A copy of the Company's 2005 Annual Report is enclosed.

ABOUT THE ANNUAL MEETING

WHO IS SOLICITING MY VOTE?

The Board of Directors of Riviera Tool Company is soliciting your vote at the 2006 Annual Meeting of Shareholders.

WHAT IS THE PURPOSE OF THE ANNUAL MEETING?

You will be voting on:

- (1) To elect one Class II Director to serve until the 2007 Annual Meeting of Shareholders and until his successor is duly elected and qualified.
- (2) To elect two Class III Directors to serve until the 2008 Annual Meeting of Shareholders and until their respective successors are duly elected and qualified.
- (3) To consider such other business as may properly come before the meeting or any adjournments thereof.

WHAT ARE THE BOARD OF DIRECTORS' RECOMMENDATIONS?

The Board of Directors recommends a vote:

- FOR Proposals 1 and 2;
- FOR or AGAINST other matters that come before the Annual Meeting, as the proxy holders deem advisable.

WHO IS ENTITLED TO VOTE AT THE ANNUAL MEETING?

Our Board of Directors has fixed November 18, 2005 as the record date for the Annual Meeting (the "Record Date"). All shareholders who owned our common shares at the close of business on the Record Date may attend and vote at the Annual Meeting.

HOW MANY VOTES DO I HAVE?

You will have one vote for each share of our common shares that you owned at the close of business on the Record Date, provided those shares are either held directly in your name as the shareholder of record or were held for you as the beneficial owner through a broker, bank or other nominee.

WHAT IS THE DIFFERENCE BETWEEN HOLDING SHARES AS A SHAREHOLDER OF RECORD AND

Edgar Filing: RIVIERA TOOL CO - Form DEF 14A

BENEFICIAL OWNER?

Most of our shareholders hold their shares through a broker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Shareholder of Record. If your shares are registered directly in your name with our transfer agent, Continental Stock Transfer and Trust, you are considered the shareholder of record with respect to those shares, and these proxy materials are being sent directly to you by us. As the shareholder of record, you have the right to grant your voting proxy directly to us or to vote in person at the Annual Meeting. We have enclosed a proxy card for you to use.

Beneficial Owner. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in "street name", and these proxy materials are being forwarded to you by your broker, bank or nominee who is considered the shareholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker, bank or nominee on how to vote and are also invited to attend the Annual Meeting. However, since you are not the shareholder of record, you may not vote these shares in person at the Annual Meeting, unless you request, complete and deliver a proxy from your broker, bank or nominee. Your broker, bank or nominee has enclosed a voting instruction card for you to use in directing the broker, bank or nominee regarding how to vote your shares.

2

HOW MANY VOTES CAN BE CAST BY ALL SHAREHOLDERS?

Each share of our common shares is entitled to one vote. There is no cumulative voting. We had 3,984,874 shares of common shares outstanding and entitled to vote on the Record Date.

HOW MANY VOTES MUST BE PRESENT TO HOLD THE ANNUAL MEETING?

A majority of our outstanding shares as of the Record Date must be present at the Annual Meeting in order to hold the Annual Meeting and transact business. This is called a "quorum". Shares are counted as present at the Annual Meeting if you are present and vote in person at the Annual Meeting or a proxy card has been properly submitted by you or on your behalf. Both abstentions and broker non-votes are counted as present for the purpose of determining the presence of a quorum.

HOW MANY VOTES ARE REQUIRED TO ELECT DIRECTORS?

Directors are elected by a plurality of the votes cast. This means that the individuals nominated for election to the Board of Directors who receive the most "FOR" votes (among votes properly cast in person or by proxy) will be elected; nominees do not need to receive a majority to be elected. If you withhold authority to vote with respect to the election of some or all of the nominees, your shares will not be voted with respect to those nominees indicated. Your shares will be counted for purposes of determining whether there is a quorum, but it will have no effect on the election of those nominees.

WHAT IF I DON'T VOTE FOR SOME OF THE ITEMS LISTED ON MY PROXY CARD OR VOTING INSTRUCTION CARD?

If you return your signed proxy card or voting instruction card in the enclosed envelope but do not mark selections, it will be voted in accordance with the

Edgar Filing: RIVIERA TOOL CO - Form DEF 14A

recommendations of the Board of Directors. If you indicate a choice with respect to any matter to be acted upon on your proxy card or voting instruction card, the shares will be voted in accordance with your instructions.

If you are a beneficial owner and hold your shares in street name through a broker and do not return the voting instruction card, the broker or other nominee will determine if it has the discretionary authority to vote on the particular matter. Under applicable rules, brokers have the discretion to vote on routine matters, such as the uncontested election of directors and ratification of the selection of accounting firms, but do not have discretion to vote on non-routine matters, such as bonus plans, amendments to stock option plans and shareholder proposals opposed by management.

If you do not provide voting instructions to your broker and the broker has indicated on the proxy card that it does not have discretionary authority to vote on a particular proposal, your shares will be considered "broker non-votes" with regard to that matter. Broker non-votes will be considered as represented for purposes of determining a quorum but will not be considered as entitled to vote with respect to that proposal. Broker non-votes are not counted in the tabulation of the voting results with respect to the election of directors or for purposes of determining the number of votes cast with respect to a particular proposal. Thus, a broker non-vote will make a quorum more readily obtainable, but the broker non-vote will not otherwise affect the outcome of the vote on a proposal that requires a majority of the votes cast (such as an amendment to a stock option plan). With respect to a proposal that requires a majority of the outstanding shares (such as an amendment to the certificate of incorporation), however, a broker non-vote has the same effect as a vote against the proposal.

CAN I CHANGE OR REVOKE MY VOTE AFTER I RETURN MY PROXY CARD?

Yes. Even if you sign the proxy card or voting instruction card in the form accompanying this proxy statement, you retain the power to revoke your proxy or change your vote. You can revoke your proxy or change your vote at any time before it is exercised by giving written notice to our Secretary, specifying such revocation. You may change your vote by timely delivery of a valid, later-dated proxy or by voting by ballot at the Annual Meeting.

WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE PROXY OR VOTING INSTRUCTION CARD?

It generally means your shares are registered differently or are in more than one account. Please provide voting instructions for all proxy and voting instruction cards you receive.

3

WHO CAN ATTEND THE ANNUAL MEETING?

All shareholders as of the Record Date, or their duly appointed proxies, may attend. Each shareholder may also bring one guest to the meeting if there is space available.

WHAT DO I NEED TO ATTEND THE ANNUAL MEETING?

In order to be admitted to the Annual Meeting, a shareholder must present proof of ownership of our stock on the Record Date. Any holder of a proxy from a shareholder must present the properly executed proxy card. Shareholders and proxyholders must also present a form of photo identification such as a driver's license.

Edgar Filing: RIVIERA TOOL CO - Form DEF 14A

WHO PAYS FOR THE PROXY SOLICITATION AND HOW WILL THE COMPANY SOLICIT VOTES?

We will bear the expense of printing and mailing proxy materials. In addition to this solicitation of proxies by mail, our directors, officers and other employees may solicit proxies by personal interview, telephone, facsimile or email. They will not be paid any additional compensation for such solicitation. We will request brokers and nominees who hold shares of our common shares in their names to furnish proxy material to beneficial owners of the shares. We will reimburse such brokers and nominees for their reasonable expenses incurred in forwarding solicitation materials to such beneficial owners.

HOW CAN I ACCESS THE PROXY MATERIALS AND ANNUAL REPORT ELECTRONICALLY?

The proxy statement and our 2006 Annual Report on Form 10-K are available through the Investor Relations section of our website at www.rivieratool.com.

IS A LIST OF SHAREHOLDERS AVAILABLE?

The names of shareholders of record entitled to vote at the Annual Meeting will be available to shareholders entitled to vote at this meeting for ten days prior to the meeting for any purpose relevant to the meeting. This list can be viewed between the hours of 9:00 a.m. and 5:00 p.m. at our principal executive offices 5460 Executive Parkway SE, Grand Rapids, Michigan 49512. Please contact our Secretary to make arrangements.

WHAT IF I HAVE QUESTIONS ABOUT LOST STOCK CERTIFICATES OR I NEED TO CHANGE MY MAILING ADDRESS?

Shareholders may call us at 616-698-2100 or write to Riviera Tool Company, Attention: Shareholder Relations Department, 5460 Executive Parkway SE, Grand Rapids, Michigan 49512 to get more information about these matters.

HOW DO I VOTE?

Your vote is important. You may vote by telephone or by attending the Annual Meeting and voting by ballot, all as described below.

Voting by Mail

If you choose to vote by mail, simply mark your proxy, date and sign it, and return it in the postage-paid envelope provided. If the envelope is missing, please mail your completed proxy card to Continental Stock Transfer and Trust Company, 17 Battery Place, New York, NY 10004.

Voting at the Annual Meeting

The timing of your vote will not limit your right to vote at the Annual Meeting if you attend the meeting and vote in person. However, if your shares are held in the name of a bank, broker or other nominee, you must obtain a proxy, executed in your favor, from the holder of record to be able to vote at the Annual Meeting. You should allow yourself enough time prior to the Annual Meeting to obtain this proxy from the holder of record.

The shares represented by the proxy cards received, properly marked, dated, signed and not revoked, will be voted at the Annual Meeting. If you sign and return your proxy card or voting instruction card but do not give voting

Edgar Filing: RIVIERA TOOL CO - Form DEF 14A

instructions, the shares represented by that proxy card or voting instruction card will be voted as recommended by the Board or Directors.

STOCK OUTSTANDING, VOTING RIGHTS AND VOTES REQUIRED

Only Common Shareholders of record at the close of business on November 18, 2005 (the "Record Date") are entitled to notice of, and to vote at, the meeting or at adjournment or adjournments thereof, each share having one vote and there are no cumulative voting rights for the election of directors and ratification of independent auditors.

The Company had 3,984,874 shares of Common Shares, no Par Value ("Common Shares"), outstanding on the Record Date. A majority of the Common Shares entitled to vote constitutes a quorum.

The presence in person or by proxy of the holders of a majority of the outstanding shares of Common Shares will constitute a quorum for the transaction of business at the Annual Meeting. Directors are elected by a plurality of the votes present in person or by proxy and entitled to vote. Approval of any other matter that may properly come before the Annual Meeting requires the affirmative vote of a majority of the shares present in person or by proxy and entitled to vote.

Please note that if you hold shares in "street name" (that is, through a bank, broker or other nominee) and would like to attend the Annual Meeting and vote in person, you will need to bring an account statement or other acceptable evidence of ownership in Common Shares as of the close of business on the Record Date, the Record Date for voting. Alternatively, in order to vote, you may contact the person in whose name your shares are registered and obtain a proxy from that person and bring it to the Annual Meeting.

Under the rules of the National Association of Securities Dealers, Inc., member brokers generally may not vote shares held by them in street name for customers unless they are permitted to do so under the rules of any national securities exchange of which they are a member. Under the rules of the NASD, those who hold shares in street name for customers has the authority to vote on certain items if it has transmitted proxy soliciting materials to the beneficial owner but has not received instructions from that owner. NASD rules permit member brokers who do not receive instructions to vote on the proposals presented in this Proxy Statement, other than the shareholder proposal. Under NASD rules, a shareholder proposal is a "non-discretionary" item, which means that NASD member brokers who have not received instructions from the beneficial owners of Common Shares are necessary to approve the shareholder proposal, any such broker non-vote will have the effect of a vote against the proposal.

Shares that reflect abstentions or "broker non-votes" (i.e., shares represented at the Annual Meeting held by brokers or nominees as to which instructions have not been received from the beneficial owners or persons entitled to vote such shares and with respect to which the broker or nominee does not have discretionary voting power to vote such shares) will be counted for purposes of determining whether a quorum is present for the transaction of business at the Annual Meeting. Abstentions, therefore, will have the effect of negative votes with respect to any matter presented at the Annual Meeting, while "broker non-votes" will have no effect on any matter presented. If authority to vote any matter is withheld on a proxy card, no vote will be cast with respect to the share as represented thereby and the outcome of the election will not be affected..

A Shareholder giving the enclosed proxy (or his authorized representative) may revoke it any time before it is exercised by executing a subsequent proxy, by written notice to the Company received before the proxy is exercised or by voting in person at the meeting, otherwise the proxy will be voted as indicated

Edgar Filing: RIVIERA TOOL CO - Form DEF 14A

by the signed proxy.

The principal executive offices of the Company are located at 5460 Executive Parkway SE, Grand Rapids, Michigan 49512; the Company's telephone number is 616-698-2100.

COMMITTEES OF THE BOARD AND MEETINGS

Edgar Filing: RIVIERA TOOL CO - Form DEF 14A

The Board held four meetings during the fiscal year ended August 31, 2005. All directors attended the meetings of the Board during fiscal 2005. Our Board has an Audit Committee, a Compensation Committee and a Nominating/Corporate Governance Committee.

The Audit Committee, which presently consists of Messrs. Gillette, Baron and Engels, held four meetings during fiscal 2005. All members of the Audit Committee attended at least 75% of the meetings. In the event a member was unable to participate in any given meeting, the Chief Financial Officer of the Company briefed, in full, such absentee member as to the discussion at such meeting. The Audit Committee reviews and satisfies itself as to the adequacy of the structure of our financial organization and as to the proper implementation of our financial reporting and accounting policies. Mr. Gillette serves as chairman of the Audit Committee, and our Board has determined that Mr. Gillette is an Audit Committee financial expert as defined in Item 401 of Regulation S-K. We believe that each of our Audit Committee members is financially sophisticated and able to read and understand our financial statements.

The Compensation Committee, which consists of Messrs. Gillette, Baron and Engels, held no meetings during fiscal 2005 as no items were to be considered. The Compensation Committee makes recommendations to the Board as to salaries, bonuses, and other forms of compensation for officers and other key employees. Mr. Baron serves as Chairman of the Compensation Committee.

Our Nominating/Corporate Governance Committee, which consists of Messrs. Engels, Chairman of the Nominating/ Corporate Governance Committee, Gillette and Baron, is responsible for identifying and evaluating nominees for director and for recommending the nominees for election at our Annual Meeting of Shareholders. Each of the members of the Nominating/Corporate Governance Committee is independent as defined by Nasdaq Marketplace Rule 4200. The Nominating/Corporate Governance Committee held no meetings during fiscal 2005 as no items were to be considered. In evaluating the suitability of individuals for Board membership, our Nominating/Corporate Governance Committee takes into account many factors, including whether the individual meets requirements for independence; the individual's general understanding of the various disciplines relevant to the success of a publicly-traded company; the individual's understanding of our businesses and markets; the individual's

9

professional expertise and educational background; and other factors that promote diversity of views and experience. Our Nominating/Corporate Governance Committee evaluates each individual in the context of our Board as a whole, with the objective of recommending a group of directors that can best perpetuate the success of the business and represent shareholder interests through the exercise of sound judgment, using its diversity of experience. In determining whether to recommend a director for re-election, our Nominating/Corporate Governance Committee considers a director's past attendance at meetings and participation in, and contributions to, the activities of the Board. Our Nominating/Corporate Governance Committee has not established any specific minimum qualification standards for nominees to our Board, although from time to time our Board may identify certain skills or attributes (e.g., financial experience and investment advisory and sub-advisory management experience) as being particularly desirable to help meet specific Company needs that have arisen. Our Nominating/Corporate Governance Committee does not distinguish between nominees recommended by shareholders and other nominees.

In identifying potential candidates for Board membership, the

Edgar Filing: RIVIERA TOOL CO - Form DEF 14A

Nominating/Corporate Governance Committee relies on suggestions and recommendations from Board members, management and others. The Nominating/Corporate Governance Committee may also retain search firms to assist it in identifying potential candidates for director, gathering information about the background and experience of such candidates and acting as an intermediary with such candidates. Currently, no such firms have been retained.

Our Nominating/Corporate Governance Committee will consider timely written suggestions from our Shareholders. Shareholders wishing to suggest a candidate for director nomination for the 2007 Annual Meeting of Shareholders should mail their suggestions to us at, 5460 Executive Parkway SE, Grand Rapids, Michigan 49512, Attention: Secretary. Suggestions must be received by our Secretary no later than June 30 of each year. The manner in which director nominee candidates suggested in accordance with this policy are evaluated will not differ from the manner in which candidates recommended by other sources are evaluated.

Copies of the Audit Committee Charter, Compensation Committee Charter and Nominating/Corporate Governance Committee Charter can each be found at www.rivieratool.com.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The members of the compensation committee during fiscal year ended 2005 were J. Dann Engels, James V. Gillette and Dr. Jay S. Baron. Neither Messrs. Engels, Gillette nor Dr. Baron were ever an officer or employee of the Company or any of its subsidiaries, and none of them had any relationship requiring disclosure by the Company under Item 404 of Regulation S-K for the fiscal year ended 2005.

Notwithstanding anything to the contrary set forth in any of our previous or future filings under the Securities Act or the Exchange Act that might incorporate this proxy statement or future filings with the SEC, in whole or in part, the following reports and the Stock Performance Graph which follow, shall not be deemed to be "soliciting material" or "filed" with the SEC and shall not be deemed to be incorporate by reference into any such filings.

COMPENSATION COMMITTEE REPORT

The duty of the Committee is to recommend to the Board of Directors the remuneration arrangements for Kenneth K. Rieth, President and Chief Executive Officer of the Company, as well as grant stock options under the Company's 1996 Incentive Stock Option Plan, as amended, and the 1998 Key Employee Stock Option Plan. The Company's Board of Directors has given Mr. Rieth the authority to set the compensation for senior management.

COMPENSATION PROGRAMS

BASE SALARY

The Committee reviews each officer's salary annually. In determining appropriate salary levels, consideration is given to scope of responsibility, experience, Company and individual performance as well as pay practices of other companies relating to executives with similar responsibility.

In addition, with respect to the base salary of Mr. Rieth, the Compensation Committee has acknowledged the longevity of Mr. Rieth's service to the Company and its belief that Mr. Rieth is an excellent representative of the Company within the industry. In assessing Mr. Rieth's compensation, the committee engaged an independent firm to perform a review of his proposed compensation. Upon completion of such review, the Board of Directors established Mr. Rieth's base salary on April 25, 2003. This base compensation consists of a regular payroll payment of \$250,000 per year plus an annual bonus equal to 3.5% of the Company's income from operations before such bonus expense. Messrs. Canepa received a base salary of \$140,000 for fiscal 2005.

BONUS AWARDS

The Company's officers may be considered for annual cash bonuses, which are

Edgar Filing: RIVIERA TOOL CO - Form DEF 14A

awarded to recognize and reward corporate and individual performance based on meeting specified goals and objectives. The plan in effect for fiscal 2005 for Mr. Rieth did not provide a bonus to Mr. Rieth. In determining a bonus to Mr. Rieth, the Committee reviews compensation levels and financial results available to it for chief executive officers for similarly sized companies as well as those located near the Company's headquarters. Mr. Rieth recommends to the Committee Mr. Canepa's bonus based on his review of corporate and his individual performances as well as the performance bonus the management team awards to employees of the Company other than Messrs. Canepa and Rieth.

12

STOCK OPTIONS

Under the Company's 1996 Incentive Stock Option Plan, as amended, stock options may be granted to the Company's key employees including Messrs. Rieth and Canepa. The number of options granted is determined by the subjective evaluation of the person's ability to influence the Company's long-term growth and profitability. For fiscal 2005, no stock options were issued under such plan.

Under the Company's 1998 Key Employee Stock Option Plan, stock options may be granted to the Company's key employees and directors including Messrs. Rieth, Baron, Engels, Gillette and Canepa. The number of options granted is determined by the subjective evaluation of the person's ability to influence the Company's long-term growth and profitability. For fiscal 2005, no stock options were issued under such plan.

Stock options are granted with an exercise price equal to the market price of the Common Shares on the date of grant. Since the value of an option bears a direct relationship to the Company's stock price, it is an effective incentive for employees to create value for shareholders. The Committee therefore views stock options as an important component of its future compensation policy.

During the fiscal year ended August 31, 2005, and as of the date of the adoption of this report, the Audit Committee was comprised of three independent directors as independence is defined in Rule 4200 (c) (15) of the NASD listing standards

The Audit Committee's responsibility is to monitor and oversee these processes.

In connection with these responsibilities, the Audit Committee met with Management and the independent registered public accounting firm to review and discuss the August 31, 2005 financial statements, including a discussion of the

acceptability and quality of the accounting principles, the reasonableness of critical accounting policies and the clarity of disclosures in the financial statements. The Audit Committee also discussed with the independent registered public accounting firm the matters required by Statement on Auditing Standards No. 61 (Communication with Audit Committees). The Audit Committee also received the written disclosures and the letter from the independent registered public accounting firm required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent registered public accounting firm that firm's independence.

The Audit Committee reviewed the overall scope of the audits performed by the independent registered public accounting firm. The Audit Committee meets with the independent registered public accounting firm, with and without Management present, to discuss the overall quality of our financial reporting.

Members of the Audit Committee rely, without independent verification, on the information provided to them and on the representations made by Management and the independent registered public accounting firm. Based upon the Audit Committee's discussions with Management and the independent registered public accounting firm, and the Audit Committee's review of the representations of Management and the independent registered public accounting firm, the Audit Committee recommended that the Board include the audited consolidated financial statements in our Annual Report on Form 10-K for the year ended August 31, 2005, filed with the SEC on November 30, 2005.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has selected Deloitte & Touche, LLP ("D&T") as the independent registered public accounting firm of our Company for the fiscal year ending August 31, 2006. Representatives of D&T are expected to be present at the Annual Meeting to answer questions. They also will have the opportunity to make a statement if they desire to do so.
