Item 8.01 Other Events.

On July 16, 2010, Flowserve Corporation, a New York corporation (the Company), issued a press release announcing the Company's acquisition of Valbart Srl, a privately owned Italian manufacturer of trunnion-mounted ball valves used primarily in the oil and gas industry. Valbart was acquired in a cash transaction valued at approximately 156 million, which value includes approximately 25 million of existing Valbart net debt that was repaid at closing. The Company funded the transaction proceeds with cash on hand. The other terms of the acquisition have not been disclosed.

Valbart, formed in 2003 and headquartered in Mezzago, Italy, specializes in the design, development and manufacture of a comprehensive range of API 6A and API 6D trunnion-mounted ball valves in split-body, all-welded and top-entry configurations, which are predominantly used in upstream and midstream oil and gas applications.

A copy of the press release referenced above is included with this Current Report on Form 8-K as Exhibit 99.1.

Item 9.01 Financial Statements and Exhibits.
