corporation has been informed that neither Ernst & Young nor any of its partners have any direct financial interest or any material indirect financial interest in the Corporation nor have had any connection during the past three years with the Corporation in the capacity of promoter, underwriter, voting trustee, director, officer or employee.

If the stockholders fail to ratify this selection, the Board and the Audit Committee will reconsider whether or not to retain Ernst & Young. Even if the selection is ratified, the Board and the Audit Committee may direct the appointment of a different independent accounting firm at any time during the year if they determine that such a change would be in the best interests of the Corporation.

During fiscal 2002 and 2001, the Corporation engaged Ernst & Young to provide the following services:

- **Audit Fees** the total fees billed by Ernst & Young for 2002 and 2001 for professional services rendered for the audit of the Corporation's annual financial statements (including statutory audits of foreign subsidiaries and separate company audits of joint ventures and partnerships) and review of its financial statements included in its Form 10-Qs were \$595,200 and \$356,275, respectively.
- **Audit-Related Fees** the total fees billed by Ernst & Young in 2002 and 2001 for assurance and related services related to the performance of the audit or review of the Corporation's financial statements and not reported under Audit Fees above, were \$277,122

Edgar Filing: IMCO RECYCLING INC - Form DEF 14A

and \$63,000, respectively. These services consisted of due diligence on various business ventures and employee benefit plan audits.

- **Tax Fees** the total fees billed in 2002 and 2001 for professional services rendered by Ernst & Young for tax compliance, tax consulting, and tax planning were \$64,330 and \$8,225, respectively.
- **All Other Fees** the total fees billed by Ernst & Young in 2002 and 2001 for all services provided, other than the services reported above, were \$11,055 and \$0, respectively. These services consisted of accounting methodology research.

The Audit Committee considered the nature of the services rendered and the non-audit-related services, and did not consider the non-audit services to be incompatible with the auditors' independence.

Table of Contents

Representatives of Ernst & Young LLP are expected to be present at the annual meeting of stockholders with the opportunity to make a statement if they so desire and to be available to respond to appropriate questions.

The Board recommends that stockholders vote **FOR** the ratification of the appointment of Ernst & Young LLP as the Corporation's independent auditors for 2003.

OTHER MATTERS

The Corporation will bear all costs of this proxy solicitation. In addition to soliciting proxies by mail, directors, executive officers and employees of the Corporation, without receiving additional compensation, may solicit proxies by telephone, by telegram or in person. Arrangements will also be made with brokerage firms and other custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of shares of the common stock, and the Corporation will reimburse these brokerage firms and other custodians, nominees and fiduciaries for reasonable out-of-pocket expenses incurred by them in connection with forwarding such materials.

The Board does not know of any business to be presented for consideration at the Annual Meeting other than that stated in the accompanying Notice. It is intended, however, that the persons authorized under the Board's proxies may, in the absence of instructions to the contrary, vote or act in accordance with their judgment with respect to any other proposal properly presented for action at such meeting.
