o Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

Item 8.01 Other Events.

The Company Receives a Paragraph IV Patent Certification from Ranbaxy Laboratories Limited

On April 15, 2010, Medicis Pharmaceutical Corporation (the Company) received a Paragraph IV Patent Certification from Ranbaxy Laboratories Limited (Ranbaxy) advising that Ranbaxy has filed a supplement or amendment to its earlier filed Abbreviated New Drug Application (ANDA) assigned ANDA number 91-118 (ANDA Supplement/Amendment) with the U.S. Food and Drug Administration (FDA) for generic SOLODYN® in its forms of 65mg and 115mg strengths. Ranbaxy has not advised the Company as to the timing or status of the FDA s review of its filing, or whether Ranbaxy has complied with FDA requirements for proving bioequivalence. Ranbaxy s Paragraph IV Certification alleges that the Company s U.S. Patent No. 5,908,838 (the 838 Patent) is invalid, unenforceable, and/or will not be infringed by Ranbaxy s manufacture, importation, use, sale and/or offer for sale of the products for which the ANDA Supplement/Amendment was submitted. The expiration date for the 838 Patent is in 2018. The Company is evaluating the details of Ranbaxy s certification letter and considering its options. Ranbaxy s submission as to the 65mg and 115mg strengths amends an ANDA already subject to a 30-month stay. As such, the Company believes that the supplement or amendment cannot be approved by the FDA until after the expiration of the 30-month period or in the event of a court decision holding that the patent is invalid or not infringed.

SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, as amended, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
