**Item 8.01 Other Events.**

At the beginning of fiscal 2011, we revised the classification of certain revenues and expenses to better align our income statement line items with how we manage our business. We have reported on this basis in all interim reporting periods in fiscal 2011. We are filing this form 8-K to reflect the changes for fiscal 2010 and prior fiscal years. We have revised the classification of amounts previously reported in our Consolidated Statements of Earnings to conform to our fiscal 2011 presentation. These revised classifications had no effect on previously reported net earnings attributable to General Mills or earnings per share. These changes include:

Revising the classification of certain customer logistics allowances as a reduction of net sales (previously recorded as cost of sales);

Revising the classification of certain promotion-related costs, customer allowances and supply chain costs as cost of sales or selling, general and administrative (SG&A) expenses (previously recorded as a reduction of net sales or SG&A expenses);

Shifting allocation of certain SG&A expenses, primarily stock-based compensation, between segment operating profit and unallocated corporate items; and

Shifting sales responsibility for a customer from our Bakeries and Foodservice segment to our U.S. Retail segment.

The following information (included in Exhibit 99 to this Form 8-K), originally presented in our Annual Report on Form 10-K for the fiscal year ended May 30, 2010 filed with the SEC on July 9, 2010 (the report), reflects the reclassifications described above for the periods presented therein:

Item 6. Selected Financial Data;

Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations; and

Item 8. Financial Statements and Supplementary Data.

The following Notes to Consolidated Financial Statements (included in Exhibit 99 to this Form 8-K) changed from those previously contained in the report as a result of the reclassifications described above:

Note 1. Basis of Presentation and Reclassification;

Note 2. Summary of Significant Accounting Policies;

Note 16. Business Segment and Geographic Information; and

Note 18. Quarterly Data (Unaudited).

The information contained in Exhibit 99 to this Form 8-K does not reflect events occurring after the filing of the report and does not modify or update the disclosures in the report, except as specifically identified above. Significant developments with respect to those disclosures, as well as other changes in our business, have occurred and are described in filings we have made with the SEC after filing the report.
