On June 20, 2006, the existing senior secured asset based credit facility of Golfsmith International Holdings, Inc. (Holdings), as guarantor, and its subsidiaries was amended and restated by entering into an amended and restated credit agreement (the Amended and Restated Credit Agreement) by and among Golfsmith International, L.P., Golfsmith NU, L.L.C., Golfsmith USA, L.L.C., and Don Sherwood Golf Shop, as Borrowers, Holdings and the subsidiaries of Holdings identified therein as Credit Parties (the Credit Parties), General Electric Capital Corporation, as Administrative Agent, Swing Line Lender and L/C Issuer, GE Capital Markets, Inc., as Sole Lead Arranger and Bookrunner, and the financial institutions from time to time parties thereto. The Amended and Restated Credit Agreement consists of a \$65,000,000 asset-based revolving credit facility (the Revolver), including a \$5,000,000 letter of credit subfacility and a \$10,000,000 swing line subfacility. Pursuant to the terms of the Amended and Restated Credit Agreement, the Borrowers may request the lenders under the Revolver or certain other financial institutions to provide (at their election) up to \$25,000,000 of additional commitments under the Revolver. The proceeds from the incurrence of Loans under the Amended and Restated Credit Agreement were used, together with proceeds from Holdings 's initial public equity offering, to retire all of the outstanding 8.375% senior secured notes due 2009 issued by Holdings, pay a one-time fee of \$3.0 million to First Atlantic, and pay related transaction fees and expenses. On an ongoing basis, Loans incurred under the Amended and Restated Credit Agreement will be used for the working capital and general corporate purposes of the Borrowers and their subsidiaries.

Loans incurred under the Amended and Restated Credit Agreement bear interest per annum, for the first three months after the closing date, at (1) LIBOR plus one and one half percent (1.50%), or (2) the Base Rate, which is equal to the higher of (i) the Federal Funds Rate plus 0.50 basis points and (ii) the publicly quoted rate as published by The Wall Street Journal on corporate loans posted by at least 75% of the nation 's largest 30 banks. Subsequently, the Loans will bear interest in accordance with a graduated pricing matrix based on the average excess availability under the Revolver for the previous quarter. Borrowings under the Amended and Restated Credit Agreement are jointly and severally guaranteed by the Credit Parties, and are secured by a security interest granted in favor of the Administrative Agent, for itself and for the benefit of the lenders, in all of the personal and owned real property of the Credit Parties, including a lien on all of the equity securities of the Borrowers and each of Borrower 's subsidiaries. The Amended and Restated Credit Agreement has a term of five years.

The Amended and Restated Credit Agreement contains customary affirmative covenants regarding, among other things, the delivery of financial and other information to the lenders, maintenance of records, compliance with law, maintenance of property and insurance and conduct of business. The Amended and Restated Credit Agreement also contains certain customary negative covenants that limit the ability of the Credit Parties to, among other things, create liens, make investments, enter into transactions with affiliates, incur debt, acquire or dispose of assets, including merging with another entity, enter into sale-leaseback transactions, and make certain restricted payments. The foregoing restrictions are subject to certain customary exceptions for facilities of this type. The Amended and Restated Credit Agreement includes events of default (and related remedies, including acceleration of the loans made thereunder) usual for a facility of this type, including payment default, covenant default (including breaches of the covenants described above), cross-default to other indebtedness, material inaccuracy of representations and warranties, bankruptcy and involuntary proceedings, change of control, and judgment default. Many of the defaults are subject to certain materiality thresholds and grace periods usual for a facility of this type.

The above summary is qualified in its entirety by reference to the Amended and Restated Credit Agreement.
