PROXY STATEMENT

GENERAL

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of The Korea Fund, Inc., a Maryland corporation (the Fund), for use at the Annual Meeting of Stockholders, to be held at the offices Deutsche Asset Management, 345 Park Avenue (at 51st-52nd Streets), New York, New York 10154, on October 25, 2006 at 4:00 p.m., Eastern time, and at any adjournments or postponements thereof (collectively, the Meeting).

This Proxy Statement, the Notice of Annual Meeting, and the proxy card are first being mailed to stockholders on or about September 8, 2006 or as soon as practicable thereafter. If the enclosed proxy is executed and returned, or an internet or telephonic vote is delivered, that vote may nevertheless be revoked at any time prior to its use by written notification received by the Fund (addressed to the Fund's Secretary at the Fund's principal executive offices, 345 Park Avenue, New York, New York 10154), by the execution of a later-dated proxy, by the Fund's receipt of a subsequent valid internet or telephonic vote, or by attending the Meeting and voting in person. Proxies voted by telephone or through the internet may be revoked at any time before they are voted in the same manner that proxies voted by mail may be revoked. All properly executed proxies received in time for the Meeting will be voted as specified in the proxy or, if no specification is made, for the nominees for Class III Director named in the Proxy Statement and in the discretion of the proxy holders on any other matter that may properly come before the Meeting.

The presence at any Fund stockholders' meeting, in person or by proxy, of stockholders entitled to cast a majority of the votes entitled to be cast shall be necessary and sufficient to constitute a quorum for the transaction of business. For purposes of determining the presence of a quorum for transacting business at the Meeting, abstentions and broker non-votes will be treated as shares that are present, but which have not been voted. Broker non-votes are proxies received by the Fund from brokers or nominees when the broker or nominee has neither received instructions from the beneficial owner or other persons entitled to vote nor has discretionary power to vote on a particular matter.

Accordingly, stockholders are urged to forward their voting instructions promptly.

With respect to the election of Director nominees, abstentions and broker-non-votes will have the same effect as a vote not to elect the nominees, because election of a nominee requires the affirmative vote of a majority of the shares present in person or by proxy and entitled to vote. See Proposal: Election of Directors Required Vote.

Holders of record of the common stock of the Fund at the close of business on August 11, 2006 (the Record Date) will be entitled to one vote per share on all business of the Meeting and any adjournments or postponements. There were 26,967,347 shares of common stock outstanding on the Record Date.

The Fund provides periodic reports to all stockholders, which highlight relevant information, including investment results and a review of portfolio changes. You may receive an additional copy of the Fund's annual report for its fiscal year ended June 30, 2006 and a copy of the Fund's semi-annual report for the six-month period ended December 31, 2005, without charge, by calling (800) 349-4281 or writing the Fund at 345 Park Avenue, New York, New York 10154.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the Exchange Act), and Section 30(h) of the Investment Company Act of 1940, as amended (the 1940 Act), as applied to a closed-end management investment company, require the Fund's Directors and executive officers, Deutsche Investment Management Americas, Inc. (DeIM), the Fund's investment manager, affiliates of the Fund's investment manager, and persons who beneficially own more than ten percent of a registered class of the Fund's outstanding securities (all such persons collectively, Reporting Persons) to file reports of ownership of the Fund's securities and changes in such ownership with the Securities and Exchange Commission (the SEC). Such persons are required by SEC regulations to furnish the Fund with copies of all such filings.

Based on a review of reports filed by the Fund's Directors and executive officers, the Fund's investment manager, officers and Directors of the investment manager, affiliated persons of the Fund's investment manager, and beneficial holders of 10% or more of the Fund's outstanding stock, and written representations by the Reporting Persons that no year-end reports were required for such persons, all filings required by Section 16(a) of the Exchange Act for the Fund's fiscal year ended June 30, 2006 were timely, except that John Robbins, an officer of the Fund's investment manager, filed a Form 3 twenty-seven days late. As a convenience to the Directors, the Fund's investment manager assists the Directors in making their Section 16 filings.

According to a Schedule 13F filing made with the SEC on June 30, 2006, the following shareholder owned beneficially more than 5% of the Fund's outstanding common stock:

Title of Class	Name and Address of Beneficial Owner	Amount and Nature of Beneficial Ownership	Percent of Class
Common Stock	City of London Investment Group, PLC c/o City of London Investment Management Company, Limited, 10 Eastcheap, London, EC3M ILX, England	6,527,452 shares ¹	24.21%

¹ City of London Investment Group, PLC held sole voting power and sole investment power with respect to the above number of shares. City of London Investment Group, PLC held 6,527,452 shares, or 24.21% of the Fund's outstanding stock, through its control of City of London Investment Management Company Limited.

Except as noted above, to the best of the Fund's knowledge, as of July 31, 2006, no other person owned beneficially more than 5% of the Fund's outstanding stock.

Committees of the Board - Board Meetings

The Board of Directors of the Fund met six times during the fiscal year ended June 30, 2006. Each Director attended at least 75% of the total number of meetings of the Board of Directors and of all committees of the Board on which he served as a regular member.

The Board of Directors seeks to have at least a majority of its members present at annual stockholder meetings. At the Fund's most recent annual stockholder meeting on December 14, 2005, a majority of the Board attended either in person or via telephone.

The Board of Directors, in addition to an Executive Committee, has an Audit Committee, a Valuation Committee, and a Nominating and Governance Committee (formerly the Committee on Independent Directors).

Audit Committee

The Board has an Audit Committee consisting of those Directors who are not interested persons of the Fund or of DeIM (Independent Directors), as defined in the 1940 Act, the Committee being established in accordance with Section 3(a)(58) of the Exchange Act. The Audit Committee met five times during the fiscal year ended June 30, 2006. The members of the Audit Committee are independent, as independence is defined in the listing standards of the New York Stock Exchange, Inc. applicable to closed-end funds. The Audit Committee's purposes are (i) to oversee the Fund's accounting and financial reporting policies and practices, the Fund's internal controls (including disclosure controls and procedures), and, as appropriate, the internal controls of certain Fund service providers; (ii) to oversee the quality and objectivity of the Fund's financial statements and the independent audit thereof; (iii) to exercise direct responsibility for the appointment, compensation, retention and oversight of the work performed by the Fund's independent auditors for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Fund; (iv) to act as a liaison between the Fund's independent registered public accounting firm and the Board; (v) to oversee the Fund's compliance with legal and regulatory requirements; and (vi) to prepare an audit committee report as required by Item 306 of Regulation S-K to be included in the Fund's annual proxy statement relating to the election of Directors.

Audit Committee's Pre-Approval Policies and Procedures. The Audit Committee must approve in advance the engagement of the Fund's independent registered public accounting firm (i) to provide audit or non-audit services to the Fund; and (ii) non-audit services to DeIM or its control affiliates that relate directly to the Fund's operations and financial reporting. In addition, the Fund's independent registered public accounting firm must notify the Fund's Audit Committee not later than the Audit Committee's next meeting if the independent registered public accounting firm enters into an engagement with DeIM or its control affiliates for any other services with projected fees in excess of \$25,000. Such notification must include a general description of the services awarded, the entity that is to be the recipient of such services, the timing of the engagement, the entity's reason for selecting the Fund's independent accountants, and the projected fees.

The Audit Committee's duties are described in the Audit Committee's charter, which was adopted by the Board of Directors and is attached to this Proxy Statement as *Appendix A*.

At a meeting held on July 12, 2006, the Audit Committee and the Board of Directors of the Fund, including a majority of the Independent Directors, selected PricewaterhouseCoopers LLP (PWC) to act as the independent registered public accounting firm for the Fund for the fiscal year ending June 30, 2007. The

The fees disclosed in the table above under the caption Total Non-Audit Fees Billed to Adviser and Affiliated Fund Service Providers (all other engagements) are the fees billed for services in connection with risk management, tax services, and process improvement/integration initiatives for DeIM and other related entities that provide support for the operations of the Fund.

The Fund's Audit Committee gave careful consideration to the non-audit related services provided by PWC to the Fund, DeIM and Affiliated Fund Service Providers, and, based in part on certain representations and information provided by PWC, determined that the provision of these services was compatible with maintaining PWC's independence.

Representatives of PWC are not expected to be present at the Meeting, but will be available by telephone to respond to appropriate questions and to make a statement if they wish to do so.

Audit Committee Report

In connection with the audited financial statements as of and for the fiscal year ended June 30, 2006 included in the Fund's Annual Report for the fiscal year ended June 30, 2006 (the Annual Report), at a meeting held on August 22, 2006, the Audit Committee considered and discussed the audited financial statements with management and the independent registered public accounting firm, and discussed the audit of such financial statements with the independent registered public accounting firm.

The Audit Committee also discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61 (*Communications with Audit Committees*). The independent registered public accounting firm provided to the Committee the written disclosure and the letter required by Independence Standards Board Standard No. 1 (*Independence Discussions with Audit Committees*), and the Audit Committee discussed with representatives of the independent registered public accounting firm their firm's independence.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not employed by the Fund for accounting, financial management or internal control. Moreover, the Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or the independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and

regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of the Fund's financial statements has been carried out in accordance with the auditing standards of the

8 THE KOREA FUND, INC.

Public Company Accounting Oversight Board (United States) generally accepted in the United States of America or that the financial statements are presented in accordance with accounting principles generally accepted in the United States of America.

Based on its consideration of the audited financial statements and the discussions referred to above with management and the independent registered public accounting firm and subject to the limitation on the responsibilities and role of the Audit Committee set forth in the Audit Committee's Charter and those discussed above, the Audit Committee of the Fund recommended to the Fund's Board of Directors that the audited financial statements be included in the Fund's Annual Report.

The Audit Committee currently consists of Messrs. Silver (Chair), Nogueira, Reid, Russell, and Yun.

Nominating and Governance Committee

The Nominating and Governance Committee is comprised of Independent Directors. The members of the Committee are independent, as independence is defined in the listing standards of the New York Stock Exchange, Inc. applicable to closed-end funds. The Committee met once during the fiscal year ended June 30, 2006 and held a subsequent meeting on July 12, 2006 to recommend Mr. Silver as a nominee for Independent Director.

The primary purposes and responsibilities of the Committee are (i) to identify individuals qualified to become members of the Board in the event that a position is vacated or created; (ii) to recommend for the Board's selection the Director nominees for the next annual meeting of stockholders; (iii) to set any necessary standards or qualifications for service on the Board; (iv) to review and evaluate the compensation practices of the Independent Directors and to recommend any changes thereto to the Board; (v) to determine the policies governing retirement of all Independent Directors; (vi) to perform periodic evaluations of the effectiveness of the Independent Directors; and (vii) to consider such other matters of special relevance to the Independent Directors.

The Committee requires that Director candidates have a college degree or equivalent business experience. The Committee may take into account a wide variety of factors in considering Director candidates, including (but not limited to) (i) availability and commitment of a candidate to attend meetings and perform his or her responsibilities on the Board; (ii) relevant industry and related experience; (iii) educational background; (iv) financial expertise; (v) an assessment of the candidate's ability, judgment and expertise; and (vi) overall diversity of the Board's composition. The Board of Directors has adopted a written charter for the Nominating and Governance Committee, which is attached to this Proxy Statement as *Appendix B*. The Nominating and Governance Committee's Charter is not available on the Fund's website.

The Committee will consider and evaluate nominee candidates properly submitted by stockholders on the same basis as it considers and evaluates candidates recommended by other sources. *Appendix A* to the charter (which is part of *Appendix B* hereto), as it may be amended from time to time by the Committee, sets forth procedures that must be followed by stockholders to properly submit a nominee candidate to the Committee. Recommendations not properly submitted in accordance with *Appendix A* to the charter will not be considered by the Committee.

THE KOREA FUND, INC. 9

Executive Committee

The Executive Committee is empowered with, and the Directors have delegated to such Committee, all of the powers of the Directors that are not otherwise delegated and that may lawfully be exercised by an executive committee. The Executive Committee is authorized to act when the full Board of Directors is not in session. Mr. Reid serves on the Executive Committee. Messrs. Nogueira, Russell, and Yun serve as alternate members on the Executive Committee. The Executive Committee did not meet during the Fund's fiscal year ended June 30, 2006.

Valuation Committee

The Valuation Committee monitors the valuation of portfolio securities and other investments and, as required by the Fund's valuation policies when the full Board is not in session, determines the fair value of certain illiquid and other portfolio holdings after consideration of all relevant factors, which determinations are reported to the full Board. Messrs. Nogueira and Russell serve as members of the Valuation Committee, with Mr. Reid serving as an alternate. The Valuation Committee met twice during the fiscal year ended June 30, 2006.

Transactions with and Remuneration of Directors and Officers

The aggregate direct remuneration incurred by the Fund for payment to Independent Directors was \$150,962, including expenses, for the fiscal year ended June 30, 2006. Each such Independent Director currently receives fees, paid by the Fund, of \$3,000 per Directors' meeting attended and an annual Director's fee of \$14,000, except the Chairman of the Board, who receives an additional \$12,000 annual fee. The Chairman of the Audit Committee receives an additional \$7,000 annual fee for serving in that capacity. Each Independent Director also receives \$3,000 per committee meeting attended. In addition, each Independent Director is eligible to receive a full-day per diem fee of \$1,500 or a half-day per diem fee of \$750 as compensation for taking on special assignments at the request of the Board. DeIM supervises the Fund's investments, pays the compensation and certain expenses of its personnel who serve as officers of the Fund, and receives a management fee for its services. Several of the Fund's officers are also officers, Directors, employees, or stockholders of DeIM and participate in the fees paid to that firm, although the Fund makes no direct payments to them.

The following Compensation Table provides, in tabular form, the following data:

Column (1): All Directors who received compensation from the Fund during the period.

Column (2): Aggregate compensation received by a Director from the Fund.

Columns (3) and (4): Pension or retirement benefits accrued or proposed to be paid by the Fund. The Fund does not pay such benefits to its Directors.

Column (5): Total compensation received by a Director from the Fund, plus compensation received from all funds managed by DeIM for which a Director served during the period. The total number of funds from which the Director received such compensation is also provided in column (5). Generally, compensation received by a Director for serving on the Board of a closed-end fund is greater than the compensation received by a Director for serving on the Board of an open-end fund.

Other Matters

The Board of Directors does not know of any matters to be brought before the Meeting other than those mentioned in this Proxy Statement. The appointed proxies will vote on any other business that comes before the Meeting or any adjournment or postponement thereof in their discretion.

Miscellaneous

Proxies will be solicited by mail and may be solicited in person or by telephone by officers of the Fund or personnel of Deutsche Asset Management. The Fund has retained Georgeson, Inc. (Georgeson), 17 State Street, New York, New York 10004 to assist in the proxy solicitation. Georgeson will be paid a fee not to exceed \$1,500 plus expenses. The costs and expenses connected with the solicitation of proxies by the Fund's officers or Georgeson, in person or by telephone, will be borne by the Fund. The Fund will reimburse banks, brokers, and other persons holding the Fund's shares registered in their names or in the names of their nominees for their expenses incurred in sending proxy material to, and obtaining proxies from, the beneficial owners of such shares.

Solicitation of proxies is being made primarily by the mailing of this Proxy Statement with its enclosures on or about September 8, 2006. As mentioned above, Georgeson will assist in the solicitation of proxies.

As the meeting date approaches, certain stockholders may receive telephone calls from representatives of Georgeson if their votes have not been received. Authorization to permit Georgeson to execute proxies may be obtained by telephonic instructions or electronically transmitted instructions from stockholders of the Fund. If proxies are obtained telephonically, they will be recorded in accordance with procedures that are consistent with applicable law and that the Fund believes are reasonably designed to ensure that both the identity of the stockholder casting the vote and the voting instructions of the stockholder are accurately determined.

If a stockholder wishes to participate in a meeting, but does not wish to give a proxy by telephone, the stockholder may still submit the proxy card originally sent with this Proxy Statement. Should stockholders require additional information regarding the proxy or a replacement proxy card, they may contact Georgeson toll-free at 1-800-843-0369. Any proxy given by a stockholder is revocable until voted at a meeting. See Proxy Statement-General.

In the event that sufficient votes in favor of any proposal set forth in the Notice of this Meeting are not received by October 25, 2006, the persons named as appointed proxies on the enclosed proxy card may propose one or more adjournments of the Meeting to permit further solicitation of proxies. Any such adjournment will require the affirmative vote of a majority of the votes entitled to be cast at the session of the meeting to be adjourned. The persons named as appointed proxies on the enclosed proxy card will vote in favor of such adjournment those proxies that they are entitled to vote in favor of the proposal for which further solicitation of proxies is to be made. They will vote against any such adjournment those proxies required to be voted against such proposal. The costs of any such additional solicitation and of any adjourned session will be borne by the Fund.

Stockholder Proposals

Stockholders wishing to submit proposals pursuant to Rule 14a-8 under the Exchange Act for inclusion in the proxy statement for the Fund's 2007 annual meeting of stockholders should send their written proposals to the Secretary of the Fund, c/o Deutsche Investment Management Americas Inc., at 345 Park Avenue, New York, New York 10154 by May 11, 2007. The timely submission of a proposal does not guarantee its inclusion.

For nominations of candidates for election as Directors (other than nominations made by or at the recommendation of the Directors) or other business to be properly brought before the annual meeting by a stockholder, the stockholder must comply with the Fund's By-Laws, which, among other things, require that the stockholder must give timely notice thereof in writing to the Secretary of the Fund, the stockholder must be a stockholder of record, and the notice must contain the information about the nomination or other business that is required by the Fund's By-Laws. To be timely, any such notice must be delivered to or mailed by certified mail, return receipt requested, and received at the principal executive offices of the Fund not later than 90 days nor more than 120 days prior to the date of the meeting; provided, however, that if less than 100 days' notice or prior public disclosure is given or made to stockholders, any such notice by a stockholder to be timely must be so received not later than the close of business on the 10th day following the earlier of the day on which such notice of the date of the annual or special meeting was given or such public disclosure was made.

16 THE KOREA FUND, INC.

The Fund may exercise discretionary voting authority with respect to stockholder proposals for the 2007 meeting of stockholders that are not included in the proxy statement and form of proxy, if notice of such proposals is not received by the Fund at the above address within the time frame indicated above. Even if timely notice is received, the Fund may exercise discretionary voting authority in certain other circumstances. Discretionary voting authority is the ability to vote proxies that stockholders have executed and returned to the Fund on matters not specifically reflected on the form of proxy.
