Equityholders will make an investment in Clearwire and Clearwire Communications in an aggregate amount of approximately \$1.56 billion (the Investment Transactions). The Investment Agreement also sets forth the terms and conditions of the investment by certain of the Participating Equityholders in newly issued senior secured notes of Clearwire Communications and Clearwire Finance, LLC proposed to be issued in connection with the offering described below (the Clearwire Notes), in replacement of equal amounts of indebtedness of Clearwire under its senior term loan facility (the Clearwire Rollover Transactions and, collectively with the Investment Transactions, the Clearwire Equityholder Investments). Under the Investment Agreement, Clearwire has also agreed to commence a rights offering (the Clearwire Rights Offering), pursuant to which rights to purchase shares of the Class A Common Stock will be granted on a pro rata basis to each holder of the Class A Common Stock as of a record date to be determined.

In the Investment Transactions, the Participating Equityholders will invest approximately \$1.56 billion in Clearwire Communications in exchange for Clearwire Communications Voting Interests and Clearwire Communications Class B Common Interests, in the following amounts:

Sprint HoldCo LLC will contribute \$1.176 billion to Clearwire Communications in exchange for 160,436,562 Clearwire Communications Class B Common Interests and the same number of Clearwire Communications Voting Interests;

Comcast, or one of its subsidiaries, will contribute \$196 million to Clearwire Communications in exchange for 26,739,427 Clearwire Communications Class B Common Interests and the same number of Clearwire Communications Voting Interests;

Certain of the TWC Entities will contribute \$103 million in the aggregate to Clearwire Communications in exchange for 14,051,841 Clearwire Communications Class B Common Interests and the same number of Clearwire Communications Voting Interests;

BHN Spectrum will contribute \$19 million to Clearwire Communications in exchange for 2,592,087 Clearwire Communications Class B Common Interests and the same number of Clearwire Communications Voting Interests;

Certain of the Intel Entities will contribute \$50 million to Clearwire Communications in exchange for 6,821,282 Clearwire Communications Class B Common Interests and the same number of Clearwire Communications Voting Interests; and

Eagle River will contribute \$20 million to Clearwire Communications in exchange for 2,728,512 Clearwire Communications Class B Common Interests and the same number of Clearwire Communications Voting Interests.

Immediately following the receipt by the Participating Equityholders of Clearwire Communications Voting Interests and Clearwire Communications Class B Common Interests, each of the Participating Equityholders will contribute to Clearwire its Clearwire Communications Voting Interests in exchange for an equal number of shares of Class B Common Stock.

The Investment Transactions will be consummated through three separate closings. In the first closing, the Participating Equityholders will purchase an aggregate of approximately \$1.057 billion of the Clearwire Communications Class B Common Interests and Clearwire Communications Voting Interests, pro rata based on their respective investment amounts set forth above, on or about November 13, 2009, assuming satisfaction of the applicable closing conditions, which are customary (the First Investment Closing). The amount invested in the First Investment Closing will be the maximum amount permitted by the rules of Nasdaq Stock Market (Nasdaq) prior to the effectiveness of the written consent of stockholders to the transactions executed by Google, the Participating

Equityholders and certain of their subsidiaries, which are holders of a majority of the outstanding voting shares of Clearwire (the Stockholders Consent). Subsequently, in the second closing, an additional approximately \$440 million of Clearwire Communications Class B Common Interests and Clearwire Communications Voting Interests will be purchased by the Participating Equityholders, pro rata based on their respective investment amounts set forth above, within one business day following the date on which such purchase is permitted by Nasdaq rules and

applicable law, assuming satisfaction of the other applicable customary closing conditions (the Second Investment Closing). In the third closing, the remaining securities will be purchased by the Participating Equityholders, pro rata based on their respective investment amounts set forth above, within one business day following the satisfaction of an additional closing condition regarding the delivery of certain financial information to Sprint by Clearwire and other applicable customary closing conditions, which is expected to occur in Clearwire's first fiscal quarter of 2010 (the Third Investment Closing).

Under the Investment Agreement, in exchange for the purchase by Sprint, Comcast, TWC and BHN of Clearwire Communications Class B Common Interests and Clearwire Communications Class B Common Stock in amounts exceeding their respective Percentage Interest (as defined in the Equityholders' Agreement) determined immediately prior to the First Investment Closing, Clearwire will pay a fee equal to approximately \$18.9 million to Sprint, approximately \$3.1 million to Comcast, approximately \$1.7 million to TWC and approximately \$0.3 million to BHN on the terms described below (a Transaction Fee). The fees will be paid in installments at each of the Second Investment Closing and the Third Investment Closing and will be payable at the option of such Participating Equityholder (i) in Clearwire Communications Class B Common Interests valued at \$7.33 per unit and an equal number of Clearwire Communications Voting Interests, or (ii) in cash, by wire transfer of immediately available funds. Sprint has irrevocably elected to receive at least 50% of the Transaction Fee payable to Sprint in Clearwire Communications Class B Common Interests and Clearwire Communications Voting Interests. Immediately following the receipt by any Participating Equityholder of Clearwire Communications Voting Interests in payment of a Transaction Fee, each such Participating Equityholder will contribute to Clearwire its Clearwire Communications Voting Interests in exchange for an equal number of shares of Class B Common Stock.

The consummation of the Investment Transactions at each investment closing is conditioned upon (i) solely with respect to the Second Investment Closing and Third Investment Closing, the actions described in the Stockholders Consent being able to be effected under applicable law, the rules and regulations of the SEC and the Nasdaq rules, including an amendment to Clearwire's Restated Certificate of Incorporation to increase Clearwire's share capital (the Charter Amendment), being effective, (ii) no applicable law prohibiting or preventing, and no injunction, writ, preliminary restraining order or other government order prohibiting, the consummation of the transactions described in the Investment Agreement (including the Clearwire Equityholder Investments, the Rights Offering and the Charter Amendment), (iii) the listing of the Class A Common Stock issuable upon conversion of the Class B Common Stock and Clearwire Communications Class B Common Interests issued in the Investment Transactions on Nasdaq, subject only to official notice of issuance, (iv) solely with respect to the First Investment Closing and Second Investment Closing, (x) the representations and warranties of Clearwire and Clearwire Communications were true and correct as of November 9, 2009 and shall be true and correct as of the date of the applicable closing other than, subject to certain limited exceptions, failures to be true and correct which have not had and would not reasonably be expected to have a material adverse effect, (y) Clearwire and Clearwire Communications shall have performed in all material respects all of their respective covenants and agreements and (z) Clearwire shall have amended its change in control severance plan to provide that the transactions under the Investment Agreement will not constitute a change of control under the plan and Clearwire's Chief Executive Officer shall have consented to such amendment, (v) each of Sprint, Comcast and TWC shall have contemporaneously made its investment at such closings, and (vi) solely with respect to the Third Investment Closing, Sprint shall have received certain specified financial information from Clearwire with respect to Clearwire's fiscal year ending December 31, 2009, or Sprint shall have waived its right to receive such information.

In addition to the Investment Transactions, Clearwire Communications has commenced an offering of Clearwire Notes. The Investment Agreement provides that in the event Clearwire Communications issues senior secured notes or other first lien indebtedness (the Refinancing Debt), in an aggregate amount such that the net cash proceeds of such issuance (inclusive of the Rollover Amounts described below) are sufficient, and will be used, to pay in full all outstanding loans, together with accrued and unpaid interest and fees, prepayment of premium (if any), and all other amounts owing under Clearwire's senior term loan facility (including, without limitation, all such amounts owing to each of Sprint and Comcast (each, a Rollover Investor), each in its capacity as a lender under Clearwire's senior term

loan facility (all such amounts owing to such Rollover Investor being its respective Rollover Amount), then each Rollover Investor agrees that it will purchase from Clearwire Communications (or, if directed by Clearwire Communications, from the initial purchasers of the Refinancing Debt) an amount of Refinancing Debt, the gross proceeds of which will be sufficient to repay the Rollover Amount owed to each Rollover Investor in their capacity as a lender under the senior term loan facility (the Rollover Transaction). Clearwire s, Clearwire Communications and the Rollover Investors obligations to consummate the Rollover

Table of Contents

Page 25 of 42 Pages

Transaction is not conditioned upon the closing of the other transactions contemplated by the Investment Agreement.

Upon the consummation of a Rollover Transaction, Clearwire will pay to the applicable Rollover Investor a fee equal to 3% of such Rollover Investor's Rollover Amount, which fee will be paid in cash by wire transfer of immediately available funds.

In addition, Item 4 of the Schedule 13D is amended and supplemented by replacing the fifth paragraph under the subheading "Transaction Agreement" with the following:

The foregoing summaries of certain provisions of the Transaction Agreement, Investment Agreement and Stockholders' Consent are not intended to be complete and are qualified in their entirety by reference to the full text of such agreements. The Transaction Agreement is filed as Exhibit 99.1 hereto and is incorporated herein by reference, the Investment Agreement is filed as Exhibit 99.8 hereto and is incorporated herein by reference and the Stockholders' Consent is filed as Exhibit 99.9 hereto and is incorporated herein by reference.
