**GENERAL INFORMATION ABOUT THE ANNUAL MEETING**

**Proxy Statement**

This proxy statement is furnished to the shareholders of Enova Systems, Inc., a California corporation, in connection with the solicitation of proxies by our Board of Directors for use at our 2009 Annual Meeting of Shareholders to be held on Tuesday, December 8, 2009 at 10:00 a.m. local time at the Enova Systems principal executive office, located at 1560 West 190<sup>th</sup> Street, Torrance, California 90501 and at any and all adjournments of the Annual Meeting. Directions to our office may be obtained by calling us at the following telephone number: (310) 527-2800 ext. 118. This proxy statement and the accompanying Notice of Annual Meeting and proxy card are first being sent to shareholders on or about November 13, 2009.

*Please mark, date, sign and return the enclosed Proxy in the accompanying postage-prepaid, return envelope as soon as possible so that, if you do not attend the Annual Meeting, your shares may be voted.*

**Record Date and Voting**

The close of business on November 10, 2009 has been fixed as the record date for determining the holders of shares of common stock, Series A Preferred Stock, and Series B Preferred Stock of Enova Systems entitled to notice of and to vote at the Annual Meeting. As of the close of business on the record date, there were 21,012,565 shares of common stock, 2,652,159 shares of Series A Preferred Stock, and 546,166 shares of Series B Preferred Stock, outstanding and entitled to vote at the Annual Meeting. The common stock, Series A Preferred Stock, Series B Preferred Stock will vote together as a single class on all matters voted on at the Annual Meeting.

Each outstanding share of common stock on the record date is entitled to one vote, each outstanding share of Series A Preferred Stock on the record date is entitled to 1/45 or 2.22% of one vote, and each outstanding share of Series B Preferred Stock on the record date is entitled to 2/45 or 4.44% of one vote on all matters voted on at the Annual Meeting. The conversion ratio for the preferred stock reflects anti-dilution provisions to account for the 1:45 reverse stock-split that our common stock underwent on July 20, 2005. On a converted basis therefore, the Series A Preferred Stock holds the voting power of 58,937 shares of common stock and the Series B Preferred Stock holds the voting power of 24,274 shares of common stock. Including the preferred stock on an as converted basis together with the 21,012,565 shares of common stock, the total voting shares entitled to vote on the record date was 21,095,776 shares.

The presence at the Annual Meeting of a majority of the shares of common stock, Series A Preferred Stock, and Series B Preferred Stock of Enova Systems in the aggregate on an as converted basis, or approximately 10,547,889 of these shares on an as converted basis either in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting.

Abstentions and broker non-votes will be counted for purposes of determining whether a quorum is present for the transaction of business at the Annual Meeting. A broker non-vote refers to a share represented at the Annual Meeting which is held by a broker or other nominee who has not received instructions from the beneficial owner or person entitled to vote such share and with respect to which, on one or more but not all proposals, such broker or nominee does not have discretionary voting power to vote such share. Abstentions and broker non-votes are each included in the determination of the number of shares present and voting, and each is tabulated separately. However, broker non-votes are not counted for purposes of determining the number of votes cast with respect to a particular proposal. In determining whether a proposal (other than the election of directors) has been approved, abstentions are counted as votes against the proposal and broker non-votes are not counted as votes for or against the proposal.

With respect to the election of directors (Proposal 1), the six nominees receiving the highest number of affirmative votes of the common stock, Series A Preferred Stock (as converted), and Series B Preferred Stock (as converted), present and voting together as a single class at the meeting, either in person or by proxy, will be declared elected. The affirmative vote of a majority of the shares of common stock, Series A Preferred Stock (as converted), and Series B Preferred Stock (as converted), present and voting together as a single class at the meeting, either in person or by proxy, is required for approval of Proposal 2 (ratification of independent auditors). With respect to

## **Table of Contents**

Proposal 3 (approval of the potential issuance of shares of the common stock of the Company in accordance with a Purchase Agreement and Placing Agreement dated October 29, 2009), the affirmative vote of a majority of the votes cast by the holders of shares of common stock, Series A Preferred Stock (as converted) and Series B Preferred Stock (as converted), voting together as a single class, present or represented at the meeting and entitled to vote, is required for approval.

Cumulative voting may be used in the election of directors. Under cumulative voting, each holder of common stock, Series A and Series B Preferred Stock may cast for a single candidate, or distribute among the candidates as such holder chooses, a number of votes equal to the number of candidates (six at this Annual Meeting) multiplied by the number of votes to which holders' shares are entitled. Cumulative voting will apply only to those candidates whose names have been placed in nomination prior to voting. No shareholder shall be entitled to cumulate votes unless the shareholder has given notice at the meeting, prior to the voting, of the shareholder's intention to cumulate the shareholder's votes. If any one shareholder gives such notice, all shareholders may cumulate their votes for candidates in nomination, except to the extent that if a shareholder withholds votes from the nominees. The proxy holders named in the accompanying form of proxy, in their sole discretion, will vote such proxy for, and, if necessary, exercise cumulative voting rights to secure the election of the nominees listed below as directors of Enova Systems.

If a properly signed proxy is submitted but not marked as to a particular item, the proxy will be voted FOR the election of the six nominees for director of Enova Systems named in this proxy statement; FOR the ratification of the selection of PMB Helin Donovan LLP as its independent auditors for 2009; and FOR the issuance of up to 10,347,960 shares of the Company's common stock in accordance with a Purchase Agreement and Placing Agreement dated October 29, 2009.

The Board of Directors does not know of, and it is not anticipated that, any matters other than those set forth in the proxy statement will be presented at the Annual Meeting. If other matters are presented, proxies will be voted in the discretion of the proxy holders.

An automated system administered by our transfer agent will tabulate votes of the holders of common stock, Series A and Series B Preferred Stock cast by proxy. An employee of Enova Systems will tabulate votes cast in person at the Annual Meeting.

## **Solicitation**

You may submit your proxy by signing your proxy card and mailing it in the enclosed, postage-prepaid and addressed envelope. For shares you hold beneficially in street name, you may sign the voting instruction card included by your broker or nominee and mail it in the envelope provided.

The solicitation of proxies will be conducted by mail and Enova Systems will bear all attendant costs. These costs will include the expense of preparing and mailing proxy materials for the Annual Meeting and reimbursements paid to brokerage firms and others for their expenses incurred in forwarding solicitation material regarding the Annual Meeting to beneficial owners of Enova Systems common stock or preferred stock. We may conduct further solicitation personally, telephonically, by facsimile or by other electronic or written means through our officers, directors and regular employees, none of whom will receive additional compensation for assisting with the solicitation.

## **Revocability of Proxy**

You may change your proxy instructions at any time prior to the vote at the Annual Meeting. For shares held directly in your name, you may do this by granting a new proxy, by filing a written revocation with the Secretary of Enova

Systems, or by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting without further action will not cause your previously granted proxy to be revoked. You may change your proxy instructions for shares you beneficially own by submitting new voting instructions to your broker or nominee.

**Table of Contents**

The six nominees receiving the most votes (providing a quorum is present) will be elected as directors. Abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote, although they will count towards the presence of a quorum. **PROPOSAL 2**

**RATIFICATION OF SELECTION OF INDEPENDENT PUBLIC AUDITORS**

The Board recommends that the shareholders ratify the Audit Committee's selection of PMB Helin Donovan LLP as the principal registered independent auditors of Enova Systems for fiscal year 2009. PMB Helin Donovan LLP served as our registered independent auditor at the conclusion of each of our three most recently completed fiscal years. A representative of PMB Helin Donovan LLP is expected to be present at the Annual Meeting, will have the opportunity to make a statement if such representative desires to do so and will be available to respond to appropriate questions.

Although ratification is not required by our Bylaws or otherwise, the Board is submitting the selection of PMB Helin Donovan LLP to our shareholders for ratification as a matter of good corporate practice. If the selection is not ratified, the Audit Committee will consider whether it is appropriate to select another registered public accounting firm. Even if the selection is ratified, the Audit Committee in its discretion may select a different registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of Enova Systems and our shareholders.

**Required Vote and Recommendation**

The affirmative vote of the holders of a majority of the shares of the common stock, Series A Preferred Stock (as converted), and Series B Preferred Stock (as converted), voting together as a single class, present or represented by proxy at the Annual Meeting, is required to ratify the selection of PMB Helin Donovan. Accordingly, abstentions and broker non-votes will have no effect on the outcome of the vote, although they will count towards the presence of a quorum. Proxies will be voted **FOR** ratifying the selection of PMB Helin Donovan LLP as our independent auditors for fiscal year 2009 unless contrary instructions are set forth on the enclosed proxy card.

*The Board of Directors unanimously recommends a vote FOR the ratification of the selection of PMB Helin Donovan LLP as Enova Systems' independent auditors for fiscal year 2009.*

**PROPOSAL 3**

**APPROVAL OF THE POTENTIAL ISSUANCE OF SHARES  
OF COMMON STOCK TO BE SOLD IN ACCORDANCE WITH  
A PURCHASE AGREEMENT AND PLACING AGREEMENT  
EACH DATED OCTOBER 29, 2009**

As more particularly described below, on October 29, 2009, the Company entered into a Purchase Agreement (the "Purchase Agreement") with a number of institutional investors for the sale of shares in the United States and a Placing Agreement (the "Placing Agreement" and, collectively with the Purchase Agreement, the "Agreements") for the sale of shares outside the United States, pursuant to which the Company agreed to sell an aggregate of 10,347,960 shares of

common stock for an aggregate cash purchase price of approximately \$10,347,960.

After giving effect to such issuance, there will be 31,360,525 shares of common stock outstanding, representing an increase of approximately 49.2% of the outstanding shares of common stock. As described more fully below, The NYSE Amex rules require shareholder approval for the issuance of the common stock pursuant to the Agreements. Both of the Agreements require shareholder approval of the issuance of such shares in accordance with

**Table of Contents**

the NYSE Amex rules. As a result, the Company is seeking the approval of the issuance of the shares of common stock at the meeting.

As a condition to the closing of the transactions contemplated under the Purchase Agreement and the Placing Agreement, the shares subject to those agreements must be approved for listing on NYSE Amex. The NYSE Amex rules require shareholder approval of certain stock issuances or potential stock issuances that equal or exceed 20% of the outstanding common stock. Thus, in order to meet the Company's obligations under the Purchase Agreement and the Placing Agreement, as well as the NYSE Amex rules, the Company is seeking the approval of the issuance of all such 10,347,960 shares of common stock pursuant to this Proxy Statement.

The transactions contemplated by the Agreements will not result in a change of control of the Company.

This Proxy Statement does not constitute an offer of any securities for sale. The securities to be sold pursuant to the Agreements have not been registered under the Securities Act and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements.

**Need for Additional Financing**

The board and executive management have reviewed the business strategy of the Company and have determined that the current fundraise is necessary to support the working capital needs of the Company.

**Purchase Agreement**

On October 29, 2009, Enova entered into the Purchase Agreement with eight institutional investors, including Silicon Prairie Partners, LLP (an affiliate of one of our Directors, John Micek) (collectively, the Investors), pursuant to which the Investors have agreed to purchase 9,024,960 shares of Common Stock (Investor Shares) for an aggregate purchase price of \$9,024,960.

The closing of the sale of the Investor Shares offering is contingent on, among other things, the approval by the shareholders of the Company of the issuance of the common stock pursuant to the Agreements in accordance with NYSE Amex rules.

In connection with the offering, a finder's fee of 7% on up to \$1,750,000 of gross proceeds under the Purchase Agreement will be paid by the Company.

Under the terms of the Purchase Agreement, Enova is obligated to enter into a Registration Rights Agreement with each of the Investors no later than the closing of the sale of the Investor Shares. The Registration Rights Agreement will require the Company to file with the SEC a registration statement to cover the resale of the Investor Shares covered by the Registration Rights Agreement no later than thirty days of the closing of the sale of the Investor Shares. If such registration statement is not filed with the SEC on a timely basis, is not declared effective within the time periods specified in the Registration Rights Agreement or, after having been declared effective, is not available for sales of the Investor Shares for any reason (with certain limited exceptions), then the Company is required to pay the Investors, as liquidated damages, monetary penalties of 1.5% of the amount invested for each 30-day period (or pro rata portion thereof) during which such failure continues. The Registration Rights Agreement will not be applicable to the shares to be sold pursuant to the Placing Agreement.

The Investor Shares are expected to be sold in a transaction exempt from the registration requirements under Section 5 of the Securities Act of 1933, as amended (the Securities Act), pursuant to Section 4(2) thereof and in reliance upon Rule 506 of Regulation D promulgated by the SEC.

As noted above, Silicon Prairie Partners, LLP is an affiliate of John Micek. That entity has agreed to purchase \$100,000 of the Investor Shares pursuant to the terms of the Purchase Agreement. Mr. Micek is currently the beneficial holder of 79,584 shares of our common stock.

The foregoing descriptions of the Purchase Agreement and the Registration Rights Agreement are summaries only and are qualified by the terms of those agreements. A copy of each of those agreements was filed with the SEC on October 30, 2009 as exhibits 99.1 and 99.2 to the Company's Current Report on Form 8-K with date of earliest event reported being October 29, 2009.

**Table of Contents**

**Placing Agreement**

On October 29, 2009, the Company entered into the Placing Agreement to which Investec Bank (UK) Limited ( Investec ) is acting as Enova's agent to use its reasonable endeavors to procure subscribers for 1,323,000 shares of the Common Stock (the Placing Shares ) at 62.5 Pence (the Placing Price ), or approximately the equivalent of \$1.00 (U.S. Dollars) per share as of such date based on the exchange rate on October 29, 2009 as reported by Fidessa. The Placing Price will remain at this fixed Pence per share price. The actual amount per share in US Dollars will be determined based upon the conversion rate in effect as of the closing. Investec, on behalf of Enova, has conditionally placed the Placing Shares with three institutional investors at the Placing Price to raise \$1,323,000 (U.S. Dollars) in gross proceeds (subject to adjustment as described above based on the conversion rate as of the closing).

Investec will earn a selling commission of 7% of the proceeds from the offering under the Placing Agreement.

The placing and the subscription for the Placing Shares are conditional upon, among other things, the Company having received written confirmation from the NYSE Amex that the Placing Shares will be listed on NYSE Amex by 4:00 p.m. (London time) on December 14, 2009 (or such later date as the Company and Investec may agree, but in any event not later than 4:00 p.m. (London time) on December 30, 2009) and admission to trading of the Placing Shares on the London Stock Exchange AIM Market, by not later than 8:00 a.m. on December 15, 2009 (or such later date as the Company and Investec may agree, but in any event not later than 8:00 a.m. on December 31, 2009) and the receipt of no less than \$8,424,960 (U.S. Dollars) in respect of the sale of the Investor Shares.

The Placing Shares to be sold pursuant to the Placing Agreement will not have been registered under the Securities Act of 1933, as amended, and there is no obligation on the part of the Company to so register such shares.

The offer and sale of the Placing Shares will be made pursuant to Regulation S under the Securities Act. Among other things, each investor purchasing Placing Shares in the offering will represent that the investor is not a United States person as defined in Regulation S. In addition, neither Enova nor Investec has conducted or will conduct any selling efforts directed at the United States in connection with the offering. All Placing Shares to be issued in the offering will include a restrictive legend indicating that the shares are being issued pursuant to Regulation S under the Securities Act and are deemed to be restricted securities. As a result, the purchasers of such shares will not be able to resell the shares unless, in accordance with Regulation S, pursuant to a registration statement or upon reliance of an applicable exemption from registration under the Securities Act.

The foregoing description of the Placing Agreement is a summary only and is qualified by the terms of that agreement. A copy of the Placing Agreement was filed with the SEC on October 30, 2009 as exhibit 99.3 to the Company's Current Report on Form 8-K with date of earliest event reported being October 29, 2009.

**NYSE Amex Shareholder Approval Requirement**

NYSE Amex Rule Section 713 requires for the listing of shares shareholder approval of issuances or potential issuances of common stock sold in private transactions if the number of shares sold is equal to or exceeds 20% or more of presently outstanding stock and the price per share is less than the greater of book value or market value of the common stock.

The Company currently has 21,012,565 shares outstanding and the issuance of the additional 10,347,960 shares will increase the outstanding shares to 31,360,525 shares, representing an increase of 49.2% in the number of shares outstanding. As of the date that the Agreements were entered into, the per share purchase price for the shares was less than the greater of book value or market value of the common stock. Accordingly, pursuant to NYSE Amex Rule 713, the proposed issuance of the shares pursuant to the Agreements must be approved by the Company's shareholders. If

the shareholders do not approve Proposal 3 by the vote required under NYSE Amex rules, the Company will not be able to complete the sale of all 10,347,960 shares pursuant to the Agreements.

Notwithstanding shareholder approval of Proposal 3, the listing on the NYSE Amex of any of the shares that we may issue following such shareholder approval will be subject to NYSE Amex's review related to our

**Table of Contents**

compliance with the listing rules. Furthermore, shareholder approval does not obviate the need for compliance with the requirements of the Exchange Act or other NYSE Amex requirements.

If Proposal 3 is approved at our 2009 Annual Meeting, we will not need to solicit further authorization for the issuance of any of these securities by a vote of our shareholders prior to such issuance.

**Use of Proceeds**

The Company intends to utilize all of the proceeds from the sale of Investor Shares and Placing Shares for working capital and general corporate purposes, including funding of its strategic operating plan and the completion of key product development initiatives.

**Effects of Issuance on Existing Shareholders**

If Proposal 3 is approved and we issue the shares of common stock under the Agreements and the purchase price is less than the greater of book value or market value of the common stock as of the date of the closing, our existing shareholders will incur dilution of their interests, which dilution may be significant. Additionally, because the proposed purchase price under the Purchase Agreement and the Placing Agreement is less than the greater of book value or market value of the common stock as of October 29, 2009, such purchase price could depress the market price for our common stock.

If Proposal 3 is approved and we issue additional shares of our common stock, it is anticipated that certain of the Investor Shares will be registered for resale as provided in the Registration Rights Agreement. Even if not so registered, some or all of those shares may become eligible for sale in the public markets after expiration of the six-month holding period required under Rule 144 of the Securities Act. The Placing Shares are anticipated to be admitted for trading on the London Stock Exchange AIM Market. The Placing Shares may become saleable in the United States pursuant to a registration statement or in reliance upon an applicable exemption from registration under the Securities Act. Any such sales, or the anticipation of the possibility of such sales, could represent an overhang on the market and could depress the market price of our common stock.

Although Proposal 3 and the sale of shares pursuant to the Agreements are not part of a plan by the Board of Directors to adopt a series of anti-takeover measures, the issuance of such shares of common stock could have an anti-takeover effect because it may make it more difficult for, or discourage an attempt by, a party to obtain control of the Company by tender offer or other means. These shares of common stock, if and when issued, will increase the number of shares entitled to vote, increase the number of shares held by certain inside investors that may participate in any offering of the shares and dilute the interest of a party attempting to obtain control of the Company. The Board of Directors does not have any knowledge of any effort by any person to accumulate our securities or obtain control of Enova by any means.

Because the sale of shares pursuant to both the Purchase Agreement and the Placing Agreement are subject to various conditions, there is no assurance that the transactions contemplated by either of those agreements will be successfully completed.

**Required Vote: Recommendation**

The proposal to issue up to an additional 10,347,960 shares of common stock pursuant to the Agreements requires the affirmative vote of at least a majority of the votes cast by the holders of shares of common stock, Series A Preferred Stock (as converted), and Series B Preferred Stock (as converted), voting together as a single class, present or represented at the meeting and entitled to vote. Accordingly, abstentions and broker non-votes will

**Table of Contents**

have no effect on the outcome of the vote, although they will count towards the presence of a quorum. Proxies will be voted **FOR** Proposal 3 unless contrary instructions are set forth on the enclosed proxy card.

*The Board of Directors unanimously recommends a vote FOR approval of the potential issuance of 10,347,960 shares of common stock to be sold pursuant to the Purchase Agreement and the Placing Agreement.*

**CORPORATE GOVERNANCE AND RELATED MATTERS**

**Code of Ethics**

Enova Systems has adopted a Code of Ethics For Officers, Directors, and Employees consistent with Securities and Exchange Commission (SEC) rules requiring a Code of Ethics and the NYSE Amex rules requiring a Code of Conduct and Ethics. It applies to our Board of Directors, Chief Executive Officer, Chief Financial Officer and principal accounting officer, and employees. A copy of the Code of Ethics for Officers, Directors, and Employees may be obtained free of charge by writing to Enova Systems, Inc., 1560 West 190th Street, Torrance, California 90501, Attention: Chief Financial Officer or by accessing the Investor Relations section of our website ([www.enovashares.com](http://www.enovashares.com)). To the extent required by the rules of the Securities and Exchange Commission (SEC) and the NYSE Amex, we will post on our website any amendments and waivers relating to our code of ethics.

**Board of Directors and its Committees**

The Board of Directors currently consists of eight directors. The minimum and maximum number of Directors under our Bylaws is six and nine members. It is anticipated that prior to the Annual Meeting, the Board will fix, effective with the 2009 Annual Meeting, the authorized number of directors at six members.

The Board of Directors has determined that at least 50% of its current members are independent within the meaning of NYSE Amex rules as applicable to a smaller reporting company. Specifically, Messrs. Ahlstrom, Currie, Davies, Micek, Roberts and Wallace are independent.

The Board met six times during 2008. The Board schedules regular executive sessions at each of its meetings in which non-employee directors meet without management participation. In addition, at least once each year the independent directors meet without non-independent director participation. Each of the directors attended at least 75% of the total number of meetings of the Board and meetings of the committees of the Board of which he was a member. The policy of the Board is that all directors should attend annual meetings of shareholders. All Board members attended the Annual Meeting held in May 2008.

*Audit Committee.* The Board of Directors has established an Audit Committee in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended.. The current members of this committee are Messrs. Micek (Chair), Roberts, and Ahlstrom. Although there presently are three members of the Audit Committee, NYSE Amex rules permit us, as a smaller reporting company, to have only two members of the audit committee. The Board has determined that the members of the Audit Committee are independent under the rules of the SEC and the NYSE Amex. In addition to being independent, Mr. Micek has been determined by the Board to be an audit committee financial expert as defined by the SEC and the NYSE Amex. Mr. Micek's designation by the Board as an audit committee financial expert is not intended to be a representation that he is an expert for any purpose as a result of such designation, nor is it intended to impose on him any duties, obligations or liability that are greater than the duties, obligations or liability imposed on him as a member of the Audit Committee and the Board in the absence of such designation. Additionally, his designation as an audit committee financial expert does not affect the duties, obligations or liability of any other member of the Audit Committee.

The Audit Committee, among other functions, has the sole authority to appoint and replace the independent auditors, is responsible for the compensation and oversight of the work of the independent auditors, reviews the results of the audit engagement with the independent auditors, and reviews and discusses with management and the independent auditors quarterly and annual financial statements and major changes in accounting and auditing principles. The Audit Committee met four times during 2008. The Board has adopted a written charter for the Audit Committee. The Audit Committee charter may be obtained free of charge by writing to Enova Systems, Inc.,

*Compensation Committee.* The Board of Directors has established a Compensation Committee. The current members of this committee are Messrs. Ahlstrom (Chair), Currie and Wallace. The Compensation Committee Charter requires a minimum of two members be appointed to the Compensation Committee from the Board of Directors. The Board has determined that Messrs. Ahlstrom, Currie and Wallace are independent members of the Compensation Committee under the rules of the NYSE Amex. In addition, the compensation of our executive officers has always been ratified by a majority of the independent members of our Board.

The Compensation Committee, among other functions, reviews and recommends compensation structures, programs and amounts, and establishes corporate and management performance goals and objectives. The determinations of the Compensation Committee typically are ratified by the full Board of Directors, including a majority of independent directors. In performing its functions with respect to management and employees, the Compensation Committee may rely upon the recommendations of or delegate authority to our Chief Executive Officer. The Compensation Committee met three times during 2007 and two times during 2008. The Board has adopted a written charter for the Compensation Committee. A copy of the Compensation Committee charter may be obtained free of charge by writing to Enova Systems, Inc., 1560 West 190<sup>th</sup> Street, Torrance, California 90501, Attention: Chief Financial Officer or by accessing the Investor Relations section of our website ([www.enovasytems.com](http://www.enovasytems.com)).

*Nominating and Governance Committee.* The Board of Directors has established a Nominating and Governance Committee (the Nominating Committee). The current members of this committee are Messrs. Davies (Chair), Wallace, Roberts and Riddell. The Board has determined that, while Mr. Riddell is precluded from being deemed independent, the majority of the members of the Nominating Committee are independent under the rules of the NYSE Amex. The primary purpose of the Nominating Committee is to assist the Board of Directors in identifying individuals qualified to become Board members and to recommend to the Board of Directors individuals to be nominees for election as directors to the Company. The general purpose of the Nominating Committee is to review and evaluate corporate governance provisions applicable to the Board of Directors and the Company. The Nominating Committee met three times in 2008. The Board has adopted a written charter for the Nominating Committee. A copy of the Nominating Committee charter may be obtained free of charge by writing to Enova Systems, Inc., 1560 West 190<sup>th</sup> Street, Torrance, California 90501, Attention: Chief Financial Officer or by accessing the Investor Relations section of our website ([www.enovasytems.com](http://www.enovasytems.com)).

## **Consideration of Director Nominees**

In evaluating and determining whether to recommend a person as a candidate for election as a director, the Nominating Committee considers the person's qualities and skills, which include business and professional background, history of leadership or contributions to other organizations, function skill set and expertise, general understanding of marketing, finance, accounting and other elements relevant to the success of a publicly-traded company in today's business environment, and service on other boards of directors. There are no specific minimum qualifications for nominees. The Nominating Committee may employ a variety of methods for identifying and evaluating nominees for director. The Nominating Committee may assess the size of the Board, the need for particular expertise on the Board, the upcoming election cycle of the Board and whether any vacancies are expected, due to retirement or otherwise. In the event that vacancies are anticipated or otherwise arise, the Nominating Committee will consider various potential candidates for director which may come to the Nominating Committee's attention through current Board members, professional search firms, shareholders or other persons. No fees were paid to any third party to identify or evaluate potential nominees for inclusion in this proxy statement.

In exercising its function of recommending individuals for nomination by the Board for election as directors, the Nominating Committee considers nominees recommended by shareholders. The Nominating Committee will consider candidates recommended by shareholders under the criteria summarized above. The Nominating Committee will make an initial analysis of the qualities and skills of any candidate recommended by shareholders or others pursuant to the criteria summarized above to determine whether the candidate is suitable for service on our

**Table of Contents**

Board before deciding to undertake a complete evaluation of the candidate. If any materials are provided by a shareholder or professional search firm in connection with the nomination of a director candidate, such materials are forwarded to the Nominating Committee as part of its review. The same identifying and evaluating procedures apply to all candidates for director nomination, including candidates submitted by shareholders. There have been no material changes to the procedures by which shareholders may recommend nominees since our prior annual meeting in May 2008.

If you would like the Nominating Committee to consider a prospective candidate, please submit the candidate's name and biographical description to: Enova Systems, Inc., 1560 West 190<sup>th</sup> Street, Torrance, California 90501, Attention: Corporate Secretary.

**Contacting the Board**

You may contact any of our directors, or our independent directors as a group, by writing to them c/o Enova Systems, Inc., 1560 West 190<sup>th</sup> Street, Torrance, California 90501, Attention: Corporate Secretary. Your letter should clearly specify the name of the individual director or group of directors to whom your letter is addressed. Any communications received in this manner will be forwarded to the appropriate director(s) as addressed, except for solicitations or other matters unrelated to our company.

### ***Current Equity Incentive Plans***

We presently have only one active stock-based compensation plan. The 2006 Equity Compensation Plan authorizes the Compensation Committee to grant stock options and other stock awards to employees and consultants, including executives, and such grants are currently approved by the whole board of directors. The determination of whether option grants are appropriate each year is based upon individual measures established for each individual within the subjective determination of the board of directors. Options are not necessarily granted to

**Table of Contents**

each executive during each year. Options granted to executive officers generally vest in conjunction with the attainment of the performance goals of the company. In 2008, Mr. Staran and Mr. Fenton were granted 100,000 stock options and 70,000 stock options, respectively, vesting over three years, with the first tranche vested on December 31, 2008 and each year thereafter.

If his duties or responsibilities are materially diminished or if he is assigned duties that are demeaning or otherwise materially inconsistent with the duties then currently performed by him, Mr. Staran will have the right to receive the same severance payment as if his employment had been terminated without cause.

On February 17, 2009, the Board of Directors entered into a severance agreement with Jarett Fenton, the Chief Financial Officer of Enova. Mr. Fenton's agreement provides for a 12 month severance provision. In the event that Mr. Fenton's employment is terminated by Enova without cause, he is entitled to receive as severance three months of health benefits and 12 months payment of his current base salary, to be paid on a monthly basis. **AIM Ownership Information**

In addition to the NYSE Amex, the shares of our common stock also trade on the Alternative Investment Market (AIM) of the London Stock Exchange. Because the information speaks only as of the notice date indicated, it may not reflect continuing ownership on or near the record date for the Annual Meeting. The table also does not necessarily reflect all shareholders who may have a greater than 3% ownership in our common stock.

**Section 16(a) Beneficial Ownership Reporting Compliance**

Section 16(a) of the Securities Exchange Act of 1934 requires our officers and directors and beneficial owners of greater than 10% owners of our common stock to file reports of ownership and changes in ownership with the SEC and provide copies to us. Based solely on a review of Section 16 reports and written representations from officers and directors, we believe that during the fiscal year ended December 31, 2008, our officers, directors, and greater than 10% owners timely filed all reports they were required to file under Section 16(a), except: (i) Mr. Staran belatedly reported an April 9, 2008 award of 100,000 options and 75,000 common shares on April 21, 2008 when the due date was April 11, 2008; (ii) Mr. Fenton belatedly reported an April 9, 2008 award of 70,000 options on April 21, 2008 when the due date was April 11, 2008; (iii) Mr. Riddell, a non-executive director, belatedly reported his first quarter

stock award of 1,348 shares on April 8, 2008, when it was due on April 2, 2008; (iv) Mr. Micek, a non-executive director, belatedly reported his first quarter stock award of 1,348 shares on April 28, 2008, when it was due on April 2, 2008; (v) each non-executive director, Messrs. Ahlstrom, Currie, Dreyer, Rawlinson, and Wallace, belatedly reported their first quarter stock award of 1,348 shares each on April 4, 2008 when the due date was April 2, 2008.

#### **TRANSACTIONS WITH RELATED PERSONS**

Item 404 of Regulation S-K of the SEC rules requires that we disclose any transaction in which a related person has a direct or indirect material interest and where the amount exceeds \$120,000. **Table of Contents****INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

PMB Helin Donovan LLP served as our registered independent auditor for the most recently completed fiscal year, and has served in that role since its appointment by the Audit Committee on January 31, 2007.

**Pre-Approval of Audit and Permissible Non-Audit Services**

The Audit Committee pre-approves all audit and permissible non-audit services provided by the independent auditors. These services may include audit services, audit-related services, tax services and other services. The independent auditors and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent auditors in accordance with this pre-approval, and the fees for the services performed to date. The Audit Committee may also pre-approve particular services on a case-by-case basis.

**Audit Fees**

The following table sets forth the aggregate fees billed or to be billed by our principal accountant for the following services for the years ended December 31, 2008 and 2007:

	<b>2008</b>	<b>2007</b>
Audit Fees	\$ 212,000	\$ 236,000
Audit-Related Fees		
Tax Fees	\$ 13,000	\$ 9,800
All Other Fees		
Total	\$ 235,000	\$ 250,000

The tax fees above were pre-approved by our Audit Committee as appropriate, which concluded that the provision of such services by PMB Helin Donovan was compatible with the maintenance of that firm's independence in the conduct of its auditing functions.

**Changes in and Disagreements with Accountants on Accounting and Financial Disclosure**

On January 31, 2007, Enova Systems dismissed Windes & McClaughry Accountancy Corporation (Windes) as our registered public accounting firm and engaged PMB Helin Donovan, LLP as our new independent registered public accounting firm. The decision regarding the end of the Windes engagement and the commencement of the PMB Helin Donovan, LLP engagement was made and approved by the Audit Committee after consideration of our then current needs and position. Concurrent with the change in auditor, we also undertook changes to our finance and operations departments, including a change in our Chief Financial Officer. In light of these organization changes and given the disagreement between us and Windes with respect to the filing of our Form 10-Q for the fiscal quarter ended September 30, 2006 filed November 13, 2006 (the Form 10-Q), the Audit Committee believed that engagement of a new auditor would lead to enhanced communications with respect to audit matters.

During the course of its engagement, Windes did not provide an audit report on our financial statements. Therefore, there is no applicable disclosure within the meaning of Item 304(a)(1)(ii) of Regulation S-K.

During our two most recent fiscal years, Enova Systems and Windes had the following three disagreements within the meaning of Item 304(a)(1)(iv) of Regulation S-K on matters of accounting principles or practices, financial statement disclosure, or auditing or review scope or procedure, which if not resolved to the satisfaction of Windes would have caused it to make reference to the subject matter of the disagreement in its reports on our financial statements:

First, as reflected in the Current Reports on Form 8-K dated November 29, 2006 and December 5, 2006, Windes and Enova Systems disagreed whether Windes authorized the Form 10-Q filing. After numerous discussions among Windes and us involving management and the Audit Committee, the disagreement was resolved by filing the requisite Item 4.02 Form 8-K and later filing the amended Form 10-Q for the fiscal period ended September 30, 2006 on December 29, 2006 (the Form 10-Q/A ).

**Table of Contents**

Second, Windes and Enova Systems disagreed whether we followed the appropriate accounting policy and accounting literature to record revenue. This disagreement was resolved upon further analysis and by reversing the recorded revenue and related expenses in the Form 10-Q/A.

Third, Windes and Enova Systems disagreed whether adequate documentation had been produced to support a material debt forgiveness transaction which, although negotiated in the 2005 fiscal year, was completed in the first quarter of the 2006 fiscal year and therefore included in our year-to-date operations. Consistent with the Form 10-Q/A's Item 4 Controls and Procedures disclosure, we were unable to locate original documentation to support the accounting treatment for the transaction. This disagreement was resolved when we obtained replacement copies to reflect the original documentation and the accounting treatment.

The Audit Committee discussed the subject matter of all three disagreements above with Windes and we authorized Windes to respond fully to inquiries of PMB Helin Donovan, LLP concerning the subject matter of these disagreements.

During our two most recent fiscal years, the following were reportable events within the meaning of Item 304(a)(1)(v) of Regulation S-K:

(A) Consistent with the Item 4 Controls and Procedures disclosure in the Form 10-Q/A, Windes advised that material weaknesses existed in our internal controls, and thereby our financial statement preparation and disclosure, regarding the (i) correct application of relevant accounting standards; (ii) ability to produce original documentation to support an accounting treatment; and (iii) internal and external communication by us in ensuring there was appropriate independent accountant review and authorization to file periodic reports such as the Form 10-Q for the fiscal period ended September 30, 2006.

(B) Given the three disagreements cited above, Windes expressed concern about its ability to rely on management representations. As a result, consistent with its Item 4 Controls and Procedures disclosure in the Form 10-Q/A, we agreed to dedicate additional time and resources to internal control matters and specifically agreed to (1) retain a consultant to review our accounting, documentation, and internal control policies and (2) implement more stringent oversight policies to ensure proper auditor authorization is received prior to making SEC filings.

(C) Given the third disagreement cited above with respect to adequate documentation, Windes further advised us it would need to expand significantly the scope of its audit within the meaning of Item 304(a)(1)(v)(C) to ensure that proper and sufficient documentation existed to support accounting conclusions reached in prior fiscal periods including the cited debt forgiveness transaction.

During the two most recent fiscal years, we did not consult with PMB Helin Donovan, LLP regarding (1) the application of accounting principles to a specified transaction, whether completed or proposed, (2) the type of audit opinion that might be rendered with respect to our financial statements, or (3) any matter that was either the subject of a disagreement or a reportable event as those terms are defined in Item 304(a)(1)(iv) and (v), respectively, of Regulation S-K.

**REPORT OF THE AUDIT COMMITTEE**

The Audit Committee reviews our financial reporting process on behalf of the Board of Directors. Management has primary responsibility for this process, including our system of internal controls, and for the preparation of our consolidated financial statements in accordance with generally accepted accounting principles. Our independent auditors, and not the Audit Committee, are responsible for auditing and expressing an opinion on the conformity of our audited financial statements to generally accepted accounting principles.

The Audit Committee reviewed and discussed the audited financial statements for the fiscal year ended December 31, 2008 with management and the independent auditors. The Audit Committee also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended. In addition, the Audit Committee received from the independent auditors the written disclosures and the letter required by the applicable requirements of the Public Company Accounting Oversight Board regarding independent auditor s communications with the Audit Committee

concerning independence and discussed with the independent auditors their independence from Enova Systems and its management.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board of Directors approved, that the audited financial statements be included in our Annual Report on SEC Form 10-K for the year ended December 31, 2008 for filing with the SEC.
