### Item 3.02 Unregistered Shares of Equity Securities

On November 19, 2009, Genesis Fluid Solutions Holdings, Inc. accepted subscriptions for a total of 22.9 units in a private placement, consisting of an aggregate of 632,500 shares of the our common stock and warrants to purchase an aggregate of 286,250 shares of common stock at an exercise price of \$2.00 per share, for a per unit purchase price of \$25,000. We received net proceeds from such closing of the private placement of \$372,500, which does not include the \$200,000 of bridge notes that were converted in the private placement. The offering was made solely to accredited investors, as that term is defined in Regulation D under the Securities Act of 1933, as amended (the Securities Act). The securities sold in the offering were not registered under the Securities Act, or the securities laws of any state, and were offered and sold in reliance on the exemption from registration afforded by Section 4(2) and Regulation D (Rule 506) under the Securities Act and corresponding provisions of state securities laws, which exempt transactions by an issuer not involving any public offering.
