**ANNUAL MEETING OF SHAREHOLDERS
SEPTEMBER 15, 2009**

INTRODUCTION

We will hold the Annual Meeting of Shareholders of Uroplasty, Inc. on Tuesday, September 15, 2009, at 1:30 p.m. (Central Time) at our principal executive office located at 5420 Feltl Road, Minnetonka, Minnesota 55343, or at any adjournment or adjournments thereof, for the purposes set forth in the Notice of Annual Meeting of Shareholders.

We enclose a proxy card for your use. Our Board of Directors solicits you to complete and return the proxy card in the reply envelope provided. Any proxy received in time for the Annual Meeting will be voted in accordance with the instructions given in the proxy card. If you sign a proxy card but do not direct us how to vote, the proxy will be voted as recommended by our Board of Directors. Any shareholder giving a proxy may revoke it at any time before the proxy is voted at our Annual Meeting either by giving a written notice of revocation to our Secretary, by filing a duly executed proxy bearing a later date with our Secretary or by appearing at the Annual Meeting and filing a written notice of revocation with our Secretary prior to use of the proxy. No revocation of a proxy will be effective unless written notice of the revocation is received by us at or prior to the Annual Meeting.

We will bear the cost of soliciting proxies, including the preparation, assembly and mailing of this proxy statement and the accompanying annual report, as well as the cost of forwarding the material to beneficial owners of our common stock. Our directors, officers and regular employees may, without compensation other than their regular compensation, solicit proxies in person, in writing or by any form of telecommunication. We may reimburse brokerage firms and others for expenses in forwarding proxy materials to the beneficial owners of common stock.

We are first mailing this Proxy Statement and the accompanying proxy card to Uroplasty shareholders on or about July 27, 2009.

OUR BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE PROPOSALS IN OUR NOTICE OF ANNUAL MEETING.

Table of Contents

VOTING OF SHARES

Only holders of record of our common stock at the close of business on July 20, 2009 are entitled to vote at our Annual Meeting. As of July 20, 2009, we had 14,946,540 shares of common stock outstanding. Holders of our common stock are entitled to one vote per share.

The presence in person or by proxy at the meeting of holders of a majority of our outstanding shares of common stock entitled to vote at the meeting (7,473,271 shares) is required for a quorum for the transaction of business. Provided that a quorum is present at the meeting, directors will be elected by plurality vote, which means that the directors who receive the most votes will be elected or reelected, regardless of whether holders of a majority of the shares present vote in favor of the director.

If your shares are registered directly in your name, you are considered the holder of record. If your shares are held in a brokerage account or by a bank, trust or other nominee, then the broker, bank, trust or other nominee is considered to be the holder of record, you are considered the beneficial owner, and your shares are said to be held in street name.

If you hold your shares in street name, you must provide the holder of record with instructions on how to vote your shares with regard to the items described in this proxy statement. If you do not provide the holder of record with instructions on how to vote your shares, under certain circumstances, your brokerage firm may vote your shares for routine matters, such as the election of directors.

If you abstain from voting on any matter, the abstention will be counted for purposes of determining whether a quorum is present at the Annual Meeting for the transaction of business as well as shares entitled to vote on that particular matter. If you hold your shares in street name and you do not provide voting instructions to your broker or other nominee as the record holder on matters that are not routine, your shares will be considered to be broker non-votes and will not be voted on any proposal on which your broker or other nominee does not have discretionary voting power. Broker non-votes are counted as present for purposes of establishing a quorum for the meeting, but are not considered entitled to vote on the proposal in question because the broker has no discretionary voting power. Because it is likely that your broker will have authority to vote without your instructions in the election of directors, it is unlikely that there will be broker non-votes at the 2009 Annual Meeting.

PROPOSAL 1 ELECTION OF DIRECTORS

Nominations

Our Board of Directors is divided into three classes, with each class containing as nearly as possible one-third of the total. The members of each class are elected to serve a term of three years. The term of office of each class is staggered so that in any one year the term of only one class expires. At each annual meeting of shareholders, a class of directors will be elected for a three-year term.

Our Board currently consists of six directors. The term of our Class I directors will expire at our 2009 Annual Meeting requiring the election of two Class I directors at the meeting for a three-year term. Our Nominating Committee has recommended and our Board has nominated the individual nominees named below to serve as a Class I director for the term as indicated below, until his successor has been elected and duly qualified. Both nominees are current members of the Board.

If the Board should learn that a nominee will be unable to serve by reason of death, incapacity or other unexpected occurrence prior to the Annual Meeting, the proxies which otherwise would have been voted for the nominee will be voted for a substitute nominee selected by the Nominating Committee and elected by the Board. The Board has no reason to believe that a nominee will be unable to serve.

Prior to joining Roundtable Healthcare Partners, Mr. Stauner held various positions between 1999 and 2005 at Cardinal Health, Inc., most recently as President of the Manufacturing Business Groups and a member of the Senior Management Operating Committee. He holds a Bachelor of Science degree in Business Administration from the University of Illinois.

Board Meetings and Attendance

Our business and affairs are managed by our Board, which met twelve times during the fiscal year ended March 31, 2009. Each director attended at least 75% of the meetings of the Board and any committee on which the director is a member. We encourage all Board members to attend our annual meetings and each attended the fiscal 2008 Annual Meeting.

Director Independence

Our Board reviews the independence of each director. During this review, our Board considers transactions and relationships between each director (and their immediate family and affiliates) and us, as well as our management to determine whether any such transactions or relationships are inconsistent with a determination that the director was independent. In July 2009, our Board conducted an annual review of director independence and determined that no transactions or relationships existed that would disqualify any of our directors under applicable rules and listing standards of the NYSE AMEX Equities (AMEX) or require disclosure under Securities and Exchange Commission (SEC) rules, with the exception of Mr. Kaysen, who is our executive employee. Based upon that finding, our Board determined that Messrs. Jamison, Maxwell, Stauner, and Wehrwein, and Ms. Jones are independent .

Table of Contents***Committees and Nominations***

Our Board has established an Audit Committee, a Compensation Committee and a Nominating Committee. Our Board believes all members of the Audit Committee, Compensation Committee, and Nominating Committee meet the AMEX's rule governing committee composition, including the requirement that committee members all be independent directors as that term is defined by AMEX rules. The written charters for the Audit Committee and Nominating Committee are available on the investor relations page of our website at www.uroplasty.com. We do not have a written charter for our Compensation Committee.

Audit Committee. The current members of our Audit Committee are Messrs. Wehrwein (Chair), Maxwell and Jamison. The Audit Committee assists the Board by reviewing the integrity of our financial reporting processes and controls, the qualifications, independence and performance of our independent registered public accounting firm and our compliance with certain legal and regulatory requirements. Our Audit Committee has the sole authority to retain, compensate, oversee and terminate our independent registered public accounting firm. The Audit Committee reviews our annual audited financial statements, quarterly financial statements and filings with the SEC. The Audit Committee reviews reports on various matters, including our critical accounting policies, significant changes in our selection or application of accounting principles and our internal control processes. The Audit Committee also pre-approves all audit and non-audit services performed by our independent registered public accounting firm.

Our Audit Committee administers our Code of Ethics and reviews all related party transactions. The Audit Committee generally requires any transaction between Uroplasty and a director or officer, the immediate family of a director or officer, or any entity that a director or officer controls to be reported to our Chief Financial Officer. The Chief Financial Officer, in turn, is obligated to report the transaction to the Committee. Although it has not adopted written standards of approval, the Audit Committee generally considers these transactions consistent with its fiduciary obligations and approves transactions only if they are fair and reasonable, in the best interests of the corporation, and on terms no less favorable than could be obtained from an unaffiliated third party.

During fiscal 2009, the Audit Committee held seven meetings. A report of the Audit Committee is set forth below in this Proxy Statement.

Our Board has determined that all members of the Audit Committee are independent directors under the rules of the NYSE AMEX and the SEC and has determined that Mr. Wehrwein and Mr. Maxwell qualify as an audit committee financial expert under such rules.

Compensation Committee. The current members of our Compensation Committee are Messrs. Jamison (Chair) and Stauner and Ms. Jones, each of whom is independent with the definition employed by the AMEX, is an outside director for purposes of Section 162(m) of the Internal Revenue Code and is a non-employee director for purposes of Rule 16b-3 under the Securities Exchange Act of 1934. The Compensation Committee reviews and approves all compensation to our executive officers and other management employees, administers and interprets our employee benefit plans, and provides guidance to management and to the Board in matters relating to the organizational structure of Uroplasty. Although the Compensation Committee reports and reviews its decisions with the Board, there is no requirement for Board approval or ratification of its decisions. Generally, our Chief Executive Officer formulates proposals for the compensation of our executive officers and management other than himself, and presents those proposals to the Compensation Committee. He does not, however, formulate proposals with respect to his own compensation or participate in discussions or approval of that compensation. During fiscal 2009, the Compensation Committee met six times.

Table of Contents

Nominating Committee. The current members of our Nominating Committee are Messrs. Maxwell (Chair) and Stauner and Ms. Jones. The purpose of the Nominating Committee is to identify qualified individuals for membership on the Board and recommend to the Board the nominees for election at our annual meetings of shareholders. During fiscal 2009, the Nominating Committee did not hold any meetings but acted once by written consent.

Both director-nominees up for election at our 2009 Annual Meeting have been recommended for the Board's selection by the Nominating Committee. Generally, the Nominating Committee considers the entirety of each candidate's credentials and does not have any specific minimum qualifications that must be met in order for a candidate to be recommended as a nominee.

The Nominating Committee will consider for inclusion in its nominations of new Board nominees, candidates that are recommended by shareholders. Candidates recommended by shareholders will be considered on the same basis as candidates referred from other sources. To be considered by the Nominating Committee, nominations must be in writing and addressed to our Secretary at the following address: 5420 Feltl Road, Minnetonka, Minnesota 55343, and must be received by us on or before the deadline for the receipt of shareholder proposals as set forth in *Shareholder Proposals for 2009 Annual Meeting* below. Candidates, or the nominating person, must also submit a brief biographical sketch of the candidate, a document indicating the candidate's willingness to serve if elected and evidence of the nominating person's ownership of our stock.

The Nominating Committee may, but has no current plans to, hire and pay a fee to consultants or search firms to assist in the process of identifying and evaluating candidates. No such consultants or search firms have been used in connection with this year's election and, accordingly, no fees have been paid to consultants or search firms in the past year.

Code of Ethics

We have adopted a Code of Ethics that applies to all of our directors, officers and employees, including our Chief Executive Officer, Chief Financial Officer, Controller and other finance organization employees. The Code of Ethics is publicly available on the investor relations page of our website at www.uroplasty.com. We plan to disclose any substantive amendments to the Code of Ethics or grant of any waiver from a provision of it to the Chief Executive Officer, the Chief Financial Officer or the Controller in a report on Form 8-K.

Corporate Governance Documents Available on Our Website

Copies of our Audit Committee Charter, Nominating Committee Charter, and our Code of Ethics, are available on the investor relations page of our website at www.uroplasty.com. In addition, any shareholder that wishes to obtain a hard copy of any of these corporate governance documents may do so without charge by writing us at our principal executive offices located at 5420 Feltl Road, Minnetonka, Minnesota 55343, Attention: Corporate Secretary.

Shareholder Communications with the Board of Directors

We do not have a formal policy by which shareholders may communicate directly with directors, but any shareholder who wishes to send communications to the Board should deliver such communications to the attention of the chairman of our Audit Committee at our principal executive offices located at 5420 Feltl Road, Minnetonka, Minnesota 55343. The Audit Committee chairman will relay to the full Board all shareholder communications he receives that are addressed to the Board.

Compensation

We compensate our executive officers through an annual cash salary that is set by our Compensation Committee at a meeting during the first quarter of our fiscal year, and normally effective as of July 1. We also provide incentive compensation through an Management Incentive Plan that is annually established by our Compensation Committee and that pays cash incentive compensation for each executive based upon the achievement of pre-established financial goals, and also based on individual performance goals. Although our board reserves the right to grant discretionary bonuses, we did not grant any such bonuses to executive officers with respect to fiscal 2009 or 2008.

To provide a longer term incentive, we grant stock options to executives that carry exercise prices equal to the fair market value of our common stock on the date of grant, are one-third vested on that date and one-third on the following two anniversaries of the grant date, and that generally expire five years from the grant date. Although we have also granted restricted stock on a selective basis in the past, we did not grant any restricted stock in fiscal 2009 and we had no unvested restricted stock outstanding. We do not maintain any defined benefit pension plans or non-qualified deferred compensation plans for executive officers and do not provide significant perquisites to our officers.

The level of compensation is generally set by reference to competitive compensation in the industry and by the officer's experience and duties. Our Compensation Committee has not used a compensation consultant or obtained benchmark data during the past two years, but instead has relied upon experience of its members in setting compensation.

Although we attempt to provide competitive compensation, we also focus on the cash consumption caused by increased compensation. Although we increased salary levels, as well as incentive compensation targets for fiscal 2009 after significantly improved performance during fiscal 2008, because of decreased financial performance during the second half of fiscal 2009 and the prospect of continued lower sales caused by the economy and the effect of decisions regarding reimbursement for our Urgent PC product, we froze salary levels for executives for fiscal 2010, and set incentive targets in fiscal 2010 at the same level as for fiscal 2009.

Our Management Incentive Plan for the year ended March 31, 2009 paid incentive compensation based on achievement of objectives at a threshold, at target and at a maximum, with the targeted performance effectively equal to our budget for the year. Mr. Kaysen and Mr. Jiwani were entitled to incentive compensation of 25% of their salaries at the threshold, 50% at the target and 60% at the maximum. For Mr. Kaysen, 80% of his incentive compensation was based on achievement of financial goals, while 20% was based on achievement of individual performance goals. For Mr. Jiwani, 60% was based on financial performance and 40% was based on individual performance goals. Because our financial performance did not meet the threshold level required under our 2009 Management Incentive Plan, we did not pay any incentive compensation based on financial performance for that year. The incentive compensation for fiscal 2009 reflected in the table below represents partial payout of the portion of incentive compensation that is based on individual performance goals, to the extent the Compensation Committee determined that such goals were achieved.

Employment Agreements and Payments Upon Termination or Change in Control Provisions

Employment Agreements and Other Arrangements

David B. Kaysen. Effective May 17, 2006, we entered into an employment agreement with Mr. Kaysen, our President and Chief Executive Officer. The agreement provides for an annual base salary of \$255,000, which was increased to \$293,600 effective July 1, 2008 and will be maintained at the level for the year ending March 31, 2010. The agreement also provides that Mr. Kaysen is entitled to an annual cash incentive bonus under our Management Incentive Plan based on the achievement of annual corporate financial and individual performance objectives approved by our Compensation Committee. The agreement requires that we reimburse Mr. Kaysen for up to \$11,500 annually for his personal life and disability insurance policies, and required that we grant him options, with a 10-year term, to acquire 300,000 shares of our common stock. These options were granted with an exercise price of \$2.50 per share and vested in one-third installments on the start date of his employment and on the first and second anniversaries of his employment.

Table of Contents

Mr. Kaysen's employment agreement prohibits him, for one year after his employment terminates, from engaging in competition, directly or indirectly, with us in the development, manufacturing, licensing, marketing or distribution of products or services for diagnosis or treatment of urinary or fecal voiding dysfunctions, and prohibits him during that period from soliciting our employees or customers.

The employment agreement has a one-year term, unless terminated earlier, and will continue to automatically renew on a year-to-year basis. If we terminate the agreement without good cause (as defined in the agreement), we will pay Mr. Kaysen an amount equal to 100% of his then annual base salary as severance pay. However, if we terminate his employment without good cause in connection with a change in control, we will pay him an amount equal to 160% of his then annual base salary as severance pay.

Mahedi A. Jiwani. Effective November 14, 2005, we entered into an employment agreement with Mr. Jiwani, our Vice President and Chief Financial Officer. The agreement provides for an annual base salary of \$175,000, which was increased to \$200,000 effective July 1, 2008 and will be maintained at that level for the year ending March 31, 2010. The agreement also provides that Mr. Jiwani is entitled to an annual cash incentive bonus under our Management Incentive Plan based on the achievement of annual corporate financial and individual performance objectives approved by our Compensation Committee. The agreement required that we grant Mr. Jiwani options to purchase 100,000 shares of our common stock, which we granted at an exercise price of \$3.00 per share and which originally vested 25% on his start date and on each of the first, second and third anniversaries of his start date. On February 2, 2006, the vesting of Mr. Jiwani's options, and all other options, was accelerated to avoid the accounting charge to our earnings associated with the vesting of these options upon our adoption of FAS 123(R).

Mr. Jiwani's employment agreement prohibits him, for one year after his employment terminates, from engaging, directly or indirectly, in any business in competition with Uroplasty's business and prohibits him during that period from soliciting our employees or customers.

The employment agreement has a one-year term, unless terminated earlier, and will continue to automatically renew on a year-to-year basis. If we terminate the agreement without good cause (as defined in the agreement) including if we do not annually renew his employment agreement, we will pay Mr. Jiwani an amount equal to 100% of his then annual base salary and a prorated share of his annual bonus earned as of the termination date assuming 100% milestone achievement as severance pay. We will pay this amount in twelve equal monthly installments provided Mr. Jiwani is not subsequently employed.

Susan Hartjes Holman. We also have an employment agreement with Ms. Holman, which was entered into on December 7, 1999. The employment agreement specifies a base salary, which is subject to annual adjustment and was increased to \$198,800 effective July 1, 2008 and will be maintained at that level for the year ending March 31, 2010. Ms. Holman is also eligible to receive an annual cash incentive bonus under our Management Incentive Plan based on the achievement of annual corporate financial and individual performance objectives approved by our Compensation Committee.

Either party may terminate Ms. Holman's employment at any time, with or without cause, by providing 30 days written notice to the other party. If Ms. Holman's employment is terminated by us without cause, we would continue to pay her monthly base salary for a period of 12 months.

Contemporaneously with the execution of the employment agreement, Ms. Holman executed an Employee Confidentiality, Inventions, Non-Solicitation and Non-Compete Agreement, under which she agreed not to disclose confidential information, to assign to us without charge all intellectual property

relating to our business which is created or conceived during the term of employment, to not encourage employees to leave our employment for any reason and to not compete with us during the term of employment and for a period of eighteen months thereafter.

Definition of Good Cause, Without Good Cause and Change of Control

Under our employment agreements with Messrs. Kaysen and Jiwani, termination for good cause generally means one or more of the following events: (i) the executive's willful breach of his employment agreement; (ii) the executive's gross negligence in the performance or nonperformance of his duties which remains uncured for 30 days; (iii) the executive's willful dishonesty, fraud or misconduct which materially and adversely affect our operations or reputation; or (iv) the executive's conviction of a felony crime which materially and adversely affects our operations or reputation. Termination without good cause generally means one or more of the following events: (i) we impose material and adverse changes, without the executive's consent, in his principal duties (including upon a change of control); (ii) we reduce the executive's base salary without the executive's consent by more than the weighted average percentage reduction made contemporaneously by us of the base salaries of all other executive officers (including upon a change of control); (iii) we do not renew our executive's employment agreement or offer a replacement employment agreement on substantially similar terms; (iv) we relocate the offices at which the executive is principally employed to a location more than 50 miles from the prior location; or (v) we terminate the executive's employment without good cause.

Under the employment agreement with Ms. Holman, cause means one of the following events: (i) the employee is convicted of a felony; (ii) the employee has committed theft or fraudulent act or has acted dishonestly with respect to any business of our company; (iii) the employee has engaged in substance abuse or (iv) the employee has breached any agreement made between the employee and our company.

Under our employment agreements with our executive officers, a change of control generally means any of the following events:

a majority of our Board no longer consists of individuals who were directors, or who were appointed by directors or successors of directors, who served at the time of the applicable agreement was executed;

the acquisition of our securities that results in any person owning more than 50% of either our outstanding voting securities or our common stock;

a sale or other disposition of all or substantially all of the assets of our company (with certain exceptions); or

the approval by our shareholders of a complete liquidation or our dissolution.

Payments Made Upon Termination Due to Death or Disability

Generally, in the event a named executive officer's employment is terminated due to death or disability, such officer is entitled to (a) salary and any earned, but unpaid, annual cash bonus, through the date of termination, and (b) exercise all vested options as of the termination date for a period of one year after such termination.

Table of Contents***Acceleration of Stock Options Upon Change in Control***

All stock option awards to our named executive officers which are currently 100% vested were granted under our prior plans. All stock option awards to our named executive officers which are not currently 100% vested were granted under our 2006 Stock and Incentive Plan (the "2006 Plan"). Under the 2006 Plan, in the event of a change in control, whether or not an executive officer's employment is terminated, 100% of the remaining unvested portion of their stock options will immediately vest and be exercisable for the remaining term of the option.

DIRECTOR COMPENSATION

Effective October 1, 2008, our non-employee directors receive an annual retainer of \$10,000, payable in cash in four equal quarterly installments of \$2,500, for service on our Board of Directors. In addition, non-employee directors receive \$1,200 for each board meeting attended in-person, \$600 per telephonic meeting, and \$750 for each committee meeting attended. The Chairs of the Board, Audit Committee and Compensation Committee are paid an additional quarterly fee of \$1,750, \$1,000 and \$750, respectively. Payments are made in cash on the last business day of each calendar quarter.

All non-employee directors receive an automatic grant of stock options upon the director's initial appointment or election to the Board for 45,000 shares of common stock, one-third of which vests on the date of grant and the first and second anniversaries thereafter. Each non-employee director is granted in conjunction with our annual meeting of shareholders an annual stock option for 15,000 shares of common stock, all of which are vested on the date of grant except that such annual grant does not commence for newly appointed or elected directors until one year following full vesting of the initial grant. Director option grants have an exercise price equal to the closing market price on the date of the grant.

We do not provide any form of incentive compensation or other form of stock-based or cash based compensation to our directors, and do not provide perquisites or other forms of compensation, although we do reimburse directors for out-of-town travel to and from board meetings.

The following table shows, for each of our non-employee directors, information concerning annual compensation earned for services in all capacities during the fiscal year ended March 31, 2009. Mr. Kaysen, our President and CEO, does not receive separate compensation for his services as a director.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors and executive officers, and persons who own more than 10% of our common stock, to file with the SEC initial reports of ownership and reports of changes in ownership of our common stock and other equity securities. AUDITING MATTERS

Audit Committee Report

The primary purpose of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities relating to our accounting, reporting practices and the quality and integrity of our financial reports and our other publicly disseminated financial information. Management is responsible for internal controls and our financial reporting process. Our independent accountants are responsible for performing an independent audit of our consolidated financial statements in accordance with generally accepted auditing standards and to issue a report on those financial statements. In this context, the Audit Committee has met with management (including the Chief Executive Officer and Chief Financial Officer) and Grant Thornton, LLP, our independent registered public accounting firm (Independent Auditors), both independently and in concert.

In connection with our consolidated financial statements for the fiscal year ended March 31, 2009, the Audit Committee has:

Reviewed and discussed the audited financial statements with management and with representatives of Grant Thornton LLP, our Independent Registered Public Accounting Firm;

Discussed with our Independent Registered Public Accounting Firm the matters required to be discussed by Statement On Auditing Standards No. 61, as amended (Communications with Audit Committees); and

Received the written disclosures and letter from Grant Thornton LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding Grant Thornton LLP's communication with the audit committee concerning independence, and has discussed with Grant Thornton LLP its independence.

Based upon the Audit Committee's discussion with management and the independent accountants and the Audit Committee's review of the representation of management and the report of the independent accountants to the Audit Committee, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in our Annual Report on Form 10-K for the fiscal year ended March 31, 2009 filed with the Securities and Exchange Commission.

Table of Contents***Fees***

The following table presents the aggregate fees for professional services provided by Grant Thornton, LLP, in fiscal years 2009 and 2008.

| | Fiscal Year 2009 | Fiscal Year 2008 |
|----------------|-----------------------------|-----------------------------|
| Audit Fees (1) | \$ 129,483 | \$ 105,730 |
| Tax Fees (2) | 30,613 | |
| Total | \$ 160,096 | \$ 105,730 |

(1) Audit fees consist of fees for the audit of our annual consolidated financial statements, review of our interim consolidated financial statements, services rendered relative to regulatory filings and attendance at Audit Committee meetings.

(2) Tax fees principally consist of fees for the preparation tax returns and other consultation.

All Other Fees

There were no other services provided by Grant Thornton, LLP not included in the captions above during 2009 or 2008.

Pre-Approval Process

The Audit Committee has not formally adopted a policy for pre-approval of all audit and non-audit services by its Independent Auditors, but it has routinely approved all audit and permitted non-audit services to be performed for us by its Independent Auditors.

Additional Matters Regarding the Independent Auditors

On February 19, 2008, our Audit Committee dismissed McGladrey & Pullen, LLP as our independent registered public accounting firm. On February 21, 2008, our Audit Committee engaged Grant Thornton, LLP as our new independent registered public accounting firm.

During our two most recent fiscal years and any subsequent interim period preceding McGladrey & Pullen, LLP's dismissal, we had no disagreements with McGladrey & Pullen, LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to McGladrey & Pullen, LLP's satisfaction, would have caused such firm to make reference to the subject matter of the disagreement in connection with its report.

During the two fiscal years ended March 31, 2007 and 2006, and in the subsequent interim period ended February 19, 2008, there were no reportable events as defined in Section 304(a)(1)(v) of Regulation S-K

The Audit Committee expects to select and engage Grant Thornton, LLP to audit our financial statements for the year ending March 31, 2010. However, the Audit Committee has not yet commenced this process. Accordingly, we are not seeking shareholder ratification of the selection of our independent auditors for the year ending March 31, 2010. A representative of Grant Thornton, LLP will attend the Annual Meeting. This representative will be available to respond to appropriate questions and will have the opportunity to make a statement if the representative desires.
