Section 2 - Financial Information

Item 2.01 Completion of Acquisition or Disposition of Assets

On September 1, 2005, together with our wholly owned subsidiary Prima Oil Company, Inc., we finalized the sale of certain assets to Texas Energy Trust Company and its trustee, George Hillyer ("Buyer"). These assets include the following:

- o Certain leases for the production of oil and natural gas located in Marion County, West Virginia (the "Marion County Leases");

Edgar Filing: TRANS ENERGY INC - Form 8-K

- o Certain oil or natural gas wells located on the Marion County Leases (the "Marion County Wells"), together with all of the equipment and other tangible personal property physically attached to any of the wells, including all pipelines, rights of way, easements, well head equipment and leasehold estates;
- o Certain vehicles and other equipment, parts, inventories and hand tools;
- o Miscellaneous well logs, maps, production data, sales records and histories, royalty payment records and other information concerning the Marion County Leases and Marion County Wells;
- o A \$50,000 reclamation bond pursuant to which all of the Marion County Wells, and others, are permitted;
- o Certain cash and trade accounts receivable generated by the operations and results of operations of the Marion County Leases and Marion County Wells, realized on or after August 1, 2005; and
- o All the outstanding capital common stock of Cobham Gas Industries held by Trans Energy, Inc. or any of our affiliates.

The assets are a portion of those total assets we acquired in November 2004 from Texas Energy Trust through Prima Oil Company. In consideration for the above referenced assets, the Buyer will provide the following to us:

- o The return to us of 244,633 shares of Trans Energy, Inc. common stock initially issued to Buyer in January 2005 and which shares are to be valued at the closing price per share of our common stock on the closing date;
- o The return to us of all of Buyer's options, warrants and future rights to acquire any securities of Trans Energy or any of our affiliates;
- o We will retain the right to use through December 31, 2005 the \$50,000 reclamation bond in order to comply with certain West Virginia bonding requirements; and
- o Buyer will assume responsibility for the payment of certain loans in the amount of \$96,839, the liabilities related to the plugging of certain of the Marion County Wells, all expenses related to operation, maintenance and ownership of the Marion County Leases and the Marion County Wells incurred on or after August 1, 2005.

In addition to the above, we have agreed to fulfill the remaining payment obligations to Buyer under that certain agreement dated November 5, 2004, and we will retain responsibility for the payment of certain debts related to Cobham Gas Industries.
