**PROXY STATEMENT
FOR THE 2007 ANNUAL MEETING OF LIMITED PARTNERS
TO BE HELD ON MAY 30, 2007**

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING AND VOTING

The Annual Meeting

Unless otherwise indicated, the terms Partnership, we, our, and us are used in this proxy statement to refer to Legacy Reserves, LP together with our subsidiaries. The terms board and board of directors refer to our general partner's board of directors.

Why did you send me this Proxy Statement?

We sent you this proxy statement and the enclosed proxy card because the board of directors of our general partner on behalf of Legacy Reserves LP is soliciting your proxy to vote at the 2007 Annual Meeting of Limited Partners. This question and answer section summarizes selected information contained elsewhere in this proxy statement, but does not contain all of the information that may be important to you. We urge you to read the entire proxy statement carefully.

You do not need to attend the Annual Meeting to vote. Instead, you may simply complete, sign and return the enclosed proxy card.

When and where is the Annual Meeting?

The 2007 Annual Meeting of Limited Partners of Legacy Reserves LP will be held on Wednesday, May 30, 2007, at 10:00 a.m., local time, at the Petroleum Club of Midland located at 501 West Wall at Marienfeld.

What am I being asked to vote upon?

You are being asked to approve the election of the directors nominated to our general partner's board of directors to serve until the next Annual Meeting of Limited Partners, and to consider and vote upon such other business as may properly come before the Annual Meeting or any adjournments or postponements thereof.

Voting and Proxy Procedures

Who may vote at the Annual Meeting?

Only unitholders of record at the close of business on April 20, 2007, the record date for the Annual Meeting, are entitled to receive notice of and to participate in the Annual Meeting. If you were a unitholder of record on that date, you will be entitled to vote all of the units representing limited partner interests of Legacy Reserves LP, each referred

to as a Unit, that you held on that date at the Annual Meeting, or any postponements or adjournments of the Annual Meeting. We are mailing this proxy statement to unitholders on or about April 27, 2007.

Table of Contents

What are the voting rights of the holders of Units?

Each Unit is entitled to one vote on all matters. Your proxy card indicates the number of Units that you owned as of the record date.

Who is soliciting my proxy?

Our general partner's board of directors on behalf of Legacy Reserves LP is soliciting proxies to be voted at the Annual Meeting.

How do I vote by proxy?

Whether you plan to attend the Annual Meeting or not, we urge you to complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. Returning the proxy card will not affect your right to attend the Annual Meeting and vote in person.

If you properly fill in your proxy card and send it to us in time to vote, your proxy (Steven H. Pruett or William M. Morris the individuals named as proxies on your proxy card) will vote your Units as you have directed. Unless otherwise directed in the proxy card, your proxy will vote your Units **for** the election of the seven director nominees proposed by our general partner's board of directors.

If any other matter is presented, it is the intention of the persons named in the enclosed proxy card to vote proxies held by them in accordance with their best judgment. At the time this proxy statement went to press, we knew of no matters that needed to be acted on at the Annual Meeting other than those discussed in this proxy statement.

How may I revoke my signed proxy card?

You may revoke your proxy card or change your vote at any time before your proxy is voted at the Annual Meeting. You can do this in one of three ways:

First, you can send a written notice in advance of the meeting to our Secretary at 303 W. Wall, Suite 1400, Midland, Texas 79701, stating that you would like to revoke your proxy.

Second, you can complete and submit a later-dated proxy card.

Third, you can attend the Annual Meeting and vote in person. Your attendance at the Annual Meeting will not alone revoke your proxy unless you vote at the meeting as described below.

If you have instructed a broker to vote your Units, you must follow directions received from your broker to change those instructions.

What does it mean if I get more than one proxy card?

It indicates that your Units are held in more than one account, such as two brokerage accounts registered in different names. You should complete each of the proxy cards to ensure that all of your Units are voted. We encourage you to register all of your brokerage accounts in the same name and address for better service. You may do this by contacting our transfer agent, Computershare Trust Company, N.A., P.O. Box 43078, Providence, RI 02940-3078, Telephone: (781) 575-4238.

How do I vote in person?

If you plan to attend the Annual Meeting and vote in person, we will give you a ballot when you arrive. However, if your Units are held in the name of your broker, bank or other nominee, you must bring an account statement or letter from the nominee indicating that you were the beneficial owner of the Units on the record date.

Table of Contents

Quorum and Required Votes

How many votes are needed to hold the meeting?

A majority of the outstanding Units as of the record date must be represented at the meeting in order to hold the meeting and conduct business. This is called a quorum. As of April 16, 2007, there were 26,066,596 Units outstanding held by approximately 4,270 persons. Unitholders are entitled to one vote, exercisable in person or by proxy, for each Unit, held by such Unitholder on the record date.

Units are counted as present at the Annual Meeting if:

the unitholder is present and votes in person at the meeting,

the unitholder has properly submitted a proxy card, or

under certain circumstances, the unitholder's broker votes the Units.

Who will count the vote?

Representatives of Computershare Trust Company, N.A., our transfer agent, will tabulate the votes.

How many votes must the nominees have to be elected?

The affirmative vote of holders of a plurality of the Units present or represented by proxy at the meeting and entitled to vote is required for the election of each director nominee. Therefore, abstentions and broker non-votes will not be taken into account in determining the outcome of the election of directors.

How are proxies solicited?

Proxies may be solicited by mail, telephone, or other means by our general partner's officers, directors and our employees. No additional compensation will be paid to these individuals in connection with proxy solicitations. We will pay for distributing and soliciting proxies and will reimburse banks, brokers and other custodians their reasonable fees and expenses for forwarding proxy materials to unitholders.

PROPOSAL 1

ELECTION OF DIRECTORS

Board of Directors

The Amended and Restated Limited Liability Company Agreement of our general partner provides that our general partner's board of directors will consist of a number of directors as determined from time to time by resolution adopted by a majority of directors then in office, but shall not be less than seven, nor more than nine. Currently, our general partner's board of directors has seven directors. Each of the nominees for election to the board of directors is currently a director of Legacy Reserves GP, LLC. If elected at the annual meeting, each of the nominees will be elected to hold office for a one year term and thereafter until his successor has been elected and qualified, or until his earlier death, resignation or removal.

Table of Contents**Voting**

Directors are elected by a plurality of the votes present in person or represented by proxy and entitled to vote at the annual meeting. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the nominees named below. In the event that any nominee should be unavailable for election as a result of an unexpected occurrence, such shares will be voted for the election of such substitute nominee as may be nominated by our general partner's board of directors. Each person nominated for election has agreed to serve if elected, and we have no reason to believe that any nominee will be unable to serve.

Recommendation and Proxies

The board of directors recommends a vote FOR each of the nominees named below.

The persons named in the enclosed proxy card will vote all Units over which they have discretionary authority FOR the election of the nominees named below. Although our general partner's board of directors does not anticipate that any of the nominees will be unable to serve, if such a situation should arise prior to the meeting, the appointed persons will use their discretionary authority pursuant to the proxy and vote in accordance with their best judgment.

Set forth below is biographical information for each person nominated for a one-year term expiring at the 2008 Annual Meeting. Each of the director nominees is an existing director standing for re-election.

CORPORATE GOVERNANCE**Management of Legacy Reserves LP**

The directors and officers of Legacy Reserves GP, LLC, as our general partner, manage our operations and activities. Our general partner is not elected by our unitholders and will not be subject to re-election on a regular basis in the future. Other than through their ability to elect directors of our general partner as described below, unitholders will not be entitled to directly or indirectly participate in our management or operation.

Our general partner owes a fiduciary duty to our unitholders. Our general partner will be liable, as general partner, for all of our debts (to the extent not paid from our assets), except for indebtedness or other obligations that are made specifically nonrecourse to it. Our general partner therefore may cause us to incur indebtedness or other obligations that are nonrecourse to it.

The limited liability agreement of our general partner provides for a board of directors of not less than seven and not more than nine members.

Our unitholders, including affiliates of our general partner, are entitled to annually elect all of the directors of our general partner. Directors of our general partner hold office until the earlier of their death, resignation, removal or disqualification or until their successors have been elected and qualified.

Board of Directors

During the fiscal year ended December 31, 2006, our general partner's board of directors held eight meetings. Each director attended at least 75% of the aggregate number of meetings of the board of directors. It is the policy of our general partner's board of directors to encourage directors to attend each meeting of unitholders. Because our initial public offering closed in January of 2007, we did not hold an Annual Meeting in 2006.

Director Independence

Three members of the board of directors of our general partner serve on a conflicts committee to review specific matters that the board believes may involve conflicts of interest. The conflicts committee will determine if the resolution of the conflict of interest is fair and reasonable to us. The members of the conflicts committee may not be officers or employees of our general partner or directors, officers, or employees of its affiliates, and must meet the independence and experience standards established by any national securities exchange on which our securities may be listed and the Securities Exchange Act of 1934, as amended, or Exchange Act, and other federal securities laws. Under NASDAQ Global Market, or NASDAQ, listing

Table of Contents

standards the board of directors must affirmatively determine that a director is independent. Any matters approved by the conflicts committee will be conclusively deemed to be fair and reasonable to us, approved by all of our partners and not a breach by our general partner of any duties it may owe us or our unitholders. In addition, the board of directors of our general partner has an audit committee of three directors who meet the independence and experience standards established by NASDAQ and the Exchange Act. The audit committee will review our external financial reporting, recommend engagement of our independent auditors and review procedures for internal auditing and the adequacy of our internal accounting controls. The board of directors of our general partner also has a compensation committee, consisting of three independent members, that administers the Legacy Reserves LP Long-Term Incentive Plan, or LTIP. Additionally, the board of directors of our general partner has a nominating and governance committee, consisting of three independent members, that will nominate candidates to serve on the board of directors of our general partner.

Independent members of the board of directors of our general partner serve as the members of the conflicts (Messrs. Sullivan (chairman), Lawrence and Vann), audit (Messrs. Lawrence (chairman), Sullivan and VanLoh), compensation (Messrs. Vann (chairman), VanLoh and Sullivan) and nominating and governance (Messrs. Sullivan (chairman), Lawrence and Vann) committees. We are not required to have a majority of independent directors on the board of directors of our general partner; however, we currently have a majority of independent directors on the board of directors of our general partner.

Audit Committee

Membership

The audit committee has been established in accordance with Section 10A-3 of the Exchange Act. The board of directors of our general partner has appointed Messrs. Lawrence, Sullivan and VanLoh as members of the audit committee. Each of the members of the audit committee have been determined by the board of directors to be independent under NASDAQ's standards for audit committee members to serve on its audit committee. In addition, the board of directors has determined that at least one member of the audit committee (Mr. Lawrence) has such accounting or related financial management expertise sufficient to qualify such person as the audit committee financial expert in accordance with Item 401 of Regulation S-K and NASDAQ requirements.

The audit committee met two times, the compensation committee met two times, the nominating and governance committee did not meet as we were not public in 2006, and the conflicts committee met once during 2006. Each director attended at least 75% of the aggregate number of meetings of the committees of the board of directors on which he served during 2006.

Responsibilities

The audit committee assists the general partner's board of directors in overseeing:

- our accounting and financial reporting processes;
- the integrity of our financial statements;

The notice must be received at our principal executive offices at the address shown on the cover page within the specified period and must be accompanied by the information and documents specified in the amended and restated agreement of limited partnership. A copy of the amended and restated agreement of limited partnership may be obtained by writing to our Secretary at the address shown on the cover page.

Recommendations by unitholders for directors to be nominated at the 2008 annual meeting of unitholders must be in writing and include sufficient biographical and other relevant information such that an informed judgment as to the proposed nominee's qualifications can be made and the name, address and the class and number of units owned by such unitholder. Recommendations must be accompanied by a notarized statement executed by the proposed nominee consenting to be named in the proxy statement, if nominated, and to serve as a director, if elected. Notice and the accompanying information must be received at our principal executive office at the address shown on the cover page no later than January 31, 2008 or earlier than January 16, 2008.

The amended and restated agreement of limited partnership does not affect any unitholder's right to request inclusion of proposals in our proxy statement pursuant to Rule 14a-8 under the Exchange Act. Rule 14a-8 specifies what

constitutes timely submission for a unitholder proposal to be included in our proxy statement. Under the SEC's proxy solicitation rules, to be considered for inclusion in the proxy materials for the 2008 annual meeting of unitholders, unitholder proposals must be received by our Secretary at our principal offices in Midland, Texas by January 31, 2008. Unitholders are urged to review all applicable rules and consult legal counsel before submitting a nomination or proposal to us.

Nomination Criteria

The nominating and governance committee is responsible for assessing the skills and characteristics that candidates for election to our general partner's board of directors should possess, as well as the composition of our general partner's board of directors as a whole. The assessments include qualifications under applicable independence standards and other standards applicable to our general partner's board of directors and its committees, as well as consideration of skills and experience in the context of the needs of our general partner's board of directors. Each candidate must meet certain minimum qualifications, including:

the ability to dedicate sufficient time, energy and attention to the performance of her or his duties, taking into consideration the nominee's service on other public company boards; and

skills and expertise complementary to the skills of the existing members of our general partner's board of directors; in this regard, the board of directors will consider its need for operational, managerial, financial, governmental affairs or other relevant expertise.

The nominating and governance committee may also consider the ability of a prospective candidate to work with the then-existing interpersonal dynamics of our general partner's board of directors and the candidate's ability to contribute to the collaborative culture among the members of the board of directors of our general partner.

Based on this initial evaluation, the committee will determine whether to interview the candidate, and if warranted, will recommend that one or more of its members, other members of our general partner's board of directors or senior management, as appropriate, interview the candidate in person or by telephone. After completing this evaluation and interview process, the committee ultimately determines its list of nominees and submits it to the full board of directors of our general partner for consideration and approval.

COMPENSATION DISCUSSION AND ANALYSIS

The following discussion and analysis of compensation arrangements of the named executive officers of our general partner, Legacy Reserves GP, LLC, should be read together with the compensation tables and related disclosures set forth below.

Introduction

Our general partner manages our operations and activities through its board of directors. Under our partnership agreement, we reimburse our general partner for direct and indirect general and administrative expenses incurred on our behalf, including the compensation of our general partner's executive officers. Our general partner has not incurred any reimbursable expenses related to the compensation of our general partner's executive officers for their management of us. Currently, our general partner's executive officers are employed by our wholly-owned subsidiary, Legacy Reserves Services, Inc., and are directly compensated for their management of us pursuant to their employment agreements. Please read Executive Compensation Employment Agreements.

The five named executive officers of our general partner are Cary D. Brown, Chairman and Chief Executive Officer, Steven H. Pruett, President, Chief Financial Officer and Secretary, Kyle A. McGraw, Executive Vice President Business Development and Land, Paul T. Horne, Vice President Operations, and William M. Morris, Vice President, Chief Accounting Officer and Controller.

Corporate Governance

Compensation Committee Authority

Executive officer compensation is administered by the compensation committee of the board of directors of our general partner, which is composed of three members, Messrs. Vann, VanLoh, Jr., and Sullivan (Messrs. Vann and Sullivan joined the board of directors in 2006). The board of directors appoints the compensation committee members and delegates to the compensation committee the direct responsibility for setting compensation for named executive officers, establishing equity and non-equity incentive plans, and administering our LTIP.

The board of directors has determined that each committee member is independent under NASDAQ listing standards, SEC rules and the relevant securities laws, and that each member is an outside director as defined in Section 162(m) of the Internal Revenue Code of 1986, as amended. The compensation committee met once in 2006.

Role of Compensation Experts in Determining 2006 Executive Officer Compensation

The compensation committee is authorized to obtain at company expense compensation surveys, reports on the design and implementation of compensation programs for directors, officers and employees, and other data and documentation as the compensation committee considers appropriate. In addition, the compensation committee has the sole authority to retain and terminate any outside counsel or other experts or consultants engaged to assist it in the evaluation of compensation of our directors and executive officers, including the sole authority to approve such

consultants' fees and other retention terms. The compensation committee did not retain the services of a compensation consultant to assist in the evaluation and design of 2006 executive officer compensation, nor did it consult any compensation surveys or reports. In connection with our initial

Table of Contents

public offering in January 2007, the compensation committee retained a compensation consultant for 2007. Salaries for 2006 were set prior to the formation of our compensation committee. Factors we considered in determining the salaries include:

the qualifications, skills and experience level of the respective named executive officer;

the position, role and responsibility of the respective named executive officer in the company; and

the direct experience of the respective named executive officer in the oil industry as a whole, and specifically, the Permian Basin.

Executive Officer Compensation Strategy and Philosophy

Our executive officer compensation strategy is designed to attract and retain highly qualified executive officers and to align their interests with those of investors by linking significant components of executive officer compensation with the achievement of our overall goals of growth and financial strength. As many of our executive officers hold units in the partnership, we have attempted to maintain competitive levels of compensation while focusing on the growth of our business. Through this approach, our executives receive salaries for the market value of their services and their performance is further rewarded through the distributions they receive on their holdings of our units. We have limited the magnitude of non-equity incentive awards to date due to our desire to conserve cash which fuels our growth and reduces operating expenses.

Although we do not currently maintain any plan with threshold, target, or maximum amounts of awards that can be earned based on predetermined levels of performance, we granted unit options to each of our named executive officers during 2006. These grants were designed to reward our executives for their performance in assembling a private offering of our securities during the year and encourage their further efforts in growing our business and pursuing an initial public offering of our units. Due to our desire to treat our executive officers equally, each executive received a grant of 20,000 unit options. This approach of equal option grants among our executive officers may not be used in the future.

We may develop equity and non-equity incentive plans in the future and make bonus payments to our named executive officers.

At our named executive officers' 2006 compensation levels, we did not believe that Internal Revenue Code Section 162(m) would be applicable and accordingly, did not consider it in setting 2006 compensation levels.

Components of Compensation

Base Salaries

It is the intent of the compensation committee to have the base salaries of our named executive officers reviewed on an annual basis as well as at the time of a promotion or other material change in responsibilities.

Adjustments in base salary may be based on an evaluation of individual performance, our company-wide performance and the individual's contribution to our performance. Upon Mr. Morris' assumption of the role of Chief Accounting Officer, Mr. Morris' base salary was raised by \$25,000 to its current level to reflect his additional responsibilities. No other salary adjustments were made in 2006. See Executive Compensation Summary Compensation Table.

Long-Term Incentive Compensation

Overview

We currently administer long-term incentive compensation awards through our LTIP adopted in March 2006. The plan is administered by the compensation committee of the board of directors of our general partner and permits the grant of awards covering an aggregate of 2,000,000 units. The purpose of the plan is to promote the interests of our unitholders by encouraging our employees, directors and other service providers

Table of Contents

to acquire or increase their equity interest in us, thereby giving them the added incentive to work toward our continued growth and success. The plan permits awards of unit grants, restricted units, phantom units, unit options, unit appreciation rights, performance based units and other forms of equity compensation.

As of December 31, 2006, grants of awards covering 333,866 units have been made including 65,116 restricted units and 268,750 unit options. We have awarded unit options as the primary form of equity compensation. We selected this form because of the favorable accounting and tax treatment and the expectation by key employees that part of their compensation would be derived from options to purchase units in the partnership.

Unit option awards have been tied to the performance of the named executive officers in expanding the business and preparing us for a private offering of our units. All unit-based awards we have made have been time-based. Time-based awards vest in accordance with vesting schedules determined by our general partner's board of directors and its compensation committee. The unit options and restricted units we awarded to the named executive officers in 2006 vest one-third each year over three years. Our belief is that time-based awards more closely align our executives interests with those of our unitholders by providing a greater incentive for long-term performance.

We consider long-term equity incentive compensation to be an important element of our compensation program for named executive officers. We believe that meaningful equity participation by each named executive officer to be a strong motivating factor that will result in significant increases in value and in growth. This belief is reflected in the aggregate awards of unit options and restricted units that have been made to named executive officers that did not already have a significant interest in our units.

Our general partner's board of directors, or its compensation committee, in its discretion may terminate, suspend or discontinue the LTIP at any time with respect to any award that has not yet been granted. Our general partner's board of directors, or its compensation committee, also has the right to alter or amend the LTIP or any part of the plan from time to time, including increasing the number of units that may be granted, subject to unitholder approval as required by the exchange upon which the units are listed at that time. However, no change in any outstanding grant may be made that would materially impair the rights of the participant without the consent of the participant.

Unit grants

The LTIP permits the grant of units. A unit grant is a grant of units that vests immediately upon issuance.

Restricted Units and Phantom Units

A restricted unit is a unit that is subject to forfeiture prior to the vesting of the award. A phantom unit is a notional unit that entitles the grantee to receive a unit upon the vesting of the phantom unit or, in the discretion of the compensation committee, cash equivalent to the value of a unit. The compensation committee may make grants under the plan of restricted units and phantom units to employees, consultants and directors containing such terms, consistent with the plan, as the compensation committee shall determine. The compensation committee will determine the period over which the restricted units and phantom units granted to employees, consultants and directors will vest. The compensation committee may base vesting upon the achievement of specified financial objectives or on the grantee's completion of a period of service. In addition, the restricted units and phantom units will vest upon a change of control of Legacy Reserves LP or our general partner, unless provided otherwise by the compensation committee in the award agreement.

If the grantee's employment, service relationship or membership on the board of directors terminates for any reason, the grantee's restricted units and phantom units will be automatically forfeited unless, and to the extent, the compensation committee provides otherwise in the award agreement or waives (in whole or in part) any such

forfeiture. Units to be delivered in connection with the grant of restricted units or upon the vesting of phantom units may be units acquired by us on the open market, or from any other person, or we may issue new units, or any combination of the foregoing. Our general partner is entitled to reimbursement by us for the cost incurred in acquiring units. Thus, the cost of the restricted units and the delivery of units upon the vesting

Table of Contents

of phantom units will be borne by us. If we issue new units in connection with the grant of restricted units or upon vesting of the phantom units, the total number of units outstanding will increase. The compensation committee, in its discretion, may provide for tandem distribution rights with respect to restricted units and grant tandem distribution equivalent rights with respect to phantom units that entitle the holder to receive cash equal to any cash distributions made on units prior to the vesting of a restricted or phantom unit.

Unit Options and Unit Appreciation Rights

The LTIP permits the grant of options covering units and the grant of unit appreciation rights. A unit appreciation right is an award that, upon exercise, entitles the participant to receive the excess of the fair market value of a unit on the exercise date over the exercise price established for the unit appreciation right. Such excess may be paid in units, cash, or a combination thereof, as determined by the compensation committee in its discretion. The compensation committee will be able to make grants of unit options and unit appreciation rights under the plan to employees, consultants and directors containing such terms as the committee shall determine consistent with the plan. Unit options and unit appreciation rights may not have an exercise price that is less than the fair market value of the units on the date of grant. In general, unit options and unit appreciation rights granted will become exercisable over a period determined by the compensation committee. In addition, the unit options and unit appreciation rights will become exercisable upon a change in control of Legacy Reserves LP or our general partner, unless provided otherwise by the committee in the award agreement. The compensation committee, in its discretion may grant tandem distribution equivalent rights with respect to unit options and unit appreciation rights.

Upon exercise of a unit option (or a unit appreciation right settled in units), we will acquire units on the open market or from any other person or we may issue new units, or any combination of the foregoing. If we issue new units upon exercise of the unit options (or a unit appreciation right settled in units), the total number of units outstanding will increase, and our general partner will pay us the proceeds it receives from an optionee upon exercise of a unit option. The availability of unit options and unit appreciation rights is intended to furnish additional compensation to employees, consultants and directors and to align their economic interests with those of unitholders.

In 2006, we made awards of unit options and restricted units under our LTIP. On March 15, 2006, we made a grant of 35,077 restricted units to Mr. Morris in connection with his employment agreement that are subject to three year vesting. Mr. Morris' restricted unit award is also subject to accelerated vesting under certain conditions. On July 17, 2006, we made grants of 20,000 unit options that are subject to three year vesting to each of our named executive officers to reward their efforts in completing our March 2006 private offering.

Unit Option Practices

Due to our limited operating history, we have not yet established any set methodology for awarding unit options. Although our LTIP permits us to award options under a variety of circumstances, we have not yet analyzed a uniform standard for the type of awards that we will make or any standard vesting schedule tied to the options or other rights we may grant. We have not back-dated any option awards. The option grants we have made to date had an exercise price that corresponded with the offering price to purchasers of our units in a private offering we conducted in March 2006, the price at which our units traded on the Portal Market, the price to the public of our units in our January 2007 initial public offering, or the market value of our units at the close of trading on the date of the grant. Any option grants we may make in the future will have an exercise price equal to the market value of our units at the close of trading on the date of the grant.

As a privately owned partnership, there had been no public market for our units. Accordingly, in 2006, we had no program, plan or practice pertaining to the timing of unit option grants to executive officers coinciding with the release of material non-public information.

Perquisites and Other Personal Benefits

Our principal executive office is in Midland, Texas, and our named executive officers are required to travel often due to the expansive nature of the oil and natural gas business. Due to the frequent travel involved, our employees are not required to maintain their primary residences in Midland, and we pay for certain travel to and from their residences. In 2006, we required Mr. Pruett to discharge a majority of his executive responsibilities in Midland. Accordingly, we deemed it appropriate and economically efficient to reimburse Mr. Pruett for airline flights and car rental expenses when traveling to and from our office in Midland. Because Mr. Pruett's principal city of residence is Houston, we determined for disclosure purposes and in considering his compensation that the amounts allocable to Mr. Pruett for his air transportation to and from Midland should be viewed as perquisites. See *Executive Compensation Summary Compensation Table* below for the amount attributable to Mr. Pruett for this benefit in 2006.

We maintain a 401(k) plan. The plan permits eligible full-time employees, including named executive officers, to make voluntary, pre-tax contributions to the plan up to a specified percentage of compensation, subject to applicable tax limitations. We may make a discretionary matching contribution to the plan for each eligible employee equal to 4.0% of an employee's annual compensation not in excess of \$220,000 for 2006, subject to applicable tax limitations. Eligible employees who elect to participate in the plan are generally vested in any matching contribution after commencement of employment with the company. The plan is intended to be qualified under Section 401(a) of the Internal Revenue Code so that contributions to the plan, and income earned on plan contributions, are not taxable to employees until withdrawn from the plan, and so that contributions, if any, will be deductible when made.

We maintain an employee benefit plan that provides our employees with the opportunity to enroll in our health, dental and life insurance plans. We pay all of our employees' health and life insurance premiums. Our dental plan requires the employee to pay a portion of the premium, with the company picking up the remainder. We provide these benefits so that we will remain competitive in the employment market and offer the benefits to all employees on the same basis.

Unit Ownership Requirements

We do not currently have any policy or guideline that requires a specified ownership of our units by our directors or executive officers or unit retention guidelines applicable to equity-based awards granted to directors and executive officers. Although we do not have a policy requiring ownership, each of our named executive officers directly or indirectly owns units.

As of December 31, 2006, our named executive officers as a group beneficially owned 7,166,336 units and options to acquire 100,000 units. If all options were exercised, our named executive officers would have beneficially owned approximately 39.3% of our issued and outstanding units. See *Executive Compensation Outstanding Equity Awards at Fiscal 2006 Year-End* for outstanding options held by our named executive officers.

Employment Agreements

Through our wholly-owned subsidiary Legacy Reserves Services, Inc. we have employment agreements with each of our executive officers. These agreements establish that each of our named executive officers is employed by Legacy Reserves Services, Inc., and provide for the employment of Mr. Brown as Chief Executive Officer, Mr. Pruett as President and Chief Financial Officer, Mr. McGraw as Executive Vice President Business Development and Land, Mr. Horne as Vice President Operations and Mr. Morris as Controller of our general partner. Each of these agreements became effective upon the completion of our private placement on March 15, 2006, and is terminable either by the executive or by us at any time.

Base Salaries

The employment agreements provide that Messrs. Brown, Pruett, McGraw, Horne and Morris will receive an annual base salary of \$200,000, \$175,000, \$150,000, \$150,000 and \$125,000, respectively. The board of directors of our general partner approved an increase in Mr. Morris' annual base salary to \$150,000 effective May 1, 2006. The agreements provide that each executive officer is entitled to participate in equity and non-equity incentive programs that we may establish from time to time and incentive compensation will be paid at the discretion of the board of directors of our general partner.

Intellectual Property and Non-Compete Clauses

The employment agreements with each of our named executive officers require that the executive officer must promptly disclose and assign any individual rights that he may have in any intellectual property and business opportunities to us. For purposes of the agreement, intellectual property includes inventions, discoveries, processes, designs, methods, substances, articles, computer programs, or improvements and business opportunities include business ideas, prospects, proposals or other opportunities pertaining to the lease, acquisition, exploration, production, gathering or marketing of hydrocarbons and related products and the exploration potential of geographical areas on which hydrocarbon exploration prospects are located. Under the non-compete provisions of these agreements, the executive officers are prohibited from engaging or participating, with any person or entity, in any activity pertaining to the leasing, acquiring, exploring, producing, gathering or marketing of hydrocarbons during the term of the executive officer's employment and the executive officer may not invest in any other such business unless prior approval is granted in writing by our general partner's board of directors. The non-compete provisions limit the executives' right to engage in these activities for a period of six months after termination of employment in counties where we do business,

Table of Contents

six months in adjacent counties, and limit investment to \$500,000 in publicly traded companies engaged in similar businesses for a period of one year after termination unless such competitive activity is approved in writing by a majority of the independent directors of our general partner's board of directors. The employment agreements also prohibit the executive officer from soliciting any of our employees or customers for two years following termination.

The employment agreements prohibit the executive officers from engaging in or participating in any publicly traded partnership or limited liability company or privately held company contemplating an initial public offering as a limited partnership or a limited liability company that is in direct competition with us for one year following the termination of employment.

The non-compete provisions contained in the employment agreements will not apply to investments by the executive officers made prior to the effective date of their respective employment agreements, provided that the investments were identified in the employment agreement. In addition, the non-compete provisions will not apply if we terminate the executive officer's employment within one year following a change of control.

Severance and Change in Control Payments

Pursuant to the terms of the employment agreements, we may be obligated to make severance payments to our named executive officers following the termination of their employment. These benefits are described below under Benefits Payable Upon Termination or Change in Control.

In the event that any payments to which any named executive officer is entitled becomes subject to the excise tax imposed by Section 4999 of the Internal Revenue Code, then the board may provide for the payment of, or otherwise reimburse the executive for the amount of the excise tax. Additionally, to the extent any payments to which any named executive officer is entitled is deemed to constitute non-qualified deferred compensation subject to Section 409A of the Internal Revenue Code, then we will have the discretion to adjust the terms of such payment or benefit as we deem necessary to comply with the requirements of Section 409A to avoid the imposition of any excise tax or other penalty with respect to such payment or benefit under Section 409A.

Table of Contents**Benefits Payable Upon Termination or Change in Control**

The following table presents, for each named executive officer, the potential post-employment payments and payments on a change in control as of December 31, 2006. Severance Benefits

Under the employment agreements, we may be obligated to make severance payments following the termination of each executive officer's employment if we terminate him without cause or he terminates his employment for good reason, subject to certain cure periods. Cause is defined under each employment agreement as:

the executive officer's conviction of or plea of nolo contendere to any felony or crime or offense causing substantial harm to the partnership, general partner, or its direct or indirect subsidiaries, or involving acts of theft, fraud, embezzlement, moral turpitude or similar conducts;

the executive officer's repeated intoxication by alcohol or drugs during the performance of his duties;

the executive officer's malfeasance in the conduct of the executive's duties including, but not limited to, willful and intentional misuse or diversion of any funds, embezzlement or fraudulent or willful material misrepresentations or concealments on any written reports;

the executive officer's material failure to perform the duties of his employment consistent with his position, expressly including the provisions of the agreements or material failure to follow or comply with the reasonable and lawful written directives of the board;

Good reason is defined under each employment agreement as:

a reduction in the executive officer's base salary;

the relocation of the executive officer's primary place of employment to a location more than twenty miles from Midland, Texas; or

any material reduction in the executive officer's title, authority or responsibilities.

If the employment of any named executive officer is terminated by us for cause or by the executive officer without good reason, we are not obligated to make any severance payments to the executive officer. The amount that an executive officer is entitled to receive upon a termination of his employment by us without cause or by the executive officer with good reason is based on the executive officer's salary and his incentive compensation. In addition, the executive officers are entitled to the full costs of the executive's COBRA continuation coverage for the shorter of the severance period or the time when the executive receives substantially similar benefits from a subsequent employer. In addition, Messrs. Brown and McGraw would have the right to exercise one demand registration right each.

Change in Control Benefits

Pursuant to the employment agreements, we may be required to make payments to named executive officers upon a change in control, which occurs upon any of the following:

consummation of a reorganization, merger, statutory share exchange or consolidation or similar corporate transaction involving the partnership or any of its subsidiaries, a sale or other disposition of all assets or equity interests of another entity by the partnership or any of its subsidiaries unless all or substantially all of the individuals and entities that were the beneficial owners of the outstanding equity and voting securities immediately prior to such transaction beneficially own more than 50% of the then-outstanding equity interests and the combined voting power of the then-outstanding voting securities entailed to vote after such business transaction in substantially the same proportions as their ownership immediately prior to such transaction, no person beneficially owns 35% or more of the entity resulting from such transaction, except to the extent that such ownership existed prior to the transaction, or at least a majority of the members of the board of directors of the corporation or equivalent body of any other entity resulting from such transactions were members of the board at the time of the execution of the initial agreement or of the action of the board providing for such transaction; or

In accordance with this policy, neither Cary D. Brown nor Kyle McGraw received any compensation for their service as a director in 2006. Each non-employee director and independent director was entitled to receive an annual retainer of \$25,000 and up to \$1,000 for each board of directors and committee meeting in excess of four per year. While Messrs. Dale A. Brown and VanLoh opted not to accept the annual retainer of \$25,000 and meeting fees for their service as a director in 2006, they will each be paid an annual retainer and meeting fees in 2007.

Each non-employee director and independent director received a grant of 1,750 units pursuant to LTIP effective upon appointment to the board of directors of our general partner. In accordance with this policy, on May 1, 2006, Messrs. Dale A. Brown, Lawrence, Sullivan, VanLoh, Jr. and Vann received initial grants of 1,750 units for their service on our general partner's board of directors during 2006.

Each non-employee director and independent director is reimbursed for out-of-pocket expenses in connection with attending meetings of the board of directors or committees. Each director will be indemnified by us for actions associated with being a director to the fullest extent permitted under Delaware law.

Agreements Governing the Transactions

We and other partners have entered into the various documents and agreements that effected the private equity offering transactions, including the vesting of assets in, and the assumption of liabilities by, us and our subsidiaries, and the application of the proceeds of the private equity offering. These agreements, including the Omnibus Agreement described below, were not the result of arm's-length negotiations, and they, or any of the transactions that they provide for, may not have been effected on terms at least as favorable to the parties to these agreements as they could have been obtained from unaffiliated third parties. All of the transaction expenses incurred in connection with these transactions, including the expenses associated with transferring assets into our subsidiaries, were paid from the proceeds of the private equity offering.

Omnibus Agreement

On March 15, 2006, we entered into an agreement with our Founding Investors and certain of their affiliates. The agreement, which we refer to as the Omnibus Agreement, set forth the overall agreement of the parties with respect to the formation transactions among the parties and included:
