GENERAL INFORMATION CONCERNING SOLICITATION AND VOTING

This proxy statement and the accompanying proxy card and notice of annual meeting are provided in connection with the solicitation of proxies by and on behalf of the board of directors of Arbor Realty Trust, Inc., a Maryland corporation, for use at the annual meeting of stockholders to be held on Thursday, July 29, 2004, at 1:00 p.m., local time, and any adjournments or postponements thereof. We, our, us, the Company and Arbor each refers to Arbor Realty Trust, Inc. We were incorporated in the State of Maryland in June 2003 and completed a private placement of 1,610,000 of our units, each consisting of five shares of our common stock and one warrant to purchase an additional share of our common stock, on July 1, 2003. We conduct substantially all of our operations through our operating partnership, Arbor Realty Limited Partnership. References to our operating partnership refer to Arbor Realty Limited Partnership, and references to operating partnership units refer to partnership interests in Arbor Realty Limited Partnership. On April 13, 2004, we completed an underwritten initial public offering of our common stock.

The mailing address of our executive office is 333 Earle Ovington Boulevard, Uniondale, New York 11553. This proxy statement, the accompanying proxy card and the notice of annual meeting are first being mailed to holders of our common stock, par value \$0.01 per share, and special voting preferred stock, par value \$0.01 per share, on or about June 29, 2004. Our common stock and special voting preferred stock are the only securities entitled to vote at the annual meeting, and we refer to those securities, collectively, in this proxy statement as our voting securities. Along with this proxy statement, we are also sending our Annual Report to Stockholders for the fiscal year ended December 31, 2003 and the press release announcing our financial results for the quarterly period ended March 31, 2004.

A proxy may confer discretionary authority to vote with respect to any matter presented at the annual meeting. As of the date of this proxy statement, management has no knowledge of any business that will be presented for consideration at the annual meeting and which would be required to be set forth in this proxy statement or the related proxy card other than the matters set forth in the Notice of Annual Meeting of Stockholders. If any other matter is properly presented at the annual meeting for consideration, it is intended that the persons named in the enclosed proxy card and acting thereunder will vote in accordance with their discretion on any such matter.

Matters to be Considered at the Annual Meeting

At the annual meeting, our stockholders will act upon:

- (1) a proposal to elect two Class I directors, each to serve until the 2007 annual meeting of stockholders and until his successor is duly elected and qualifies;
- (2) a proposal to ratify the appointment of Ernst & Young LLP as the Company's independent auditors for fiscal year 2004;
- (3) a proposal to approve an amendment and restatement of the Company's 2003 Omnibus Stock Incentive Plan to authorize for issuance an additional 250,000 shares of our common stock; and
- (4) any other business that may properly come before the annual meeting or any adjournment or postponement of the annual meeting.

Solicitation of Proxies

The enclosed proxy is solicited by and on behalf of our board of directors. The expense of preparing, printing and mailing this proxy statement and the proxies solicited hereby will be borne by the Company. In addition to the use of the mail, proxies may be solicited by officers and directors, without additional remuneration, by personal interview, telephone, telegraph or otherwise. The Company will also request brokerage firms, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners of shares held of record on June 18, 2004 and will provide reimbursement for the cost of forwarding the material. In addition, we have engaged The Altman Group to assist in soliciting proxies from brokers, banks and other nominee holders of our common stock at a cost of approximately \$5,000, plus reasonable out-of-pocket expenses.

Stockholders Entitled To Vote

As of the close of business on June 18, 2004, there were 15,471,433 shares of our common stock and 3,146,724 shares of our special voting preferred stock outstanding and entitled to vote. Each share of our common stock and special voting preferred stock entitles the holder to one vote. Stockholders of record at the close of business on June 18, 2004 are entitled to vote at the annual meeting or any adjournment or postponement thereof.

Required Quorum/ Vote

A quorum will be present if stockholders entitled to cast a majority of all the votes entitled to be cast at the annual meeting are present, in person or by proxy. If you have returned a valid proxy or, if you hold your shares in your own name as holder of record and you attend the annual meeting in person, your shares will be counted for the purpose of determining whether there is a quorum. If a quorum is not present, the annual meeting may be adjourned by the chairman of the meeting or the stockholders entitled to vote at the annual meeting, present in person or by proxy, to a date not more than 120 days after the record date without notice other than announcement at the meeting.

Abstentions and broker non-votes will be counted in determining the presence of a quorum. Broker non-votes occur when a bank, broker or other nominee holding shares for a beneficial owner does not vote on a particular proposal because it does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner. Under the rules of the New York Stock Exchange, banks, brokers and other nominees who hold shares in street name may have the authority to vote on certain matters when they do not receive instructions from beneficial owners. Banks, brokers and other nominees that do not receive instructions are entitled to vote on the election of directors and the ratification of the independent auditors.

Election of the director nominees named in Proposal No. 1 requires the affirmative vote of a plurality of the votes cast in the election of directors at the annual meeting by holders of our voting securities. The candidates receiving the highest number of affirmative votes of the shares entitled to be voted will be elected directors. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the board of directors nominees named in Proposal No. 1. Votes may be cast in favor of or withheld with respect to both of the director nominees, or either of them. Broker non-votes, if any, will not be counted as having been voted and will have no effect on the outcome of the vote on the election of directors. Stockholders may not cumulate votes in the election of directors. A vote withheld from a director nominee will have no effect on the outcome of the vote because a plurality of the votes cast at the annual meeting is required for the election of each director.

Ratification of the selection of Ernst & Young LLP as our independent auditors for fiscal year 2004, as specified in Proposal No. 2, requires the affirmative vote of a majority of the votes cast on the proposal at the annual meeting by holders of our voting securities. If this selection is not ratified by holders of our voting securities, the audit committee and board may reconsider its appointment and endorsement, respectively. Abstentions and broker non-votes, if any, will not be counted as having been voted and will have no effect on the outcome of the vote for this proposal. Even if the selection is ratified, the audit committee in its discretion may direct the appointment of different independent auditors at any time during the year if it determines that such a change would be in the best interests of Arbor and its stockholders.

Approval of the amendment and restatement of our 2003 Omnibus Stock Incentive Plan (the Stock Incentive Plan), as specified in Proposal No. 3, requires the affirmative vote of a majority of the votes cast on the proposal at the annual meeting by holders of our voting securities; provided that the total vote cast on the proposal represents over 50% in interest of all securities entitled to vote on the proposal. For purposes of the vote on the Stock Incentive Plan, abstentions will have the same effect as votes against the proposal and broker non-votes will have the same effect as votes against the proposal, unless holders of more than 50% in interest of all securities entitled to vote on the proposal cast votes, in which event broker non-votes will not have any effect on the result of the vote.

If the enclosed proxy is properly executed and returned to us in time to be voted at the annual meeting, it will be voted as specified on the proxy unless it is properly revoked prior thereto. If no specification is made on

the proxy as to any one or more of the proposals, the shares of our voting securities represented by the proxy will be voted as follows:

(1) **FOR** the election of the nominees to our board of directors;

(2) **FOR** the ratification of the appointment of Ernst & Young LLP as the Company's independent auditors for fiscal year 2004;

(3) **FOR** the approval of an amendment and restatement of the Company's 2003 Omnibus Stock Incentive Plan to authorize for issuance an additional 250,000 shares of our common stock; and

(4) in the discretion of the proxy holder on any other business that properly comes before the annual meeting or any adjournment or postponement thereof.

As of the date of this proxy statement, we are not aware of any other matter to be raised at the annual meeting.

Voting

If you hold your shares of our voting securities in your own name as a holder of record, you may instruct the proxies to vote your shares by signing, dating and mailing the proxy card in the postage-paid envelope provided. In addition, you may vote your shares of our voting securities in person at the annual meeting.

If your shares of our voting securities are held on your behalf by a broker, bank or other nominee, you will receive instructions from it that you must follow to have your shares voted at the annual meeting.

Right to Revoke Proxy

If you hold shares of our voting securities in your own name as a holder of record, you may revoke your proxy instructions through any of the following methods:

send written notice of revocation, prior to the annual meeting, to our General Counsel and Corporate Secretary, at 333 Earle Ovington Boulevard, Uniondale, New York 11553;

sign and mail a new, later dated proxy card to our General Counsel and Corporate Secretary at the address specified above; or

attend the annual meeting and vote your shares in person.

If shares of our voting securities are held on your behalf by a broker, bank or other nominee, you must contact it to receive instructions as to how you may revoke your proxy instructions.

Copies of Annual Report to Stockholders

A copy of our Annual Report to Stockholders for the fiscal year ended December 31, 2003 will be mailed to stockholders entitled to vote at the annual meeting with these proxy materials and is also available without charge to stockholders upon written request to: Arbor Realty Trust, Inc., 333 Earle Ovington Boulevard, Uniondale, New York, Attn: *Investor Relations*.

Voting Results

American Stock Transfer & Trust Company, our independent tabulating agent, will have a representative present at the annual meeting and count the votes and act as the Inspector of Election. We will publish the voting results in our Quarterly Report on Form 10-Q for the fiscal quarter ending September 30, 2004, which we plan to file with the U.S. Securities and Exchange Commission (the "SEC") in November 2004.

Confidentiality of Voting

We will keep all proxies, ballots and voting tabulations confidential. We will permit only our Inspector of Election, American Stock Transfer & Trust Company, to examine these documents.

- (3) **FOR** the approval of an amendment and restatement of the Company's 2003 Omnibus Stock Incentive Plan to authorize for issuance an additional 250,000 shares of our common stock.

Corporate Governance Profile

We are committed to good corporate governance practices and, as such, we have adopted formal corporate governance guidelines to enhance our effectiveness. The guidelines govern, among other things, board member qualifications, responsibilities, education and management succession. A copy of the corporate

governance guidelines may be found at the corporate website at www.arborrealtytrust.com under the heading Investor Relations Corporate Governance.

The board of directors met on one occasion and acted by written consent on nine occasions during 2003.

Senior Officer Code of Ethics and Code of Business Conduct and Ethics

We have adopted a senior officer code of ethics applicable to our Chief Executive Officer, Chief Financial Officer, Chief Credit Officer and Controller (or persons performing similar functions to the aforementioned officers regardless of whether such persons (1) are employed directly by the Company or (2) are employed by Arbor Commercial Mortgage, LLC, our outside manager pursuant to a management agreement). We have also adopted a code of business conduct and ethics applicable to all employees, officers and directors. Both codes are available on our website at www.arborrealtytrust.com under the heading Investor Relations Corporate Governance. Amendments to, and waivers from, the senior officer code of ethics and the code of business conduct and ethics for a director or officer will be disclosed at the same website address and heading provided above.

Director Independence

Of our seven directors, four have been determined by our board of directors to be independent for purposes of the New York Stock Exchange listing standards. In determining director independence, the board of directors reviewed, among other things, whether any transactions or relationships exist currently or, since our incorporation existed, between each director and the Company and its subsidiaries, affiliates and equity investors or independent auditors. In particular, the board reviewed current or recent business transactions or relationships or other personal relationships between each director and the Company, including such director's immediate family and companies owned or controlled by the director or with which the director was affiliated. The purpose of this review was to determine whether any such transactions or relationships failed to meet any of the objective tests promulgated by the New York Stock Exchange for determining independence or were otherwise sufficiently material as to be inconsistent with a determination that the director is independent.

The board also examined whether there were any transactions or relationships between each director and members of the senior management of the Company or their affiliates. In reviewing the independence of Dr. Helmreich, the board carefully reviewed whether (1) Mr. Kaufman's and Dr. Helmreich's current and prior participation on the boards of North Shore Hebrew Academy, North Shore Hebrew Academy High School and NSH Affordable Housing of Indiana, Inc., a not-for-profit organization, (2) Dr. Helmreich's engagement since the summer of 2000 as an external consultant by North Shore Hebrew Academy in the capacity of chairman of Academic Affairs of North Shore Hebrew Academy and (3) his prior receipt of consulting fees from Arbor Management, LLC should, based upon the totality of the circumstances, be deemed to be material so as to preclude a finding that Dr. Helmreich is independent. The board, in particular, reviewed the materiality of the transactions to the parties involved, the compensation and timing of Dr. Helmreich's advisory role with North Shore Hebrew Academy and Arbor Management and the absence of any employment or compensatory capacity by Dr. Helmreich with NSH Affordable Housing of Indiana, Inc. In reviewing the independence of Mr. Kojaian, the board carefully reviewed whether Mr. Kaufman and Mr. Kojaian's proposed co-investment in a real estate venture and Mr. Kojaian's proposed investment in 500,000 shares of common stock of the Company through Kojaian Ventures, L.L.C., should, based upon the totality of the circumstances, be deemed to be material so as to preclude a finding that Mr. Kojaian is independent. The board, in particular, reviewed the materiality of the transactions to the parties involved.

As a result of its review, the board affirmatively determined at a meeting held on March 18, 2004, that Messrs. Bernstein, Kojaian and Lazar and Dr. Helmreich were independent under the New York Stock Exchange listing standards.

Director Compensation

Each of our independent directors is paid a director's fee of \$25,000 per year. Each independent director who serves as a chairman of the audit, compensation or nominating/ corporate governance committee is paid

an additional fee of \$3,000 per year. Each independent director is also paid a fee of \$2,000 for each board or committee meeting that he attends. Each independent director is also paid a fee of \$1,000 for each telephone board or committee meeting that he attends. In addition, we reimburse all directors for reasonable out of pocket expenses incurred in connection with their services on the board of directors.

Grants of restricted stock and other equity based awards with respect to our common stock are provided for under the Stock Incentive Plan. On July 1, 2003, Messrs. Bernstein, Kojanian, Martello and Dr. Helmreich each received 1,000 restricted shares of our common stock. Upon their appointment to the board in November 2003, Messrs. Horn and Lazar each received 1,000 restricted shares of our common stock. Two-thirds of the restricted stock granted to each of these directors vested immediately upon the date of grant and the remaining one-third will vest ratably over three years from the date of grant at a rate of 33.33% on each of the subsequent three anniversary dates of the date of grant.

Board Committees

Our board has established four standing committees, the principal functions of which are briefly described below. Matters put to a vote at any one of our four committees must be approved by a majority of the directors on the committee who are present at a meeting at which there is a quorum or by unanimous written consent of the directors on that committee. Our board of directors may from time to time establish certain other committees to facilitate the management of the Company.

Audit Committee

Our board of directors has established an audit committee, which is composed of three of our independent directors, Messrs. Bernstein, Lazar and Dr. Helmreich. During 2003, the audit committee met on two occasions. The audit committee assists the board in overseeing (1) the integrity of the Company's financial statements, (2) the Company's independent auditors' qualifications and independence, (3) the performance of the Company's independent auditors and the Company's internal audit function and (4) the Company's compliance with legal and regulatory requirements.

The principal functions of the compensation committee are to (1) evaluate the performance of our officers; (2) review the compensation payable to our officers and non-employee directors; (3) evaluate the performance of Arbor Commercial Mortgage; (4) review the compensation and fees payable to Arbor Commercial Mortgage under our management agreement; and (5) administer the issuance of any stock to our employees or the employees of Arbor Commercial Mortgage who provide services to us.

The compensation committee is governed by a charter that has been adopted by the board of directors. A copy of the compensation committee charter is available on our website, www.arborrealtytrust.com, under the heading "Investor Relations - Corporate Governance."

Nominating/ Corporate Governance Committee

Our board of directors has established a nominating/ corporate governance committee, which is composed of three of our independent directors, Messrs. Bernstein and Lazar and Dr. Helmreich. The nominating/

corporate governance committee did not meet during 2003. Dr. Helmreich currently serves as chairman of the nominating/ corporate governance committee. The nominating/ corporate governance committee is responsible for seeking, considering and recommending to the board qualified candidates for election as directors and recommending a slate of nominees for election as directors at each annual meeting of stockholders. The nominating/ corporate governance committee is also responsible for (1) preparing and submitting to the board for adoption the committee's selection criteria for director nominees; (2) reviewing and making recommendations on matters involving general operation of the board and our corporate governance; and (3) annually recommending to the board nominees for each committee of the board. In addition, the committee annually facilitates the assessment of the board of directors' performance as a whole and of the individual directors and reports thereon to the board.

The nominating/ corporate governance committee is governed by a charter that has been adopted by the board of directors. A copy of the nominating/ corporate governance committee charter is available on our website, www.arborrealtytrust.com, under the heading "Investor Relations - Corporate Governance."

Independent Director Committee

Our board of directors has established an independent director committee, which is composed of all of our independent directors, Messrs. Bernstein, Kojaian and Lazar and Dr. Helmreich. The independent director committee did not meet during 2003 but acted by written consent on two occasions. The independent director committee is responsible for, among other things, considering and voting upon matters as to which the board of directors determines Arbor Commercial Mortgage or its affiliates (other than the Company or its subsidiaries) or any of our directors (other than an independent director) or officers has a conflict of interest, including the approval of transactions between the Company and Arbor Commercial Mortgage. The individual who serves as the chair of the independent director committee rotates each year among the chairs (if such chair is not a member of management) of the committees of the board of directors.

Stockholder Communications with Directors

The board of directors has established a process to receive communications from stockholders. Stockholders may contact any member (or all members) of the board by mail. To communicate with the board of directors, any individual directors or any group or committee of directors, correspondence should be addressed to the board of directors or any such individual directors or group or committee of directors by either name or title. All such correspondence should be sent in care of General Counsel and Corporate Secretary at Arbor Realty Trust, Inc., 333 Earle Ovington Boulevard, Suite 900, Uniondale, New York, 11553.

All communications received as set forth in the preceding paragraph will be opened by the office of our General Counsel and Corporate Secretary for the sole purpose of determining whether the contents represent a message to our directors. Any contents that are not in the nature of advertising, promotions of a product or service or patently offensive material will be forwarded promptly to the addressee. In the case of communications to the board or any group or committee of directors, the office of the General Counsel and Corporate Secretary will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the envelope is addressed.

Director Nomination Procedures

The nominating/ corporate governance committee generally believes that, at a minimum, candidates for membership on the board of directors should have demonstrated an ability to make a meaningful contribution to the board of directors' oversight of our business and affairs and have a record and reputation for honest and ethical conduct. The nominating/ corporate governance committee recommends director nominees to the board of directors based on, among other things, its evaluation of a candidate's experience, knowledge, skills, expertise, integrity, ability to make independent analytical inquiries, understanding of our business environment and a willingness to devote adequate time and effort to board responsibilities. In making its recommendations to the board of directors, the nominating/ corporate governance committee also seeks to

have the board nominate candidates who have diverse backgrounds and areas of expertise so that each member can offer a unique and valuable perspective.

In the future, the nominating/ corporate governance committee intends to identify potential nominees by asking current directors and executive officers to notify the committee if they become aware of persons who meet the criteria described above, especially business and civic leaders in the communities in which we operate. The nominating/ corporate governance committee also, from time to time, may engage firms, at our expense, that specialize in identifying director candidates. As described below, the nominating/ corporate governance committee will also consider candidates recommended by stockholders.

The nominating/ corporate governance committee anticipates that once a person has been identified by the committee as a potential candidate, the committee will collect and review publicly available information regarding the person to assess whether the person should be considered further. If the nominating/ corporate governance committee determines that the candidate warrants further consideration, the chairman or another member of the committee will contact the person. If the person expresses a willingness to be considered and to serve on the board of directors, the nominating/ corporate governance committee will request information from the candidate, review the person's accomplishments and qualifications, including in light of any other candidates that the committee might be considering and conduct one or more interviews with the candidate. In certain instances, members of the nominating/ corporate governance committee may contact one or more references provided by the candidate or may contact other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments.

In addition to stockholder proposals of director nominees submitted in accordance with our bylaws, as summarized below under Stockholder Proposals for 2005, the nominating/ corporate governance committee will consider written recommendations from stockholders of potential director candidates. Such recommendations should be submitted to the nominating/ corporate governance committee in care of General Counsel and Corporate Secretary at Arbor Realty Trust, Inc., 333 Earle Ovington Boulevard, Suite 900, Uniondale, New York, 11553. Director recommendations submitted by stockholders should include the following:

the name, age, business address and residence address of the individual(s) recommended for nomination;

the class, series and number of any shares of our stock that are beneficially owned by the individual(s) recommended for nomination;

the date such shares of our stock were acquired by the individual(s) recommended for nomination and the investment intent of such acquisition; and

all other information relating to such candidate that would be required to be disclosed pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (the Exchange Act), including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected.

The stockholder recommendation and information described above must be delivered to the General Counsel and Corporate Secretary not earlier than the 120th day and not later than the close of business on the 90th day prior to the first anniversary of the date of mailing of the notice for the preceding year's annual meeting of stockholders; provided, however, that if the date of mailing of the notice for the annual meeting is advanced more than thirty days prior to or delayed by more than thirty days after the anniversary of the mailing of the notice for the preceding year's annual meeting, the stockholder recommendation and information described above must be delivered not earlier than the 120th day prior to the mailing of the notice for the upcoming annual meeting and not later than the close of business on the later of (1) the 90th day prior to the mailing of the notice for the upcoming annual meeting of stockholders and (2) the 10th day following the date on which public announcement of the mailing of the notice for the upcoming annual meeting is first made.

The nominating/ corporate governance committee expects to use a similar process to evaluate candidates to the board of directors recommended by stockholders as the one it uses to evaluate candidates otherwise identified by the committee.

Director Attendance at Annual Meeting

This is our first annual meeting of stockholders. We do not currently maintain a policy requiring our directors to attend the annual meeting; however, attendance by our directors is encouraged.

AUDIT COMMITTEE REPORT AND DISCLOSURES

The following report of the audit committee (the "Audit Committee") of the board of directors (the "Board of Directors") of Arbor Realty Trust, Inc., a Maryland corporation ("Arbor" or the "Company"), does not constitute soliciting material and should not be considered filed or incorporated by reference into any other filing by the Company under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent the Company specifically incorporates this report by reference therein.

The Audit Committee operates under a written charter adopted by the Board of Directors. A copy of the charter is included as Appendix A to this proxy statement. The Board of Directors has determined that all members of the Audit Committee meet the independence standards established by the New York Stock Exchange.

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. The Company's management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls. The independent auditors are responsible for performing an audit of the Company's consolidated financial statements in accordance with generally accepted accounting principles and issuing a report thereon. The Audit Committee reviews and oversees these processes, including oversight of (1) the integrity of the Company's financial statements, (2) the Company's independent auditors' qualifications and independence, (3) the performance of the Company's independent auditors and the Company's internal audit function and (4) the Company's compliance with legal and regulatory requirements.

In discharging its oversight role, the Audit Committee reviewed and discussed the audited financial statements contained in Arbor's Annual Report to Stockholders for fiscal year ended December 31, 2003 with Arbor's management and independent auditors. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States. The Audit Committee also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards, AU 380), as amended.

In addition, the Audit Committee discussed with the independent auditors the auditors' independence from the Company and its management, and the independent auditors provided to the Audit Committee the written disclosures and letter required from the independent auditors by the Independence Standards Board Standard No. 1 (*Independence Discussions With Audit Committees*).

The Audit Committee discussed with the Company's internal and independent auditors the overall scope and plans for their respective audits. The Audit Committee met with the internal and independent auditors, with and without management present, to discuss the results of their examinations, the evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

Because the registration statement for Arbor's initial public offering contained the financial statements for the fiscal year ended December 31, 2003, Arbor did not file an Annual Report on Form 10-K with the U.S. Securities and Exchange Commission for that year. The Audit Committee has appointed Ernst & Young LLP as the Company's independent auditors for fiscal year 2004.

EXECUTIVE COMPENSATION

Because our management agreement provides that our manager, Arbor Commercial Mortgage, assumes principal responsibility for managing our affairs, certain of our executive officers, who are employees of our manager, do not receive compensation from us for serving as our executive officers. However, in their capacities as officers or employees of our manager, or its affiliates, they devote such portion of their time to our affairs as is required for the performance of the duties of our manager under the management agreement. Mr. Ivan Kaufman, our chairman of the board of directors, president and chief executive officer, serves as the chief executive officer of Arbor Commercial Mortgage. Mr. Frederick C. Herbst, our chief financial officer, also serves as chief financial officer of our manager. Walter K. Horn, our general counsel and corporate secretary, also serves as general counsel and secretary of Arbor Commercial Mortgage. Each of Messrs. Kaufman, Herbst and Horn receives his compensation from our manager.

Since we currently employ only two executive officers and 13 other employees, we rely to a significant extent on the facilities and resources of our manager to conduct our operations. For performing services under the management agreement, Arbor Commercial Mortgage receives a base management fee and incentive compensation based on our performance. Our manager uses the proceeds from its base management fee in part to pay compensation to its officers and employees who, notwithstanding that some of them are also our officers, receive no direct compensation from us, other than restricted stock that may be granted pursuant to our Stock Incentive Plan. Our compensation committee will evaluate annually the fees paid to our manager in light of its performance.

Base Management Fee

Our manager receives an annual base management fee based on the equity (as defined in the management agreement) of our operating partnership. The amount of the base management fee does not depend of the performance of the services provided by our manager or the types of assets its selects for our investment, but the value of our operating partnership's equity will be affected by the performance of these assets. The base management fee is payable monthly in arrears in cash, calculated monthly as a percentage of our equity and equal to 0.75% per annum of the equity up to \$400 million, 0.625% per annum of the equity between \$400 million and \$800 million and 0.50% per annum of the equity in excess of \$800 million. We incurred \$587,734 in base management fees to Arbor Commercial Mortgage for management services rendered for the period ended December 31, 2003. We have incurred \$469,570 in base management fees for management services rendered in the four months ended April 30, 2004. All amounts incurred have been paid to date.

Incentive Compensation

Our manager is entitled to receive incentive compensation in installments each fiscal quarter in an annual amount equal to the product of:

(1) 25% of the dollar amount by which:

the sum of: (i) our operating partnership's Funds From Operations (as determined in accordance with the management agreement) for such quarter and (ii) gains (or losses) from debt restructuring and sales of property per operating partnership unit (as determined in accordance with the management agreement) for such quarter; exceeds

the product of (i) the weighted average (based on shares of our common stock and operating partnership units) of (a) the per operating partnership unit book value of the net assets contributed by Arbor Commercial Mortgage, (b) the \$15.00 offering price per share of our common stock in the private placement, (c) the offering price per share (including shares of common stock issued upon exercise of warrants or options) of any subsequent offerings by us of our common stock (adjusted for any prior capital dividends or distributions), and (d) the issue price per operating partnership unit for subsequent contributions to our operating partnership, and

(ii) the greater of (x) 9.50% per annum and (y) the Ten Year U.S. Treasury Rate plus 3.50% per annum; multiplied by

(2) the weighted average number of our operating partnership units outstanding, including operating partnership units issued to us equal to the number of shares of our common stock issued by us.

Our manager did not earn any incentive compensation for the quarters ended September 30, 2003, December 31, 2003 and March 31, 2004. Beginning January 1, 2004, the incentive management fee is measured over a full fiscal year, subject to recalculation and potential reconciliation at the end of each fiscal year.

On July 1, 2003, we granted Mr. Kaufman and Mr. Herbst 120,000 shares and 4,000 shares, respectively, of restricted stock pursuant to the Stock Incentive Plan, two-thirds of which vested immediately and the remaining one-third of which will vest ratably over three years at a rate of 33.33% on each of the subsequent three anniversary dates of the date of grant. On November 5, 2003, we granted Mr. Horn 1,000 shares of restricted stock pursuant to the Stock Incentive Plan with the same vesting schedule. Our manager has informed us that, because the services to be performed by its officers or employees in their capacities as such is not performed exclusively for us, it cannot segregate and identify that portion of the compensation awarded to, earned by or paid to our executive officers by the manager that relates solely to their services to us.

Employee Executive Compensation

Two of our officers, Mr. Fred Weber, our executive vice president of structured finance, and Mr. John C. Kovarik, our chief credit officer, are employed and paid directly by us. Mr. Weber receives annual compensation of \$360,000, plus a bonus to be determined at the discretion of the compensation committee of our board of directors, which will not exceed \$140,000 per year. We began compensating Mr. Weber at the annual rate set forth above upon the commencement of our operations on July 1, 2003. On July 1, 2003, we granted Mr. Weber 7,000 shares of restricted stock pursuant to the Stock Incentive Plan, two-thirds of which vested immediately and the remaining one-third of which will vest ratably over three years at a rate of 33.33% on each of the subsequent three anniversary dates of the date of grant. Mr. Kovarik receives annual compensation of \$150,000 plus a bonus to be determined at the discretion of the compensation committee of our board of directors, which will not exceed \$75,000 per year. We began compensating Mr. Kovarik at the annual rate set forth above when he was hired in October 2003.

During 2003, Mr. Daniel M. Palmier served as our executive vice president of asset management. Mr. Palmier resigned from his position with us on June 11, 2004. Mr. Palmier received compensation at an annual rate of \$360,000, plus a bonus determined at the discretion of the compensation committee of our board of directors. On July 1, 2003, we granted Mr. Palmier 7,000 shares of restricted stock pursuant to the Stock Incentive Plan, two-thirds of which vested immediately. The remaining one-third was forfeited following Mr. Palmier's resignation.

The following table sets forth the total compensation amounts paid to our chief executive officer and each of our other executive officers who were directly employed and compensated by us for the year ended December 31, 2003.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The following report of the compensation committee (the Compensation Committee) of the board of directors (the Board of Directors) of Arbor Realty Trust, Inc., a Maryland corporation (Arbor or the Company), does not constitute soliciting material and should not be considered filed or incorporated by reference into any other filing by the Company under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent the Company specifically incorporates this report by reference therein.

The following report describes Arbor's compensation policy, practice and philosophy, specifically regarding Arbor's chief executive officer and directly compensated executive officers. We, the members of the Compensation Committee, are presenting this report, which provides an overview of compensation paid to executive officers for the fiscal year ended December 31, 2003.

Committee Membership and Organization

The Compensation Committee currently consists of Messrs. Kojaian (Chair), Bernstein and Lazar and Dr. Helmreich. The Board of Directors has determined that the members of the Compensation Committee meet (1) the independence requirements of the New York Stock Exchange, (2) the non-employee director definition of Rule 16b-3 promulgated under Section 16 of the Exchange Act and (3) the outside director definition in Section 162(m) of the Code.

Purpose

The principal functions of the Compensation Committee are to:

evaluate the performance of Arbor's officers;

review the compensation payable to Arbor's officers and non-employee directors;

evaluate the performance of Arbor Commercial Mortgage, LLC, Arbor's outside manager;

review the compensation and fees payable to Arbor Commercial Mortgage under Arbor's management agreement; and

administer the issuance of any stock to Arbor's employees or the employees of Arbor Commercial Mortgage who provide services to Arbor.

Compensation Philosophy

The key components of compensation for Arbor's directly employed executive officers and chief executive officer are salary, bonuses and restricted stock awards. Salary is generally based on factors such as an individual officer's level of responsibility, comparison to compensation of other officers in the Company and compensation provided at competitive companies and companies of similar size. Bonuses and restricted stock awards are intended to reward exceptional performances. Benchmarks for determining base salary and bonus levels include targeted funds from operations levels, strength of the balance sheet and creation of stockholder value. Restricted stock awards are also intended to increase an officer's interest in the Company's long-term success as measured by the market and book value of Arbor's common stock.

Arbor's chief executive officer makes recommendations to the Compensation Committee with respect to the compensation of all Arbor's directly-employed executive officers. In addition, the Compensation Committee bases its decisions on the most recent publicly available compensation data for senior executive officers of comparable real estate investment trusts, as well as various compensation studies and surveys, to ensure that compensation packages are in line with the Company's peer group and the real estate industry in general. While benchmarks and comparative market data are valuable tools to assist the Compensation Committee in setting reasonable and fair compensation for its directly-employed executive officers, the stated philosophy of the Company's executive compensation program is to recognize individual contributions to the performance of

the Company and to create a link between the performance of the Company's stock and executive compensation.

The base salary of Arbor's directly employed executive officers was negotiated at the time each of those officers joined the Company. The Compensation Committee approves changes to those executive officers' base salary. The Compensation Committee considers individual performance, scope of responsibility, prior experience, breadth of knowledge and competitive pay practices. The weight given to each of these factors differs from individual to individual, as the Compensation Committee deems appropriate.

Pursuant to its charter, the Compensation Committee may retain, at the Company's expense, a compensation consultant to assist the committee in fulfilling its responsibilities. The Compensation Committee is currently evaluating the merits of engaging a third-party compensation consulting firm to study the Company's executive compensation practices and to ensure that overall compensation for officers, employees and non-management directors is both competitive and designed to suit Arbor's objectives.

Chief Executive Officer Compensation

Because Arbor's management agreement with Arbor Commercial Mortgage provides that Arbor Commercial Mortgage assumes principal responsibility for managing the Company's affairs, certain of Arbor's executive officers, who are employees of its manager, do not receive compensation from the Company for serving as its executive officers. However, in their capacities as officers or employees of Arbor's manager, or its affiliates, they devote such portion of their time to Arbor's affairs as is required for the performance of the duties of the Company's manager under the management agreement. Mr. Ivan Kaufman, Arbor's chairman of the board of directors, president and chief executive officer serves as the chief executive officer of Arbor Commercial Mortgage. Accordingly, Mr. Kaufman receives his compensation from Arbor's manager.

- (1) Beneficial ownership is determined in accordance with the rules of the SEC and generally includes securities over which a person has voting or investment power and securities that a person has the right to acquire within 60 days of the date hereof. For purposes of the table above, we have also assumed that all units of limited partnership interest in Arbor Realty Limited Partnership, or operating partnership units held by Arbor Commercial Mortgage, each of which are redeemable for cash or, at our election, shares of our common stock, are redeemed for shares of our common stock (regardless of when such operating partnership units are redeemable).

At the consummation of the private placement on July 1, 2003, Arbor Commercial Mortgage received 3,146,724 operating partnership units and warrants to purchase an additional 629,345 operating partnership units. As this table assumes that all operating partnership units issued to Arbor Commercial Mortgage and those issuable upon exercise of the warrants issued to Arbor Commercial Mortgage, have been redeemed for shares of our common stock, we have assumed that the shares of special voting preferred

Mr. Ivan Kaufman, our chairman and chief executive officer, is also the chief executive officer of Arbor Commercial Mortgage. Mr. Kaufman and the Kaufman entities collectively own 88% of the outstanding membership interests in Arbor Commercial Mortgage. Mr. Frederick C. Herbst, our chief financial officer, is also the chief financial officer of Arbor Commercial Mortgage. Mr. Herbst owns a 0.5% interest in Arbor Commercial Mortgage. Mr. Joseph Martello, one of our directors, currently serves as the chief operating officer of Arbor Management. Mr. Martello owns a 1.3% interest in Arbor Commercial Mortgage and is also the sole trustee of the Ivan and Lisa Kaufman Family Trust for the benefit of Mr. Kaufman's family, which owns a 59% interest in Arbor Commercial Mortgage, and a co-trustee, along with Mr. Kaufman, of the Ivan Kaufman Grantor Retained Annuity Trust which also owns an equity interest in Arbor Commercial Mortgage. Formation Transactions

Asset Contribution and Guaranty

Arbor Commercial Mortgage contributed the majority of its structured finance portfolio to our operating partnership pursuant to a contribution agreement. The contribution agreement contains representations and warranties concerning the ownership and terms of the structured finance assets it contributed and other customary matters. Arbor Commercial Mortgage has agreed to indemnify us and our operating partnership against breaches of those representations and warranties.

At the time of Arbor Commercial Mortgage's origination of three investments that it contributed to us on July 1, 2003, each of the property owners granted Arbor Commercial Mortgage participating interests that share in a percentage of the cash flows of the underlying properties. Arbor Commercial Mortgage also made one of the contributed bridge loans to a joint venture in which it had a 50% non-controlling interest. Upon contribution of the structured finance assets, Arbor Commercial Mortgage retained these participating and joint venture interests. In connection with its asset contribution, Arbor Commercial Mortgage agreed that if any portion of the outstanding amount of any of these four contributed assets is not paid at its maturity or repurchase date, Arbor Commercial Mortgage will pay us, subject to the limitation described below, the portion of the unpaid amount of the contributed asset up to the total amount then received by Arbor Commercial Mortgage due to the realization of any profits on its retained interests associated with any other of the four contributed assets. Arbor Commercial Mortgage will no longer be obligated to make such payments to us when the remaining accumulated principal amount of the four contributed assets, collectively, falls below \$5 million and none of the four contributed assets is in default.

Arbor Commercial Mortgage Registration Rights

We have granted Arbor Commercial Mortgage shelf registration rights, or, if such rights are not available, demand registration rights with respect to shares of our common stock that may be issued upon redemption of operating partnership units. Holders of our operating partnership units are entitled to participate in primary or

secondary offerings of our common stock with respect to such shares. We have also agreed to certain restrictions on the registration rights that we may grant to any other holder or prospective holder of our securities without the prior written consent of the holders of the majority of the shares of common stock and common stock equivalents representing or underlying the then outstanding securities that are registrable under the registration rights agreements.

Special Voting Preferred Stock

Each of the approximately 3.1 million operating partnership units received by Arbor Commercial Mortgage, as well as each operating partnership unit that may be issued upon exercise of any of the warrants, are, in each case, paired with one share of our special voting preferred stock. As a result, Arbor Commercial Mortgage is currently entitled to a number of votes representing approximately 17% of the voting power of our outstanding stock (without giving effect to the exercise of Arbor Commercial Mortgage's warrants for additional operating partnership units).

Management and Services Agreements

We and our operating partnership have entered into a management agreement with Arbor Commercial Mortgage, pursuant to which Arbor Commercial Mortgage provides for the day to day management of our operations. Arbor Commercial Mortgage is also required to provide us with a right of first refusal with respect to all structured finance identified by Arbor Commercial Mortgage or its affiliates. We have agreed not to pursue, and to allow Arbor Commercial Mortgage to pursue, any real estate opportunities other than structured finance transactions. We are required to pay Arbor Commercial Mortgage a base management fee and an incentive management fee as well as reimburse Arbor Commercial Mortgage for certain of its expenses. We incurred \$587,734 in base management fees to Arbor Commercial Mortgage for management services rendered for the period ended December 31, 2003. We have incurred \$469,570 in base management fees for management services rendered in the four months ended April 30, 2004. All amounts incurred have been paid to date. Our manager did not earn any incentive compensation for the quarters ended September 30, 2003, December 31, 2003 and March 31, 2004.

We and our operating partnership have also entered into a services agreement with Arbor Commercial Mortgage pursuant to which our asset management group provides asset management services to Arbor Commercial Mortgage. In the event the services provided by our asset management group pursuant to the agreement exceed by more than 15% per quarter the level of activity anticipated by our board of directors, we will negotiate in good faith with our manager an adjustment to our manager's base management fee under the management agreement, to reflect the scope of the services, the quantity of serviced assets or the time required to be devoted to the services by our asset management group. As of March 31, 2004, there have been no payments to us pursuant to the services agreement.

Non-Competition Agreement

We have entered into a non-competition agreement with Mr. Kaufman pursuant to which he has agreed not to pursue any structured finance opportunities, unless our independent board members affirmatively approve the pursuit by Arbor Commercial Mortgage or one of its affiliates of such opportunities that they have rejected on our behalf.

Pursuant to his non-competition agreement with us, Mr. Kaufman has also agreed:

not to pursue any structured finance investment opportunities, except if our independent board members affirmatively approve the pursuit by Arbor Commercial Mortgage or one of its affiliates of structured finance opportunities that they have rejected on our behalf;

if he is no longer an affiliate of Arbor Commercial Mortgage and, within the first five years of the term of the management agreement, he is no longer our chief executive officer other than by certain reasons, he will not engage in the structured finance lending business for a period of one year after the earlier of his departure from us or the regular expiration of the one year origination period; and

if there is a change of control of Arbor Commercial Mortgage within the first three years of the term of the management agreement, and he is no longer an affiliate of Arbor Commercial Mortgage and leaves us without good reason in that three year period, he will not engage in the structured finance lending business for one year after the date of his departure from us.

Mr. Kaufman's non-competition agreement also prohibits Mr. Kaufman from soliciting our customers or employees during its term.

Benefits Participation Agreement

We have also entered into a benefits participation agreement with Arbor Commercial Mortgage, pursuant to which our employees are able to participate in any employee benefit plans maintained by Arbor Management for the benefit of Arbor Commercial Mortgage employees. Arbor Management charges us an amount equal to its cost of providing benefits to each of our employees.

Related Party Loans and Investments

Arbor Commercial Mortgage has a 50% non-controlling interest in a joint venture, which was formed to acquire, develop and/or sell real estate assets. At March 31, 2004, Arbor Commercial Mortgage's investment in this joint venture was approximately \$2.6 million. At March 31, 2004, we had a \$16.0 million bridge loan outstanding to the joint venture, which is collateralized by a first lien position on a commercial real estate property. There is a limited guarantee on the loan of 50% by our chief executive officer and 50% by the key principal of the joint venture. The loan requires monthly interest payments based on one month London Inter-Bank Offered Rate (LIBOR) and matures in May 2006. We agreed to provide the borrower with additional mezzanine financing in the amount of up to \$8.0 million, of which \$7.8 million was funded as of March 31, 2004. The mezzanine financing requires interest payments based on one month LIBOR and matures in May 2006. This additional financing is secured by a second mortgage lien on the property. Interest income recorded from these loans was approximately \$311,000, for the three months ended March 31, 2004.

On July 1, 2003, we purchased two mezzanine loans, 130 West 30th Street and The Crossings, and a preferred equity investment, Dutch Village, which collectively represented \$13.1 million in assets, based on the assets' June 30, 2003 book value, from Arbor Commercial Mortgage. We used \$6.7 million of the net proceeds of the private placement and assumed \$6.4 million under our credit facilities in order to acquire these investments from Arbor Commercial Mortgage.

Arbor Commercial Mortgage contributed four investments to us that are secured by properties in which Arbor Commercial Mortgage has a participating or joint venture interest in the borrower. Every transaction entered into between us and an entity in which Arbor Commercial Mortgage holds equity interests raises a potential conflict of interest. Conflicts of interest with respect to these investments include, among others, decisions regarding (1) whether to waive defaults of such borrower, (2) whether to foreclose on the investment and (3) whether to permit additional financing on the properties securing our investments other than financing provided by us.

As of March 31, 2004, we had a \$13.75 million first mortgage loan and a \$1.2 million second mortgage loan (of which \$1.16 million was funded as of March 31, 2004), each of which bears interest at a variable rate of one month LIBOR plus 4.25% and matures in March 2005, outstanding to NSH Affordable Housing of Indiana, a not-for-profit corporation that holds and manages investment property from the endowment of North Shore Hebrew Academy High School. Two of our directors, Mr. Kaufman and Dr. Helmreich, are members of the board of trustees of North Shore Hebrew Academy High School and NSH Affordable Housing of Indiana, Inc.

Arbor Commercial Mortgage may from time to time provide permanent mortgage loan financing to clients of ours, which will be used to refinance bridge financing provided by us. We and Arbor Commercial Mortgage may also make loans to the same borrower or to borrowers that are under common control. Additionally, our policies and those of Arbor Commercial Mortgage may require us to enter into intercreditor agreements in situations where loans are made by us and Arbor Commercial Mortgage to the same borrower.

In addition, we may enter into future transactions with Arbor Commercial Mortgage with the approval of our independent directors.

Equity Investments in Our Borrowers

In December 2003, we originated a \$30 million mezzanine loan to 450 Partners Mezz III LLC and a \$15 million mezzanine loan to 450 Partners Mezz II LLC. The \$30 million loan bears interest at a fixed rate and the \$15 million loan requires monthly interest payments based on one month LIBOR. Both loans mature in January 2006. At the closing of the loans, we made a \$3 million investment in the entity that controls the borrowers and arranged for an additional \$12 million of equity to be invested by third parties. In exchange for making the loans and arranging the equity investments, we received an approximately 24% profits participation in the property and we were designated the co-managing member of the entity that controls the property. We sold our \$3 million equity investment in January 2004 and retained our profits participation and position as co-managing member.

In December 2003, we originated a \$35 million mezzanine loan to Prime Outlets Member LLC (POM). The loan requires monthly interest payments based on one month LIBOR and matures in January 2006. We also acquired, for a total consideration of \$2.1 million, indirect equity interests in Prime Outlets Acquisition Company LLC, the indirect parent of POM, consisting of (1) 7.5% capital interest, (2) 25% carried profits interest after specified returns are achieved, and (3) a preferred distribution that when added to the interest paid by POM on the mezzanine loan, results in a combined return of 12.5%. The interests described in (2) and (3) are held through AR Prime Holdings LLC, in which we hold two-thirds of the ownership interests. Third parties own the remaining one-third.

In June 2003, Arbor Commercial Mortgage invested approximately \$818,000 in exchange for a 12.5% non-controlling interest in a joint venture, which owns and operates the properties located at 80 Evergreen and 930 Flushing Avenue. We purchased this investment from Arbor Commercial Mortgage in August 2003. As of December 31, 2003, we had the \$4.8 million 80 Evergreen bridge loan, maturing in October 2006, and the \$3.5 million 930 Flushing Avenue mezzanine loan, maturing in June 2006, outstanding to affiliates of these joint ventures.

Other Relationships and Related Transactions

Mr. Fred Weber, our executive vice president of structured finance, continues to serve on Arbor Commercial Mortgage's executive committee and provide services to Arbor Commercial Mortgage. Mr. Weber does not receive a salary from Arbor Commercial Mortgage but may receive production payments from Arbor Commercial Mortgage for originating loans on its behalf.

Arbor Management, LLC, the managing member of Arbor Commercial Mortgage, loaned Mr. Herbst and Mr. Palmier \$225,000 and \$800,000, respectively for the purpose of financing a portion of each of their investments in the private placement in July 2003. Arbor Management's loan to Mr. Herbst is secured by a pledge of his 0.5% membership interest in Arbor Commercial Mortgage. Arbor Management's loan to Mr. Palmier is secured by a pledge of the 13,350 units he purchased in the private placement in July 2003. Arbor Management has also made additional loans to Mr. Herbst and Mr. Palmier in the amounts of \$57,142 and \$7,500, respectively, prior to the private placement. In addition, Arbor Management loaned Walter Horn, our general counsel and corporate secretary and one of our directors, and Mr. Weber \$28,857 and \$157,545, respectively, prior to the private placement. Arbor Management will not make any loans in the future to any of our directors, officers or employees and will not modify the terms of or extend the maturity date of any outstanding loans to our directors, executives officers and employees. The current policies and procedures of Arbor Commercial Mortgage and us do not allow for the lending of funds to any of our directors, officers or employees.

One of our directors, Dr. Helmreich, has been retained as a part-time consultant in the capacity of chairman for Academic Affairs by North Shore Hebrew Academy since 2000. Prior to 2000, Dr. Helmreich was the president of North Shore Hebrew Academy. Our chairman and chief executive officer, Mr. Kaufman, and Dr. Helmreich are both members of the board of trustees of North Shore Hebrew Academy High School.

In 2000 and 2001, Arbor Commercial Mortgage paid \$65,394 and \$85,000, respectively, for legal services rendered, to Pryor Cashman Sheaman & Flynn LLP, where Mr. Jonathan A. Bernstein, one of our directors, is of counsel.

Concurrently with our initial public offering, we sold 500,000 shares of our common stock to Kojaian Ventures, L.L.C., of which the sole members are Mr. Kojaian, one of our directors, and Kojaian Ventures MM, Inc., of which Mr. Kojaian is the sole stockholder, pursuant to a subscription agreement with Kojaian Ventures, L.L.C. that contained certain customary representations and warranties.

PROPOSAL NO. 1: ELECTION OF DIRECTORS

The board of directors, following the recommendation of the nominating/corporate governance committee, has recommended that Messrs. Bernstein and Martello be elected to serve on the board of directors, each until the annual meeting of stockholders for 2007 and until his successor is duly elected and qualifies. For certain information regarding each nominee, see Board of Directors above.

Each nominee has consented to being named in this proxy statement and to serve if elected. If, prior to the annual meeting, either nominee should become unavailable to serve, the shares of voting securities represented by a properly executed and returned proxy will be voted for such additional person as shall be designated by the board of directors, unless the board of directors determines to reduce the number of directors in accordance with the Company's charter and bylaws.

Election of the director nominees named in this proposal requires the affirmative vote of a plurality of the shares of our voting securities cast in the election of directors at the annual meeting. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the board of directors' nominees. Votes may be cast in favor of or withheld with respect to all of the director nominees, or any of them. Broker non-votes, if any, will not be counted as having been voted and will have no effect on the outcome of the vote on the election of directors. Stockholders may not cumulate votes in the election of directors.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE
ELECTION OF THE NOMINEES IDENTIFIED ABOVE.**

PROPOSAL NO. 2: RATIFICATION OF APPOINTMENT OF OUR INDEPENDENT AUDITORS

The audit committee of our board of directors has appointed Ernst & Young LLP as our independent auditors for the fiscal year ending December 31, 2004. The board has endorsed this appointment. Ernst & Young audited our consolidated financial statements for the fiscal year ended December 31, 2003, our first year of operations. A representative of Ernst & Young is expected to be present at the annual meeting and will be available to respond to appropriate questions from our stockholders and will be given an opportunity to make a statement if he or she desires to do so.

Stockholder ratification of the selection of Ernst & Young LLP as our independent auditors is not required by our bylaws or otherwise. However, the board is submitting the appointment of Ernst & Young to the stockholders for ratification as a matter of good corporate governance. Ratification of the selection of Ernst & Young as our independent auditors for fiscal year 2004 requires the affirmative vote of a majority of the shares of our voting securities cast on the proposal at the annual meeting.

If this selection is not ratified by our stockholders, the audit committee and the board may reconsider its recommendation and endorsement, respectively. Abstentions and broker non-votes, if any, will not be counted as having been voted and will have no effect on the outcome of the vote for this proposal. Even if the selection is ratified, the audit committee in its discretion may direct the appointment of different independent auditors at any time during the year if it determines that such a change would be in the best interests of Arbor and its stockholders.

Audit Committee Pre-Approval Policy

In accordance with applicable laws and regulations, the audit committee reviews and pre-approves any non-audit services to be performed by Ernst & Young to ensure that the work does not compromise its independence in performing audit services. The audit committee also reviews and pre-approves all audit services. In some cases, pre-approval is provided by the full committee for up to a year, and relates to a particular category or group of services and is subject to a specific budget. In other cases, the chairman of the audit committee has the delegated authority from the committee to pre-approve additional services, and such pre-approvals are then communicated to the full audit committee.

The policy contains a de minimis provision that operates to provide retroactive approval for permissible non-audit services under certain circumstances. No services were provided by Ernst & Young during 2003 under such provision.

Change in Accountants

Grant Thornton LLP was previously the independent accounting firm engaged as the principal accountant to audit the consolidated financial statements of the structured finance business of Arbor Commercial Mortgage and its subsidiaries. On December 15, 2003, we dismissed Grant Thornton. The decision to change accountants was recommended by the audit committee of our board of directors and approved by our board of directors.

We were formed on June 24, 2003. Since our formation until December 15, 2003, the date of Grant Thornton's dismissal, and in connection with the audit of the consolidated financial statements of the structured finance business of Arbor Commercial Mortgage and its subsidiaries as of December 31, 2002 and 2001 and for each of the two years in the period ended December 31, 2002, there were no disagreements with Grant Thornton on any matter of accounting principles or practices, consolidated financial statement disclosure or auditing scope or procedures, which disagreements if not resolved to their satisfaction would have caused them to make reference in connection with their opinion to the subject matter of the disagreement. Also, during such periods there were no reportable events as set forth in Item 304(a)(1)(v) of Regulation S-K.

The audit report of Grant Thornton on the consolidated financial statements of the structured finance business of Arbor Commercial Mortgage and its subsidiaries as of December 31, 2002 and 2001 and for each of the two years ended December 31, 2002 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

**PROPOSAL NO. 3: APPROVAL OF AN AMENDMENT AND RESTATEMENT OF THE
COMPANY S 2003 OMNIBUS STOCK INCENTIVE PLAN TO AUTHORIZE FOR ISSUANCE
AN ADDITIONAL 250,000 SHARES OF OUR COMMON STOCK**

We are asking the Company s stockholders to approve the Company s 2003 Omnibus Stock Incentive Plan, as amended and restated (as amended and restated, the Stock Incentive Plan), to increase the total number of shares of our common stock authorized and reserved for issuance under the Stock Incentive Plan by 250,000 shares. Following approval of the Stock Incentive Plan, the total number of shares authorized and reserved for future issuance under the Stock Incentive Plan will not exceed 435,000 shares.

As of June 24, 2004, 147,166 shares of our common stock subject to restricted stock awards were outstanding and 37,834 shares remained available for future grants. The board of directors believes that the Company s stock incentive program is an important factor in attracting and retaining the high caliber employees and other service providers essential to the Company s success and in aligning those individuals long-term interests with those of our stockholders. Therefore, the board of directors has amended the Stock Incentive Plan, subject to the approval of the Company s stockholders, to increase by 250,000 shares the maximum aggregate number of shares with respect to which awards may be granted under the Stock Incentive Plan. The amendment is intended to ensure that the Stock Incentive Plan will have available the number of shares necessary to meet these needs, and the board of directors believes that approval of the Stock Incentive Plan is in the best interests of the Company and its stockholders.

The material features of the Stock Incentive Plan are summarized below. The following summary does not purport to be complete, and is subject to and qualified in its entirety by reference to the complete text of the Stock Incentive Plan, reflecting the proposed amendment, which is attached as Appendix B to this proxy statement.

General

Restricted stock awards may be granted under the Stock Incentive Plan. A total of 185,000 shares of the Company s common stock was originally reserved for issuance pursuant to awards under the Stock Incentive Plan, subject to adjustment upon certain corporate transactions. Upon stockholder approval of the Stock Incentive Plan, the total number of shares reserved for issuance will be 435,000. If any shares subject to an award are forfeited, the forfeited shares that were subject to the award will become available for future grants under the Stock Incentive Plan.

As of June 24, 2004, the per share closing price of the Company s common stock was \$20.23 as reported on the New York Stock Exchange on such date.

Purpose

The purpose of the Stock Incentive Plan is to enable the Company to attract and retain highly qualified personnel who will contribute to the Company s success and to provide incentives to employees and other service providers that are linked directly to increases in stockholder value, and will therefore inure to the benefit of all of the Company s stockholders.

Administration

The Stock Incentive Plan is administered by the Company s board of directors or, at the board s discretion, by a committee appointed by the board (each, the plan administrator). The plan administrator has the authority to grant awards and otherwise administer the Stock Incentive Plan. All decisions made by the plan administrator pursuant to the provisions of the Stock Incentive Plan are final, conclusive and binding upon all persons.

Eligibility

Officers, directors, employees, consultants (including employees of Arbor Commercial Mortgage who provide services to the Company) and advisors of the Company, its parent or subsidiaries are eligible to receive

awards under the Stock Incentive Plan. As of June 24, 2004, there were approximately 30 individuals eligible to receive awards under the Stock Incentive Plan.

Restricted Stock

A restricted stock award is an award of shares of common stock that is subject to restrictions on transferability and such other restrictions, if any, as the plan administrator may determine in its sole discretion. The restrictions may lapse separately or in combination at such times, under such circumstances, including, without limitation, a specified period of employment or the satisfaction of pre-established criteria, in such installments or otherwise, as the plan administrator may determine.

Restricted stock awards may be issued either alone or in addition to other awards granted under the Stock Incentive Plan. The recipient of a restricted stock award does not have any rights with respect to any such award until he or she has executed an award agreement evidencing the award and delivered an executed copy to the Company generally within a period of 60 days after the grant date.

Except to the extent restricted under the award agreement relating to the restricted stock, the recipient of a restricted stock award generally has all of the rights of a stockholder. The rights of a restricted stock award recipient upon termination of employment or service is as set forth in the award agreement governing such award and the terms of the award agreement may differ from award to award. The Company's restricted stock awards generally provide that upon cessation of employment with or service to the Company, shares of restricted stock and any and all accrued but unpaid dividends that at the time have not been released from restrictions will be forfeited.

Adjustments Upon Certain Corporate Transactions

In the event of any merger, reorganization, consolidation, recapitalization, stock dividend or other change in corporate structure affecting the Company's common stock, the plan administrator shall determine to what extent an equitable substitution or proportionate adjustment shall be made in (1) the aggregate number of shares of the common stock reserved for issuance under the Stock Incentive Plan, and (2) the kind, number and purchase price of shares of the common stock subject to outstanding awards of restricted stock granted under the plan. Other substitutions or adjustments shall be made as determined in the plan administrator's discretion, including the cancellation of any outstanding awards in exchange for payment in cash or other property.

Effect of a Change in Control

The treatment of restricted stock awards in the event of a change in control of the Company is as set forth in the award agreement governing such award, which treatment may vary from award to award. The Company's restricted stock agreements generally provide that all restrictions lapse as of the date of the change in control. The definition of a change in control is provided in the restricted stock agreement and may vary from award to award. Generally a change in control will occur upon the occurrence of one of the following events:

a person is or becomes the owner of 25% or more of the voting stock of the Company;

directors serving on the board on the date of the award agreement and any new directors whose election or nomination is approved or recommended by at least a two-thirds vote of the directors then still in office who either were directors on the date of the award agreement or whose election or nomination was previously so approved or recommended, cease to constitute a majority of directors;

consummation of a merger or consolidation of the Company or any subsidiary with any other corporation; or

approval by the Company's stockholders of a plan of complete liquidation or dissolution of the Company or there is consummated an agreement for the sale or disposition of all or substantially all of the Company's assets.

Amendment and Termination

The Company's board of directors may amend, alter or discontinue the Stock Incentive Plan but cannot take any action that would impair the rights of an award recipient without such recipient's consent. To the extent necessary and desirable, the board of directors must obtain approval of the stockholders for any amendment that would: (a) other than through adjustment as provided in the Stock Incentive Plan, increase the total number of shares of our common stock reserved for issuance under the Stock Incentive Plan; or (b) change the class of officers, directors, employees, consultants and advisors eligible to participate in the Stock Incentive Plan. The plan administrator may amend the terms of any award granted under the Stock Incentive Plan, prospectively or retroactively but generally may not impair the rights of any award recipient without his or her consent.

The Stock Incentive Plan will terminate on June 25, 2013, provided that any awards then outstanding under the Stock Incentive Plan may extend beyond that date.

New Plan Benefits

The Company cannot determine the number of restricted stock awards under the Stock Incentive Plan, if approved, that will be granted in 2004 because these grants will be made at the discretion of the plan administrator and, accordingly, are not yet determinable.

Vote Required for Approval of the Amendment and Restatement of the Stock Incentive Plan

Approval of the amendment and restatement of the Stock Incentive Plan requires the affirmative vote of a majority of the votes cast on the proposal at the annual meeting by holders of our voting securities; provided that the total vote cast on the proposal represents over 50% in interest of all securities entitled to vote on the proposal. For purposes of the vote on the Stock Incentive Plan, abstentions will have the same effect as votes against the proposal and broker non-votes will have the same effect as votes against the proposal, unless holders of more than 50% in interest of all securities entitled to vote on the proposal cast votes, in which event broker non-votes will not have any effect on the result of the vote. If stockholder approval of the amendment and restatement of the Stock Incentive Plan is not obtained, then no issuances pursuant to the Stock Incentive Plan will be made that, when combined with the number of shares previously issued pursuant to the plan and not otherwise forfeited, exceeds in the aggregate 185,000 shares of our common stock.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR APPROVAL OF THE AMENDMENT AND RESTATEMENT OF THE COMPANY'S 2003 OMNIBUS STOCK INCENTIVE PLAN TO AUTHORIZE FOR ISSUANCE AN ADDITIONAL 250,000 SHARES OF OUR COMMON STOCK

(i) Subject to the provisions of the Plan and the Restricted Stock Award Agreement governing any such Award, during such period as may be set by the Administrator commencing on the date of grant (the Restricted Period), the Participant shall not be permitted to sell, transfer, pledge or

assign shares of Restricted Stock awarded under the Plan; *provided, however*, that the Administrator may, in its sole discretion, provide for the lapse of such restrictions in installments and may accelerate or waive such restrictions in whole or in part based on such factors and such circumstances as the Administrator may determine, in its sole discretion.

(ii) Except as provided in Section 6(b)(i), the Participant shall generally have the rights of a stockholder of the Company with respect to Restricted Stock during the Restricted Period. Certificates for unrestricted Shares shall be delivered to the Participant promptly after, and only after, the Restricted Period shall expire without forfeiture in respect of such awards of Restricted Stock except as the Administrator, in its sole discretion, shall otherwise determine.

(iii) The rights of Participants granted awards of Restricted Stock upon termination of employment or service as a director, consultant or advisor to the Company or to any Parent or Subsidiary terminates for any reason during the Restricted Period shall be set forth in the Restricted Stock Award Agreement governing such Awards.

Section 7. Amendment and Termination.

The Board may amend, alter or discontinue the Plan, but no amendment, alteration, or discontinuation shall be made that would impair the rights of a Participant under any Award theretofore granted without such Participant's consent. To the extent necessary and desirable, the Board shall obtain approval of the stockholders (as described below), for any amendment that would:

(a) except as provided in Sections 3 or 4 of the Plan, increase the total number of Shares reserved for issuance under the Plan; or

(b) change the class of officers, directors, employees, consultants and advisors eligible to participate in the Plan.

The Administrator may amend the terms of any Award theretofore granted, prospectively or retroactively, but, subject to Section 4 of Plan, no such amendment shall impair the rights of any Participant without his or her consent.

Section 8. Unfunded Status of Plan.

The Plan is intended to constitute an unfunded plan for incentive compensation. With respect to any payments not yet made to a Participant by the Company, nothing contained herein shall give any such Participant any rights that are greater than those of a general creditor of the Company.

Section 9. General Provisions.

(a) Shares shall not be issued pursuant to any Award granted hereunder unless such Award and the issuance and delivery of such Shares pursuant thereto shall comply with all relevant provisions of law, including, without limitation, the Securities Act of 1933, as amended, the Securities Exchange Act of 1934, as amended, and the requirements of any stock exchange upon which the Common Stock may then be listed, and shall be further subject to the approval of counsel for the Company with respect to such compliance.

(b) The Administrator may require each person acquiring Shares to represent to and agree with the Company in writing that such person is acquiring the Shares without a view to distribution thereof. The certificates for such Shares may include any legend which the Administrator deems appropriate to reflect any restrictions on transfer.

All certificates for Shares delivered under the Plan shall be subject to such stock-transfer orders and other restrictions as the Administrator may deem advisable under the rules, regulations, and other requirements of the Securities and Exchange Commission, any stock exchange upon which the Common Stock is then listed, and any applicable Federal or state securities law, and the Administrator may cause a legend or legends to be placed on any such certificates to make appropriate reference to such restrictions.

(c) Nothing contained in the Plan shall prevent the Board from adopting other or additional compensation arrangements, subject to stockholder approval, if such approval is required; and such arrangements may be either generally applicable or applicable only in specific cases. The adoption of the Plan shall not confer upon any Eligible Recipient any right to continued employment or service with the Company or any Parent or Subsidiary, as the case may be, nor shall it interfere in any way with the right of the Company or any Parent or Subsidiary to terminate the employment or service of any of its Eligible Recipients at any time.

(d) Each Participant shall, no later than the date as of which the value of an Award first becomes includible in the gross income of the Participant for Federal income tax purposes, pay to the Company, or make arrangements satisfactory to the Administrator regarding payment of, any Federal, state, or local taxes of any kind required by law to be withheld with respect to such Award. The obligations of the Company under the Plan shall be conditional on the Participant's making of such payments or arrangements, and the Company shall, to the extent permitted by law, have the right to deduct any such taxes from any payment of any kind otherwise due to the Participant.

(e) No member of the Board or the Administrator, nor any officer or employee of the Company acting on behalf of the Board or the Administrator, shall be personally liable for any action, determination, or interpretation taken or made in good faith with respect to the Plan, and all members of the Board or the Administrator and each and any officer or employee of the Company acting on their behalf shall, to the extent permitted by law, be fully indemnified and protected by the Company in respect of any such action, determination or interpretation.

Section 10. Stockholder Approval; Effective Date of Plan.

(a) The grant of any Award hereunder shall be contingent upon stockholder approval of the Plan being obtained within 12 months before or after the date the Board adopts the Plan.

(b) Subject to the approval of the Plan by the stockholders of the Company within twelve (12) months before or after the date the Plan is adopted by the Board, the Plan shall be effective as of June 25, 2003 (the Effective Date).

Section 11. Term of Plan.

No Award shall be granted pursuant to the Plan on or after the tenth anniversary of the Effective Date, but Awards theretofore granted may extend beyond that date.

Section 12. Governing Law.

This Plan and all questions relating to its validity, interpretation, performance and enforcement shall be governed by and construed, interpreted and enforced in accordance with the laws of the State of New York, notwithstanding any New York or other conflict-of-law provisions to the contrary.
