**INFORMATION ABOUT RGA**

Through our operating subsidiaries, we are primarily engaged in life reinsurance in North America and select international locations. In addition, we provide non-traditional reinsurance business, including asset-intensive products and financial reinsurance. Through a predecessor, we have been engaged in the business of life reinsurance since 1973. At June 30, 2011, we had consolidated assets of approximately \$30.7 billion, stockholders' equity of \$5.3 billion and assumed reinsurance in force of approximately \$2.7 trillion.

Reinsurance is an arrangement under which an insurance company, the reinsurer, agrees to indemnify another insurance company, the ceding company, for all or a portion of the insurance risks underwritten by the ceding company. Reinsurance is designed to:

reduce the net liability on individual risks, thereby enabling the ceding company to increase the volume of business it can underwrite, as well as increase the maximum risk it can underwrite on a single life or risk;

stabilize operating results by leveling fluctuations in the ceding company's loss experience;

assist the ceding company in meeting applicable regulatory requirements; and  
enhance the ceding company's financial strength and surplus position.

We are a holding company, the principal assets of which consist of the common stock of our principal operating subsidiaries, RGA Reinsurance Company and RGA Life Reinsurance Company of Canada ( RGA Canada ), as well as investments in several other subsidiaries.

We have five geographic-based or function-based operational segments: United States, Canada, Europe and South Africa, Asia Pacific, and Corporate and Other.

United States operations provide traditional life, long-term care, group life and health reinsurance, annuity and financial reinsurance products;

**Table of Contents**

We conduct reinsurance business in Canada through RGA Canada, a wholly-owned subsidiary. RGA Canada assists clients with capital management activity and mortality and morbidity risk management, and is primarily engaged in traditional individual life reinsurance, as well as creditor, critical illness, and group life and health reinsurance. Creditor insurance covers the outstanding balance on personal, mortgage or commercial loans in the event of death, disability or critical illness and is generally shorter in duration than traditional life insurance;

Europe and South Africa operations provide reinsurance for a variety of life products through yearly renewable term and coinsurance agreements, critical illness coverage and longevity risk related to payout annuities;

Asia Pacific operations provide life, critical illness, disability income, superannuation, and non-traditional reinsurance. Superannuation is the Australian government mandated compulsory retirement savings program. Superannuation funds accumulate retirement funds for employees, and in addition, offer life and disability insurance coverage; and

Corporate and Other operations include investment income from invested assets not allocated to support segment operations and undeployed proceeds from our capital raising efforts, unallocated realized investment gains and losses, and the results of RGA Technology Partners. Additionally, Corporate and Other operations include expenses associated with our collateral finance facility, unallocated overhead and executive costs, capital charges to the operating segments and, effective January 1, 2009, due to immateriality, the discontinued accident and health operations.

This prospectus provides you with a general description of the securities we, the RGA trusts, or the selling security holders may offer. Each time we or either of the RGA trusts sell securities, we will provide and, in the case of the selling security holders, we may provide, a prospectus supplement or other offering material that will contain specific information about the terms of that offering. We will file each prospectus supplement with the SEC. The prospectus supplement or other offering material may also add, update or supplement information contained in this prospectus. You should read both this prospectus, any prospectus supplement and any other offering material, together with additional information described under the heading **Where You Can Find More Information** on page 3.

**INFORMATION ABOUT THE RGA TRUSTS**

Each of the RGA trusts is a statutory trust formed under Delaware law. Each RGA trust exists for the exclusive purposes of:

issuing and selling its preferred securities and common securities;

using the proceeds from the sale of its preferred securities and common securities to acquire RGA's junior subordinated debt securities; and

engaging in only those other activities that are related to those purposes.

All of the common securities of each trust will be directly or indirectly owned by RGA. The common securities will rank equally, and payments will be made proportionally, with the preferred securities. However, if an event of default under the amended and restated trust agreement of the respective RGA trust has occurred and is continuing, the cash distributions and liquidation, redemption and other amounts payable on the common securities will be subordinated to the preferred securities in right of payment. We will directly or indirectly acquire common securities in an amount equal to at least 3% of the total capital of each RGA trust. The preferred securities will represent the remaining 97% of such trusts' capital.

RGA will guarantee the preferred securities of each RGA trust as described later in this prospectus.

Unless otherwise specified in the applicable prospectus supplement or other offering material, each RGA trust has a term of up to 55 years but may terminate earlier, as provided in its amended and restated trust agreement. Each RGA trust's business and affairs will be conducted by the trustees appointed by us. According to the amended and restated trust agreement of each RGA trust, as the holder of all of the common securities of an RGA trust, we can increase or decrease the number of trustees of each trust, subject to the requirement under Delaware law that there be a trustee in the State of Delaware and to the provisions of the Trust Indenture Act of 1939 (the "Trust Indenture Act"). The amended and restated trust agreement will set forth the duties and obligations of the trustees. A majority of the trustees of each RGA trust will be employees or officers of or persons who are affiliated with RGA, whom we refer to as administrative trustees.

One trustee of each RGA trust will be an institution, which we refer to as the property trustee, that is not affiliated with RGA and has a minimum amount of combined capital and surplus of not less than \$50,000,000, which will act as property trustee and as indenture trustee for the purposes of compliance with the provisions of the Trust Indenture Act, under the terms of the applicable prospectus supplement. Unless otherwise indicated in the applicable prospectus supplement, the property trustee will maintain exclusive control of a segregated, non-interest bearing payment account established with The Bank of New York Mellon Trust Company, N.A. to hold all payments made on the junior subordinated debt securities for the benefit of the holders of the trust securities of each RGA trust. In addition, unless the property trustee maintains a principal place of business in the State of Delaware and otherwise meets the requirements of applicable law, one trustee of each RGA trust will be an institution having a principal place of business in, or a natural person resident of, the State of Delaware, which we refer to as the Delaware trustee. As the direct or indirect holder of all of the common securities, RGA will be entitled to appoint, remove or replace any of, or increase or reduce the number of, the trustees of each RGA trust, except that if an event of default under the junior subordinated indenture has occurred and is continuing, only the holders of preferred securities may remove the Delaware trustee or the property trustee. RGA will pay all fees and expenses related to the RGA trust and the offering of the preferred securities and the common securities.

Unless otherwise specified in the applicable prospectus supplement or other offering material, the property trustee for each RGA trust will be The Bank of New York Mellon Trust Company, N.A. Unless otherwise specified in the applicable prospectus supplement, the Delaware trustee for each RGA trust will be BNY Mellon Trust of Delaware, an affiliate of The Bank of New York Mellon Trust Company, N.A., and its address in the state of Delaware is 100 White Clay Center, Suite 102, Newark, Delaware 19711. The principal place of business of each RGA trust is c/o Reinsurance Group of America, Incorporated, 1370 Timberlake Manor Parkway, Chesterfield, Missouri 63017-6039, telephone (636) 736-7000.

The RGA trusts will not have separate financial statements. The statements would not be material to holders of the preferred securities because the trusts will not have any independent operations. Each of the trusts exists solely for the

reasons provided in the amended and restated trust agreement and summarized above. Unless otherwise provided in the applicable prospectus supplement or other offering material, RGA will pay all fees and expenses related to each RGA trust and the offering of its preferred securities, including the fees and expenses of the trustee.

**USE OF PROCEEDS**

Unless otherwise stated in the prospectus supplement or other offering material, we will use the net proceeds from the sale of any securities offered by RGA for general corporate purposes, including the funding of our reinsurance operations. Except as otherwise described in a prospectus supplement or other offering material, the proceeds from the sale by any RGA trust of any preferred securities, together with any capital contributed in respect of common securities, will be loaned to RGA in exchange for RGA's junior subordinated debt securities. Unless otherwise stated in the prospectus supplement or other offering material, we will use the borrowings from the RGA trusts for general corporate purposes, including the funding of our reinsurance operations. Such general corporate purposes may include, but are not limited to, repayments of our indebtedness or the indebtedness of our subsidiaries. Pending such use, the proceeds may be invested temporarily in short-term, interest-bearing, investment-grade securities or similar assets. The prospectus supplement or other offering material relating to an offering will contain a more detailed description of the use of proceeds of any specific offering of securities. Except as may otherwise be specified in the applicable prospectus supplement, we will not receive any proceeds from any sales of securities by any selling security holder.

**SELLING SECURITY HOLDERS**

We may register securities covered by this prospectus for re-offers and resales by any selling security holders to be named in a prospectus supplement. Because we are a well-known seasoned issuer, as defined in Rule 405 of the Securities Act, we may add secondary sales of securities by any selling security holders by filing a prospectus supplement with the SEC. We may register these securities to permit selling security holders to resell their securities when they deem appropriate. A selling security holder may resell all, a portion or none of such security holder's securities at any time and from time to time. Selling security holders may also sell, transfer or otherwise dispose of some or all of their securities in transactions exempt from the registration requirements of the Securities Act. We do not know when or in what amounts any selling security holders may offer securities for sale under this prospectus and any prospectus supplement. We may pay some or all expenses incurred with respect to the registration of the securities owned by the selling security holders. We will provide a prospectus supplement naming any selling security holders, the amount of securities to be registered and sold and any other terms of securities being sold by each selling security holder.

**RATIO OF EARNINGS TO FIXED CHARGES AND  
RATIO OF COMBINED FIXED CHARGES AND PREFERENCE DIVIDENDS TO EARNINGS**

The following table sets forth our ratios of earnings to fixed charges and earnings to fixed charges, excluding interest credited under reinsurance contracts, for the periods indicated.

For purposes of computing the consolidated ratio of earnings to fixed charges, earnings consist of net earnings from continuing operations adjusted for the provision for income taxes and fixed charges. Fixed charges consist of interest and discount on all indebtedness, distribution requirements of wholly-owned subsidiary trust preferred securities and floating rate insured notes and one-third of annual rentals, which we believe is a reasonable approximation of the interest factor of such rentals. We have not paid a preference security dividend for any of the periods presented and accordingly have not separately shown the ratio of combined fixed charges and preference dividends to earnings for these periods.

The information below regarding RGA's ratio of earnings to fixed charges excluding interest credited under reinsurance contracts is not required; however, we believe it provides useful information on the coverage of fixed charges that are not related to our products.
