**Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers**

(e) On February 24, 2010, the Compensation & Talent Committee of the Board of Directors (the Committee) of Cytokinetics, Incorporated (the Company) voted to approve the bonuses, stock option grants and salary increases for the Company's named executive officers (as defined in Item 402(a)(3) of Regulation S-K promulgated by the Securities and Exchange Commission) with respect to the performance of the Company and such officers for the fiscal year ended December 31, 2009. The bonus payments were based on individual executive's performance relative to specified goals, as well as the Company's performance relative to specified corporate goals, and other factors. In addition, the Committee exercised its discretion in determining each individual's overall achievement level. The salary increases for our named executive officers, which are effective as of March 1, 2010, were based on a review of each officer's respective 2009 performance relative to both the Company's and the individual's goals, the role each executive is expected to play in 2010, competitive salary data provided by third-party executive compensation consultants, and other factors.

The 2009 bonuses and 2010 salaries approved by the Committee were as follows:

**2009 Bonus and 2010 Salary Information for Named Executive Officers**

<b>Name</b>	<b>Title</b>	<b>2009 Bonus</b>	<b>2010 Base Salary</b>
Robert I. Blum	President and Chief Executive Officer	\$225,000	\$525,000
David J. Morgans	Executive Vice President, Preclinical Research and Development	\$127,050	\$379,500

Andrew A. Wolff	Senior Vice President, Clinical Research and Development and Chief Medical Officer	\$97,125	\$378,250

At the February 24, 2010 meeting, the Committee established the prospective 2010 target bonus award percentages for the named executive officers. Under the Company's Executive Bonus Plan, the target bonus for the President and Chief Executive Officer is 50% of his base salary, the target bonus for individuals at the Executive Vice President level is 40% of the individual's base salary, and the target bonus for individuals at the Senior Vice President level is 30% of the individual's base salary.

On February 24, 2010, the Committee also granted to the named executive officers stock options to purchase the Company's common stock. All such stock options were granted under the Company's 2004 Equity Incentive Plan. Options granted to the named executive officers had an exercise price of \$3.08 per share, the closing price of the Company's common stock on February 24, 2010, the date of grant. The options vest in equal monthly installments over a 48-month period, subject to continuous active service to the Company during such period. The stock option grants approved by the Committee were as follows:

<b>Name</b>	<b>Title</b>	<b>Stock Option Grants</b>
