In connection with the commencement of an at the market equity offering program under which Medical Properties Trust, Inc. (the Company) may sell up to an aggregate amount of \$50 million of shares of its common stock (the Shares) from time to time in at the market offerings or certain other transactions (the Offering), the Company today filed with the Securities and Exchange Commission (the SEC) a prospectus supplement dated November 9, 2009 (the Prospectus Supplement). The Company may sell the Shares in amounts and at times to be determined by the Company from time to time, but has no obligation to sell any of the Shares in the Offering. Actual sales will depend on a variety of factors to be determined by the Company from time to time, including (among others) market conditions, the trading price of the Company's common stock and determinations by the Company of the appropriate sources of funding for the Company.

The Offering will occur pursuant to three separate equity distribution agreements (individually, a Equity Distribution Agreement and together, the Equity Distribution Agreements) entered into by the Company with each KeyBanc Capital Markets Inc., Deutsche Bank Securities Inc. and RBC Capital Markets Corporation, as agents for the offer and sale of the Shares (individually, a Sales Agent and together, the Sales Agents). Each Equity Distribution Agreement provides that the Company may offer and sell from time to time pursuant to the Equity Distribution Agreements up to a combined total of \$50,000,000 of shares of its common stock through the Sales Agents. The Equity Distribution Agreements provide that each Sales Agent will be entitled to compensation equal to 2.0% of the gross sales price per share for any of the Shares sold under the relevant Equity Distribution Agreement.

Sales of the Shares, if any, under the Equity Distribution Agreements may be made in transactions that are deemed to be at the market offerings as defined in Rule 415 under the Securities Act of 1933, as amended, including sales made directly on the New York Stock Exchange or sales made to or through a market maker other than on an exchange, as well as in negotiated or other transactions described in the Prospectus Supplement. The Company has no obligation to sell any of the Shares in the Offering, and may at any time suspend solicitation and offers under the sales agency financing agreements or terminate the sales agency financing agreements.

The Shares will be issued pursuant to the Prospectus Supplement and the Company's automatic shelf registration statement on Form S-3 (File No. 333-140433) filed on February 15, 2007 with the SEC. This Current Report shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of these securities in any state in which such offer, solicitation or sale would be unlawful prior to registration of qualification under the securities laws of any such state.

The Equity Distribution Agreements are filed as Exhibits 1.1, 1.2 and 1.3 to this Current Report. The description of the Equity Distribution Agreements does not purport to be complete and is qualified in its entirety by reference to the Equity Distribution Agreements filed herewith as exhibits to the Current Report.
