PROXY STATEMENT
OF
PARKE BANCORP, INC.

ANNUAL MEETING OF SHAREHOLDERS
April 19, 2016

GENERAL

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Parke Bancorp, Inc., the bank holding company for Parke Bank, a New Jersey chartered commercial bank, to be used at the Annual Meeting of Shareholders to be held at the Terra Nova restaurant, 590 Delsea Drive, Washington Township, New Jersey, on April 19, 2016, at 10:00 a.m. The accompanying Notice of Annual Meeting and this Proxy Statement are being first mailed to shareholders on or about March 18, 2016.

At the Annual Meeting, shareholders will consider and vote upon (i) the election of four directors of the Company and (ii) the ratification of the appointment of RSM US LLP as the Company's independent auditor for the fiscal year ending December 31, 2016.

The Board of Directors knows of no additional matters that will be presented for consideration at the Annual Meeting. Execution of a proxy, however, confers on the designated proxy holder the discretionary authority to vote the shares represented by such proxy in accordance with their best judgment on such other business, if any, which may properly come before the Annual Meeting or any adjournment thereof.

VOTING AND PROXY PROCEDURES

Who Can Vote at the Annual Meeting

You are only entitled to vote at the Annual Meeting if our records show that you held shares of our common stock, par value \$0.10 per share (the "Common Stock"), as of the close of business on March 10, 2016 (the "Record Date"). If your shares are held by a broker or other intermediary, you can only vote your shares at the Annual Meeting if you have a properly executed proxy from the record holder of your shares (or their designee). As of the Record Date, a total of 6,221,256 shares of Common Stock were outstanding. Each share of Common Stock has one vote on each matter presented.

Voting by Proxy

The Board of Directors is sending you this Proxy Statement for the purpose of requesting that you allow your shares of Common Stock to be represented at the Annual Meeting by the persons named in the enclosed proxy card. As shown on your proxy card, you may also vote your shares by internet or telephone voting. All shares of Common Stock represented at the Annual Meeting by properly executed and dated proxies will be voted according to the instructions indicated on the Proxy. If you execute a proxy (by any permitted method) without giving voting instructions, your shares will be voted as recommended by the Company's Board of Directors. The Board of Directors recommends a vote "FOR" its nominees for director and "FOR" the ratification of the appointment of RSM US LLP as our independent auditors.

If any matters not described in this Proxy Statement are properly presented at the Annual Meeting, the persons named in the proxy will vote your shares as determined by a majority of the Board of Directors. If the Annual Meeting is postponed or adjourned, your Common Stock may be voted by the persons named in the proxy card on the new Annual Meeting dates as well, unless you have revoked your proxy. The Company does not know of any other matters to be presented at the Annual Meeting.

You may revoke your proxy at any time before the vote is taken at the Annual Meeting. To revoke your proxy you must advise the Company's Secretary in writing before your Common Stock has been voted at the Annual Meeting, deliver a later-dated proxy, or attend the Annual Meeting and vote your shares in person. Attendance at the Annual Meeting will not in itself revoke your proxy.

If you hold your Common Stock in "street name," you will receive instructions from your broker, bank or other nominee that you must follow in order to have your shares voted. Your broker, bank or other nominee may allow you to deliver your voting instructions via the telephone or the Internet. Please see the instruction form provided by your broker, bank or other nominee that accompanies this Proxy Statement. In order to vote at the Annual Meeting you will need special documentation from your broker, bank or other nominee.

Vote Required

The Annual Meeting can only transact business if a majority of the outstanding shares of Common Stock entitled to vote is represented at the Annual Meeting. If you execute a valid proxy or attend the Annual Meeting in person, your shares will be counted for purposes of determining whether there is a quorum even if you abstain or withhold your vote or do not vote your shares at the Annual Meeting. Broker non-votes will be counted for purposes of determining the existence of a quorum. A broker non-vote occurs when a broker, bank or other nominee holding shares for a beneficial owner does not have discretionary voting power with respect to the agenda item and has not received voting instructions from the beneficial owner.

In voting on the election of directors (Proposal I), you may vote in favor of the nominees or withhold votes as to any or all nominees. There is no cumulative voting in the election of directors. Directors must be elected by a plurality of the votes cast at the Annual Meeting. This means that the nominees receiving the greatest number of votes will be elected. Votes that are withheld and broker non-votes will have no effect on the outcome of the election.

In voting to ratify the appointment of RSM US LLP as our independent auditors (Proposal II), you may vote in favor of the proposal, against the proposal or abstain from voting. To be approved, Proposal II requires the affirmative vote of a majority of the votes cast at the Annual Meeting. Broker non-votes and abstentions will not be counted as votes cast and will have no effect on the voting on this proposal.

Persons and groups beneficially owning more than 5% of the Common Stock are required to file certain reports regarding their ownership with the Securities and Exchange Commission. Shareholder Communications

The Board of Directors does not have a formal process for shareholders to send communications to the Board. In view of the infrequency of shareholder communications to the Board of Directors, the Board does not believe that a formal process is necessary. Written communications received by the Company from shareholders are shared with the full Board no later than the next regularly scheduled Board meeting. The Board encourages, but does not require, directors to attend the annual meeting of shareholders. All of the ten Board members attended the 2015 annual meeting of shareholders.

Board Leadership Structure and Role in the Risk Management Process

Director Vito S. Pantilione serves as Chief Executive Officer of the Company and Director Celestino R. Pennoni serves as Chairman of the Board. The Board of Directors has determined that the separation of the offices of Chairman of the Board and Chief Executive Officer and President enhances Board independence and oversight. Moreover, the separation of the Chairman of the Board and Chief Executive Officer and President allows the Chief Executive Officer and President to better focus on his growing responsibilities of running the Company, enhancing shareholder value and expanding and strengthening our franchise while allowing the Chairman of the Board to lead the Board in its fundamental role of providing advice to and independent oversight of management.

We face a number of risks, including credit risk, interest rate risk, liquidity risk, operational risk, strategic risk and reputation risk. Management is responsible for the day-to-day management of the risks the Company faces, while the Board, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, the Board of Directors has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed. To do this, the Chairman of the Board meets regularly with management to discuss strategy and risks facing the Company. Senior management attends the Board meetings and is available to address any questions or concerns raised by the Board on risk management and any other matters. The Chairman of the Board and independent members of the Board work together to provide strong, independent oversight of the Company's management and affairs through its Audit, Loan and Asset/Liability committees and, when necessary, special meetings of independent directors.

Nonqualified Deferred Compensation. The Bank implemented a Supplemental Executive Retirement Plan (“SERP”) effective January 1, 2003. Vito S. Pantilione, President, is a participant in the SERP. Under the SERP, retirement benefits are payable to such participant commencing upon retirement after attainment of age 60 at the rate of 50% of their highest base salary paid while an employee of the Bank for the remainder of their life. If such retirement benefit payments are made for less than ten years, a survivor benefit will continue to be paid for the balance of such ten-year period. Such benefits are in addition to any social security benefits. Upon a change of control of the Bank prior to the date of retirement of a participant, all benefits shall be deemed earned and non-forfeitable as if such participant had attained his or her retirement date at age 60. A participant may elect to retire after age 55 and such benefits payable shall be actuarially reduced to reflect the earlier payment commencement date. If a participant dies prior to age 60 while employed by the Bank, a survivor benefit will be paid equal to 100% of the participant’s highest salary for one year and 50% of such salary for four additional years. Benefits under the plan may be paid in the form of a lump sum on an actuarially equivalent basis. At December 31, 2015, the Bank had a total accrued liability of \$3.6 million with respect to benefits payable under the SERP. Benefits under the SERP will be a tax-deductible expense to the Bank at the time that actual benefit payments are made. The Bank has invested in various life insurance agreements

(commonly known as BOLI, for bank-owned life insurance) with policy proceeds payable to the Bank in the event of the death of plan participants. Such insurance proceeds and earnings related to such investments are anticipated to exceed any plan costs related to benefit payments.

On January 19, 2016, the Bank approved SERPs for Ms. Elizabeth A. Milavsky, Executive Vice President and Chief Operating Officer, and John F. Hawkins, Senior Vice President and Chief Financial Officer. Such SERP benefits when aggregated with projected Social Security benefits and Bank contributions to the 401(k) plan are projected to provide each participant with a target total retirement

benefit of 35% of final three year average salary upon retirement on or after December 31, 2019. Pursuant to the terms of the SERP for Ms. Milavsky, she will earn an annual supplemental retirement benefit equal to 23.23% of her highest base salary in effect prior to retirement payable as a life annuity, with a minimum of an aggregate of ten annual payments certain payable to the officer or the officer's beneficiary. Mr. Hawkins' SERP benefit is calculated as 25.09% of his highest annual base salary. Such benefits will be vested upon completion of additional years of continuous employment with the Bank through December 31, 2019. The projected annual benefit upon retirement on or after December 31, 2019, is \$61,850 and \$60,675 per year for each of Ms. Milavsky and Mr. Hawkins, respectively. In the event of the Executive's death prior to retirement, the Executive's beneficiary will receive an alternative benefit equal to the annual retirement benefit for a period of ten years following the death of the Executive. Such SERP benefits shall be vested upon a change of control of the Company or the Bank or upon the Executive's termination of employment as a result of disability prior to December 31, 2019.

Potential Payments Upon Termination or Change-in-Control. As described below, certain of the Named Executive Officers are parties to various agreements that provide for payments in connection with any termination of their employment. The following table shows the payments that would be made to the Named Executive Officers at, following or in connection with any termination of their employment in the specified circumstances as of the last business day of the last fiscal year.

Name and Plan	Voluntary Termination(1)	Early Retirement(2)	Normal Retirement(2)	Involuntary Not For Cause Termination(3)	For Cause Termination(3)	Change-in-Control Termination(3)	Disability(4)	Death(5)
V i t o S . Pantilione	\$ 494,000	\$ --	\$ 247,000	\$ 2,181,000	\$ --	\$ 2,181,000	\$ 494,000	\$ 525,000
J o h n F . Hawkins	--	--	--	--	--	--	--	773,000
E l i z a b e t h Milavsky	--	--	--	804,000	--	804,000	--	880,000

(1) The payment represents the annual amount payable to the Named Executive for a minimum of 2 years and a maximum of 3 years.

(2) Early retirement payments and normal retirement payments represent eligible annual payments under the SERP Plan for ages 55 and 60, respectively.

(3) These payments represent a maximum lump sum payment to the Named Executive upon termination of their contract.

(4) The disability payment includes insurance disability as well as Company compensation on an annual basis for the remainder of the Named Executive's term of employment contract (minimum of 2 years up to a maximum of 3 years).

(5) Death benefits represent total life insurance payments that would be paid out to the Named Executive's heirs.

Employment Agreements. The Bank has entered into an employment agreement with Mr. Pantilione. Mr. Pantilione's base salary under the employment agreement for the year ended December 31, 2015 was \$494,000. Mr. Pantilione's employment agreement has a term of three years that is automatically extended for one year on January 1st of each year, unless notice of termination of the automatic extension is given in accordance with the terms of the employment agreement. The employment agreement may be terminated by the Bank for "cause" as defined in the agreement. If the Bank terminates Mr. Pantilione's employment without just cause, he will be entitled to a continuation of his salary plus his annualized bonus from the date of termination through the remaining term of the agreement. The employment agreement contains a provision stating that if Mr. Pantilione's employment is terminated in connection with any change in control, he will be paid a lump sum amount equal to 3.0 times his annual base salary plus an amount equal

to 3.0 times the average of the three highest annual bonuses awarded to him prior to such termination; provided that such severance payments following a change in control will be reduced so that such payments will not be made in excess of the tax deductible amounts under Section 280G of the Internal Revenue Code of 1986, as amended (the "Code"). If payment had been made under the agreement as of December 31, 2015, the payment to Mr. Pantilione would have

equaled approximately \$2,181,000. The employment agreement also grants the right of the employee, within six months following a termination without cause or a voluntary termination by the employee for good reason, to require the Company to repurchase all of the employee's shares of Common Stock, warrants and options of the Company then owned by the employee at the closing price of such stock on the business day immediately preceding the date of notice of the employee's exercise of this right. The employment agreement also grants the right of the employee, within six months following a termination without cause or a voluntary termination by the employee for good reason, to require the Company to repurchase all of the employee's shares of Common Stock, warrants and options of the Company then owned by the employee at the closing price of such stock on the business day immediately preceding the date of notice of the employee's exercise of this right. The employment agreement also contains an agreement not to compete with the Bank which restricts certain post-employment activities of the employee within the Counties of Gloucester, Camden, Salem or Cumberland, New Jersey, for two years following termination of employment with the Bank.

Change in Control Severance Agreements. The Company has implemented a Management Change in Control Agreement with Elizabeth Milavsky, Executive Vice President and Chief Operating Officer. Such Management Change in Control Agreement provides for severance benefits associated with termination of employment following a change in control equal to two and one-half times the most recent salary and bonus payment, not to exceed the tax deductible amounts under Section 280G of the Code.

RELATED PARTY TRANSACTIONS

In the normal course of its business as a financial institution, the Bank has granted loans to its officers, directors and their affiliates. The terms of these related party loans, including interest rates, collateral and repayment terms, are similar to those prevailing for comparable transactions with other customers and do not involve more than a normal risk of collectability or other unfavorable features. At December 31, 2015, the aggregate outstanding principal balance of all such related party loans was \$20.1 million. Loans totaling \$2.7 million that are guaranteed by one of its Board members, Ray H. Tresch, are greater than 90 days delinquent and are no longer accruing interest. These loans were granted to a former Board member, Thomas Hedenberg, for the purpose of financing residential and commercial real estate developments. The collateral securing these loans have been reappraised and the values exceed the outstanding loan balances.

The Company purchased in 2015 employee benefits such as medical insurance, life insurance and disability insurance from an insurance agency owned by one of its Board members, Jeffrey H. Kripitz, which amounted to \$562,000. Mr. Kripitz has beneficial ownership of 325,425 shares, or 5.23% of the outstanding shares of Common Stock.

All of the services listed above for 2015 and 2014 were approved by either the Company's or the Bank's Audit Committee prior to the service being rendered.
