### PART III -- NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

During November 2007, 1st Independence Financial Group, Inc. (the "Company") performed its annual impairment test of goodwill with no indication of any impairment. Subsequently in December 2007, the Company entered into negotiations with several financial institutions regarding a potential sale of the Company and on February 26, 2008, the Company entered into an Agreement and Plan of Merger with MainSource Financial Group, Inc. and this occurrence of a potential indicator of impairment being the more-likely-than-not-expectation that the Company will be sold required the Company to perform an interim assessment of goodwill. The interim assessment resulted in a goodwill impairment charge of \$2.856 million being recorded effective December 31, 2007. The interim assessment further resulted in the Company being unable without unreasonable effort and expense to prepare its accounting records in sufficient time to allow BKD, LLP, the Company's independent registered public accounting firm, to complete its review of the Company's consolidated financial statements for the year ended December 31, 2007 before the required filing date for the Form 10-K. The Company intends to file its Form 10-K on or before the fifteenth calendar day following the prescribed due date.
