Item 6. Indemnification of Directors and Officers

Article XIV of the Registrant's Articles of Incorporation requires indemnification of directors and officers to the fullest extent permitted by the Washington Business Corporation Act ("WBCA"). However, the indemnity does not apply to (1) acts or omissions finally adjudged to violate law, (2) conduct finally adjudged to violate the WBCA prohibition against unlawful distributions by the corporation or (3) any transaction with respect to which it was finally adjudged that the director or officer personally received a benefit to which he/she was not legally entitled.

Effective January 26, 2010, the Registrant entered into an indemnification agreement with each of its directors. Each indemnification agreement provides generally that the Registrant will hold harmless and indemnify the director to the fullest extent permitted by law against any and all losses, claims, damages and liabilities, including but not limited to judgments, fines, amounts paid in settlement and any related expenses, incurred with respect to any proceeding in which the director is or is threatened to be made a party by reason of the fact that he or she is or was serving as a director of the Registrant or, at the request of the Registrant, is or was serving as a director, officer, employee, trustee or agent of the Registrant or of another entity. Each indemnification agreement further provides that, upon the director's request, the Registrant will advance expenses to the director, subject to the director's agreeing to repay the advanced funds if it is ultimately determined, by a final, non-appealable court decision, that he or she is not entitled to be indemnified for such expenses. In addition, each indemnification agreement requires the Registrant to use its best efforts to maintain in effect director and officer liability insurance coverage containing substantially the same terms and conditions as the director and officer liability insurance policy in effect at the time the indemnification agreement was entered into.

The WBCA provides for indemnification of directors, officers, employees and agents in certain circumstances. WBCA Section 23B.08.510 provides that a corporation may indemnify an individual made a party to a proceeding because the individual is or was a director against liability incurred in the proceeding if (a) the director acted in good faith, (b) the director reasonably believed that the director's conduct was in the best interests of the corporation, or in certain instances, at least not opposed to its best interests and (c) in the case of any criminal proceeding, the director had no reasonable cause to believe the director's conduct was unlawful. However, a corporation may not indemnify a director under this section (a) in connection with a proceeding by or in the right of the corporation in which the director was adjudged liable to the corporation or (b) in connection with any other proceeding charging improper personal benefit to the director in which the director was adjudged liable on the basis that personal benefit was improperly received by the director. WBCA Section 23B.08.520 provides that unless limited by the articles of incorporation, a corporation must indemnify a director who was wholly successful in the defense of any proceeding to which the director was a party because of being a director of the corporation against reasonable expenses incurred by the director in connection with the proceeding. WBCA Section 23B.08.540 provides a mechanism for court-ordered indemnification.

WBCA Section 23B.08.570 provides that unless a corporation's articles of incorporation provide otherwise, (1) an officer of the corporation who is not a director is entitled to mandatory indemnification under WBCA Section 23B.08.520, and is entitled to apply for court-ordered indemnification under WBCA Section 23B.08.540, (2) the corporation may indemnify and advance expenses under WBCA Section 23B.08.510 through 23B.08.560 to an officer, employee or agent of the corporation who is not a director to the same extent as to a director and (3) a corporation may also indemnify and advance expenses to an officer, employee or agent who is not a director to the extent, consistent with law, that may be provided by its articles of incorporation, bylaws, general or specific action of its board of directors or contract. WBCA Section 23B.08.580 provides that a corporation may purchase insurance on behalf of an individual who is or was a director, officer, employee or agent of the corporation against liability asserted against or incurred by the individual in that capacity, whether or not the corporation would have power to indemnify the individual against the same liability under WBCA Section 23B.08.510 or 23B.08.520.

Item 9. Undertakings

(a) The undersigned Registrant hereby undertakes:

1. To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement: (i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933; (ii) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered

II-3

(if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement; and (iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change in such information in the Registration Statement; provided, however, that clauses (i) and (ii) do not apply if the information required to be included in a post-effective amendment by those clauses is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement.

2. That, for the purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed the initial bona fide offering thereof.

3. To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for the purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officer and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Walla Walla, State of Washington, on May 4, 2018.
