Item 1.01 Entry into a Material Definitive Agreement.

On February 28, 2005, the Compensation Committee of the Board of Directors of Quanta Services, Inc. adopted the Quanta Services, Inc. 2005 Incentive Bonus Plan (the Incentive Plan). The Incentive Plan is a performance-based incentive bonus plan under which Quanta's corporate and operating unit executive officers and key management employees are eligible to receive annual bonus awards payable in cash and restricted stock. For 2005, performance goals for operating unit executives are based on achievement of operating income targets, modified return on asset targets, and various safety statistics at the operating unit level. Performance goals under the Incentive Plan for corporate management employees are based on achievement of operating income targets and return on equity targets in 2005. The Incentive Plan provides for additional discretionary awards in cash and restricted stock to award both operating unit employees and corporate management employees for exceptional performance. The Compensation Committee, based on recommendations of management, establishes specific target amounts for the participants under the Incentive Plan. In addition, all future awards under the Incentive Plan are subject to approval by the Compensation Committee prior to the date any such awards are granted.

In addition to adopting the Incentive Plan, the Compensation Committee also approved the grant of restricted stock awards, pursuant to Quanta's 2001 Stock Incentive Plan, to certain employees, including the named executive officers, to be effective on March 15, 2005. The form of Restricted Stock Award Agreement is attached hereto as Exhibit 10.1.
