The Going-Private Transaction

On November 23, 2005, SS&C Holdings, a Delaware corporation owned by investment funds affiliated with Carlyle, acquired SS&C through the merger of Sunshine Merger Corporation with and into SS&C, with SS&C being the surviving company and a wholly owned subsidiary of SS&C Holdings, and SS&C's outstanding common stock converted into the right to receive \$37.25 per share in cash (without giving effect to the 8.5-for-1 stock split of our common stock that was effected on March 10, 2010). We refer to the acquisition of SS&C by SS&C Holdings as the Acquisition.

The following transactions occurred in connection with the Acquisition:

Carlyle capitalized SS&C Holdings with an aggregate equity contribution of \$381.0 million;

William C. Stone, SS&C's Chairman of the Board and Chief Executive Officer, contributed \$165.0 million of equity in the form of stock and rollover options, and certain other management and employee option holders contributed approximately \$9.0 million of additional equity in the form of rollover options, to SS&C Holdings;

SS&C entered into senior secured credit facilities consisting of:

a \$75.0 million revolving credit facility, of which \$10.0 million was drawn at closing; and

a \$275.0 million term loan B facility, which was fully drawn at closing and of which the equivalent of \$75.0 million was drawn in Canadian dollars by one of SS&C's Canadian subsidiaries;

S-1

Table of Contents

SS&C issued and sold \$205.0 million in aggregate principal amount of 113/4% senior subordinated notes due 2013;

all outstanding options to purchase shares of SS&C's common stock became fully vested and immediately exercisable, and each outstanding option (other than options held by (1) non-employee directors, (2) certain individuals identified in a schedule to the Merger Agreement and (3) individuals who held options that were exercisable for fewer than 100 shares of SS&C's common stock) were, subject to certain conditions, assumed by SS&C Holdings and converted into an option to acquire common stock of SS&C Holdings; and

all in-the-money warrants to purchase shares of SS&C's common stock were cancelled in exchange for cash equal to the excess of the transaction price over the exercise price of the warrants.

the obligation to purchase all of the shares of common stock offered hereby, if any of the shares are purchased;

the representations and warranties made by us to the underwriter are true;

The expenses of the offering that are payable by us are estimated to be \$300,000 (excluding underwriting discounts and commissions).

Stabilization and Short Positions

Stabilizing transactions permit bids to purchase the underlying security so long as the stabilizing bids do not exceed a specified maximum.

Neither we nor the underwriter make any representation or prediction as to the direction or magnitude of any effect that the transactions described above may have on the price of the common stock. In addition, neither we nor the underwriter make representation that the underwriter will engage in these stabilizing transactions or that any transaction, once commenced, will not be discontinued without notice.

Passive Market Making

In connection with the offering, underwriters and selling group members may engage in passive market making transactions in the common stock on the NASDAQ Global Select Market in accordance with Rule 103 of Regulation M under the Securities Exchange Act of 1934 during the period before the commencement of offers or sales of common stock and extending through the completion of distribution. A passive market maker must display its bids at a price not in excess of the highest independent bid of the security. However, if all independent bids are lowered below the passive market maker's bid that bid must be lowered when specified purchase limits are exceeded.

Electronic Distribution

A prospectus supplement and the accompanying prospectus in electronic format may be made available on the Internet sites or through other online services maintained by the underwriter or by its affiliates. In those cases, prospective investors may view offering terms online and, depending upon the particular underwriter, prospective investors may be allowed to place orders online. The underwriter may agree with us to allocate a specific number of shares for sale to online brokerage account holders. Any such allocation for online distributions will be made by the underwriter on the same basis as other allocations. Other than the prospectus supplement and the accompanying prospectus in electronic format, the information on the underwriter's website and any information contained in any other website maintained by the underwriter is not part of the prospectus supplement and the accompanying prospectus or the registration statement of which the prospectus supplement and the accompanying prospectus forms a part, has not been approved and/or endorsed by us or the underwriter in its capacity as underwriter and should not be relied upon by investors.

Stamp Taxes

If you purchase shares of common stock offered in the prospectus, you may be required to pay stamp taxes and other charges under the laws and practices of the country of purchase, in addition to the offering price listed on the cover page of the prospectus.

Relationships

From time to time, Barclays Capital Inc. and its affiliates have, directly or indirectly, provided investment banking or financial advisory services to us, for which they have received customary fees and commissions, and expect to provide these services to us in the future, for which they expect to receive customary fees and expense reimbursement.

The Going-Private Transaction

On November 23, 2005, SS&C Holdings, a Delaware corporation owned by investment funds affiliated with Carlyle, acquired SS&C through the merger of Sunshine Merger Corporation with and into SS&C, with SS&C being the surviving company and a wholly owned subsidiary of SS&C Holdings, and SS&C's outstanding common stock converted into the right to receive \$37.25 per share in cash (without giving effect to the 8.5-for-1 stock split of our common stock that was effected on March 10, 2010). We refer to the acquisition of SS&C by SS&C Holdings as the Acquisition.

The following transactions occurred in connection with the Acquisition:

Carlyle capitalized SS&C Holdings with an aggregate equity contribution of \$381.0 million;

William C. Stone, SS&C's Chairman of the Board and Chief Executive Officer, contributed \$165.0 million of equity in the form of stock and rollover options, and certain other management and employee option holders contributed approximately \$9.0 million of additional equity in the form of rollover options, to SS&C Holdings;

SS&C entered into senior secured credit facilities consisting of:

a \$75.0 million revolving credit facility, of which \$10.0 million was drawn at closing; and

a \$275.0 million term loan B facility, which was fully drawn at closing and of which the equivalent of \$75.0 million was drawn in Canadian dollars by one of SS&C's Canadian subsidiaries;

SS&C issued and sold \$205.0 million in aggregate principal amount of 113/4% senior subordinated notes due 2013;

all outstanding options to purchase shares of SS&C's common stock became fully vested and immediately exercisable, and each outstanding option (other than options held by (1) non-employee directors, (2) certain individuals identified in a schedule to the Merger Agreement and (3) individuals who held options that were exercisable for fewer than 100 shares of SS&C's common stock) were, subject to certain conditions, assumed by SS&C Holdings and converted into an option to acquire common stock of SS&C Holdings; and

all in-the-money warrants to purchase shares of SS&C's common stock were cancelled in exchange for cash equal to the excess of the transaction price over the exercise price of the warrants.

In this prospectus, we refer to the Acquisition, the equity contributions to SS&C Holdings, the offering of the senior subordinated notes and the other transactions described above as the Transaction.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Management Agreement

TC Group, L.L.C. (an affiliate of Carlyle), Mr. Stone and SS&C Holdings entered into a management agreement on November 23, 2005, pursuant to which SS&C Holdings paid (1) TC Group, L.L.C. a fee of \$5,233,516 for certain services provided by it to SS&C Holdings in connection with the Transaction and the financing of the Transaction and (2) Mr. Stone a fee of \$2,266,484 in consideration of his commitment to contribute SS&C equity to SS&C Holdings pursuant to the contribution and subscription agreement between Mr. Stone and SS&C Holdings and as consideration for Mr. Stone's agreement to enter into a long-term employment agreement with SS&C Holdings, including the non-competition provisions therein. The aggregate amount of these fees was allocated to Mr. Stone and TC Group, L.L.C. pro rata based on their respective ownership of SS&C Holdings following the consummation of the Transaction. SS&C Holdings also agreed to pay to TC Group, L.L.C. (1) an annual fee of \$1.0 million for certain management services to be performed by it for SS&C Holdings following consummation of the Transaction and to reimburse TC Group, L.L.C. for certain out-of-pocket expenses incurred in connection with the performance of such services and (2) additional reasonable compensation for other services provided by TC Group, L.L.C. to SS&C Holdings from time to time, including investment banking, financial advisory and other services with respect to acquisitions and divestitures by SS&C Holdings or sales of equity or debt interests of SS&C Holdings or any of its affiliates. The management agreement, which was amended in April 2008, terminated upon completion of our initial public offering, or IPO, in March 2010.

Contribution and Subscription Agreement

On July 28, 2005, Mr. Stone and SS&C Holdings entered into a contribution and subscription agreement, which provided that, immediately prior to the closing date of the Transaction, Mr. Stone would contribute to SS&C Holdings

4,026,845 shares of SS&C common stock held by him in exchange for the issuance by SS&C Holdings to Mr. Stone of newly issued shares of common stock of SS&C Holdings, representing approximately 28% of the outstanding equity of SS&C Holdings. Mr. Stone and SS&C Holdings subsequently reached an understanding to allow Mr. Stone to reduce the number of shares of SS&C common stock that he would contribute to SS&C Holdings pursuant to the

Table of Contents

contribution and subscription agreement to 3,921,958 shares, with a value of approximately \$146.1 million based on a per-share value of \$37.25 (without giving effect to the 8.5-for-1 stock split of our common stock that was effected on March 10, 2010). Mr. Stone also agreed not to exercise any of his outstanding options to purchase SS&C common stock. Accordingly, pursuant to the merger agreement for the Acquisition, these options became vested and immediately exercisable on the closing date of the Transaction and were assumed by SS&C Holdings and converted into options to acquire common stock of SS&C Holdings. The value of these assumed options was approximately \$18.9 million (calculated by multiplying the number of shares subject to each option by the amount, if any, by which \$37.25 exceeded the exercise price of the options). The aggregate value of his contributed shares and options was \$165.0 million and represented approximately 28% of the fully diluted outstanding equity of SS&C Holdings, after giving effect to the anticipated equity contributions by Carlyle.

Stockholders Agreement

On November 23, 2005, Mr. Stone became a party to a stockholders agreement with SS&C Holdings, Carlyle Partners IV, L.P. and CP IV Coinvestment, L.P., which includes restrictions on transfer as well as other provisions described below. The parties amended certain provisions of the stockholders agreement in April 2008, March 2010 and March 2011.

Board of directors. Pursuant to the stockholders agreement our board of directors consists of eight members, with Mr. Stone occupying one seat and having the right to designate one of the remaining board members, with the stockholders affiliated with Carlyle having the right to designate four of the remaining board members, and with Mr. Stone and the stockholders affiliated with Carlyle collectively having the right to designate the remaining two board members. Accordingly, Mr. Stone designated Normand A. Boulanger, and the stockholders affiliated with Carlyle designated Campbell R. Dyer, William A. Etherington, Allan M. Holt and Claudius E. Watts, IV as members of our board of directors. Mr. Stone and the stockholders affiliated with Carlyle designated Jonathan E. Michael and David A. Varsano as members of our board of directors. The number of board members which Carlyle is entitled to designate will be reduced (1) to three directors if the Carlyle holders hold less than 40% of our common stock, (2) to two directors if the Carlyle holders hold less than 30% of our common stock, and (3) to one director if the Carlyle holders hold less than 15% of our common stock. Based on our shares outstanding as of May 31, 2011, assuming the sale by Carlyle of all 10,000,000 shares of our common stock covered by this prospectus and assuming no other sales or purchases of our common stock by Carlyle, following completion of the offering, investment funds affiliated with Carlyle will beneficially own approximately 32.9% of our common stock and will be entitled to designate three of our directors. The number of board members which Mr. Stone is entitled to designate (including himself) will be reduced to one director if Mr. Stone holds less than 15% of our common stock. The Carlyle holders' rights under the board of directors designation provisions of the stockholders agreement will terminate at such time as they hold less than 10% of our common stock. Mr. Stone's rights under the board of directors designation provisions of the stockholders agreement will terminate at such time as he holds less than 10% of our common stock.

Bring-along rights. If any party to the stockholders agreement proposes to transfer 50% or more of all common stock held by the parties to the agreement to a third-party purchaser, then such transferring stockholder can require the other stockholders who are parties to the agreement to transfer their common stock on the same terms and conditions as the transferring holder.

Other rights. The stockholders agreement also contained certain tag-along and preemptive rights which terminated upon completion of our IPO.

Service Provider Stockholders Agreement

On November 23, 2005, all of our members of management (other than Mr. Stone) and all employee option holders whose SS&C options were converted into options to acquire common stock

Table of Contents

of SS&C Holdings became parties to a service provider stockholders agreement with Carlyle Partners IV, L.P., CP IV Coinvestment, L.P. and SS&C Holdings. In addition, substantially all holders of options to purchase common stock of SS&C Holdings have subsequently become parties to the agreement. SS&C Holdings and the Carlyle stockholders amended certain provisions of the service provider stockholders agreement in April 2008. Under the agreement, if the Carlyle holders propose to transfer 50% or more of our outstanding common stock to a third-party purchaser, then the Carlyle holders can require the members of our management and employee option holders who are parties to the agreement to transfer their common stock and options on the same terms and conditions as the Carlyle holders (bring-along rights).

Registration Rights Agreement

On November 23, 2005, SS&C Holdings, Mr. Stone and Carlyle entered into a registration rights agreement, which provides for certain registration rights. Under the registration rights agreement, either Carlyle or Mr. Stone can demand that we file a registration statement for all or a portion of their common stock. Carlyle and Mr. Stone are also entitled to request that their shares be covered by a registration statement that we are otherwise filing with respect to our common stock. These registration rights are subject to conditions and limitations, including the right of the underwriters of an offering to limit the number of shares included in certain registrations. Under the registration rights agreement, we have also agreed to indemnify the selling stockholders against certain liabilities relating to the selling of the common stock, including liabilities arising under the Securities Act, and to pay the costs and fees of registering the shares of common stock; however, the selling stockholders will pay any brokerage commissions, discounts or other expenses relating to the sale of shares of common stock. The registration statement of which this prospectus is a part was filed pursuant to the request of Carlyle pursuant to the registration rights agreement.

Management Rights Agreement

Carlyle Partners IV, L.P., CP IV Coinvestment, L.P., SS&C Holdings and SS&C entered into a management rights agreement on November 23, 2005, pursuant to which Carlyle Partners IV, L.P. was granted (1) the right to nominate one director to serve as a member of the board of directors of SS&C Holdings and to appoint one non-voting board observer to the board of directors of SS&C, (2) reasonable access to the books and records of SS&C Holdings and SS&C and their subsidiaries and (3) the right to consult from time to time with the management of SS&C Holdings and SS&C and their subsidiaries at their respective place of business regarding operating and financial matters. The management rights agreement will terminate with respect to SS&C when SS&C Holdings and its affiliates no longer beneficially own any voting securities of SS&C. The management rights agreement will terminate with respect to SS&C Holdings when Carlyle Partners IV, L.P. and its affiliates no longer beneficially own any voting securities of SS&C Holdings.

PLAN OF DISTRIBUTION

The shares covered by this prospectus may be offered and sold from time to time by the selling stockholder. The term selling stockholder includes donees, pledgees, transferees or other successors-in-interest selling shares received after the date of this prospectus from the selling stockholder as a gift, pledge, partnership distribution or other non-sale related transfer. The selling stockholder will act independently of us in making decisions with respect to the timing, manner and size of each sale. Such sales may be made on one or more exchanges or in the over-the-counter market or otherwise, at prices and under terms then prevailing or at prices related to the then current market price or in negotiated transactions. The selling stockholder may sell its shares by one or more of, or a combination of, the following methods:

purchases by a broker-dealer as principal and resale by such broker-dealer for its own account pursuant to this prospectus;

Table of Contents

ordinary brokerage transactions and transactions in which the broker solicits purchasers;

block trades in which the broker-dealer so engaged will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;

an over-the-counter distribution in accordance with the rules of The NASDAQ Global Select Market;

in privately negotiated transactions; and

in options transactions.

In addition, any shares that qualify for sale pursuant to Rule 144 may be sold under Rule 144 rather than pursuant to this prospectus.

To the extent required, this prospectus may be amended or supplemented from time to time to describe a specific plan of distribution. In connection with distributions of the shares or otherwise, the selling stockholder may enter into hedging transactions with broker-dealers or other financial institutions. In connection with such transactions, broker-dealers or other financial institutions may engage in short sales of the common stock in the course of hedging the positions they assume with the selling stockholder. The selling stockholder may also sell the common stock short and redeliver the shares to close out such short positions. The selling stockholder may also enter into option or other transactions with broker-dealers or other financial institutions which require the delivery to such broker-dealer or other financial institution of shares offered by this prospectus, which shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction). The selling stockholder may also pledge shares to a broker-dealer or other financial institution, and, upon a default, such broker-dealer or other financial institution, may effect sales of the pledged shares pursuant to this prospectus (as supplemented or amended to reflect such transaction).

In effecting sales, broker-dealers or agents engaged by the selling stockholder may arrange for other broker-dealers to participate. Broker-dealers or agents may receive commissions, discounts or concessions from the selling stockholder in amounts to be negotiated immediately prior to the sale.

In offering the shares covered by this prospectus, any broker-dealers who execute sales for the selling stockholder may be deemed to be underwriters within the meaning of the Securities Act in connection with such sales. The compensation of any broker-dealer may be deemed to be underwriting discounts and commissions.

In order to comply with the securities laws of certain states, if applicable, the shares must be sold in such jurisdictions only through registered or licensed brokers or dealers. In addition, in certain states the shares may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and is complied with.

We have advised the selling stockholder that the anti-manipulation rules of Regulation M under the Exchange Act may apply to sales of shares in the market and to the activities of the selling stockholder and its affiliates. In addition, we will make copies of this prospectus available to the selling stockholder for the purpose of satisfying the prospectus delivery requirements of the Securities Act. The selling stockholder may indemnify any broker-dealer that participates in transactions involving the sale of the shares against certain liabilities, including liabilities arising under the Securities Act.

At the time a particular offer of shares is made, if required, a prospectus supplement will be distributed that will set forth the number of shares being offered and the terms of the offering, including the name of any underwriter, dealer or agent, the purchase price paid by any underwriter, any discount, commission and other item constituting compensation, any discount, commission or concession allowed or reallocated or paid to any dealer, and the proposed selling price to the public.
