### DEREGISTRATION OF SECURITIES

Access Integrated Technologies, Inc. (the “Registrant”) is filing this post-effective amendment to deregister securities registered for issuance on Registration Statement on Form SB-2, No. 333-107711 (the “Registration Statement”). The securities which remain unsold under the Registration Statement consist of 3,775 shares of Class A common stock, par value \$0.001, which were issuable upon the exercise of warrants that expired on November 10, 2007, and those securities are hereby deregistered. As a result of this deregistration, no securities remain registered for sale pursuant to this Registration Statement. The securities are being deregistered because the warrants, upon the exercise of which the remaining shares of common stock could have been issued, have expired, and therefore will never be issued.
