Edgar Filing: MERGE TECHNOLOGIES INC - Form S-8

The undersigned Registrant hereby undertakes:

1. To file, during any period in which it offers or sells securities, a post-effective amendment to this Registration Statement;
 - (i) to include any Prospectus required by Section 10(a)(3) of the Act; and
 - (ii) to reflect in the Prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement; and
 - (iii) to include any additional or changed material information on the plan of distribution; provided, however, that paragraphs (1)(i) and (ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in a periodic report filed by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference into this Registration Statement.

In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

ARTICLE III

GRANTING OF OPTIONS

SECTION 3.1 - ELIGIBILITY

Any Eligible Participant of the Company or of any corporation which is then a Subsidiary and any person eligible to receive Rollover Options shall be eligible to be granted Options.

Notwithstanding the above, the Committee may delegate certain powers relating

fair market values of such shares on the five (5) most recent trading days prior to the date that such Option is granted. In the case of Rollover Options, the Committee shall take into account the exercise price of the options being replaced but shall not be required to grant Rollover Options at a price equal to or greater than such previous exercise price.

(b) For purposes of the Plan, the fair market value of a share of the Company's stock as of a given date shall be: (i) the closing price of the Common Stock on the principal national stock exchange on which the shares are listed on such date or, if shares were not traded on such date, then on the next preceding trading day during which a sale occurred; or (ii) if such stock is not listed on an exchange but is quoted on NASDAQ or a successor quotation system, (1) the last sales price (if the stock is then listed on NASDAQ) or (2) the mean between the closing representative bid and asked prices (in all other cases) for the stock on such date as reported by NASDAQ or such successor quotation system; or (iii) if such stock is not listed on an exchange and not quoted on NASDAQ or a successor quotation system, the mean between the closing bid and asked prices for the stock, on such date, as determined in good faith by the Committee; or (iv) if the Company's stock is not publicly traded, the fair market value established by the Committee acting in good faith. In determining the fair market value of the Company's Common Stock under subsection 1 (b) of this Section 4.2, the Committee may rely on the closing price as reported in the Wall Street Journal.

SECTION 4.3 - COMMENCEMENT OF EXERCISABILITY

(a) Subject to the provisions of Sections 4.3(b) and 7.3, Options shall become exercisable at such times and in such installments (which may be cumulative) as the Committee shall provide in the terms of each individual Option; provided, however, that by a resolution adopted after an Option is granted the Committee may, on such terms and conditions as it may determine to be appropriate and subject to Sections 4.3(b) and 7.3, accelerate the time at which such Option or any portion thereof may be exercised.

(b) No portion of an Option which is unexercisable at Termination of Participation shall thereafter become exercisable.

SECTION 4.4 - EXPIRATION OF OPTIONS

(a) No Option may be exercised to any extent by anyone after the first to occur of the following events:

(i) The expiration of fifteen (15) years and one (1) day from the date the Option was granted; or

(ii) The expiration of three (3) months from the date of the Optionee's Termination of Participation; or

(iii) The engagement by the Employee in willful misconduct which injures the Company or any of its Subsidiaries.

(b) Subject to the provisions of Section 4.4(a), the Committee shall provide, in the terms of each individual Option, when such Option expires and become unexercisable; and (without limiting the generality of the foregoing) the Committee may provide in the terms of individual Options that said Options expire immediately upon a Termination of Participation for any reason.

Edgar Filing: MERGE TECHNOLOGIES INC - Form S-8

SECTION 4.5 - TENURE OF EMPLOYMENT

Nothing in this Plan or in any Stock Option Agreement hereunder shall confer upon any Optionee any right to continue in the employ of the Company or any Subsidiary or shall interfere with or restrict in any way the rights of the Company and its Subsidiaries, which are hereby expressly reserved, to discharge any Optionee at any time for any reason whatsoever, with or without cause.

SECTION 4.6 - ADJUSTMENTS IN OUTSTANDING OPTIONS

In the event that the outstanding shares of the stock subject to Options are changed into or exchanged for a different number or kind of shares of the Company or other securities of the Company by reason of merger, consolidation, recapitalization, reclassification, stock split-up, stock dividend, combination of shares or otherwise, the Committee shall make an appropriate and equitable adjustment in the number and kind of shares as to which all outstanding Options, or portions thereof then unexercised, shall be exercisable, to the end that after such event the Optionee's proportionate interest shall be maintained as before the occurrence of such event. Such adjustment in an outstanding Option shall be made without change in the total price applicable to the Option or the unexercised portion of the Option (except for any change in the aggregate price resulting from rounding-off of share quantities or prices) and with any necessary corresponding adjustment in Option price per share. Any such adjustment made by the Committee shall be final and binding upon all Optionees, the Company and all other interested persons.

SECTION 4.7 - MERGER, CONSOLIDATION, ACQUISITION, LIQUIDATION OR DISSOLUTION

In the event of: (1) a merger or consolidation in which the Company is not the surviving corporation; or (2) a reverse merger in which the Company is the surviving corporation but the shares of the Company's common stock outstanding immediately preceding the merger are converted by virtue of the merger into other property, whether in the form of securities, cash or otherwise, then to the extent permitted by applicable law: (i) any surviving corporation shall assume any of the options outstanding under the Plan or shall substitute similar options for those outstanding under the Plan, or (ii) such options shall continue in full force and effect. In the event any surviving corporation refuses to assume or continue such options, or to substitute similar options for those outstanding under the Plan, then, the time at which such options may first be exercised shall be accelerated and the options terminated if not exercised prior to such event. In the event of a dissolution or liquidation of the Company, any options outstanding under the Plan shall terminate if not exercised prior to such event.

ARTICLE V

EXERCISE OF OPTIONS

SECTION 5.1 - PERSON ELIGIBLE TO EXERCISE

During the lifetime of the Optionee, only he or she may exercise an Option granted to him or her, or any portion thereof. After the death of the Optionee, any exercisable portion of an Option may, prior to the time when such portion becomes unexercisable under Section 4.4 or Section 4.7, be exercised by his personal representative or by any person empowered to do so under the deceased Optionee's will or under the then applicable laws of descent and distribution.

Edgar Filing: MERGE TECHNOLOGIES INC - Form S-8

SECTION 5.2 - PARTIAL EXERCISE

At any time and from time to time prior to the time when any exercisable Option or exercisable portion thereof become unexercisable under Section 4.4 or Section 4.7, such Option or portion thereof may be exercised in whole or in part; provided, however, that the Company shall not be required to issue fractional shares and the Committee may, by the terms of the Option, require any partial exercise to be with respect to a specified minimum number of shares.

SECTION 5.3 - MANNER OF EXERCISE

An exercisable Option, or any exercisable portion thereof, may be exercised solely by delivery to the Secretary or his or her office of all of the following prior to the time when such Option or such portion becomes unexercisable under Section 4.4 or Section 4.7:

(a) Notice in writing signed by the Optionee or other person then entitled to exercise such Option or portion, stating that such Option or portion is exercised, such notice complying with all applicable rules established by the Committee; and

(b) (i) Full payment (in cash or by check) for the shares with respect to which such Option or portion is thereby exercised; or

(ii) Subject to the Committee's consent, full payment in any other form approved by the Committee, consistent with applicable law and the Plan; or

(iii) Any combination of the consideration provided in the foregoing subsections (i) and (ii); and

(c) On, or prior to the date the same is required to be withheld, full payment (in cash or by check) of any amount that must be withheld by the Company for federal, state and/or local tax purposes; and

(d) Such representations and documents as the Committee, in its absolute discretion, deems necessary or advisable to effect compliance with all applicable provisions of the Securities Act and any other federal or state securities laws or regulations. The Committee may, in its absolute discretion, also take whatever additional actions it deems appropriate to effect such compliance including, without limitation, placing legends on share certificates and issuing stop-transfer orders to transfer agents and registrars; and

(e) In the event that the Option or portion thereof shall be exercised pursuant to Section 5.1 by any person or persons other than the Optionee, appropriate proof of the right of such person or persons to exercise the Option or portion thereof.

SECTION 5.4 - CONDITIONS TO ISSUANCE OF STOCK CERTIFICATES

SECTION 6.2 - DUTIES AND POWERS OF COMMITTEE

It shall be the duty of the Committee to conduct the general administration of the Plan in accordance with its provisions. The Committee shall have the power to interpret the Plan and the Options and to adopt such rules for the administration, interpretation and application of the Plan as are consistent therewith and to interpret, amend or revoke any such rules. In its absolute discretion, the Board may at any time and from time to time exercise any and all rights and duties of the Committee under the Plan.

SECTION 6.3 - MAJORITY RULE

The Committee shall act by a majority of its members in office. The Committee may act either by vote at a meeting or by a memorandum or other written instrument signed by a majority of the Committee.

SECTION 6.4 - COMPENSATION: PROFESSIONAL ASSISTANCE: GOOD FAITH ACTIONS

Members of the Committee shall receive such compensation for their services as members as may be determined by the Board. All expenses and liabilities incurred by members of the Committee in connection with the administration of the Plan shall be borne by the Company. The Committee may, with the approval of the Board, employ attorneys, consultants, accountants, appraisers, brokers or other persons. The Committee, the Company and its Officers and Directors shall be entitled to rely upon the advice, opinions or valuations of any such persons. All actions taken and all interpretations and determinations made by the Committee in good faith shall be final and binding upon all Optionees, the Company and all other interested persons. No member of the Committee shall be personally liable for any action, determination or interpretation made in good faith with respect to the Plan or the Options, and all members of the Committee shall be fully protected by the Company in respect to any such action, determination or interpretation.

ARTICLE VII

OTHER PROVISIONS

SECTION 7.1 - OPTIONS NOT TRANSFERABLE

No Option or interest or right therein or part thereof shall be liable for the debts, contracts or engagements of the Optionee or his successors in interest or shall be subject to disposition by transfer, alienation, pledge, encumbrance, assignment or any other means whether such disposition be voluntary or involuntary or by operation of law by judgment, levy, attachment, garnishment or any other legal or equitable proceedings (including bankruptcy), and any attempted disposition thereof shall be null and void and of no effect; provided, however, that nothing in this Section 7.1 shall prevent transfers by will or by the applicable laws of descent and distribution.

SECTION 7.2 - AMENDMENT, SUSPENSION OR TERMINATION OF THE PLAN

The Plan may be wholly or partially amended or otherwise modified, suspended or terminated at any time or from time to time by the Board. Neither

the amendment, suspension nor termination of the Plan shall, without the consent of the holder of the Option, impair any rights or obligations under any Option theretofore granted. No Option may be granted during any period of suspension nor after termination of the Plan, and in no event may any Option be granted under this Plan after the expiration of ten (10) years from the date the Plan is adopted by the Board.

SECTION 7.3 - COMPLIANCE WITH SECTION 16 OF THE EXCHANGE ACT

With respect to persons subject to Section 16 of the Exchange Act, transactions under this Plan are intended to comply with all applicable conditions of Rule 16b-3 or its successors under the Exchange Act. To the extent any provision of this Plan or action by the Committee fails to so comply at such time that the Company is subject to the reporting requirements of the Exchange Act, it shall be deemed null and void to the extent permitted by law and deemed advisable by the Committee.

SECTION 7.4 - EFFECT OF PLAN UPON OTHER OPTION AND COMPENSATION PLANS

The adoption of this Plan shall not affect any other compensation or incentive plans in effect for the Company or any Subsidiary or modify the rights of any person holding options issued pursuant to the Original Plan. Nothing in this Plan shall be construed to limit the right of the Company or any Subsidiary (a) to establish any other forms of incentives or compensation for employees of the Company or any Subsidiary or (b) to grant or assume options otherwise than under this Plan in connection with any proper corporate purpose, including, but not by way of limitation, the grant or assumption of options in connection with the acquisition by purchase, lease, merger, consolidation or otherwise, of the business, stock or assets of any corporation, firm or association.
