On September 28, 2009, we entered into amendments to the Notes with BOCO and GDBA. Specifically, the maturity date of the Notes will now be September 28, 2012. Also, beginning with the interest payment due September 30, 2009, accrued interest will be paid in our common stock on a quarterly basis through December 31, 2010. The common stock interest payment will be priced at the average closing price of our common stock during that quarter. The parties to the amendments have also acknowledged that no default has occurred under the Notes. Except as modified by the amendments, all of the terms of the Notes are ratified and reaffirmed and remain in full force and effect.
