Item 1.01 Entry into a Material Definitive Agreement

On August 18, 2009, Watson Pharmaceuticals, Inc. (the Company) entered into an underwriting agreement (the Underwriting Agreement) with the several underwriters named therein, for whom Banc of America Securities LLC and Barclays Capital Inc. have acted as the representatives, for the issuance and sale by the Company of \$450,000,000 aggregate principal amount of its 5.000% Senior Notes due 2014 (the 2014 Notes) and \$400,000,000 aggregate principal amount of its 6.125% Senior Notes due 2019 (the 2019 Notes and together with the 2014 Notes, the Notes). A copy of the Underwriting Agreement is attached hereto as Exhibit 1.1 and is incorporated herein by reference.

Pursuant to the Underwriting Agreement, the Company issued and sold \$450,000,000 aggregate principal amount of the 2014 Notes and \$400,000,000 aggregate principal amount of the 2019 Notes. The offering of the Notes was registered under an effective Registration Statement on Form S-3 (Registration No. 333-161404). The Notes were issued pursuant to an indenture, dated as of August 24, 2009 (the Base Indenture), between the Company and Wells Fargo Bank, National Association, as trustee (the Trustee), as supplemented by a first supplemental indenture, dated as of August 24, 2009 (the Supplemental Indenture and, together with the Base Indenture, the Indenture), between the Company and the Trustee. Copies of the Base Indenture and the Supplemental Indenture (including forms of the Notes) are attached hereto as Exhibits 4.1 and 4.2, respectively, and are incorporated herein by reference. The descriptions of the Underwriting Agreement, the Indenture and the Notes in this report are summaries and are qualified in their entirety by the terms of the Underwriting Agreement, the Indenture and the Notes.

The net proceeds from the offering of approximately \$836.4 million, after deducting the underwriting discount and estimated offering expenses payable by the Company, are expected to be used to repay approximately \$100.0 million of the Company's term loan borrowings, to redeem the \$575.0 million aggregate principal amount of the Company's convertible contingent senior debentures due 2023, and to fund a portion of the cash consideration payable in the Company's pending acquisition of Robin Hood Holdings Limited, pursuant to terms and subject to conditions previously disclosed.

The 2014 Notes and 2019 Notes will bear interest at a rate of 5.000% and 6.125% per annum, respectively, which shall be payable semi-annually in arrears on each February 15 and August 15, respectively, beginning February 15, 2010. The 2014 Notes will mature on August 15, 2014 and the 2019 Notes will mature on August 15, 2019.

The Company may redeem all or part of the Notes at any time prior to maturity at the redemption price set forth in the Supplemental Indenture.

In the event of a change in control triggering event (as defined in the Supplemental Indenture), the holders of the Notes may require the Company to purchase for cash all or a portion of their Notes at a purchase price equal to 101% of the principal amount of Notes, plus accrued and unpaid interest, if any.

The Notes will rank (i) equal in right of payment to all of the Company's other existing and future unsecured unsubordinated indebtedness, (ii) senior in right of payment to all of the Company's existing and future subordinated indebtedness and (iii) effectively subordinated in right of payment to any secured indebtedness, to the extent of the assets securing such indebtedness, and to all existing and any future liabilities of the Company's subsidiaries.

Item 9.01 Financial Statements and Exhibits
