Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

The Registrant is an Ohio corporation. In general, a director of an Ohio corporation will not be found to have violated his or her fiduciary duties unless there is proof by clear and convincing evidence that the director (1) has not acted in good faith, (2) has not acted in a manner the director reasonably believes to be in or not opposed to the best interests of the corporation, or (3) has not acted with the care that an ordinarily prudent person in a like position would use under similar circumstances. Monetary damages for any act taken or omission made as a director are generally awarded only if it is proved by clear and convincing evidence that the director undertook such act or omission either with deliberate intent to cause injury to the corporation or with reckless disregard for the best interests of the corporation.

Under Ohio law, a corporation must indemnify its directors, officers, employees, and agents against expenses reasonably incurred in connection with the successful defense (on the merits or otherwise) of an action, suit, or proceeding. A corporation may indemnify such persons in actions, suits, and proceedings (including certain derivative suits) if the individual has acted in good faith and in a manner that the individual believes to be in or not opposed to the best interests of the corporation. In the case of a criminal proceeding, the individual must also have no reasonable cause to believe that his or her conduct was unlawful.

Indemnification may be made only if ordered by a court or if authorized in a specific case upon a determination that the applicable standard of conduct has been met. Such a determination may be made by a majority of the disinterested directors, by independent legal counsel, or by the shareholders.

Under Ohio law, a corporation may pay the expenses of any indemnified individual as they are incurred, in advance of the final disposition of the matter, if the individual provides an undertaking to repay the amount if it is ultimately determined that the individual is not entitled to be indemnified. Ohio law generally requires all expenses, including attorney's fees, incurred by a director in defending any action, suit, or proceeding to be paid by the corporation as they are incurred if the director agrees (i) to repay such amounts in the event that it is proved by clear and convincing evidence that the director's action or omission was undertaken with deliberate intent to cause injury to the corporation or with reckless disregard for the best interests of the corporation and (ii) to reasonably cooperate with the corporation concerning the action, suit, or proceeding.

The Registrant's regulations require the Registrant to indemnify, to the full extent permitted by Ohio law, any person made, or threatened to be made, a party to any threatened, pending, or completed action, suit, or proceeding (whether civil, criminal, administrative, or investigative) because that person is or was a director, officer, or employee of the Registrant or is or was serving, at the request of the Registrant, as a director, trustee, officer, or employee of another entity. The Registrant also has in effect insurance policies for general officers' and directors' liability insurance covering all of its directors and officers. In addition, the Registrant may enter into indemnification agreements with each of its directors and officers that indemnify its directors and officers to the maximum extent permitted by law.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
