Item 2.02. Results of Operations and Financial Condition.

On March 9, 2011, FuelCell Energy, Inc. (FuelCell) issued a press release announcing its financial results and accomplishments as of and for the three months ended January 31, 2011. A copy of FuelCell s press release is attached to this report as Exhibit 99.1 and incorporated herein by reference.

Subsequent to the release of the attached, an immaterial revision was made to the disclosure of backlog related to long-term service agreements of \$2.3 million or a difference of 3% from the amount reported in the press release. This revision to the backlog disclosure had no impact on the consolidated financial statements or the net loss to common shareholders reported by FuelCell. FuelCell will provide the following updated backlog disclosure in its quarterly Form 10-Q filing:

Total product sales and service backlog as of January 31, 2011 was \$156.9 million compared to \$84.1 million as of January 31, 2010. Product order backlog was \$78.9 million and \$58.3 million as of January 31, 2011 and 2010, respectively. Product backlog at the end of the quarter includes 26.5 megawatts (MW) of power plants and fuel cell component kits as well as orders for parts and work associated with a commercial joint development agreement with POSCO Power for a small scale DFC power plant for the commercial building market. Backlog for long-term service agreements was \$78.0 million and \$25.8 million as of January 31, 2011 and 2010, respectively.
