Item 1.01. Entry into a Material Definitive Agreement.

Amended and Restated Limited Liability Company Agreement of ETP-Regency Midstream Holdings, LLC

On May 2, 2011, in connection with the closing described in Item 2.01 below, Regency Midstream LLC, an indirect wholly owned subsidiary of Regency Energy Partners LP (the Partnership), and La Grange Acquisition, L.P., an indirect wholly owned subsidiary of Energy Transfer Partners, L.P. (ETP), entered into an Amended and Restated Limited Liability Company Agreement (the LLC Agreement) of ETP-Regency Midstream Holdings, LLC (ETP-Regency LLC), a joint venture owned 30% by the Partnership and 70% by ETP.

Pursuant to the LLC Agreement, ETP will serve as operator of ETP-Regency LLC. However, certain actions will require the unanimous consent of the members, including among other actions the approval of ETP-Regency LLC's annual budget, any merger or consolidation, and the issuance of equity interests.

The LLC Agreement establishes an area of mutual interest whereby none of the members or their respective affiliates may engage in, or provide in excess of 20% of the equity or debt financing to a person engaged in, the storage or fractionation of natural gas liquids, liquefied petroleum gases or refined petroleum products within 50 miles of ETP-Regency LLC's administrative headquarters in Mont Belvieu, Texas. Pursuant to the LLC Agreement, expansion projects will generally require the unanimous consent of the members. However, if an expansion project is not unanimously approved, the proposing member may (i) require ETP-Regency LLC to pursue such project if it meets certain criteria set forth in the LLC Agreement or (ii) pursue such project for its own account.

The LLC Agreement also provides for certain limitations on the transfer of membership interests in or assets of ETP-Regency LLC.

A copy of the LLC Agreement is attached hereto as Exhibit 10.1 and is incorporated herein by reference. The foregoing summary of such agreement does not purport to be complete and is qualified in its entirety by reference to Exhibit 10.1 hereto.

Registration Rights Agreement

Also on May 2, 2011, the Partnership closed its previously announced private placement of 8,500,001 common units representing limited partnership interests in the Partnership (Common Units) to certain purchasers (the Purchasers) pursuant to a Purchase Agreement, dated as of March 23, 2011, by and among the Partnership and each of the Purchasers (the Purchase Agreement). The Common Units were issued and sold by the Partnership in a private transaction exempt from registration under Section 4(2) of the Securities Act of 1933, as amended.

In connection with the closing of the private placement, the Partnership entered into a Registration Rights Agreement with the Purchasers relating to the registered resale of the Common Units issued to the Purchasers pursuant to the Purchase Agreement. Pursuant to the Registration Rights Agreement, the Partnership has agreed to file a shelf registration statement no later than June 1, 2011 for the resale of the Common Units and to use commercially reasonable efforts to cause the shelf registration statement to be declared effective by the Securities and Exchange Commission no later than July 1, 2011.

A copy of the Registration Rights Agreement is attached hereto as Exhibit 4.1 and is incorporated herein by reference. The foregoing summary of such agreement does not purport to be complete and is qualified in its entirety by reference to Exhibit 4.1 hereto.

- amends Section 5.11(b) of the Credit Agreement to provide that the Partnership's equity interests in ETP-Regency LLC will be pledged as collateral under the Credit Agreement (but only indirectly through the direct pledge of equity interests in Regency Midstream LLC); and

A copy of the Second Amendment is attached hereto as Exhibit 10.2 and is incorporated herein by reference. The foregoing summary of such agreement does not purport to be complete and is qualified in its entirety by reference to Exhibit 10.2 hereto.
