**Introductory Note.**

On February 18, 2004, the registrant furnished a current report on Form 8-K (Item 12) attaching its press release which reported the registrant's unaudited financial results for its fourth quarter and fiscal year ended January 3, 2004. The registrant hereby amends the Form 8-K by supplementing the information provided in the press release under the caption "Operations" and in footnote 6 to the financial statements by (i) using the more descriptive term "segment income" in place of the acronym "EBIT", (ii) showing the relationship between segment income and net loss, and (iii) expanding the second table in footnote 6 to the financial statements to provide a more detailed reconciliation of segment income to net loss. The registrant has made no changes to the financial results disclosed in the press release or the financial statements attached to it.

For ease of reference the entire press release, as supplemented, has been attached to this Form 8-K/A as Exhibit 99.1; however, the only changes in the press release appear in the first two paragraphs under the caption "Operations" and in footnote 6 to the financial statements, which changes have been highlighted for the convenience of the reader.
