EXPLANATORY NOTE

This Report on Form 6-K contains the details of recent developments disclosure relating to The Royal Bank of Scotland Group plc (“RBSG”, or, together with its subsidiaries consolidated in accordance with International Financial Reporting Standards, the “Group”) and The Royal Bank of Scotland plc (“RBS”, or, together with its subsidiaries consolidated in accordance with International Financial Reporting Standards, the “Issuer Group”), and is being incorporated by reference into the Registration Statements with File Nos. 333-162219 and 333-162219-01.

Recent Development

On 2 September 2011, the US Federal Housing Finance Agency (“FHFA”) as conservator for the Federal National Mortgage Association (“Fannie Mae”) and the Federal Home Loan Mortgage Company (“Freddie Mac”) filed 17 lawsuits in the United States against a number of international banks and individual defendants, including RBSG, certain other Group companies and five individual officers and directors of the Group’s subsidiaries. The lawsuits involve allegations that certain disclosures made by the defendants in connection with the relevant offering or underwriting of securities contained materially false or misleading statements and/or omissions regarding the underwriting standards pursuant to which the mortgage loans underlying the securities were issued. Group entities are named as defendants in their capacities as issuers and underwriters of securities, not as originators of any underlying mortgage loans. Although its claims against the Group are currently unquantified, the plaintiff refers to Fannie Mae's and Freddie Mac's losses on securities with original face values of over US\$30 billion.

The Group considers that it has substantial and credible legal and factual defences to these claims and will continue to defend them vigorously. The Group cannot predict the outcome of these claims at this stage and is unable reliably to estimate the liability, if any, that may arise, or its effect on the Group’s consolidated net assets, operating results or cash flows in any particular period.
