ESOP amends the earlier authorization for restricted shares up to 0.7% of the capital but here for all employees and equally, we do not support as we consider that these devices must be used as element of the individual pay and because the Board of Directors has already implemented all-employees plans and asks shareholders authorization to continue within the limit of 0.20% of share capital [See Resolution 15], we recommend opposition

PLEASE NOTE THAT THIS IS A SHAREHOLDER PROPOSAL: Approve to cut total dividend to EUR 0.80 instead of EUR 2.2, this external proposal from the Suez Action Gaz 2005 ESOP is not based on the strong increase of the 2008 dividend, last year employees shareholders already suggested to freeze the dividend, the motive is to increase the investments and salaries instead of the dividends; the resulting dividend would be a reduction to only 57% of the ordinary dividend paid last year and 36% of the total dividend for this year, a final distribution much too low in view of the legitimate expectations of the shareholders, we cannot support such resolution which primarily opposes the interests of employees and shareholders
